

## Plaid Phonics Level B Student Edition

A critical volume for the homeschooling community that helps parents make informed choices regarding learning styles and curriculum

Your child's reading education comes down to a couple of skills: recognizing and understanding the meaning of words, and comprehending the information in the text. You can't teach one aspect of reading without the other. For this reason, you should include a detailed Comprehension curriculum in your child's homeschool program. Modern Curriculum Press (MCP) Comprehension Plus gives you the tools you need to help your child become an efficient and lifelong reader. This curriculum for homeschooling is designed for children in the elementary school phase of their education. MCP Comprehension Plus: Grade 5 specifically caters to children in the beginner to intermediate level. The content provided in Grade 5 will solidify the information your child already knows, and help him or her develop his or her Comprehension skills. You can use MCP Comprehension Plus in conjunction with other English/language arts programs, such as Reading (with Reading Street), Spelling (with MCP Spelling Workout) and Phonics (with MCP Plaid Phonics). Doing so will allow you to provide your child with a well-rounded English/language arts education. Every MCP Comprehension Plus program is structured to help your child reach his or her potential. You may begin the lesson by introducing the new Comprehension concepts, and then provide your child with activities that will solidify that information. This method hones your child's reading skills, allowing him or her to learn through doing. MCP Comprehension Plus: Grade 5 features these key areas of focus: Pull direct quotes from the text to explain the story's main ideas. Accurately summarize the texts he or she reads. Recognize and identify a story's themes and main idea. Compare events and characters within a genre using examples from the text. MCP Comprehension Plus: Grade 5 should help you work toward meeting these and other goals during your child's homeschool instruction. For more information on the specific materials included in this homeschool program, visit the Features and Benefits page.

Provides an explanation of phonics, a method of reading instruction that focuses on the relationship between sounds and their spellings, and features over one hundred activities for the classroom, as well as sample lessons, word lists, and teaching strategies.

MCP Mathematics promotes mathematical success for all students, especially those who struggle with their core math program. This trusted, targeted program uses a traditional drill and practice format with a predictable, easy-to-use lesson format. MCP Math is flexible and adaptable to fit a variety of intervention settings including after school, summer school, and additional math instruction during the regular school day. By teaching with MCP Math, you can: Provide targeted intervention through a complete alternative program to core math textbooks. Help students learn and retain new concepts and skills with extensive practice. Prepare students at a wide range of ability levels for success on standardized tests of math proficiency.

MCP "Plaid" Phonics will help your child become a fluent reader. Activities help develop spelling (encoding), recognize words in context, and use phonics in word-building and personal writing. It provides a direct instructional model for integrating phonics and reading through reading activities. Level B Students are empowered to become independent readers, with greater emphasis on word analysis, vocabulary, comprehension, and writing. Level B engages children with more advanced phonics skill lessons focus on increasing fluency and critical thinking activities to help process words more efficiently and with meaning. MCP "Plaid" Phonics works side by side with Spelling Workout to reinforce key spelling and phonics skills. Looking for other grade levels? Test with success using Spectrum Word Study and Phonics for grade 4! The lessons encourage creativity and strengthen phonics skills by focusing on digraphs, diphthongs, comparative endings, multiple-meaning words, and dictionary skills. The book features full-color illustrations, provides essential tools for achieving reading fluency, and includes an answer key. Today, more than ever, students need to be equipped with the skills required for school achievement and success on proficiency tests. This 176-page book aligns with state and national standards, is perfect for use at home or in school, and is favored by parents, homeschoolers, and teachers.

The Modern Curriculum Press (MCP) Spelling Workout homeschool program takes you and your child through the process of learning to spell. When using this program, you'll ensure that your child not only gets the basic information he or she needs to learn, but also enjoys the educational journey. MCP Spelling Workout: Grade 2 features fun and unique cross-curricular reading content your child can use to better understand language. MCP Spelling Workout is a step-by-step homeschool program designed to keep your child engaged as he or she learns how to put together letters and sounds. With puzzles, riddles and activities, MCP Spelling Workout: Grade 2 will introduce important Spelling concepts while holding your child's interests. At the end of Grade 2, your child will be able to tackle more challenging words than those presented in Grade 1, such as words with two syllables. Throughout the course of MCP Spelling Workout, your child will connect sounds with letters, and then learn to put those sounds together. Eventually, he or she will be able to recognize and create complex Spelling patterns. You can boost your child's Spelling education by pairing MCP Spelling Workout with MCP Plaid Phonics. Together, the two programs will give your child a complete and dynamic understanding of language. MCP Spelling Workout: Grade 2 comes with the tools you need to form effective and exciting lesson plans. Your child will enjoy going through the Student Edition workbook while you'll glean insights from the Teacher's Edition and Parent Guide. Additionally, MCP Spelling Workout: Grade 2 is designed to be flexible, fitting into your homeschooling schedule.

