

Part Of The Pride

THE BOOK OF PRIDE captures the true story of the gay rights movement from the 1960s to the present, through richly detailed, stunning interviews with the leaders, activists, and ordinary people who witnessed the movement and made it happen. These individuals fought battles both personal and political, often without the support of family or friends, frequently under the threat of violence and persecution. By shining a light on these remarkable stories of bravery and determination, THE BOOK OF PRIDE not only honors an important chapter in American history, but also empowers young people today (both LGBTQ and straight) to discover their own courage in order to create positive change. Furthermore, it serves a critically important role in ensuring the history of the LGBTQ movement can never be erased, inspiring us to resist all forms of oppression with ferocity, community, and, most importantly, pride

All Miss Elizabeth has left is her pride...After Mr. Bennet's death, Elizabeth Bennet is cast out of Longbourn. Escaping a one way trip to a brothel, Elizabeth finds work at an inn and is stumbled upon by Mr. Darcy. She angrily leaves for London on his charity but gossip has a way of finding a sympathetic ear, and Elizabeth will find that outrunning disaster isn't as simple as outwitting a suitor...At last, Elizabeth is his ... until his domineering aunt causes trouble. Mr. Darcy can finally claim the rights of the marriage bed, uninterrupted. That is, until someone in the servants' quarters at Pemberley decides to make Elizabeth as miserable as possible.On the verge of happiness everlasting, a worried Mr. Darcy questions the local physician about a marital relations issue... and when odd happenings targeting Elizabeth continue at Pemberley, Mr. Darcy must decide between his past or his future... or lose Elizabeth forever. This sensual Pride and Prejudice variation is 96,000 words and features enemies to lovers, a ball, a wedding, a sewing circle, Mr. Darcy, Elizabeth Bennet, Mrs. Reynolds, the Gardiners, Caroline Bingley, Mr. Bingley and Jane Bennet, Mrs. Phillips, Mary Bennet, Kitty Bennet, Lady Catherine de Bourgh, Col. Fitzwilliam, Mrs. Bennet, Netherfield, Meryton, London, Pemberley and the Lambton Women's Circle for the Less Fortunate.

A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper's Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this "propulsive, deeply felt tale of race and friendship" (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen's husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband's freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Taylor Jones's An American Marriage and Jodi Picoult's Small Great Things, We Are Not Like Them takes "us to uncomfortable places—in the best possible way—while capturing so much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel" (Emily Giffin, New York Times bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship.

"A revelation." —Angela Duckworth "Enlightening." —Steven Pinker "Fascinating." —Daniel H. Pink "Insightful and engaging." — Daniel Gilbert "Stopped me in my tracks." — Adam Grant "An intriguing new way to think about a complicated emotion." — New York Why did Paul Gauguin abandon middle-class life to follow the path of a starving artist? What explains the massive success of Steve Jobs, a man with great ideas but weak programming skills and a questionable managerial style? How did Dean Kazanazes—the famed "Ultramarathon Man"—transform himself from a directionless desk jockey into an extreme athlete who once ran fifty marathons in fifty days? As the renowned emotion researcher Jessica Tracy reveals, each of these superachievers has been motivated by an often maligned emotion: pride. Its dark, hubristic side is well known, but Tracy shows that pride is also essential for helping us become our best, brightest selves. It makes us strive for excellence. In the right doses and the right contexts, it has been proven to boost creativity, motivate altruism, and confer power and prestige on those who display it. In Pride, Tracy explains how we can make this double-edged emotion serve us—rather than the other way around. "A must-read for anyone pursuing noteworthy goals." — Publishers Weekly Previously published in hardcover as TAKE PRIDE.

