Now Let Us Find the Right One for You.

America's best-selling annual publication is also the most beloved: Its name makes people smile and its contents tickle funny bones. A reference book that reads like a magazine, the Almanac is packed with facts, features, and fun that make every day special. The 2012 edition, which marks the publication's 220th anniversary, will feature . . .

- weather predictions for every day and climatic trends for each season, plus the science behind weather folklore**
- the most accurate astronomical data under the sun, with best-viewing recommendations for every month**
- gardening advice for growing vegetables and flowers, not to mention worthwhile weeds**
- easy, mouthwatering recipes for Dutch ovens**
- amusing and enlightening articles on topics such as cures for a headache, quirky measurements, and heirloom animals**
- ideas, hints, and charts that provide simple solutions and shortcuts for everyday challenges**
- and much, much more! Added value this year . . .**
- 80 full-color pages**
- full-color national weather maps of winter and summer forecasts**
- national, in-person TV, radio, and print publicity campaign, beginning in September 2011**

The Schmuck in My Office

Maximum PC is the magazine that every computer fanatic, PC gamer or content creator must read. Each and every issue is packed with punishing product reviews, insightful and innovative how-to stories and the illuminating technical articles that enthusiasts crave.

"This is a timely must-read for managers and anyone who has ever had to deal with a difficult coworker; it addresses a ubiquitous problem in a proactive, positive manner that should get the desired results." - Publishers Weekly Everyone has a "schmuck" in their office---a difficult, disruptive person who upsets the workplace, confuses coworkers, and causes concern. It 's hard to understand why schmucks act the way they do, but one thing is certain---they seem to come in all shapes and sizes. . . . Narcissus---the condescending attention-seeker who carelessly steps on everyone 's toes - The Flytrap---the bringer of chaos whose emotional instability causes an office maelstrom - The Bean Counter---the orderly perfectionist who never gives up control, even when it 's full-steam-ahead to disaster - The Robot---the unreadable stone wall who just can 't connect Sound like anyone you know?

These are just a few of the more prominent types of difficult people at work. In The Schmuck in My Office, Dr. Jody Foster explains the entire spectrum of people we may think of as schmucks, how they can decrease productivity, destroy teams, and generally make everyone else unhappy. Along with nailing down the various types, she looks at personality traits and explains how dysfunctional interactions among coworkers can lead to workplace fiascos. She helps readers understand schmucks as people, figure out how to work with them, and ultimately solve workplace problems. She also makes readers consider the most difficult thing of all: despite where your finger may be pointing, sometimes you are the "schmuck"! Let Dr. Foster teach you how to make your workplace a happier and more productive one.
