Forged by rage. Taken as a child and trained in the ways of the Sith, he became the apprentice to the greatest evil the galaxy has ever known... Honed by the dark side. After years of plotting in secrecy, he and his Master will take revenge on the Jedi Order--and the once-mighty Republic will tremble... The savage story of Darth Maul has been shrouded in mystery--until now.

The black-and-red pyramid-shaped Sith case appears innocuous. But with the touch of a button, the door of the case lifts, accompanied by lights and Star Wars sound effects. The secrets within are revealed—the Book of Sith slides into view. The Sith have existed in the galaxy for centuries, lurking, waiting for their chance to seize control. As various Sith Lords emerged and rose to power, they recorded their thoughts, exploits, and plots for Sith control of the galaxy. When they fell, their knowledge vanished with them forever. Or so it seemed. . . . Over the years, these writings were passed among numerous Sith and Jedi, who added their comments to the pages. In his quest for domination, Darth Sidious tracked down what remained of five pivotal Sith texts written by his most powerful predecessors. Then, drawing on the knowledge

within the compiled pages, he wrote a sixth text—his own manifesto. Together, these documents, along with several collected objects associated with them, shed light on the philosophy, achievements, and failures of the Sith Order. For years, this collection remained hidden, existing as legend only. But now all who are tempted may unlock the Book of Sith and delve into the dark side. . . . From the creators of The Jedi Path, in collaboration with Lucasfilm, Book of Sith reveals the mystery and madness of the dark side—while introducing new characters, history, as well as sinister insights into what it means to be a Sith Master. Recovered dark side texts:

- A chronicle by Sorzus Syn of her encounters with Sith Purebloods, explorations in alchemy, and the foundations of the Sith Order.
- A war journal kept by Darth Malgus during the Great Galactic War, describing methods of war and the campaigns of the Sith army.
- A source book by Darth Bane that details the idea and the philosophy behind the Rule of Two as well as the training required for a Sith.
- An instructional manual by Mother Talzin exploring the Nightsisters' use of the dark side and their role as dark side mercenaries in the galaxy.
- A scientific journal by Darth Plagueis with notes about his experimentation with and manipulation of the Force.
- Darth Sidious's manifesto about the philosophy and political manipulation that marked his rise to power and established his Empire.

"After more than a decade and a half, the results are in. The U.S. government has been unable to achieve its goals in Afghanistan. Even worse, what state it has been able to achieve there is completely unsustainable and certain to fall apart when the occupation is finally called off, and America does come home. The politicians, generals, and intelligence officers behind this unending catastrophe, who always promise they can fix these problems with just a little bit more time, money and military force, have lost all credibility. The truth is America's Afghan war is an irredeemable disaster. It was meant to be a trap in the first place. America is not only failing to defeat its enemies, but is destroying itself, just as Osama bin Laden and al Qaeda always intended. Fool's Errand is an attempt to present the American people with the reality of this forgotten war, because only the ignorance of pride and refusal to admit they have been deceived can prevent Americans from realizing they have supported a policy that is destructive to the United States as well as Afghanistan." -- from Introduction.

When Lhasha Moonsilver, a fledgling thief, hires former warrior and town drunk, Corin, as a bodyguard, the two unlikely companions take on the Thieves' Guild, the Cult of the Dragon, and other deadly foes in the city of Elversult.

Not just an epic videogame from BioWare and LucasArts, Star Wars: The Old Republic™ spawned a New York Times bestselling series of novels—which are now together in one electrifying ebook bundle. Fatal Alliance, Deceived, Revan, and Annihilation tell four daringly original stories of Jedi and Sith that embody this unique, beloved era in Star Wars Legends storytelling. . . . FATAL ALLIANCE by Sean Williams From across the galaxy they've come: a Jedi Padawan, an ex-trooper drummed out of the Republic's elite Blackstar Squad, and a mysterious Mandalorian. An extraordinary auction has drawn them all together, in quest of a prize whose value may be the wealth of a world itself. None intend to leave empty-handed. All have secrets, desires, and schemes. And nothing could ever unite them as allies—except the truth about the deadly danger of the object they covet. But can Sith and Jedi, Republic and Empire, join as one against the certain doom of the galaxy? DECEIVED by Paul S. Kemp A Sith warrior to rival the most sinister of the Order's Dark Lords, Darth Malgus brought down the Jedi Temple on Coruscant in a brutal assault that shocked the galaxy. But if war crowned him the darkest of Sith heroes, peace will transform him into something far more heinous—something Malgus would never want to be but cannot stop becoming, any more than he can stop the rogue Jedi fast approaching. Her name is Aryn Leneer—and the lone Jedi Knight that Malgus cut down in the fierce battle for the Jedi Temple was her Master. REVAN by Drew Karpysyn Hero, traitor, conqueror, villain, savior—Revan has been all of these. He left Coruscant a Jedi, on a mission to defeat the Mandalorians. He returned a Sith disciple, bent on destroying the Republic. The Jedi Council gave Revan his life back, but the price of redemption was the loss of his memories. All that's left are nightmares—and deep, abiding fear. One thing he's certain of: Something very dark is plotting against the Republic. With no idea how to identify the threat, let alone stop it, Revan may be doomed to fail. But only death can stop him from trying.

