Annual Report

Smith has packed an incredible amount of information into this relatively short and clearly written book. His erudition is unquestionable, and his knowledge of current trends in medical technology and the ethical issues surrounding them

Read Book Physical Therapy California Law Exam Study Guide

is obvious on every page. P. Jenkins,
Choice George P. Smith is one of the
world's leading experts on the legal and
ethical issues raised by modern
medicine. His book is a wide-ranging
and deeply informed and considered
analysis of those issues, with particular

Read Book Physical Therapy California Law Exam Study Guide

emphasis on the inequality with which the benefits of modern medicine are bestowed on the sick. Knowledgeable as well about the technical aspects of the biomedical revolution, Smith writes with insight and authority, and offers a perspective that will influence the policy

Read Book Physical Therapy California Law Exam Study Guide

debates. Richard A. Posner, United States Court of Appeals for the Seventh Circuit and University of Chicago Law School, US While much has been written about the various issues addressed in this book genetics, cloning, informed consent, organ donation Smith s book

Read Book Physical Therapy California Law Exam Study Guide

moves beyond traditional legal analysis, tying these issues together by examining them through the lens of distributive justice. He thus provides the reader with a unique and valuable perspective on this important area. Distributive Justice and the New Medicine will be of interest to

Read Book Physical Therapy California Law Exam Study Guide

all those interested in health law and bioethics and in particular for those interested in distributive justice. Belinda Bennett, Journal of Law, Social Justice and Global Development Professor George P. Smith's *Distributive Justice and the New Medicine* is a major new

Read Book Physical Therapy California Law Exam Study Guide

work by one of the world's leading medical lawyers. This book brings important new insights into the complex area of rationing health care resources and should be read by anyone interested in seeking to create a just society.

Jonathan Herring, Exeter College,

Read Book Physical Therapy California Law Exam Study Guide

University of Oxford, UK Is the advancement of scientific knowledge and the development of biomedical technologies known as the New Medicine desirable? George P. Smith asks this fundamental question while also confronting the distribution of these

Read Book Physical Therapy California Law Exam Study Guide

scarce medical resources. Law, economics, medical science, philosophy and ethics all coalesce in this discussion of how to structure normative standards of conduct that will improve the quality of human life. The author begins by examining various economic constructs

Read Book Physical Therapy California Law Exam Study Guide

as aids for achieving a fair and equitable delivery of health care services. He then assesses their level of practical application and evaluates the costs and benefits to society of pursuing the development and use of the New Medicine . The book ends with a case

Read Book Physical Therapy California Law Exam Study Guide

study of organ and tissue transplantation that illustrates the implementation of distributive justice. The author concludes that as long as clinical medicine maintains its focus on healing and alleviating suffering among patients, a point of equilibrium will be reached

Read Book Physical Therapy California Law Exam Study Guide

that advances the common good. This timely and compelling exploration will be a must-read for scholars, researchers, policymakers and all those interested in advances in medical technology and the issues surrounding access to health care. An award-winning scientist offers his

Read Book Physical Therapy California Law Exam Study Guide

unorthodox approach to childrearing:

“ Parentology is brilliant, jaw-droppingly funny, and full of wisdom...bound to change your thinking about parenting and its conventions ” (Amy Chua, author of Battle Hymn of the Tiger Mother). If

Read Book Physical Therapy California Law Exam Study Guide

you're like many parents, you might ask family and friends for advice when faced with important choices about how to raise your kids. You might turn to parenting books or simply rely on timeworn religious or cultural traditions. But when Dalton Conley, a dual-

Read Book Physical Therapy California Law Exam Study Guide

doctorate scientist and full-blown nerd, needed childrearing advice, he turned to scientific research to make the big decisions. In Parentology, Conley hilariously reports the results of those experiments, from bribing his kids to do math (since studies show conditional

Read Book Physical Therapy California Law Exam Study Guide

cash transfers improved educational and health outcomes for kids) to teaching them impulse control by giving them weird names (because evidence shows kids with unique names learn not to react when their peers tease them) to getting a vasectomy (because fewer kids in a

Read Book Physical Therapy California Law Exam Study Guide

family mean smarter kids). Conley encourages parents to draw on the latest data to rear children, if only because that level of engagement with kids will produce solid and happy ones. Ultimately these experiments are very loving, and the outcomes are

Read Book Physical Therapy California Law Exam Study Guide

redemptive—even when Conley ' s sassy kids show him the limits of his profession. Parentology teaches you everything you need to know about the latest literature on parenting—with lessons that go down easy. You ' ll be laughing and learning at the same time.
