

## Passover Vacations 2018 Pesach Resorts Hotels Tours

NEW YORK TIMES BESTSELLER • One million copies sold! Inspired by the life of a real World War II heroine, this remarkable debut novel reveals the power of unsung women to change history in their quest for love, freedom, and second chances. “Extremely moving and memorable . . . This impressive debut should appeal strongly to historical fiction readers and to book clubs that adored Kristin Hannah’s The Nightingale and Anthony Doerr’s All the Light We Cannot See.”—Library Journal (starred review) New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But Caroline’s world is forever changed when Hitler’s army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten. USA Today “New and Noteworthy” Book • LibraryReads Top Ten Pick

The book you hold before you is no ordinary Haggadah. If you’ve ever suffered through a Seder, you’re well aware of the fact that the entire evening can last as long as the exodus from Egypt itself. There are countless stories, dozens of blessings, and far too many handwashings while the meal turns cold. Now prepare to be entertained by another version of the book that’s responsible for this interminable tradition. With this hilarious parody Haggadah from the comedic minds of Dave Barry, Alan Zweibel, and Adam Mansbach, good Jews everywhere will no longer have to sit (and sleep) through a lengthy and boring Seder. In For This We Left Egypt?, the authors will be take you through every step of the Seder, from getting rid of all the chametz in your home by setting it on fire with a kosher blowtorch to a retelling of the Passover story starring Pharaoh Schmuck and a burning bush that sounds kind of like Morgan Freeman, set against the backdrop of the Promised Land—which turned out not to be a land of milk and honey but rather one of rocks and venomous scorpions the size of Yorkshire terriers. You then eat a celebratory brisket and wrap up the whole evening by taking at least forty-five minutes to say good-bye to everyone. So gather all the Jews in your life (even the few who don’t appear to be long-suffering) and settle in for a fun way to pass the time while waiting for Elijah to show up.

**\*\*WINNER of the 2018 Sami Rohr Prize for Jewish Literature and the 2018 Sophie Brody Medal for achievement in Jewish literature\*\* \*\*2018 Natan Book Award Finalist\*\* \*\*Finalist for the 2017 National Jewish Book Award in Women’s Studies \*\* The Wall Street Journal: "There is humor and heartbreak in these pages...Ms. Kurshan immerses herself in the demands of daily Talmud study and allows the words of ancient scholars to transform the patterns of her own life." The Jewish Standard: "Brilliant, beautifully written, sensitive, original." The Jerusalem Post: "A beautiful and inspiring book. Both religious and secular readers will find themselves immensely moved by [Kurshan's] personal story." American Jewish World: "So engrossing I hardly could put it down." At the age of twenty-seven, alone in Jerusalem in the wake of a painful divorce,Ilana Kurshan joined the world’s largest book club, learning daf yomi, Hebrew for“daily page” of the Talmud, a book of rabbinic teachings spanning about six hundredyears. Her story is a tale of heartache and humor, of love and loss, of marriageand motherhood, and of learning to put one foot in front of the other by turningpage after page. Kurshan takes us on a deeply accessible and personal guided tourof the Talmud. For people of the book—both Jewish and non-Jewish—If All theSeas Were Ink is a celebration of learning, through literature, how to fall in loveonce again. Discussion guide available at ilanakurshan.com**

Even as the twentieth century will be remembered for the West’s loss of faith, Jewish Orthodoxy experienced in that very time a golden age of leaders and teachers who sought to bridge the world of Torah and that of the West. Some of these Torah figures were deeply impacted by an academic field, such as philosophy or literature. Others developed a Torah-based perspective on developments within the West, such as the rise of Zionism, democracy, or biotechnology. Still others reflected on the very nature of religious knowledge. The Straus Center for Torah and Western Thought at Yeshiva University invited twenty-first century thinkers to paint intellectual portraits of these luminaries, illustrating how each figure bridged the worlds of Torah and the West in a unique way. The essays are meant to inspire Orthodox Jews and all intellectually engaged individuals of faith to learn from the lives of these luminaries, and to have the courage to bridge these worlds as well. Great thinkers examined

Jewish Holidays: Passover highlights the items of the Seder plate, and walks students through the fifteen steps of the Seder. The 32-page booklet includes recipes for making matzah, haroset, and maror. Also included are the Four Questions in Hebrew and English, puzzles, fun activities, and a resource for parents.

