Frances Mayes, whose enchanting #1 New York Times bestseller *Under the Tuscan Sun* made the world fall in love with Tuscany, invites readers back for a delightful new season of friendship, festivity, and food, there and throughout Italy. Having spent her summers in Tuscany for the past several years, Frances Mayes relished the opportunity to experience the pleasures of primavera, an Italian spring. A sabbatical from teaching in San Francisco allowed her to return to Cortona—and her beloved house, Bramasole—just as the first green appeared on the rocky hillsides. *Bella Tuscany*, a companion volume to *Under the Tuscan Sun*, is her passionate and lyrical account of her continuing love affair with Italy. Now truly at home there, Mayes writes of her deepening connection to the land, her flourishing friendships with local people, the joys of art, food, and wine, and the rewards and occasional heartbreaks of her villa's ongoing restoration. It is also a memoir of a season of change, and of renewed possibility. As spring becomes summer she revives Bramasole's lush gardens, meets the challenges of learning a new language, tours regions from Sicily to the Veneto, and faces transitions in her family life. Filled with recipes from her Tuscan kitchen and written in the sensuous and evocative prose that has become her hallmark, *Bella Tuscany* is a celebration of the sweet life in Italy. Now with an excerpt from Frances Mayes's latest southern memoir, *Under Magnolia*.

Cultural Writing. Edited by Graziella Parati and Ben Lawton. ITALIAN CULTURAL STUDIES includes selected essays written by participants of the Italian Cultural Studies Symposium at Dartmouth College in Hanover, NH on October 29-31, 1999. These essays examine the notion of cultural studies—both Italian and others. What is cultural studies? Why should we study it? How should we teach it? What is its relation to traditional language studies? Contributors include Norma Bouchard, Joseph A. Buttigieg, Sandra Carletti, Roberto Maria Dainotto, Nathalie Hester, Sarah Patricia Hill, Irene Kacandes, Giancarlo Lombardi, Daniela Orlandi, Marie Orton, Nicoletta Pireddu, Adrian W.B. Randolph, Maria Galli Stampino, and Rebecca West. Perfectbound.

Elsa Morante's Politics of Writing is a collected volume of twenty-one essays written by Morante specialists and international scholars. Essays gather attention on four broad critical topics, namely the relationship Morante entertained with the arts, cinema, theatre, and the visual arts; new critical approaches to her four novels; treatment of body and sexual politics; and Morante's prophetic voice as it emerges in both her literary works and her essayistic writings. Essays

focus on Elsa Morante's strategies to address her wide disinterest (and contempt) for the Italian intellectual status quo of her time, regardless of its political side, while showing at once her own kind of ideological commitment. Further, contributors tackle the ways in which Morante's writings shape classical oppositions such as engagement and enchantment with the world, sin and repentance, self-reflection, and corporality, as well as how her engagement in the visual arts, theatre, and cinematic adaptations of her works garner further perspectives to her stories and characters. Her works—particularly the novels *Menzogna e sortilegio* (House of Liars, 1948), *La Storia: Romanzo* (History: A Novel, 1974) and, more explicitly, *Aracoeli* (Aracoeli, 1982)—foreshadowed and advanced tenets and structures later affirmed by postmodernism, namely the fragmentation of narrative cells, rhizomatic narratives, lack of a linear temporal consistency, and meta- and self-reflective processes.

The first edition of Percorsi quickly became one of the best-selling elementary Italian texts. The new second edition features a new design, more focus on skills-development, updated cultural information and a full version of MyItalianLab. Percorsi is an introductory program that promotes the acquisition of Italian language and culture through the integration of the "5 Cs" principles of the National Standards for Foreign Language Education. Percorsi is designed to provide beginning learners with a variety of tools to develop their communicative competence in the four major language skills—listening, speaking, reading, and writing—as they acquire familiarity with Italian culture. All of the features in Percorsi have been carefully thought out to support the two key aspects of the language acquisition process: language comprehension and language production. From the start, carefully structured communicative activities based on authentic materials and texts encourage students to use Italian in everyday situations. Generous use of authentic content also offers students a chance to develop reading skills while gaining cultural awareness and understanding of Italian communities and traditions throughout the world. In addition, each chapter explicitly promotes cultural exploration through illustrated presentations that are followed by activities facilitating comprehension and highlighting cultural comparisons. Students are encouraged to analyze and compare extremely varied aspects of Italian culture while making connections to their own experiences. MyItalianLab will be available for Fall 2011 courses.

In Franciscan Wealth, Giacomo Todeschini provides a critical and objective study of Franciscan economic theory. As promoters of a rigorous and evangelical poverty, the Franciscans were paradoxically led to investigate all forms of the economic life between that of extreme poverty and that of excessive wealth, distinguishing carefully between property and temporary possession the use of economic goods.

Verbs and verb conjugations are the basic building blocks when learning a foreign language. Light, compact, and easy to carry wherever students go, books in this series offer approximately 300 frequently-used verbs that are presented in easy-to-read verb conjugation tables. Each verb includes its English equivalent, sample sentences, and related words and expressions. These books also include general instruction in verb usage. Titles in Barron's Verbs series are shorter versions of Barron's 501 Verbs books. This smaller-format book is a handy reference sources for students taking Italian, as well as for Italian language teachers, and translators.

EXPLORACIONES transforms students into culturally competent Spanish speakers by providing learning strategies, systematic self-assessments, integration of the National Standards, and a focus on the practical purposes of language study. Created through a "student-tested, faculty-approved" review process with thousands of students and hundreds of faculty, this text is an engaging and accessible solution. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fully articulated with the core text, the Student Activities Manual provides students with the practice they need to become comfortable using the new words and structures from each chapter before producing them during

conversations in class. The Workbook activities offer a wide range of written activities designed to review the chapter's vocabulary and grammatical structures, while the Lab Manual activities include ample opportunity for listening comprehension and pronunciation practice using new vocabulary and grammatical concepts from each chapter.
