Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations) English grammar is incredibly important if you want to communicate fluently in English. Improving your grammar and vocabulary for Use of English, will not only help you

achieve the results you want, but it will also improve your confidence and social skills in English. "Use of English Masterclass: Basic English Grammar for Advanced Learners (Phrasal Verbs & Collocations)," is a relatively short book packed full of grammar and vocabulary exercises and explanations to help you perfect your use of English. This grammar book focuses on phrasal verbs and collocations, and is ideal for anyone who has problems understanding, remembering and using English vocabulary and grammar.

This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand.

With more than 50 years of teaching experience between them, Ilse Depraetere and Chad Langford present a grammar pitched precisely at advanced learners of English who need to understand how the English language really works without getting lost in the complex specifics.

Now fully updated and revised throughout, the second edition of this book pulls from linguistic theory all the relevant notions that will enable the language student to fully grasp English grammar. After introducing form and function, the authors cover verbs, nouns, aspect and tense, modality and discourse. Readers are led through the underlying principles of language use, with the book presupposing only a basic grasp of linguistic terminology and focusing on the critical issues. Full of challenging exercises and supported by a companion website featuring an extensive answer key, a glossary and further exercises for study, this is the reference grammar of choice for both native and non-native English speakers.

"CD-ROM provides over 200 extra exercises to help you practice the grammar presented"--P. [3] of cover.

An updated version of the highly successful Advanced Grammar in Use.

This book presents and practises over 1000 of the most useful and frequent idioms in typical contexts. This reference and practice book looks at the most colourful and fun area of English vocabulary - idioms. This book will appeal to students at advanced level who want to understand and use the English really used by native speakers, and students preparing for higher level exams, such as CAE, CPE and IELTS. Over 1,000 of the most useful and frequent idioms, which learners are likely to encounter are presented and practised in typical contexts, so that learners using this book will have hundreds of idioms 'at their fingertips'.

Improve your understanding of phrasal verbs in English. Explanations and practice of approximately 1,000 phrasal verbs, written for advanced-level (C1 to C2) learners of English. Perfect for both self-study and classroom activities. Learn phrasal verbs in context, with lots of different topics, including 'Lectures and seminars', 'Agreeing' and 'Social life'. Be confident about what you are learning, thanks to Cambridge research into how English is really spoken and written, and get better at studying by yourself, with study tips, follow-up tasks and an easy to use answer key.

This new edition has been updated and revised to accompany the Fifth edition of English Grammar in Use, the first choice for intermediate (B1-B2) learners. This book contains 200 varied exercises to provide learners with extra practice of the grammar they have studied.

An Advanced English Grammar

A Linguistic Approach

necessary tools to make you successful with every type of written expression.

English Grammar in Use Third edition is a fully updated version of the classic grammar title. It retains all the key features of clarity and accessibility that have made the book popular with students and teachers alike. Designed to be flexible, the book is available both with and without answers, making it ideal for self-study, but also suitable for reinforcement work in the classroom. The 'with answers' version of the book comes with a handy pull-out reference panel which allows students to review key grammar points at a glance. The book is also available with a CD-ROM, giving hundreds of interactive exercises to reinforce the language learned in the book.

The world's best-selling grammar series for learners of English. To accompany Essential Grammar in Use Fourth edition, Essential Grammar in Use Supplementary Exercises provides elementary-level learners with extra practice of the grammar covered in the main book. The easy-to-follow exercises and full answer key make this supplementary book ideal for independent study. Extra activities for Essential Grammar in Use are also available as a mobile app for smartphones and tablet devices, available to purchase separately from the App Store (iOS) and Google Play (Android).