Take Pride

Part of the Pride

A leading psychologist reveals how our most misunderstood emotion—pride—has shaped our minds and our culture, and shows how we can harness its power. Why did Paul Gauguin abandon middle-class life to follow the path of a starving artist? What inspired Bill Gates to give away so much of his hard-won fortune? How has Donald Trump succeeded so excessively, when his winning style could easily be his greatest liability? As the renowned emotion researcher Jessica Tracy reveals inTake Pride, each of these superachievers has been motivated by an often maligned emotion: pride. Its dark, hubristic side is well known, but Tracy shows that pride is also essential for helping us become our best, brightest selves. By making us care about how others see us and how we see ourselves, pride makes us strive for excellence. In the right doses and the right contexts, it has been proven to boost creativity, motivate altruism, and confer status and power on those who display it. InTake Pride, Tracy explains why we came to feel pride and how we can make this double-edged emotion serve us—rather than the other way around. JUNIOR LIBRARY GUIDELINE SELECTION • Celebrate Pride and it's iconic rainbow flag—a symbol of inclusion and acceptance around the world—with the very first picture book to tell its remarkable and inspiring history! "Pride is a beacon of (technicolor) light." --Entertainment Weekly In this deeply moving and empowering true story, young readers will trace the life of the Gay Pride Flag, from its beginnings in 1978 with social activist Harvey Milk and designer Gilbert Baker to its spanning of the globe and its role in today's world. Award-winning author Rob Sanders's stirring text, and acclaimed illustrator Steven Salerno's evocative images, combine to tell this remarkable - and untold - story. A story of love, hope, equality, and pride.

The greatest trick the devil ever pulled was convincing the world he didn't exist.But who said the devil was a he?In my world, she was out to cause havoc on all our lives. She'll use the one thing I care most about to control me-force me into her Elite world, filled with sin, deceit, and power. And under her spell, I'll lead a sinister brotherhood of seven at one of the most prestigious universities in New Orleans.Seven tasks set forth by the devil herself, promising nothing less than the forbidden fruit of power. What they don't understand is it will all end in bloodshed and regret. They call me the alpha. The one in charge. The one with pride bigger than any task I could be given. And my pride won't let me be anywhere but at the top of the food chain until she gives me what I truly want. My task is Meghan Benedict. She's too pure for me to touch, too good for me to ruin-and the only thing standing in my way to freedom.Accept your sin wisely, for the tasks given to earn your place are not for the weak...they're for The Elite.As they say, pride comes before the fall.I am Mason Blackwell. I am Pride.

About a year ago, film started to circulate on YouTube® of a remarkable man named Kevin Richardson, an animal custodian in a South African animal park. The film showed Richardson in his day-to-day work, looking some of the world's most dangerous animals directly in the eye, crouching down at their level, playing with them and, sometimes, even kissing them on the nose—all without ever being attacked or injured. The films' popularity skyrocketed and Richardson became an international sensation. In "Part of the Pride", Kevin Richardson tells the story of his life and work, how he grew from a young boy who cared for so many animals that he was called "The Bird Man of Orange Grove" to an adolescent who ran wild and, finally, to a man who is able to cross the divide between humans and predators. As a self-taught animal behaviorist, Richardson has broken every safety rule known to humans when working with these wild animals. Flouting common misconceptions that breaking an animal's spirit with sticks and chains is the best way to subdue them, he uses love, understanding and trust to develop personal bonds with them. His unique method of getting to know their individual personalities, what makes each of them angry, happy, upset, or irritated—just like a mother understands a child—has caused them to accept him like one of their own into their fold. Like anyone else who truly loves animals, Richardson allows their own stories to share center stage as he tells readers about Napoleon and Tau, the two male lions he calls his "brothers"; the amazing Meg, a lioness Richardson taught to swim; the fierce Tsavo who savagely attacked him; and the heartbreaking little hyena called Homer who didn't live to see his first birthday. Richardson also chronicles his work on the feature film "The White Lion" and has a lot to say about the state of lion farming and hunting in South Africa today. In "Part of the Pride", Richardson, with novelist Tony Park, delves into the mind of the big cats and their world to show readers a different way of understanding the dangerous big cats of Africa.

One of BuzzFeed's best YA books of 2021! Perfect for fans of the Lady Janies and Stalking Jack the Ripper, the first book in the Jane Austen Murder Mysteries trilogy is a clever retelling of Pride and Prejudice that reimagines the iconic settings, characters, and romances in a thrilling and high-stakes whodunit. When a scandalous murder shocks London high society, seventeen-year-old aspiring lawyer Lizzie Bennet seizes the opportunity to prove herself, despite the interference of Mr. Fitzwilliam Darcy, the stern young heir to the prestigious firm Pemberley Associates. Convinced the authorities have imprisoned the wrong person, Lizzie vows to solve the murder on her own. But as the case—and her feelings for Darcy—become more complicated, Lizzie discovers that her dream job could make her happy, but it might also get her killed. Three of Jane Austen's classic novels receive a murder mystery makeover in this romantic and thrilling three-book series that's perfect for fans of The Lady's Guide to Petticoats and Piracy. Pride and Prejudice is followed by Sense and Second-Degree Murder, in which aspiring scientist Elmor Dashwood and her sister Marianne, a budding detective, work together to solve the mystery of their father's murder.

