Voices of Academics from the Working Class

Discover the magical places of the Harry Potter films in one-of-a-kind 3-D scenes. Revisit the magic of Harry Potter through four intricate, multilayered dioramas that capture beloved locations from the films. From Hogwarts to Hogsmeade, Diagon Alley, and the Ministry of Magic, each paper scene is laser die-cut for precision and gorgeously detailed. Every scene is accompanied by essential information about these magical places and fun, behind-the-scenes facts from the films. Designed to thrill both seasoned Harry Potter fans and younger children, this volume is a treasured keepsake for the whole family.

A Paper Scene Book

REESE'S BOOK CLUB PICK LONGLISTED FOR THE 2022 WOMEN'S PRIZE FOR FICTION INSTANT #1 NEW YORK TIMES BESTSELLER THE PAPER PALACE IS: "Filled with secrets, love, lies and a summer beach house. What more could you ask?"—Parade "A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-turner." —Cynthia D'Aprix Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

Our Paper

26 Years CAT Topic-wise Solved Papers (2019–1994) with 6 Online Practice Sets 13th edition

These autobiographical and analytical essays by a diverse group of professors and graduate students from working-class families reveal an academic world in which "blue-collar work is invisible." Describing conflict and frustration, the contributors expose a divisive middle-class bias in the university setting. Many talk openly about how little they understood about the hierarchy and processes of higher education, while others explore how their experiences now affect their relationships with their own students. They all have in common the anguish of choosing to hide their working-class background, to keep the language of home out of the classroom and the ideas of school away from home. These startlingly personal stories highlight the fissure between a working-class upbringing and the more privileged values of the institution.
