Explore Answers to Life's Most Important Theological Questions. Over 175,000 Copies Sold! How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then systematic theology is no abstract term. It's an approach to finding answers every Christian needs to know. The second edition of Bible Doctrine takes a widely used upper-level textbook on systematic theology and makes it accessible. Abridged from the second edition of Wayne Grudem's award-winning Systematic Theology, Bible Doctrine covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God The Doctrine of God The Doctrine of Man The Doctrine of Christ The Doctrine of the Application of Redemption The Doctrine of the Church The Doctrine of the Future. You don't need to have had several years of Bible college or seminary training to reap the benefits of Bible Doctrine. It's easy to understand and packed with biblical answers to your most pressing theological questions. This new edition is 144 pages longer than the first edition and now includes: New, thoughtful critiques of open theism, the new perspective on Paul, Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming Completely revised, stronger chapter on the clarity of Scripture Completely revised, stronger chapter on creation and evolution. New discussion of how biblical inerrancy

*A CLASSIC WORK OF ANTHROPOLOGY—OVER SEVENTY THOUSAND COPIES SOLD With a new introduction by Pulitzer Prize-winner David I. Kertzer Arnold van Gennep's masterwork, The Rites of Passage, has been a staple of anthropological education for more than a century. First published in French in 1909, and translated into English by the University of Chicago Press in 1960, this landmark book explores how the life of an individual in any society can be understood as a succession of transitions: birth, puberty, marriage, parenthood, old age, and, finally, death. Van Gennep's great insight was discerning a common structure in each of these seemingly different transitions, involving rituals of separation, liminality, and incorporation. With compelling precision, he set out the terms that would both define twentieth-century ritual theory and become a part of our everyday lexicon. This new edition of his work demonstrates how we can still make use of its enduring*

*critical tools to understand our own social, religious, and political worlds, and even our personal and professional lives. In his new introduction, Pulitzer Prize-winning historian and anthropologist David I. Kertzer sheds new light on van Gennep, on the battles he fought, and on the huge impact the book has had since publication of the first English edition. This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian. The most widely used resource of the last 25 years in its area, Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field: clear explanations, an emphasis on each doctrine's scriptural basis, and practical applications to daily life. With nearly 250 pages of new content and revisions, this new edition now includes the following distinctive features: Updated analysis of recent controversies within evangelical theology, including the eternal relationship between the Father and the Son in the Trinity, the role of women in the church, miraculous gifts of the Holy Spirit, and contemporary worship music. recent theological controversies situated outside of traditional evangelical theology, such as open theism, the "new perspective on Paul," Molinism (or "middle knowledge"), "Free Grace" theology, and the preterist view of Christ's second coming. Completely revised chapter on the clarity of Scripture. Completely revised chapter on creation and evolution, including a longer critique of theistic evolution and an extensive discussion on the age of the earth. New discussion of how biblical inerrancy applies to some specific "problem verses" in the Gospels. Additional material explaining evangelical Protestant differences with Roman Catholicism, Protestant liberalism, and Mormonism. Completely updated bibliographies. All Scripture quotations updated from RSV to ESV. Updated section on contemporary worship music. Numerous other updates and corrections. Part of the brilliance of Systematic Theology has been its simplicity and ease of use. Each chapter follows the same structure: discussion of the doctrine being considered, an explanation of that doctrine's biblical support and possible objections, followed by personal application and key terms to know for personal growth. Chapters also include a

DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: Becoming Disciples Through Bible Study, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Teacher Helps Disciple I Teacher Helps guides

Disciple group leaders through each session. In the front of the Teacher Helps is a section of general information on effectively using the study manual, preparing to lead the weekly group meeting, following the proper schedule and procedure, tips for leading discussion, and suggestions for creating and maintaining a caring climate in the study group. Process suggestions in the teacher helps enable full participation by all members of the group as a result of disciplined daily study. A one-page plan for each of the weekly group sessions follows an established schedule and procedure, with an amount of time designated for each section in the plan. Each session plan includes suggestions for group study of a selected passage of Scripture.

Pairing depth of scholarship with contemporary application, the authors of *From Pentecost to Patmos* have produced a unique introductory New Testament textbook. Craig Blomberg and Darlene Seal provide the context and clarity that readers need to better understand Acts through Revelation, showcasing the historical, linguistic, and theological implications found in each book. This second edition includes expanded footnotes and a lengthier, up-to-date introduction to Paul. Newly added review questions, maps, and diagrams enhance the scholarship and make the resource truly user-friendly.

the public education system. Preparing Teachers addresses the issue of teacher preparation with specific attention to reading, mathematics, and science. The book evaluates the characteristics of the candidates who enter teacher preparation programs, the sorts of instruction and experiences teacher candidates receive in preparation programs, and the extent that the required instruction and experiences are consistent with converging scientific evidence. Preparing Teachers also identifies a need for a data collection model to provide valid and reliable information about the content knowledge, pedagogical competence, and effectiveness of graduates from the various kinds of teacher preparation programs. Federal and state policy makers need reliable, outcomes-based information to make sound decisions, and teacher educators need to know how best to contribute to the development of effective teachers. Clearer understanding of the content and character of effective teacher preparation is critical to improving it and to ensuring that the same critiques and questions are not being repeated 10 years from now.

***This Bible study is based on God's inerrant Word. This study is laid out into thirty-two sessions that can be completed in one school year. It can be tailored to a junior/senior high school class setting, a two-semester college-level setting, or to a less-formal teen or adult Bible study group setting. Learning is reinforced by students reading the Word, then hearing the Word, and then writing about the Word. Each session covers main events and/or people relevant to the Bible's main message. The main message is that God's plan to save a fallen world was accomplished through the redemptive act of his son, Jesus, who died on the cross and rose from the grave. For all who believe in Jesus, he will grant eternal life. By the time you complete all thirty-two sessions, you will have spent time in every one of the sixty-six books in the Bible. In the teacher's copy, detailed information is provided to help the teacher design his or her course that will be most relevant to the class setting. Further, the teacher's copy***
