From the Sunday Times bestseller comes a stunning novel that will warm your heart ☑The feeling you get when you read a Milly Johnson book should be bottled and made available on the NHS☑ Debbie Johnson 'Clear your house and clear your mind. Don't let life's clutter dictate to you. Throw it away and take back the control!' When Lou Winter picks up a dog-eared magazine in the dentist's waiting room and spots an article about clearing clutter, she little realises how it will change her life. What begins as an earnest spring clean soon spirals out of control. Lou's loved ones grow disgruntled. Why is clearing out cupboards suddenly more important than making his breakfast, her husband Phil wonders? The truth is, the more rubbish Lou lets go of, the more light and air can get to those painful, closed-up places at the centre of her heart. Even lovely Tom Broom, the man who delivers Lou's skips, starts to grow concerned about his sweetest customer. But Lou is a woman on a mission, and not even she knows where it will end . . . Praise for Milly Johnson: 'Every time you discover a new Milly book, it's like finding a pot of gold' heat 'A glorious, heartfelt novel' Rowan Coleman ☑Absolutely loved it. The first three books of the bestselling John Shakespeare series of Tudor spy thrillers from Rory Clements, author of the Sunday Times bestseller Hitler's Secret \*\*\* Martyr Tensions in Elizabeth I's government are at breaking point. At the eye of the storm is John Shakespeare, chief intelligencer in the secret service of Sir Francis Walsingham. When an intercept reveals a plot to assassinate England's 'sea dragon', Francis Drake, Shakespeare is ordered to protect him. With Drake on land fitting out his ships, he is frighteningly vulnerable. If he dies, England will be open to invasion. From the splendour and intrigue of the royal court, to the sleek warships of Her Majesty's Navy and the teeming brothels of Southwark, Shakespeare soon learns that nothing is as it seems . . . Revenger The quiet life of John Shakespeare is shattered by a summons from Robert Cecil, the cold but deadly young statesman who dominated the last years of the Queen's long reign, insisting Shakespeare re-enter government service. His mission: to find vital papers, now in the possession of the Earl of Essex. When John Shakespeare infiltrates this dissolute world he discovers not only that the Queen herself is in danger - but that he and his family is also a target. With only his loyal footsoldier Boltfoot Cooper at his side, Shakespeare must face implacable forces who believe themselves above the law. And in a world of shifting allegiances, just how far he can trust Robert Cecil, his devious new master? Prince Driven on by cold rage, Shakespeare's investigations will take him from magnificent royal horseraces to the opulent chambers of Black Luce's brothel, from the theatrical underworld of Marlowe and Kyd to the pain-wracked torture cells of priest-hunter Richard Topcliffe, and from the elegant offices of master tactician Robert Cecil to the splintering timbers of an explosive encounter at sea. As Shakespeare delves ever deeper, he uncovers intricate layers of mystery and deception that threaten the heart not only of the realm, but of all that he holds dear.

**Grey paused and studied the crudely drawn figure. A rough shaped face, traced in ashes, stared back at them. Above the face, a message: 'Hell Awaits' 1893. A trail of footprints lead Deputy Archie Lean and criminologist Perceval Grey to the body of a murdered thief. The victim’s exposed flesh has been burnt beyond recognition and occult symbols mark the nearby walls. But two days earlier this same man was lowered into his grave ...As Lean and Grey dig deeper, they're pulled into a maze of death, deceit and revenge as they try to prevent a devious murderer from unlocking an ancient and lethal power. Rich in history, mystery and witchcraft, The Devil’s Revenge is a breathless historical thriller about the darkest of secrets. Secrets that some would kill for...**