ANNIHILATION by Drew Karpysyn After his triumphant destruction of a Sith superweapon arsenal, covert agent Theron Shan is recruited for an even more dangerous mission. A power struggle has the Empire in flux, but Darth Karrid remains bent on total domination, using a fearsome Imperial cruiser in her reign of terror. Now, joined by a hotheaded smuggler and Karrid's former Jedi Master, Theron must match wits and weapons with a crew of the most cold-blooded dark side disciples. And if they don't seize their one chance to succeed, they will have countless opportunities to die.

With the end of the Sith Wars, the Jedi are convinced that the Sith have been destroyed, unaware that Darth Bane, the creator of the "Rule of Two," survives and is preparing in secret to build a new Sith Order, with which he plans to rule with his new apprentice at his side, in the sequel to Path of Destruction. NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

The Art of John Jude Palencar

This Star Wars novel ties in with the MMORPG of the same name, and is written by Sean Williams, the acclaimed science fiction author whose previous Star Wars game tie-in *The Force Unleashed* debuted at #1 in the New York Times bestseller list. 3,500 years in the past of the far-away galaxy, when the Jedi and Galactic Republic clashed with the Sith Empire, smuggler Jet Nebula has stumbled across a treasure richer than he ever dreamed. The Hutts want to auction it to the highest bidder, be it the Republic or the Empire, both of whom hope to bolster their chances in the coming conflict. But the Sith are interested too, and they don't bargain with anyone; the Jedi High Council is sending someone to investigate; a mysterious Mandalorian is chasing something connected to a long-forgotten crime; while a spy plays every side at once. What Jet has unearthed will surprise all of them, and leave none of them unchanged.

In this irresistibly funny follow-up to the breakout bestseller *Darth Vader and Son*, Vader—Sith Lord and leader of the Galactic Empire—now faces the trials, joys, and mood swings of raising his daughter Leia as she grows from a sweet little girl into a rebellious teenager. Smart and funny illustrations by artist Jeffrey Brown give classic Star Wars moments a twist by bringing these iconic family relations together under one roof. From tea parties to teaching Leia how to fly a TIE fighter, regulating the time she spends talking with friends via R2-D2's hologram, and making sure Leia doesn't leave the house wearing only the a skirted metal bikini, Vader's parenting skills are put hilariously to the test. Plus, this is the fixed-format version, which looks almost identical to the print edition.

Before the rise of Darth Vader and Darth Sidious, in an Old Republic marked by an ongoing struggle between the Sith and Jedi, Darth Bane plots to bring down the Brotherhood of the Sith and to replace it with a more powerful order.

"This collection of stories tells the origin of that tribe. It includes all eight of the Lost tribe of the Sith stories, as well as *Pandemonium*, the final chapter."--Publisher description.

A thrilling retelling of the Star Wars saga in the style of classic epic poetry "I look not to myself but to the Force, In which I rise and fall away." Journey to a galaxy far, far away like never before--through lyrical verse and meter. Like the tales of *Odyssey* and *Beowulf*, the adventures of Luke Skywalker, Han Solo, Princess Leia, Jyn Erso, Obi-Wan Kenobi, Darth Vader, and the Emperor are fraught with legendary battles, iconic heroes, fearsome warriors, sleek ships, and dangerous monsters. Beginning with the Rebel heist on Scarif to secure the plans to the Death Star and continuing through the climax of *Return of the Jedi*, author Jason M. Hargrett uses the ancient literary form of epic poetry to put a new spin on the Star Wars saga. Punctuated with stunning illustrations inspired by the terracotta art of Greek antiquity, *The Odyssey of Star Wars: An Epic Poem* presents the greatest myth of the 20th century as it would have been told nearly 3,000 years ago.