Volume 5 examines the history of Judaism in the Islamic World from the rise of Islam in the early sixth century to the expulsion of Jews from Spain at the end of the fifteenth. This period witnessed radical transformations both within the Jewish community itself and in the broader contexts in which the Jews found themselves. The rise of Islam had a decisive influence on Jews and Judaism as the conditions of daily life and elite culture shifted throughout the Islamicate world. Islamic conquest and expansion affected the shape of the Jewish community as the center of gravity shifted west to the North African communities, and long-distance trading opportunities led to the establishment of trading diasporas and flourishing communities as far east as India. By the end of our period, many of the communities on the ‘other’ side of the Mediterranean had come into their own—while many of the Jewish communities in the Islamicate world had retreated from their high-water mark.

You graduated from a great school, you have a rewarding career, and your family is warm and caring. So why are you--like so many other young Jewish men and women in their twenties and thirties--having trouble in your quest for a successful and committed relationship? In Will Jew Marry Me? Rabbi Lawrence Hajoiff has collected his thoughts, ideas, experiences, and stories from his many years of working with Jewish singles. The book is full of valuable, practical advice for young Jewish men and women who want to go from single to married. It offers information and guidance on topics such as these:
•Reasons to get married
•Questions for your first date
•Red flags in dating
•How to know when you’ve found your soul mate
•Building a true love relationship
•How to have a really good fight
•The laws and customs of a Jewish wedding
•What to expect from your first year of marriage
Will Jew Marry Me? is your guide to achieving dating, relationship, love, and marriage success.

Vol. 4 covers the late Roman period to the rise of Islam. Focuses especially on the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah, Jerusalem Talmud, Babylonian Talmud and various Midrashic collections.

In Every Generation

How Israel Has Coped and What America Can Learn

A Night to Remember

Dangerous Secrets

A Vulcan’s Tale

Inside a U.S.-Israeli Crisis

From the daughter of business mogul Donald Trump and a rising star in the Trump organization, this New York Times bestseller is a business book for young women on how to achieve success in any field, based upon what Ivanka Trump has learned from her father and from her own experiences.

Inspiration. Success. Confidence. Passion. No one is born with these qualities, but they are the key ingredients for reaching goals, building careers, or taking a blueprint and turning it into a breathtaking skyscraper. In The Trump Card, Ivanka Trump recounts the compelling story of her upbringing as the ultimate Apprentice, the daughter of Donald and Ivana Trump, and shares the life lessons and hard-won insights that have made her a rising star in the business world. Whether it’s landing that first job, navigating the workplace, or making a lasting impact, Ivanka’s valuable, practical advice for young women shows how to:
• Use uncertainty to your advantage—thrive in any environment
• Step up and get noticed at work—focus and efficiency will open doors
• Create a strong and consistent identity—your name and reputation are your best assets
• Know what you want—get the most out of any negotiation.
Ivanka also taps into the wisdom of today’s leaders, including Arianna Huffington, Russell Simmons, and Cathie Black, with “Bulletins” from her BlackBerry. “We’ve all been dealt a winning hand,” she writes, “and it is up to each of us to play it right and smart.”

Rabbi Jamie Korngold has always loved the outdoors, the place where humankind first met with God. Whether it’s mountaineering, running ultramarathons, or just sitting by a stream, she finds her spirituality and Judaism thrive most in the wilderness. In her work as the Adventure Rabbi, leading groups toward spiritual fulfillment in the outdoors, Korngold has uncovered the rich traditions and lessons God taught our ancestors in the wild. In God in the Wilderness Korngold uses rabbinic wisdom and witty insights to guide readers through the Bible, showing people of all faiths that, despite the hectic pace of life today, it is vital for us to reclaim these lessons, awaken our inner spirituality, and find meaning, tranquility, and purpose in our lives.

In the tradition of The Four Agreements and lifelong rabbinical student and scholar Jeffrey Katz reveals the essential wisdom of unconditional love and charity to our fellow man. Based on the philosophy of the great Jewish teacher Maimonides, offers a powerful message for today’s divisive society that can transform our lives of finger-pointing and blame to a new way of being based on self-respect and care for others.

A guide to successfully getting the life you want by changing your perspective and discovering your ideal self. More often than not, our own mental obstacles are holding us back from the joy, fulfillment, and meaning that we all crave, but by retooling our perspectives, we gain the ability to see the path toward the life we truly desire. Charlie Harary, business executive, professor, speaker, and radio host, combines the wisdom of science, spirituality, and personal growth in practical and understandable terms so you can take the life you have and make it the life you want.