Each passing year bears witness to the development of ever more powerful computers, increasingly fast and cheap storage media, and even higher bandwidth data connections. This makes it easy to believe that we can now – at least in principle – solve any problem we are faced with so long as we only have enough data. Yet this is not the case. Although large databases allow us to retrieve many different single pieces of information and to compute simple aggregations, general patterns and regularities often go undetected. Furthermore, it is exactly these patterns, regularities and trends that are often most valuable. To avoid the danger of “drowning in information, but starving for knowledge” the branch of research known as data analysis has emerged, and a considerable number of methods and software tools have been developed. However, it is not these tools alone but the intelligent application of human intuition in combination with computational power, of sound background knowledge with computer-aided modeling, and of critical reflection with convenient automatic model construction, that results in successful intelligent data analysis projects. Guide to Intelligent Data Analysis provides a hands-on instructional approach to many basic data analysis techniques, and explains how these are used to solve data analysis problems. Topics and features: guides the reader through the process of data analysis, following the interdependent steps of project understanding, data understanding, data preparation, modeling, and deployment and monitoring; equips the reader with the necessary information in order to obtain hands-on experience of the topics under discussion; provides a review of the basics of classical statistics that support and justify many data analysis methods, and a glossary of statistical terms; includes numerous examples using R and KNIME, together with appendices introducing the open source software; integrates illustrations and case-study-style examples to support pedagogical exposition. This practical and systematic textbook/reference for graduate and advanced undergraduate students is also essential reading for all professionals who face data analysis problems. Moreover, it is a book to be used following one’s exploration of it. Dr. Michael R. Berthold is Nycomed-Professor of Bioinformatics and Information Mining at the University of Konstanz, Germany. Dr. Christian Borgelt is Principal Researcher at the Intelligent Data Analysis and Graphical Models Research Unit of the European Centre for Soft Computing, Spain. Dr. Frank Höppner is Professor of Information Systems at Ostfalia University of Applied Sciences, Germany. Dr. Frank Klawonn is a Professor in the Department of Computer Science and Head of the Data Analysis and Pattern Recognition Laboratory at Ostfalia University of Applied Sciences, Germany. He is also Head of the Bioinformatics and Statistics group at the Helmholtz Centre for Infection Research, Braunschweig, Germany.

The traditionally separate Fixed, Mobile, and Internet sectors have been evolving recently toward a single sector, offering numerous implications for those involved in technology and business. It is therefore essential for telecommunication professionals to get a keen grasp of where the industry is heading. Providing a solid foundation in the industry, Introduction to Mobile Communications: Technology, Services, Markets explores the core requirements of modern mobile telecommunications-from markets to technology. It explains how wireless systems work, how mobility is supported, the underlying infrastructure, and what interactions are needed among the different functional components. The book also examines how mobile communications are evolving in order to meet the changing needs of users. The information provided in the book comes primarily from the four core modules of the Certificate in Mobile Communications Distance Learning program run by the Informa Telecoms Academy in London. Designed by a highly experienced training development team, the program examines the complex and fascinating world of mobile communications. Designed to give a broad picture of mobile communications, the book provides an excellent grounding for those involved in both business and engineering-leaving them much better equipped to fulfill roles within their current or prospective companies

"Interaction design has many dimensions to it. It addresses how people deal with words, read images, explore physical space, think about time and motion, and how actions and responses affect human behavior. Various disciplines make up interaction design, such as industrial design, cognitive psychology, user interface design and many others. It is my hope that this book is a starting point for creating a visual language to enhance the understanding of interdisciplinary theories within interaction design. The book uses concise descriptions, visual metaphors and comparative diagrams to explain each term's meaning. Many ideas in this book are based on timeless principles that will function in varying contexts"--Provided by author.

