With fuel costs and parking charges it's no wonder the consumer is looking for less expensive forms of travel. This book is aimed at the rider who wants to do his or her own basic scooter maintenance and servicing without the need for in-depth mechanical knowledge, or a technical manual. It covers areas such as oil, brakes, tyres, transmission, electrics, etc, allowing the owner to address the most regularly serviced items without forking out for additional costs. Illustrated with full colour photographs throughout, and featuring clear, easy-to-follow instructions, this book is a must-have for scooter users.