Everyone has the extraordinary capacity to transform their life. And it’s easier to do than you might think—in order to get what you want, to achieve that sense of greater life satisfaction, all you need to do is learn how to best use the resources you already have. Based on the latest research into the brain’s neuroplasticity, analysis of ancient wisdom, and exploration of the practices of today’s greatest achievers, Harary offers guidance and inspiration so you can break through the clutter and confusion of your life and find your true purpose.

NEW YORK TIMES BESTSELLER • The first definitive history of the Mossad, Shin Bet, and the IDF’s targeted killing programs, hailed by The New York Times as “an exceptional work, a humane book about an incendiary subject.” WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist • The New York Times Book Review • BBC History Magazine • Mother Jones • Kirkus Reviews The Talmud says: “If someone comes to kill you, rise up and kill him first.” This instinct to take every measure, even the most aggressive, to defend the Jewish people is hardwired into Israel’s DNA. From the very beginning of its statehood in 1948, protecting the nation from harm has been the responsibility of its intelligence community and armed services, and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats: Targeted assassinations have been used countless times, on enemies large and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military analyst Ronen Bergman—praised by David Remnick as “arguably [Israel’s] best investigative reporter”—offers a riveting inside account of the targeted killing programs: their successes, their failures, and the moral and political price exacted on the men and women who approved and carried out the missions. Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government, including Prime Ministers Shimon Peres, Ehud Barak, Ariel Sharon, and Benjamin Netanyahu, as well as high-level figures in the country’s military and intelligence services: the IDF (Israel Defense Forces), the Mossad (the world’s most feared intelligence agency), Caesarea (a “Mossad within the Mossad” that carries out attacks on the highest-value targets), and the Shin Bet (an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, Rise and Kill First brings us deep into the heart of Israel’s most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel’s targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. “A remarkable feat of fearless and responsible reporting . . . important, timely, and informative.”—John le Carré

A firsthand account of how the Bush administration mismanaged its Afghan campaign, A Vulcan's Tale shines new and important light on the events and people behind the headlines in the immediate years following the September 11 attacks. The "Vulcans," so named by Condoleezza Rice, were eight foreign policy experts who advised George W. Bush during his 2000 presidential campaign. After Bush assumed the presidency, the Vulcans helped shape the administration's foreign policy following 9/11, including the military operations in Afghanistan and Iraq. All were veterans of past administrations, having served under either Ronald Reagan or George H. W. Bush, and they included among their ranks Dov Zakheim. Made comptroller and chief financial officer for the Department of Defense in 2001, Zakheim was also named the DoD’s coordinator for Afghan civilian reconstruction in 2002. In A Vulcan’s Tale, Zakheim draws on his own participation and intimate knowledge to analyze how the United States missed critical opportunities while it struggled to manage two wars, particularly the seemingly endless endeavor in Afghanistan. In his view, the Bush administration’s disappointing results in Afghanistan were partly attributable to the enormity of the challenges, certainly. But flawed leadership and deficiencies of management, understanding, and forethought all played their parts as well. The power of the purse proved to be especially damaging. The Office of Management and Budget was slow to fund Defense’s efforts at the outset of the Afghan conflict and then inadequately funded the State Department and the U.S. Agency for International Development, casting the die for several additional years of conflict. The invasion of Iraq siphoned off critical resources for Afghanistan, thereby further complicating that country’s reconstruction. Even with public policy of the highest order, the devil still lurked in the details, as the DoD's "money man" was soon to discover while he struggled to fund and manage the reconstruction of civilian Afghanistan. A Vulcan’s Tale is an authoritative, candid but fair account of how a wise and admirable goal can be waylaid by insufficient funding and ineffective coordination, with the result of faulty—or, at best, incomplete—implementation.

Sequel to A different night: the family participation Haggadah.

Yisrael Gutman is one of a few survivors of the 1943 Warsaw Ghetto uprising. In this portrait of the culture that shaped the young fighters one can see the growing defiance that was to have far-reaching implications in the founding of modern Israel.

Looks at how the concept of the Jewish God has evolved over the centuries and shows how Judaism can be made more meaningful and relevent to one's life.

Takes us inside the highest government levels of two close allies as they dealt with a serious disagreement over a fighter plane.

