Elle has one more year of high school left and she has never been kissed. When she decides to make a kissing booth for the school carnival, she kisses Noah, her best friend Lee's brother, and her life changes. But Noah is older than Elle, and Lee will not be happy. Will Elle listen to her head or her heart? Penguin Readers is a series of popular classics, exciting contemporary fiction, and thought-provoking non-fiction written for learners of English as a foreign language. Beautifully illustrated and carefully adapted, the series introduces language learners around the world to the bestselling authors and most compelling content from Penguin Random House. The eight levels of Penguin Readers follow the Common European Framework and include language activities that help readers to develop key skills.

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). NEW YORK TIMES BESTSELLER • From the beloved Pulitzer Prize-winning author, a sparkling novel about misperception, second chances, and the sometimes elusive power of human connection. Micah Mortimer is a creature of habit. A self-employed tech expert, superintendent of his Baltimore apartment building, cautious to a fault behind the steering wheel, he seems content leading a steady, circumscribed life. But one day his routines are blown apart when his woman friend (he refuses to call anyone in her late thirties a "girlfriend") tells him she's facing eviction, and a teenager shows up at Micah's door claiming to be his son. These surprises, and the ways they throw Micah's meticulously organized life off-kilter, risk changing him forever. An intimate look into the heart and mind of a man who finds those around him just out of reach, and a funny, joyful, deeply compassionate story about seeing the world through new eyes, *Redhead by the Side of the Road* is a triumph, filled with Anne Tyler's signature wit and gimlet-eyed observation.

With an Introduction From Jacqueline Wilson

Penguin Readers Level 1: Jekyll and Hyde (ELT Graded Reader)

Penguin Reader Level 5: Freddie Mercury

Penguin Readers Level 6: Sprint (ELT Graded Reader)

Redhead by the Side of the Road

Penguin Readers Level 4: Women Who Changed the World

Penguin Readers Level 7: Homegoing (ELT Graded Reader)

Penguin Readers Level 4: Me Before You (ELT Graded Reader)

This is an authoritative, detailed and comprehensive survey of molecular biology, highlighting its most important concepts, revealing the intellectual framework and experimental approaches that enabled discoveries to be made and underscoring the significance of gene science for all of biology.

Caleb Marcus is a Peacemaker, a roving lawman tasked with maintaining the peace and bringing control to magic users on the frontier. A Peacemaker isn't supposed to take a life—but sometimes, it's kill or be killed... After a war injury left him half-scoured of his power, Caleb and his jackalope familiar have been shipped out West, keeping them out of sight and out of the way of more useful agents. And while life in the wild isn't exactly Caleb's cup of tea, he can't deny that being amongst folk who aren't as powerful as he is, even in his poor shape, is a bit of a relief. But Hope isn't like the other small towns he's visited. The children are being mysteriously robbed of their magical capabilities. There's something strange and dark about the local land baron who runs the school. Cheyenne tribes are raiding the outlying homesteads with increasing frequency and strange earthquakes keep shaking the very ground Hope stands on. Something's gone very wrong in the Wild West, and it's up to Caleb to figure out what's awry before he ends up at the end of the noose—or something far worse...

In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, anthropology, biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Penguin Reader Level 4: the Kissing Booth

Originals, Level 7

Penguin Readers Level 4: How High The Moon (ELT Graded Reader)

Penguin Readers Level 1: Taylor Swift

Penguin Readers Level 6: One Of Us Is Lying (ELT Graded Reader)

Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this

popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

"From the Bible through Dante and up to Treblinka and Guantánamo Bay, here is a rich source for nightmares." --The New York Times Book Review **Three thousand years of visions of Hell, from the ancient Near East to modern America** **From the Hebrew Bible's shadowy realm of Sheol to twenty-first-century visions of Hell on earth, The Penguin Book of Hell takes us through three thousand years of eternal damnation. Along the way, you'll take a ferry ride with Aeneas to Hades, across the river Acheron; meet the Devil as imagined by a twelfth-century Irish monk--a monster with a thousand giant hands; wander the nine circles of Hell in Dante's Inferno, in which gluttons, liars, heretics, murderers, and hypocrites are made to endure crime-appropriate torture; and witness the debates that raged in Victorian England when new scientific advances cast doubt on the idea of an eternal hereafter. Drawing upon religious poetry, epics, theological treatises, stories of miracles, and accounts of saints' lives, this fascinating volume of hellscapes illuminates how Hell has long haunted us, in both life and death.**

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Now completely up-to-date with the latest research advances, the Seventh Edition of James D. Watson's classic book, Molecular Biology of the Gene retains the distinctive character of earlier editions that has made it the most widely used book in molecular biology. Twenty-two concise chapters, co-authored by six highly distinguished biologists, provide current, authoritative coverage of an exciting, fast-changing discipline.