“The Way Up Is Down” There are universal spiritual laws that govern the success of our lives, and Pride Versus Humility explores one of those vital laws that is often overlooked: “Whoever exalts himself will be humbled, and whoever humbles himself will be exalted” (Matthew 23:12). With candor and biblical force, Derek Prince confronts central issues concerning pride and humility. As always, what he shares is not only insightful but also immensely practical. Ranging from the vital role of humility as we draw closer to God, to the absolute necessity for humility in any position of leadership, to the indispensable role of humility in our relationships with others, the contents of this book can have a life-changing impact on you as you learn the hazards of pride and discover God’s perfect pattern for humility.

"A picture book illustrating a Pride parade. The endmatter serves as a primer on LGBT history and culture and explains the references made in the story" --

Have pride in history. A rich and sweeping photographic history of the Queer Liberation Movement, from the creators and curators of the massively popular Instagram account LGBT History. "If you think the fight for justice and equality only began in the streets outside Stonewall, with brave patrons of a bar fighting back, you need to read We Are Everywhere right now."—Anderson Cooper Through the lens of protest, power, and pride, We Are Everywhere is an essential and empowering introduction to the history of the fight for queer liberation. Combining exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe—long before the pivotal Stonewall Riots of 1969—to the gender warriors leading the charge today. Featuring more than 300 images from more than seventy photographers and tweety archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations, mourning, and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, We Are Everywhere shows readers how they can—and must—honor the queer past in order to shape our liberated future.

Pride Against Prejudice

Simba's Pride

First published in 1999, the groundbreaking Exile and Pride is essential to the history and future of disability politics. Eli Clare's revelatory writing about his experiences as a white disabled genderqueer activist/writer established him as one of the leading writers on the intersections of queerness and disability and permanently changed the landscape of disability politics and queer liberation. With a poet's devotion to truth and an activist's demand for justice, Clare deftly unspools the multiple histories from which our ever-evolving sense of self unfolds. His essays weave together memoir, history, and political thinking to explore meanings and experiences of home: home as place, community, bodies, identity, and activism. Here readers will find an intersectional framework for understanding how we actually live with the daily hydraulics of oppression, power, and resistance. At the root of Clare's exploration of environmental destruction and capitalism, sexuality and institutional violence, gender and the body politic, is a call for social justice movements that are truly accessible to everyone. With heart and hammer, Exile and Pride prides open a window onto a world where our whole selves, in all their complexity, can be realized, loved, and embraced.

Despising the coveted antics of the popular girl in high school, including Taylor Anderson, Chloe Elizabeth Hart is determined to be the only girl who can avoid falling for Taylor's charms.

Thousands of years ago in the shadow of a vast mountain range, a race of dragons awoke. Not knowing who they were, where they came from or how they fell asleep in the first place, the dragons began to make a place for themselves in the world. Perhaps the most magnificent of this new race was Aqathon. In a time of unprecedented peril for their kind, the dragons turned to Aqathon to save their species from the constant human threat. Thus, the great plan was born. Today, life for Petros Renault couldn't be more perfect. As he prepares to graduate from university and head off to an elite post-graduate program he's also preparing to ask the girl he loves to marry him. Everything was perfect, until the headaches came. Struggling to understand the whats and whys of the pain which became his new reality, Petros discovers his mysterious connection to an ancient race thought only to be the stuff of legends and myth.

Henry is generally well-behaved, but he is occasionally arrogant and vain. Henry is at heart a hard worker, but his frequent bouts of illness hinder his work.

This Day in June

We Are Not Like Them

The Little Book of Pride

This is an enhanced ebook with a read-along function. Through gentle rhymes and colorful photographs of adorable children, Pride Colors is a celebration of the deep unconditional love of a parent or caregiver for a young child. The profound message of this delightful board book is you are free to be whoever you choose to be; you'll always be loved. Celebrated author Robin Stevenson ends her purposeful prose by explaining the meaning behind each color in the Pride flag: red = life, orange = healing, yellow = sunlight, green = nature, blue = peace and harmony, and violet = spirit.