"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

An essential work for every Jewish home! Proclaimed as the 'Encyclopedia of Kosher Foods, Facts, and Fallacies,' this handy volume will fill you in on everything you need to know about the kosher food industry. Includes a list of reliable hashgachos (kashrus symbols), background on how kashrus organizations operate, lists of kosher fish, and little-known facts that will open your eyes to things you never knew before. Also features a section on Passover products. A completely revised and updated edition.

**ONLINE DATING CAN BE MURDER. . . A website that matches sugar daddies with college-age sugar babies is a major moneymaker for the woman who created it. Until a blackmail scandal erupts and the owner winds up murdered--in the home of Himmel Times reporter Miguel Santos. Miguel has no connection to the victim--but it turns out a close family member does. When his uncle is arrested for murder, Miguel turns to crime writer Leah Nash for help. She soon learns that the owner of the site had links to several residents of small-town Himmel, Wisconsin, with secrets to hide. Leah finds plenty of leads--and alienates a few people as she investigates--but she can't see the pattern that weaves them all together. Until an unexpected second murder and an equally unexpected ally give her a flash of insight. When the clues finally fall into place, Leah uses all her courage and quick-thinking in a tense climax that reveals that she's been keeping a few things secret from herself. DANGEROUS SECRETS is the fourth standalone book in the Leah Nash series of complex, fast-paced murder mysteries featuring quick-witted dialogue, daring female characters, and plots with lots of twists and turns. \_\_\_\_\_ What readers are saying about Susan Hunter and DANGEROUS SECRETS: ????? " ...lived up to my expectations...and then some." ????? "I have read all of the Leah Nash series, they just keep getting better and better." ????? "I love Susan Hunter! Her Leah Nash series has original plots, wonderfully fleshed-out characters, and you never know "whodunnit" until the very end!" ????? "I couldn't wait for this book to come out! I read it in two days and now I'm left wondering...when is the next one coming out!!! Loved every page!"**

**No country has experienced more acts of terrorism over a prolonged period than Israel. The frequency of attacks has propelled Israel toward innovative methods to address the threat. Indeed, treating so many victims of physical and psychological trauma has given rise to the new field of terror medicine. In a gripping narrative, terrorist expert Leonard A. Cole describes how different segments of Israeli society have coped with terrorism -- survivors of attacks, families of victims, emergency responders, doctors and nurses, and, in the end, the general population. He also interviews Palestinians, including imprisoned handlers of suicide bombers, who endorse or deplore suicide bombings. He concludes that the Israeli experience with preparedness and coping offers valuable lessons for the United States.**

**Kadison, a young man from Minneapolis who is inspired by the Six-Day War to settle on a border kibbutz in Israel. As the kibbutz comes under fire from the other side of the Jordan, Jonathan spends his days helping build the community's defenses. But when idealism leads to disillusionment, he leaves the Holy Land for the Golden State to go into the "family business" and become a rabbi--a tradition that spans thirteen generations. Soon he is called to a pulpit in New Zealand, where he stumbles over some covert information that Israel's Institute for Intelligence and Special Operations--the Mossad--will do anything to keep hidden. Travel the world with JJ Kadison from the Midwest to the Middle East, then to California, the South Pacific, Dubai, and Singapore in this fictional memoir that goes behind the scenes of some recent real-world events and provides a rabbi's-eye view on ethnicity, patriotism, vengeance, and justice.**

**More than ever, young people today are searching for a sense of purpose and direction. Advances in science and technology have given our generation opportunities our grandparents could only dream of, yet our need for meaning and values is more unfulfilled than ever. Growing addiction to instant gratification and attachment to circumstantial highs leave us lacking when it comes to long-term contentment.Beyond the Instant shows young adults how to enrich their lives through faith. It examines ten different areas of contemporary life, including friendship, family, dating, money, and career, to demonstrate how a return to spirituality can help people find happiness and satisfaction. It addresses many important questions along the way: What is the true role of sex in relationships? What is the significance of failure? How can people really make a difference in the world? In the book, Rabbi Mark Wildes draws upon Jewish tradition and wisdom to bring a sense of balance, stability, and purpose to the often frenzied and occasionally directionless twenty-first-century way of life. Each chapter examines what the Torah has to say about a particular concern of modern life and then shows how thousands of years of rabbinical teachings can be applied to the contemporary situation. Written in a relatable and engaging style, it shows how faith and religion can provide a practical guide to finding happiness that goes beyond the instant.**

A 10-year-old girl describes how her family celebrates Passover.

