A Ship Without a Crew
When a brutal gang war breaks out on adocking bay in Absalom Station, the player characters are recruited by theStarfinder Society to investigate the unexpected bloodshed. Delving into thestation's seedy Spike neighborhoods, the heroes confront the gangs and discoverthat both were paid to start the riot and that the true conflict is between tworival mining companies battling over a new arrival in orbit around the station:a mysteriously deserted ship and head off further violence, the heroes are asked to investigate theship and discover what happened to its crew, as well as the nature of theasteroid it tows. But what the players find there will set in motion events thatcould threaten the entirety of the Pact Worlds and change the face of the galaxyforever... This volume of Starfinder Adventure Pathlaunches the Dead Suns Adventure Path and includes:
* "Incident at Absalom Station," aStarfinder adventure for 1st-level characters, Station, byJames L. Sutter.
* Magical relics inspired by the lostplanet Golarion, by Owen K.C. Stephens.
* An archive of new alien creatures, byJason Keeley and Robert G. McCreary.
* Statistics and deck plans for a newstarship designed just for the player characters, plus details on a new planetin the Codex of Worlds, by Robert G. McCreary.

HOW DO YOU WANT TO DO THIS?
A war brews on a continent that has withstood more than its fair share of conflict. The Wendalian Empire and the Kryn Dynasty are carving up the lands around them, and only the greatest heroes would dare stand between them. Somewhere in the far corners of this war-torn landscape are secrets that could end this conflict and usher in a new age of peace—or burn the world to a cinder. Create a band of heroes and embark on a journey across Campaign 2 of the hit Dungeons & Dragons series Critical Role. Within this book, you'll find new character options, a heroic chronicle to help you craft your character's backstory, four different starting adventures, and everything a Dungeon Master needs to breathe life into a Wildemount-based D&D campaign.... Delve through the first Dungeons & Dragons book to let players experience the game as played within the world of Critical Role, the world's most popular livestreaming D&D in any D&D game, featuring subclasses, spells, magic items, monsters, and more, rooted in the adventures of Exandria—such as Vestiges of Divergence and the possibility manipulating magic of Dunamancy.
· Start a Dungeons & Dragons campaign in any of Wildemount's regions using a variety of introductory adventures, dozens of regional plot seeds, and the heroic chronicle system—a way to create character backstories rooted in Wildemount.
· Explore every corner of Wildemount a time by Critical Role Dungeon Master, Matthew Mercer.

The Pathfinders Valeros, Seoni, Kyra, and Merisiel are drawn into the interdimensional Worldscape, where the greatest warriors throughout the history of Barsom, Golarion, and Earth clash in an ancient battle of life and death! Only the most dangerous among the combatants - a motley assortment which includes such legendary heroes as Red Sonja, John Carter and Tars Tarkas of Mars, the jungle adventurers Tarzan and Thun'da - have any hope of surviving the deadly gladiatorial In armed revolt against their oppressors! Written by Erik Mona (Paizo Publisher and Chief Creative Officer) and featuring sensational artwork by Jonathan Lau (Kevin Smith's Bionic Man), the Worldscape saga draws the greatest fantasy heroes of literature and comics into the mythos of Paizo's award-winning fantasy world, fiction line, and tabletop RPG. Bonus materials include over thirty pages of character sheets, encounters, and world detail for the Pathfinder Roleplaying Game,

