Reading and writing are a very important skill in today's world thus one should make the students or kids practice grammar on an everyday basis so that they develop strong writing ability. In this workbook we have focused on punctuation and grammar skills so that a child will know when to use a period, when to use lowercase or capital letters and also will be able to identify mistakes and errors in a sentence or paragraph and easily correct them. There are multiple paragraphs inside the workbook presented in short stories which have a lot of errors that have to be identified and also fixed, Once the paragraph is grammatically fixed you can go ahead and check the answers that are there for every paragraph at the second half of the book.