The latest book based on the popular Print & Pattern website, Print & Pattern: Geometric celebrates beautiful surface designs, patterns, and motifs made from geometric shapes such as circles, triangles, hexagons, etc. The patterns included reflect current trends for tribal, Aztec, and Native American designs, along with Scandinavian influences and more mathematical and scientific looks. Product areas covered include stationery, cards and giftwrap, fabrics, wallpaper, rugs, ceramics, homewares, gadget skins, and more. Documenting the work of the best designers in the field, the book is an invaluable source of reference and inspiration for surface designers, designer-makers and craftspeople, graphic designers, illustrators, and textile designers.

Jewish Magic and Superstition is a comprehensive review of Jewish magic from the 10th to the 15th century. Many well-known Jewish traditions are explained in the book, as well as things like Golems, Succubi, the Lillim, other magical creatures, talismans, amulets, charms, and other curious magical objects. There are also chapters dealing with dream interpretation, medical beliefs, necromancy, and other forms of divination.

This poignant memoir by Noah Lederman, the grandson of Holocaust survivors, transports readers from his grandparents' kitchen table in Brooklyn to World War II Poland. In the 1950s, Noah's grandparents raised their children on Holocaust stories. But because tales of rebellion and death camps gave his father and aunt constant nightmares, in Noah's adolescence Grandma would only recount the PG version. Noah, however, craved the uncensored truth and always felt one right question away from their pasts. But when Poppy died at the end of the millennium, it seemed the Holocaust stories died with him. In the years that followed, without the love of her life by her side, Grandma could do little more than mourn. After college, Noah, a travel writer, roamed the world for fifteen months with just one rule: avoid Poland. A few missteps in Europe, however, landed him in his grandparents' country. When he returned home, he cautiously told Grandma about his time in Warsaw, fearing that the past would bring up memories too painful for her to relive. But, instead, remembering the Holocaust unexpectedly rejuvenated her, ending five years of mourning her husband. Together, they explored the memories—of Auschwitz and a half-dozen other camps, the Warsaw Ghetto Uprising, and the displaced persons camps—that his grandmother had buried for decades. And the woman he had playfully mocked as a child became his hero. I was left with the stories—the ones that had been hidden, the ones that offered catharsis, the ones that gave me a second hero, the ones that resurrected a family, the ones that survived even death. Their shared journey profoundly illuminates the transformative power of never forgetting.

Global Responses to Terrorism

Lilac Girls

A Novel

**The terrorist attacks of September 11th and more recent atrocities in Russia, Indonesia and Kenya have demonstrated that terrorism now poses the most dangerous threat to stability, democracy and prosperity around the world. This major new book examines how the world has reacted to, and been affected by, the attacks on September 11th, ensuing war in Afghanistan and President George W. Bush's declaration of a 'war on terror' as the 'first war of the 21st century'. The contributions by distinguished specialists in the field examine the domestic implications of terrorism and counter terrorist initiatives across the world. Few books can boast the quality and range of the contributions to this volume, which locate the war on terror in a truly global and intellectual context.**

**A haunting and unforgettable novel about love, loss, race, and desire in World War II--era America. On a sweltering day in August 1942, Frankie Washburn returns to his family's rustic Minnesota resort for one last visit before he joins the war as a bombardier, headed for the darkened skies over Europe. Awaiting him are his hovering mother, his distant father, the Indian caretaker who's been more of a father to him than his own, and Billy, the childhood friend who over the years has become something much more intimate. But before the homecoming can be celebrated, the search for a German soldier, escaped from the POW camp across the river, explodes in a shocking act of violence, with consequences that will reverberate years into the future for all of them and that will shape how each of them makes sense of their lives. Powerful and wholly original, Prudence is a story of desire, loss, and the search for connection in a riven world; of race and class in a supposedly more innocent era. Most profoundly, it's about the secrets we choose to keep, the ones we can't help telling, and whom – and how – we're supposed to love.**