An anthology of seventeen mystery-themed adventures for the world's greatest roleplaying game. Candlekeep attracts scholars like a flame attracts moths. Historians, sages, and others who crave knowledge flock to this library fortress to peruse its vast collection of books, scribbled into which are the answers to the mysteries that bedevil them. Many of these books contain their own mysteries ?—each one a doorway to adventure. Dare you cross that threshold?
· 17 mystery-themed D&D adventures, each tied to a book discovered in the famed library fortress of Candlekeep
· Easy to run as stand-alone mini adventures or to drop into your home campaign
· Adventures span play from levels 1 to 16
· Includes a full poster map of Candlekeep, plus detailed descriptions of the various locations, characters, and creatures that reside within it
· Introduces a variety of Dungeons & Dragons monsters, items, and non-player characters (NPCs)
Candlekeep Mysteries is a collection of seventeen short, stand-alone D&D adventures designed for characters of levels 1–16. Each adventure begins with the discovery of a book, and each book is the key to a door behind which danger and glory await. These adventures can be run as one-shot games, plugged into an existing Forgotten Realms campaign, or adapted for other campaign settings. This book also includes a poster map of the library fortress and detailed descriptions of Candlekeep and its inhabitants.

After the City of Bane, the Kiddler's takeover, The Joker War, and more, the people of Gotham City have had enough. The world is changing for Bruce Wayne, and the question he must ask himself is: What role does the Batman have in a city that rejects him? As the year barrels forward into what will become a turning point for the Dark Knight, Batman must grapple with the very citizens he has sworn to protect...while a familiar face looms large as a new threat on the horizon: Damian Wayne!

Volcanic eruptions are common, with more than 50 volcanic eruptions in the United States alone in the past 31 years. These eruptions can have devastating economic and social consequences, even at great distances from the volcano. Fortunately many eruptions are preceded by unrest that can be detected using ground, airborne, and spaceborne instruments. Data from these instruments, combined with basic understanding of how volcanoes work, form the basis for forecasting eruptionsâ€œwhere, when, how big, how long, and the consequences. Accurate forecasts of the likelihood and magnitude of an eruption in a specified timeframe are critical in a scientific understanding of the processes that govern the storage, ascent, and eruption of magma. Yet our understanding of volcanic systems is incomplete and biased by the limited number of volcanoes and eruption styles observed with advanced instrumentation. Volcanic Eruptions and Their Precursors, Unrest, Precursors, and Timing identifies key science questions, research and observation priorities, and approaches for building a volcano science community capable of tackling them. This report presents goals for making major advances in volcano science.

A compilation of more than 30 addresses from Booker T. Washington explaining the importance of personal responsibility, self-reflection and economic independence in the Black community. Character Building is an inspiring series of anecdotes that speak to the issues of his contemporary audience. Booker T. Washington was a strong supporter of education and entrepreneurship among African Americans. He believed a degree or certification could provide access and elevate one's social and economic status. In Character Building, he provides his basic tenets of success that are rooted in individual behavior. He encourages productivity and the need for a positive home life. To succeed, each person's environment must be conducive to their goals. Washington's life-long mission was to inspire and uplift the most vulnerable in his community. In Character Building he discusses the many tools that can be used to change a person's station. It's an open declaration of the core beliefs that helped shaped his life. With an eye-catching new cover, and professionally typeset manuscript, this edition of Character Building is both modern and readable.

His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy as a Midshipman, which greatly influenced many of his novels and other writings. The novel that launched his career was The Spy, a tale about counterespionage set during the Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the Leatherstocking Tales. Among his most famous works is the Romantic novel The Last of the Mohicans, often regarded as his masterpiece.

Cepheus Light is a set of rules for playing classic science fiction games. It includes rules on creating characters, resolving actions, fighting other creatures, and engaging in space battles, generating worlds, and many other activities. While rules-light and designed for fast, action-packed play rather than an accurate simulation of reality, Cepheus Light encompasses a wide variety of rules and materials for building a science-fiction universe and playing in it. Cepheus Light draws its inspiration from old-school science-fiction roleplaying games. It shares a lot of similarities with these games. Material from older rules sets and those created with Cepheus Light, the Cepheus Engine Core, and old-school sci-fi roleplaying games are easily compatible with only a moderate amount of adjustment. The future awaits! Compatible with the Cepheus Engine System Reference Document and other OGL 2D6 Sci Fi games.

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom, because Matt is marked by his difference in ways that he doesn't even suspect.
