THE NATIONAL BESTSELLER
The second book of Larry
McMurtry's Lonesome Dove
tetralogy, **Comanche Moon**
takes us once again into the
world of the **American West**.
Texas Rangers August McCrae
and **Woodrow Call**, now in
their middle years, continue
to deal with the ever-
increasing tensions of adult
life -- **Gus with his great love,**
Clara Forsythe, and **Call with**
Maggie Tilton, the young
whore who loves him. Two
proud but very different men,

they enlist with the Ranger troop in pursuit of Buffalo Hump, the great Comanche war chief; Kicking Wolf, the celebrated Comanche horse thief; and a deadly Mexican bandit king with a penchant for torture. Assisting the Rangers in their wild chase is the renowned Kickapoo tracker, Famous Shoes. Comanche Moon closes the twenty-year gap between Dead Man's Walk and Lonesome Dove, following beloved heroes Gus and Call and their comrades in arms -- Deets, Jake Spoon, and Pea Eye Parker -- in their bitter struggle to protect the advancing West frontier against the defiant

Comanches, courageously determined to defend their territory and their way of life. An enormously entertaining classic, THE WAY WEST brings to life the adventure of the western passage and the pioneer spirit. The sequel to THE BIG SKY, this celebrated novel charts a frontiersman's return to the untamed West in 1846. Dick Summers, as pilot of a wagon train, guides a group of settlers on the difficult journey from Missouri to Oregon. In sensitive but unsentimental prose, Guthrie illuminates the harsh trials and resounding triumphs of pioneer life. With THE WAY WEST, he pays homage to the grandeur of the western

wilderness, its stark and beautiful scenery, and its extraordinary people.

I'm not much now, I know, but I will be. So pick me Jyoti and I swear I will make us the greatest adventure you ever have. On a stormy night in 1954, a woman doomed to marry one of five men discovers the wildcard choice might just be the person she'd been hoping for all along. An Adventure follows headstrong Jyoti and her fumbling suitor Rasik as they ride the crest of the fall of the Empire from the shores of post-Partition India to the forests of Mau Mau Kenya onto the industrial upheaval of 1970s London and the

present day. But what happens when youthful ambitions crash hard against reality? When you look back at the story of your time together, can you bear to ask yourself: was it all worth it? Witty, charming and full of fearless historical insight, An Adventure is an epic, technicolour love story from one of the country's most promising young writers about the people who journeyed to British shores in hope and shaped the country we live in today.

meets The Farewell in Portrait of
a Thief, a lush, lyrical heist novel
inspired by the true story of
Chinese art vanishing from
Western museums; about
diaspora, the colonization of art,
and the complexity of the Chinese
American identity. History is told
by the conquerors. Across the
Western world, museums display
the spoils of war, of conquest, of
colonialism: priceless pieces of art
looted from other countries, kept
even now. Will Chen plans to steal
them back. A senior at Harvard,
Will fits comfortably in his
carefully curated roles: a perfect**

student, an art history major and sometimes artist, the eldest son who has always been his parents' American Dream. But when a mysterious Chinese benefactor reaches out with an impossible—and illegal—job offer, Will finds himself something else as well: the leader of a heist to steal back five priceless Chinese sculptures, looted from Beijing centuries ago. His crew is every heist archetype one can imagine—or at least, the closest he can get. A con artist: Irene Chen, a public policy major at Duke who can talk her way out of anything. A thief: Daniel Liang, a premed student with

steady hands just as capable of lockpicking as suturing. A getaway driver: Lily Wu, an engineering major who races cars in her free time. A hacker: Alex Huang, an MIT dropout turned Silicon Valley software engineer. Each member of his crew has their own complicated relationship with China and the identity they've cultivated as Chinese Americans, but when Will asks, none of them can turn him down. Because if they succeed? They earn fifty million dollars—and a chance to make history. But if they fail, it will mean not just the loss of everything they've dreamed for

themselves but yet another thwarted attempt to take back what colonialism has stolen. Equal parts beautiful, thoughtful, and thrilling, Portrait of a Thief is a cultural heist and an examination of Chinese American identity, as well as a necessary critique of the lingering effects of colonialism. Recognizing the determination of a canon as an ongoing process of discussion and debate, which helps us to better understand the concept of meaningful and important literature, this edited collection turns a critical spotlight on young adult literature (YAL) to explore some of the most read, taught, and discussed books of

