When so much rain falls on Mt. Shasta that the Indians cannot gather seeds, they ask Coyote for a sign the rain will stop.

A Bank Street College of Education Best Children's Book of the Year! This jazz-inspired reinvention of The Nutcracker is a worthy tribute to the dreamlike wonder and magic of the Christmas season. In this original retelling, set in New York City during the height of the Harlem Renaissance, one little girl finds her voice as a musician thanks to her enchanting adventures with a magical toy. This quintessential holiday tale is brought to vivid life by debut picture book author T. E. McMorrow and Coretta Scott King Award-winning illustrator James Ransome. An author’s note at the end provides additional information about the history of the Harlem Renaissance, and about the author’s inspiration for this musical retelling.

Most people think of mathematicians as solitary, working away in isolation. And, it's true, many of them do. But Paul Erdos never followed the usual path. At the age of four, he could ask you when you were born and then calculate the number of seconds you had been alive in his head. But he didn't learn to butter his own bread until he turned twenty. Instead, he traveled around the world, from one mathematician to the next, collaborating on an astonishing number of publications. With a simple, lyrical text and richly layered illustrations, this is a beautiful introduction to the world of math and a fascinating look at the unique character traits that made "Uncle Paul" a great man. The Boy Who Loved Math by Deborah Heiligman is a Kirkus Reviews Best Book of 2013 and a New York Times Book Review Notable Children's Book of 2013. Sad when the swallows leave for the winter, young Juan prepares to welcome them back to the old California Mission at Capistrano on St. Joseph's Day the next spring.

A beautifully illustrated retelling of the classic Russian fairy tale

Baboushka is too busy cleaning and polishing her already cleaned and polished house to join the three strangers who stop in the village on their way to seek a new baby king. When she later changes her mind, she searches for them to no avail--and it is said she still searches today. Full-color

stylized art captures the flavor of this classic Russian fable.

"Babushka is busy tidying her house when three unexpected guests arrive telling her that they are looking for a baby, a new born king. When they leave Babushka stays behind cleaning and tidying, and preparing a gift for the baby. Next morning when she starts to follow the men she finds that

the snow has covered their tracks and she doesn't know which way to go. But she keeps on searching, and as she goes she gives a gift from her basket to every child she passes who is hungry, or cold, or has no toys. This retelling of a traditional Russian folk tale is accompanied by glowing illustrations from an award-winning artist."

The villagers are afraid of her, so Baba Yaga disguises herself as a grandmother.

In the busy house of the Svensson family, everyone is getting ready for the Swedish holiday of Lucia Day, December 13. The book tells the story of Santa Lucia through the eyes of three children in modern-day Sweden. It describes their giddy activities, brought to life in colorful, full-page illustrations, and also provides sheet music, recipes, and sewing patterns for the costumes traditionally worn by children on this day, when many Swedish people celebrate the legacy of Lucia and the coming of the light with coffee, saffron buns, ginger snaps, and wonderful singing. One of the most beloved and celebrated traditions of the Swedish people, Lucia Day also signifies that the Christmas holiday is getting close. Although the book is aimed at the 5- to 10-year-old age group, many parents and grandparents may enjoy reading it to younger children.

Russian tale of Ivan the Fool who finds an island of salt, returns home from the sea on the back of a giant, and ultimately marries a princess.

In Enchantment, Orson Scott Card works his magic as never before, transforming the timeless story of Sleeping Beauty into an original fantasy brimming with romance and adventure. The moment Ivan stumbled upon a clearing in the dense Carpathian forest, his life was forever changed. Atop a pedestal encircled by fallen leaves, the beautiful princess Katerina lay still as death. But beneath the foliage a malevolent presence stirred and sent the ten-year-old Ivan scrambling for the safety of Cousin Marek's farm. Now, years later, Ivan is an American graduate student, engaged to be married. Yet he cannot forget that long-ago day in the forest—or convince himself it was merely a frightened boy's fantasy. Compelled to return to his native land, Ivan finds the clearing just as he left it. This time he does not run. This time he awakens the beauty with a kiss . . . and steps into a world that vanished a thousand years ago. A rich tapestry of clashing worlds and cultures, Enchantment is a powerfully original novel of a love and destiny that transcend centuries . . . and the dark force that stalks them across the ages.

It is now almost inconceivable that students of literature can pass through universities without encountering the feminist revolution in literary theory and criticism. Feminist literary theories are pluralist, borrowing from other types of theory, such as marxism or postmodernism, but they always remain woman-centered. Courses in women's writing, literature and gender, and philosophy and literature proliferate--requiring readers to reconsider many of the basic assumptions on which the study of literature was originally founded.

In Mexico, the poinsettia is called flor de la Nochebuenao flower of the Holy Night. At Christmastime, the flower blooms and flourishes, the quite exquisite red stars lighting up the countryside. This Mexican legend tells how the poinsettia came to be, through a little girl's unselfish gift to the Christ Child. Beloved Newbery honor-winning author and Caldecott honor-winning illustrator Tomie dePaola has embraced the legend using his own special feeling for Christmas. His glorious paintings capture not only the brilliant colors of Mexico and its art, but also the excitement of the children preparing for Christmas and the hope of Lucida, who comes to see what makes a gift truly beautiful.

Eleven-year-old Jenny, whose family came from Russia to America to start a new life, meets the famous Russian composer on his 1891 trip to the New World and writes about it in her diary.
