*Yes, you can buy world-class wine on a budget. With Parker's Wine Bargains, America's most influential wine critic offers a guide to the world's best wines priced at \$25 or less. Robert M. Parker, Jr., earned his international reputation and unprecedented influence as a dedicated consumer advocate -- if a wine isn't worth the money, he says so, regardless of the wine's pedigree. In Parker's Wine Bargains, for the first time he and his Wine Advocate team offer budget-minded wine buyers a handy guide to low-priced wines for both everyday drinking and special occasions. Organized by country, the book lists more than 1,500 quality wine producers, as well as abbreviated tasting notes for more than 3,000 of the best value wines. Chapters include an overview of each*

*country's wine-producing regions, highlight up-and-coming or underappreciated regions, and detail when wines can be consumed. Also featuring a vintage guide and lists such as "the best of the best," Parker's Wine Bargains is an accessible guide from the expert the New York Times deems "the critic who matters most." How can managers analyze their current and future business strategies? This textbook introduces the fields of business analysis and strategic management to provide students with an understanding of the key questions that need to be asked to understand an organization's options. The second part of the book provides tools and techniques to help organize and improve corporate strategy. Uniquely, the authors provide resources to assess aspects of strategic goals which are sometimes overlooked such as financial performance, ethical and environmental*