For LGBTQ people and their supporters, Pride events are an opportunity to honor the past, protest injustice, and celebrate a diverse and vibrant community. The high point of Pride, the Pride Parade, is spectacular and colorful. But there is a whole lot more to Pride than rainbow flags and amazing outfits. How did Pride come to be? And what does Pride mean to the people who celebrate it?

A lion keeper explains how he has used understanding and trust-building to develop deep bonds with predator animals, and describes his work with lions as part of an effort to challenge popular misconceptions and raise awareness.

"In the distant future, when a new species rules the earth, thirteen-year-old Prince Leo struggles to hide a dangerous and forbidden power he cannot control while trying to unlock the mysteries of his origins"--

Part of the PrideMy Life Among the Big Cats of AfricaSt. Martin's Press

So many of us desire freedom - the freedom that is promised to us when we decide to follow Jesus. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In Breaking Pride you will learn to identify different area of pride in your life. Filled with encouragement, Breaking Pride will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

New York Times-Bestselling Author: This good-ol' 'boy wolf—and ace security expert—serves, protects and seduces... Sure, Toni Jean-Louis Parker has to be the responsible oldest sister to a crazy-brilliant clan of jackson siblings. But now she ’s cutting loose for some hot, sweaty, no-commitments fun—and the sexy, slow-talking, swift-moving predator assigned to keep her family safe is just the right thing to shapeshift her love life into overdrive. Trouble is, he ’s starting to get all obsessive wolf on her every time he looks in her direction... Getting serious about anyone isn ’t in Ricky Lee Reed ’s plans. Hell, even now he doesn ’t really have a plan—outside of catching whoever is threatening this dangerously brilliant family. But the more he sees of Toni, the more he ’s howling for her. And whatever it takes to convince her that what they have is everything, well, this wily wolf is down for the sizzling chase... * Hot shape-shifters and even hotter passion. In "Part of the Pride", Kevin Richardson, recently dubbed "The Lion Man" on 60 Minutes, tells the story of how he grew from a young boy who loved animals to become a man able to cross the divide between humans and predators, looking some of the world's most dangerous animals directly in the eye, playing with them and even kissing them on the nose—all without ever being attacked or injured. As a self-taught animal behaviorist, Richardson has broken every safety rule known to humans when working with these wild animals. Flouting common misconceptions that breaking an animal's spirit with sticks and chains is the best way to subdue them, he uses love, understanding and trust to develop personal bonds with them. His unique method of getting to know their individual personalities, what makes each of them angry, happy, upset, or irritated has caused them to accept him like one of their own into their fold. Richardson allows the animals' own stories to share center stage as he tells readers about Napoleon and Tau, the two he calls his "brothers"; the amazing Meg, a lioness Richardson taught to swim; the fierce Tsavo who savagely attacked him; and the heartbreaking little hyena called Homer who didn't live to see his first birthday. In "Part of the Pride", Richardson, with novelist Tony Park, delves into the mind of the big cats and their world to show readers a different way of understanding the dangerous big cats of Africa.

A great gift or self-purchase for your next LGBTQ getaway, wherever in the world that might be.

Kevin Richardson has been dubbed "The Lion Whisperer". It's a title he doesn't like, but how else can you label his extraordinary relationship with these beautiful yet deadly animals? As a zoologist and animal behaviourist, he works at a lion park in South Africa. Here he has formed incredible relationships with the big cats - playing with them, lying down with them, being included in every part of their lives as "one of the pride". Those who work with lions in the traditional way - using sticks, chains and coercion - call him crazy. But Kevin's ability to get inside the head of a lion, using love, patience and a unique empathy, have kept him safe in situations that would result in certain death to anyone else. This is Kevin's incredible story. How a man could become part of a lion pride, and a fascinating insight into the lives of one of the world's most beautiful and powerful animals.