our time. By considering the unique criteria which might underpin the classification of a YAL canon, this text raises critical questions of what it means to define canonicity and designate certain books as belonging to the YAL canon. Moving beyond ideas of what is taught or featured in textbooks, the volume emphasizes the role of adolescents' choice, the influence of popular culture, and above all the multiplicity of ways in which literature might be interpreted and reflected in the lives of young readers. Chapters examine an array of texts through varied critical lenses, offer detailed literary analyses and

divergent interpretations, and consider how themes might be explored in pedagogical contexts. By articulating the ways in which teachers and young readers may have traditionally interpreted YAL, this volume will extend debate on canonicity and counter dominant narratives that posit YAL texts as undeserving of canonical status. This text will be of great interest to graduate and postgraduate students, academics, professionals, and libraries in the field of young adult literature, fiction literacy, children's literacy and feminist studies.

The names of many later residents are more familiar: Edgar Allan Poe, William Tecumseh Sherman, Lillian Russell, Diamond Jim Brady, Florenz Ziegfeld, Arturo Toscanini, Fanny Brice, William Randolph Hearst, Theodore Dreiser, Lewis Mumford, Humphrey Bogart (he was a child there), Lauren Bacall (so was she), Gertrude Stein, Mae West, Leonard Bernstein, John Lennon. Quite a neighborhood. And Peter Salwen's Upper West Side Story is quite a book: an engaging, often hilarious history of this fabulous city-within-a-city. It is a treasury of colorful biographies--of farmers, tycoons, thieves, and artists. It is an architectural grand tour--of the Dakota, the Ansonia, Lincoln Center,

and the romantic residential skyscrapers of Central Park West. It is a compendium of Manhattan lore and delightful as well as occasionally horrifying trivia, enough to turn even a casual browser into the Compleat Upper West Sider. The story of this dynamic neighborhood begins with the colonial period, when merchant princes commanded royal views of the Hudson--until the approach of Washington's troops drove them from their mansions--and continues through the bucolic nineteenth century, when the Bloomingdale Lunatic Asylum at 116th and Broadway (site of today's Columbia University) was the Upper West Side's prime tourist attraction. By the turn of the [twentieth] century, the fashionable "West End," as the neighborhood was then known, boasted extravagant mansions and

private homes, grand parks and equestrian boulevards, and its own unique theatrical and night life. Author Peter Salwen chronicles those high-living years, and the half century of inexorable decline that followed--with its poverty and often sensational crime--and brings us up-to-date with a lively account of [the 1980s'] galloping renaissance. [This book] is living history--an unfinished story--generously illustrated with vintage engravings and photos of the buildings and people great and humble (those still with us and those that are no more). Also included are special walking tours to suit all levels of ambition and energy, and a who's who of famous and infamous residents and where they lived."--Dust jacket.

It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Skandar and the Unicorn Thief

The Lions of Fifth Avenue
Paris, 1890. When Sherlock Holmes finds himself chasing an art dealer through the streets of Paris, he's certain he's smoked out one of the principals of a cunning forgery ring responsible for the theft of some of the Louvre's greatest masterpieces. But for once, Holmes is dead wrong.

He doesn't know that the dealer, Theo Van Gogh, is rushing to the side of his brother, who lies dying of a gunshot wound in Auvers. He doesn't know that the dealer's brother is a penniless misfit artist named Vincent, known to few and mourned by even fewer. Officialdom pronounces the death a suicide, but a few minutes at the scene convinces Holmes it was murder. And he's bulldog-determined to discover why a penniless painter who harmed no one had to be killed-and who killed him. Who could profit from Vincent's death? How is the murder entwined

with his own forgery investigation? Holmes must retrace the last months of Vincent's life, testing his mettle against men like the brutal Paul Gauguin and the secretive Toulouse-Lautrec, all the while searching for the girl Olympia, whom Vincent named with his dying breath. She can provide the truth, but can anyone provide the proof? From the madhouse of St. Remy to the rooftops of Paris, Holmes hunts a killer—while the killer hunts him.