Create three-day or five-day lesson plans using this curriculum program. For more information on the specific materials included in MCP Spelling Workout: Grade 2, visit the Features and Benefits page.

Modern Curriculum Press Mathematics, Level B

*Originally published in 1992. This book brings together the work of a number of distinguished international researchers engaged in basic research on beginning reading. Individual chapters address various processes and problems in learning to read - including how acquisition gets underway, the contribution of story listening experiences, what is involved in learning to read words, and how readers represent information about written words in memory. In addition, the chapter contributors consider how phonological, onset-rime, and syntactic awareness contribute to reading acquisition, how learning to spell is involved, how reading ability can be explained as a combination of decoding skill plus listening comprehension skill, and what causes reading difficulties and how to study these causes.*

*Spelling Workout uses a sports theme that gives you and your students the tools you need to be an unbeatable team! Capitalizing on the close tie between spelling and phonics, the program leads students from simple sound-letter relationships to more complex spelling patterns.*

*Wordly Wise has been popular with educators for over 30 years. Students acquire important skills, such as using a glossary and dictionary. Activities and word games appear in each lesson to reinforce new words.*

Missy wants to take home four of the class pets, but another girl, Tiffany, has already asked their teacher so Missy and her friend Oscar need to come up with a plan to make Tiffany change her mind.

Offers step-by-step instruction on how to enable an academically rigorous, comprehensive education for children from preschool through high school, outlining a classical educational model while providing book lists, ordering information, and Internet links.

"Plaid" Phonics: Grade 2 "The variety of activities and colorful presentation make these workbooks appealing to children, and large print reduces the intimidation factor." - Cathy Duffy, author of Top 100 Picks for Homeschooling Curriculum 55 MILLION READERS Teaching your child to read can seem challenging, but fortunately, you have years of knowledge on your side in the form of Phonics instruction. Phonics is a method of teaching reading that combines sound and symbol recognition. By pairing a group of letters with the sounds they make, your child will start to understand how to read the English language. "Plaid" Phonics is a homeschool program that helps you teach your child to read. Originally known as Modern Curriculum Press (MCP) "Plaid" Phonics and now published by Pearson, the "Plaid" Phonics K-6 program will help you teach your child the building blocks of language and literacy. "Plaid" Phonics has a long history of success. For more than 50 years, the program has helped more than 55 million children learn to read. GRADE 2 MILESTONES "Plaid" Phonics Grade 2 is a beginner's level program geared toward helping your child develop foundational reading skills. During this portion of the "Plaid" Phonics program, your child can focus on developing the following skills: Read simple multisyllabic words, such as "open." Read and understand words with prefixes and suffixes, and be able to isolate the meaning of those prefixes and suffixes. Notice mistakes he or she makes when reading aloud, and correct them. Read age-appropriate words that have irregular spellings, such as "half." ENGAGE EVERY LEARNER "Plaid" Phonics was designed with plenty of engaging activities meant to help your child become a fluent reader. Each lesson-planning guide is broken into six parts to solidify Phonics knowledge for your child. He or she will learn letter recognition, how to write letters, phonemic awareness and around-symbol correspondence. Every lesson features a Picture Dictionary page. Additionally, an array of multisensory teaching options addresses different learning styles. INTEGRATE SPELLING You can round out your child's Reading education by teaching Spelling alongside it. In fact, "Plaid" Phonics can be used in conjunction with MCP Spelling Workout. Be sure to select the corresponding MCP Spelling Workout program to ensure the two curricula are teaching your child at the same level. HOMESCHOOL BUNDLE The materials included in "Plaid" Phonics: Grade 2 Homeschool bundle will help your child become a skilled lifelong reader. The bundle includes a student edition, teacher's edition and parent guide. For more information, visit the Features and Benefits page. Looking for other grade levels?
