corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In A Thesaurus of English Word Roots, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the

These root-starting terms then are followed by terms where the root falls behind the word, e.g., acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odyacusis.. In this manner, A Thesaurus of English Word

work as doctors, lawyers, or in the ministry. Not one woman could vote, but that would change with the tireless efforts of Lucretia Mott, Lucy Stone, Elizabeth Cady Stanton, Sojourner Truth, Susan B. Anthony, Carrie Chapman Catt, Jeannette Rankin, Alice Paul, and thousands of women across the nation. Rightfully Ours tells of the century-long struggle for woman suffrage in the United States, a movement that began alongside the abolitionist cause and continued through the ratification of the 19th amendment. In addition to its lively narrative, this history includes a time line, online resources,

Overshadowed by the work of the great masters, folk art was for centuries neglected by collectors and museums, and scorned by connoisseurs. Indeed it only began to attract serious critical attention and public appreciation during the nineteenth century, while the spread of the Industrial Revolution was threatening it with extinction. Since then, though scholars have devoted much effort to the study of the subject on a national or regional basis, and have published the fruits of their researches in

The field is vast, for, if we include those American communities which are of European origin, it ranges (in area) from the Urals to the Catskills, and from Norway to Peru, and (in time) from the Middle Ages onwards. This rich and varied body of anonymous achievement in the arts and crafts has now been made the subject of an exhaustive coordinated study under the editorship of H J Hansen. "The Parable of the Knocker" is a non-fiction book about the investigation, prosecution, and trial of a notorious serial killer, Charles Severance. Severance committed his crimes in the City of Alexandria, Virginia, an affluent, historic community just miles south of Washington, D.C. Over the course of a decade, Severance ambushed three outstanding Alexandria residents in their middle-class neighborhood by knocking on their front doors in broad daylight and shooting them
