

Phoebe And Her Unicorn Phoebe And Her Unicorn Series Book 1

Time flies in this fifth volume of Dana Simpson’s Phoebe and Her Unicorn! Follow the lovable duo as they experience somewhat-spooky Halloween parties, ecstatic snow days, and looming summer reading assignments. Although the journey of growing up can sometimes be difficult, along the way Phoebe and Marigold discover something more enduring than goblin fads, unicorn spa vacations, and even a Spell of Forgetting—their one of a kind friendship.

Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults in town think it’s just a winter storm, but Phoebe and Marigold suspect something is going on.

As the magic spells Marigold casts to help Phoebe navigate the challenges of school life mount up, both Phoebe and Marigold begin to wonder if sometimes they might be taking things just a little too far.

With over 1.7 million copies sold, the Phoebe and Her Unicorn book series for middle-grade readers is an immensely popular and magical world of unicorns, adventure, and friendship. When your best friend is a unicorn, every day is a stroll down the red carpet. Phoebe Howell’s unicorn BFF, Marigold Heavenly Nostrils, is happy to provide the celebrity treatment—teaching Phoebe fancy new spells, giving her a ride to school so she doesn’t have to ride the bus, and even negotiating with the tooth fairy on her behalf. But when Phoebe starts noticing that unicorns have become a trendy fashion statement, she doesn’t feel quite so unique. Fortunately, she’s distracted by adventures including a visit to the unicorn community and a trip to the woods to see her friend Dakota receive an unusual honor at the goblin award ceremony.

Unicorn Famous is filled with amusing examples of the extraordinary lengths friends will go to make each other feel special.

Unicorn on a Roll (Phoebe and Her Unicorn Series Book 2)

From newspapers to Nickelodeon, Phoebe and Her Unicorn is the most stunning unicorn feature around! This latest collection of Phoebe comics will delight middle grade readers and unicorn lovers of all ages. Best friends Phoebe Howell and Marigold Heavenly Nostrils march to their own beat, but life isn’t all rainbows and unicorns. With so many problems in the world and drama at school, Phoebe wonders why unicorns aren’t in charge instead of humans. With Marigold, each day is full of magic, from introducing Phoebe to unicorn music to crashing a goblin popularity contest, and even tracking down long-lost family members like Infernus, the Unicorn of Death (who ends up being surprisingly adorable). In Unicorn Playlist, Phoebe and Marigold play all the hits.

In this charming, super-sparkly board book, the stars of Phoebe and Her Unicorn celebrate the magical and enchanting world of being a unicorn, along with reminding young readers that being yourself is pretty great, too. Who wouldn’t want to be a unicorn? You get to trot majestically through meadows, perch high up on rainbows, and wear tiaras made of starlight. Phoebe lists all the wonderful things she’ll get to do and can hardly contain her excitement about having a tail and magic horn. That is, until she learns that unicorns like to eat hay instead of pizza. Maybe she’ll be a unicorn tomorrow instead!

One year has passed since Phoebe skipped a rock across a pond, accidentally hit a unicorn in the face, and was granted a single wish—which she used to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. In some ways, not much has changed. At school Phoebe still clashes with her rival--and sometimes “frenemy”--he ever-taunting and imperious Dakota. Outside of school, she still fills her free time with extra-credit homework assignments, dramatic monologues about the injustices associated with school cliques, and imaginative conspiracy theories regarding global forces like the “powerful construction paper lobby.” But unlike before, Phoebe now has a best friend to share it with--someone to make her laugh and to listen to all her extravagant ideas. In this second volume of Dana Simpson’s Phoebe and Her Unicorn series, titled, Unicorn on a Roll, the reader is invited on a journey into the lives of Phoebe and Marigold as they navigate the difficulties of grade school, celebrate the winter holidays, and explore their super hero/super villain personas together. Join in the fun, as Phoebe competes against Dakota for the leading role of “Lisa Ladybug” in their fourth-grade play--or as she struggles to “manage” the PR debacle related to her nose-picking-scandal. (“I will neither confirm nor deny the events surrounding Boogergate.”) Witness a band of unicorns staging an “intervention” and learn all the details of Marigold’s secret crush on a mysterious creature she has never seen. Perhaps most important, watch as this surprising friendship between a charming, nine-year-old dreamer and a vain, mythical beast forever changes both of them for the better.

Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults think it’s just winter weather, but Phoebe and Marigold soon discover that all is not what it seems to be, and that the storm may have a magical cause. To solve the case, they team up with Max, who is desperate for the electricity to return so he can play video games, and frenemy Dakota, who is aided by her goblin minions. Together, they must get to the bottom of the mystery and save the town from the magic storm.