Collective and group-based pride is currently covered across a number of disciplines including nationalism studies, sociology and social psychology, with little communication between fields. This multidisciplinary collection encourages interdisciplinary research and provides a unique insight into the subject, stemming from a psychological perspective. The collection builds upon insights from collective emotion research to consider the relations between collective pride, shame and guilt as well as emotions of anger, empowerment and defiance. Collective pride is examined in contexts that vary from small groups in relatively peaceful competition to protest movements and large groups in divisive conflicts. In the book collective pride is a complex and positive emotional experience evident in the behaviour of groups, that can lead to negative forms of collective hubris in which other groups are devalued or dominated. Emotions of Collective Pride and Group Identity brings together international contributors to discuss the theory, research and practice surrounding collective pride in relation to other emotions and collective, cultural and national identity. Divided into two parts, part one explores the philosophy and theory behind collective pride and its extremes. Part two draws upon the latest quantitative and qualitative empirical research to focus on specific issues, for example, happiness, national pride and the 2010 World Cup. Topics covered include: - cultural and national pride and identity - positive feelings of unity and solidarity - dynamic relationships between collective pride, guilt and shame - theories of emotions in ritual, symbolic and affective practices - collective pride and collective hubris in organizations - perspectives on national events from young people. This book will appeal to an interdisciplinary audience in the area of affect studies and emotion research including social psychologists, sociologists, historians and anthropologists.

Haitians in the United States

Love Is Love

Feral Pride

On June 28, 1970, two thousand gay and lesbian activists in New York, Los Angeles, and Chicago paraded down the streets of their cities in a new kind of social protest, one marked by celebration, fun, and unashamed declaration of a stigmatized identity. Forty-five years later, over six million people annually participate in 115 Pride parades across the United States. They march with church congregations and college gay-straight alliance groups, perform dance routines and marching band numbers, and gather with friends to cheer from the sidelines. With vivid imagery, and showcasing the voices of these participants, Pride Parades tells the story of Pride from its beginning in 1970 to 2010. Though often dismissed as frivolous spectacles, the author builds a convincing case for the importance of Pride parades as cultural protests at the heart of lesbian, gay, bisexual, and transgender (LGBT) community. Weaving together interviews, archival reports, quantitative data, and ethnographic observations at six diverse contemporary parades in New York City, Salt Lake City, San Diego, Burlington, Fargo, and Atlanta, Bruce describes how Pride parades are a venue for participants to challenge the everyday cultural stigma of being queer in America, all with a flair and sense of fun absent from typical protests. Unlike these political protests that aim to change government laws and policies, Pride parades are coordinated, concerted attempts to improve the standing of LGBT people in American culture. This book describes the struggle of Haitians in the United States, the strain between pride in their Italian roots and prejudice against Haitians, and its causes and consequences for approximately 500,000 Haitians in the U.S. The book examines the problems of prejudice, economics and immigration Haitians confront, along with their pride and resources of family, community and culture. Haitians reflect continuing difficulties in America concerning race, ethnicity and nationality. Part of the New Immigrants Series, edited by Nancy Foner. Focusing on the massive wave of immigration currently sweeping across America, this ground breaking series includes coverage of five new immigrant groups for 1998, the Hmong in Wisconsin, Brazilians and Koreans in New York City, Haitians in Miami, and Chinese in San Francisco. This series fills the gap in knowledge relating to today's immigrants, how these groups are attempting to redefine their cultures while here, and their contribution to a new and changing America.

A sexy she-wolf with military skills is locked in battle with her rich-boy boss in this hot shifter romance from the New York Times-bestselling author... Ric Van Holtz is more than he seems, nothing you expect—and everything you want... When it comes to following her instincts, former Marine Dee-Ann Smith never holds back. And this deadly member of a shifter protection group will do anything to prove one of her own kind is having hybrids captured for dogfights. Trouble is, her too-cute, rich-boy boss Ric Van Holtz is making it real hard for Dee to keep her heart safe. He's wanted the fiercely independent she-wolf from day one, but he never expected their teamwork to be so explosive. Now is his last chance to show Dee what she needs isn't some in-your-face Alpha male—but a wily, resourceful wolf who'll always have her back in a fight... and between the sheets. Offers a close-up look at lions through photographs and text that explore their territory, diet, physical characteristics, and behavior, as well as the threat that humans pose to them.

In a timely update of Jane Austen's Pride and Prejudice, National Book Award finalist Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimagining of this beloved classic. A smart, funny, gorgeous retelling starring all characters of color. Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. "Zoboi skillfully depicts the vicissitudes of teenage relationships, and Zuri's outside pride and poetic sensibility make her a sympathetic teenager in a contemporary story about race, gentrification, and young love." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

The Book of Pride