Um meinen Job zu retten, muss ich einen zurückgezogenen Schriftsteller interviewen, der nicht gefunden werden will. Als ich ihn finde, wird mir klar, dass er der arrogante und unwerfende Fremde ist, der als Einziger die Wahrheit über jene Nacht kennt. Er willigt ein, unter einer Bedingung zu sprechen: alles, was er sagt, ist vertraulich. Er hat seine eigenen Geheimnisse. Aber etwas passiert zwischen uns. Seine Berührung entfacht einen Funken. Seine Augen machen mich schwach. Ich kann mich ihm nicht entziehen. Das hier ist falsch. Das hier wird alles ruinieren. Aber er sieht mich auf diese Weise an, wie mich noch nie jemand angesehen hat ?Was Leser/innen über Charlotte Byrd sagen: "Diese Bücher machen süchtig! Super heiß und aufregend, spannend mit Plottwists, die einen überraschen ..." ????? "Habe es in einem durchgelesen!" ????? "Unglaublich! Das Buch hat mich verrückt gemacht, mein Herz hat die ganze Zeit wie wild gepocht und ich bin immer noch gefangen in der Geschichte und fühle mich wie ein Laubblatt im Wind, das nur darauf wartet, wieder durch die Luft gewirbelt zu werden von einem der besten Gründe, mich von der Arbeit abzulenken und mich zu verlieren." ????? "Diese Buchreihe ist so aufregend und fesselnd. Die atemberaubenden Plottwists, die puren Emotionen und die nervenaufreibende Spannung nehmen mit jedem Buch dieser verlockenden Reihe weiter zu. Ich habe so sehr für Nicholas und Olivia mitgeföhlt. Die Figuren haben sich in mein Herz geschlichen, während sie gleichzeitig meinen Verstand durcheinander gebracht haben. Die fesselnde Geschichte zieht einen schnell in ihren Bann und bringt einen in die Welt des Paares. Bereite dich am besten jetzt schon auf den Cliffhanger und das Warten auf das sechste und letzte Buch in dieser erstaunlichen Reihe vor." ?????

Darcy, Tara and Lindsay are the best of friends who reconnect every summer for a few weeks of catching up and living easy. The summertime is anything but boring for these three strong women who indulge in the best of what's in season: romance, excitement and the time of their lives.

A USA TODAY BESTSELLER 'I'm insisting you date her. Five dates together, then I'll have this surgery.' Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger?

**Some say you can never go back. But what if going back felt right? And what if your first love still made you feel those crazy sensations? Kate had never forgotten Mack or the dreams they’d talked about. Mack of the shocking kisses and intense silence. Mack, her first lover and her first love. Nothing had changed. Mack knew she was trouble. Kate had always been his kryptonite, but watching her flit back into town was like a knife tearing through his gut. He tried to resist her, tried to pretend that she didn't affect him. But this was Kate. And she was even more beautiful now. They were both older and wiser. Could their life experiences help them remain sane this time around?**

**As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill?**

**Brenna There are some people in life who know exactly how to push your buttons. For me, it’s Rye Peterson. We can’t spend more than ten minutes together before we’re at each other’s throats, which makes working together that much harder. Rye is the bassist for Kill John, the biggest rock band in the world, and I am his publicist. It doesn’t help that the man is gorgeous, funny, talented, and...never takes anything seriously. Avoidance is key. But everything changes when he overhears something he shouldn’t: a confession made in a moment of weakness. Now the man I’ve tried so hard to ignore is offering me the greatest temptation of all–him. Rye Brenna James is the one. The one I can’t have. The one I can’t get out of my mind. Believe me, I’ve tried; the woman loathes me. I managed well enough–until I heard her say she’s as lonely as I am. That she needed to be touched, held, satisfied. And I could no longer deny the truth: I wanted to be the one to give her what she craved. I convinced her that it would just be sex, mutual satisfaction with nothing deeper. But the moment I have her, she becomes my world. I’ve never given her a good reason to trust me before. Now, I’ve got to show Brenna that we’re so much better together than we ever were apart. Things are going to get messy. But getting messy with Brenna is what I do best.**

**Following in his father's footsteps,Thomas Grandby has made a name for himself in the world of investing and wealth. He's managed to avoid the Marriage Mart–for the most part–but constant reminders of his age have him thinking 1839 might be the year he takes a bride. If only Victoria Fitzsimmons seemed as interested in him as she is in her latest acquisition. Her green-eyes and jet black hair have him positively mesmerized.Meanwhile, as the daughter of an equine expert, Juliet Comber has spent most of her life in horse stables or attending horse races around the country. She has little interest in Society or the upcoming Season, but as the granddaughter of an earl, there's an expectation she'll marry well. If only Christopher, Earl of Haddon, wasn't such an arrogant ass–doesn't he know entitlement and privilege are a suitor's least attractive traits in The Choice of a Cavalier?**

*The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science.*