**A classic work of Christian faith, ""Life of Christ"" is considered a Classic work which has been hailed as the most eloquent of Fulton J. Sheen's many books. This book explores the foretelling of Christ's birth, his life, temptations, death, and resurrection. But while Sheen himself was a scholar and academic, his recounting is both readable and accessible to the layperson and is unique in its readability. Broken into five parts, the book explores the early life of Christ, his temptations, the beatitudes, his public life and Passion, and his death and resurrection. Sheen explains the meaning of Christ's words, as well as the significance of the trials and temptations he overcame. Through careful scholarship, he connects the events of Christ's life, showing how even the humble location of his birth on Earth shared an important lesson: ""Divinity is always where we least expect to find it."" For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read And the Author reminds us that the words of Christ are not ""from another time."" Christ is timeless and His Word is eternal..**

**For many centuries Jews and Germans were economically and culturally of significant importance in East-Central and Eastern Europe. Since both groups had a very similar background of origin (Central Europe) and spoke languages which are related to each other (German/Yiddish), the question arises to what extent Jews and Germans in Eastern Europe share common historical developments and experiences. This volume aims to explore not only entanglements and interdependences of Jews and Germans in Eastern Europe from the late middle ages to the 20th century, but also comparative aspects of these two communities. Moreover, the perception of Jews as Germans in this region is also discussed in detail.**

*New diversity style guide helps journalists write with authority and accuracy about a complex, multicultural world A companion to the online resource of the same name, The Diversity Style Guide raises the consciousness of journalists who strive to be accurate. Based on studies, news reports and style guides, as well as interviews with more than 50 journalists and experts, it offers the best, most up-to-date advice on writing about underrepresented and often misrepresented groups. Addressing such thorny questions as whether the words Black and White should be capitalized when referring to race and which pronouns to use for people who don't identify as male or female, the book helps readers navigate the minefield of names, terms, labels and colloquialisms that come with living in a diverse society. The Diversity Style Guide comes in two parts. Part One offers enlightening chapters on Why is Diversity So Important; Implicit Bias; Black Americans; Native People; Hispanics and Latinos; Asian Americans and Pacific Islanders; Arab Americans and Muslim Americans; Immigrants and Immigration; Gender Identity and Sexual Orientation; People with Disabilities; Gender Equality in the News Media; Mental Illness, Substance Abuse and Suicide; and Diversity and Inclusion in a Changing Industry. Part Two includes Diversity and Inclusion Activities and an A-Z Guide with more than 500 terms. This guide: Helps journalists, journalism students, and other media writers better understand the context behind hot-button words so they can report with confidence and sensitivity Explores the subtle and not-so-subtle ways that certain words can alienate a source or infuriate a reader Provides writers with an understanding that diversity in journalism is about accuracy and truth, not "political correctness." Brings together guidance from more than 20 organizations and style guides into a single handy reference book The Diversity Style Guide is first and foremost a guide for journalists, but it is also an important resource for journalism and writing instructors, as well as other media professionals. In addition, it will appeal to those in other fields looking to make informed choices in their word usage and their personal interactions.*

"For thousands of years, Jewish people have lived in a global diaspora, carrying culinary traditions bound by kosher law. For many, Ashkenazi and Sephardic cooking define Jewish cuisine today, but in *The New Mediterranean Jewish Table*, Joyce Goldstein expands the repertoire with a comprehensive collection of over 400 recipes from the greater Mediterranean, including North Africa, Italy, Greece, Turkey, Spain, Portugal, and the Middle East. This vibrant treasury is filled with vibrant and seasonal recipes that embrace fresh fruits and vegetables, whole grains, small portions of meat, poultry, and fish, enhanced by herbs and spices that create distinct regional flavors. By bringing Old World Mediterranean recipes into the modern home, Joyce Goldstein will inspire a new generation of home cooks as they prepare everyday meals and build their Shabbat and holiday menus"--Provided by publisher.

"Jewish history recognizes Nehemiah as one of the founding fathers of the Second Commonwealth, when the Second Temple stood in Jerusalem. A statesman, politician, and lay religious administrator, Nehemiah aimed to strengthen national security, foster diplomatic relations with neighboring states, and establish social and religious order in the ancient Jewish society. In *Nehemiah: Statesman and Sage*, Dov Zakheim, a former senior official in the US government, examines the life of the biblical figure through the lens of modern experience. Zakheim mines the biblical Book of Nehemiah to present a political biography of a man who rose to the highest levels of the Persian court, dedicating his life to the welfare of the Jewish people. Utilizing a unique collection of traditional and scholarly sources, Zakheim reveals how Nehemiah confronted fundamental issues of his day, highlighting lessons for policy-makers today."--Back cover.
