Playing James

“Readers will not go wrong 'wasting' the time it takes to cavort with the eternal truths presented, with such an enervating spirit of fun, in On the Unseriousness of Human Affairs.” —National Catholic Register “It is a book lightly written, laced with references to Charlie Brown and other cartoons, but deceptively heavy. I found myself inclined—almost forced—to pause after every section and think about Schall's words.” —Touchstone “Schall's call to take seriously the unseriousness things of life is clearly, cleverly, and creatively stated.” —Perspectives on Political Science “This new collection on what it is to be an educated human does not disappoint.” —New Oxford Review To the ears of ceaselessly busy and ambitious modern Westerners, it will come as a shock, and perhaps as an insult, to be told that human affairs are “unserious.” But this fundamental truth is exactly what James Schall, following Plato, has to teach us in this wise and witty book. Schall cites Charlie Brown, Aristotle, and Samuel Johnson with the same sobriety—the sobriety that sees the truth in what is delightful and even amusing. Singing, dancing, playing, contemplating, and other “useless” human activities are not merely forms of escape from more important things—politics, work, social activism, etc.—but an indication of the very nature of the highest things themselves. On the Unseriousness of Human Affairs is an instructive volume whose countercultural message is of vital importance.

This meticulously edited collection includes Henry James' complete novels and short stories, as well as critical essays, plays, travel sketches and reports of the great author. The life of Henry James is revealed in different biographies, and in his three autobiographical books. Author Matt Sherman, on of the world's top Bond experts, draws from a lifetime of James Bond knowledge and intimate friendships with many of the Bond cast and crew. Enjoy his playful patter about Bond's games, insider stories and games between the games. Let's play!

The second collection of plays from eminent playwright James Graham, bringing together four of his state-of-the-nation plays. The volume includes the following plays, alongside an introduction by the author: This House (2012) explores Westminster and the 1974 hung parliament through a combination of wit and waspish dialogue, comedy and political comment, and historical and contemporary concerns. The Angry Brigade (2014) takes a look at the story behind the Angry Brigade - a British anarchist group who carried out a series of bomb attacks between 1970 and 1972. The Vote (2015) looks at what happens in Britain on election night through the eyes of those at the polling station. Set in a fictional London polling station, Graham's play dramatises the final ninety minutes before the polls close in the 2015 general election. Monster Raving Loony (2016) explores the life and exploits of Screaming Lord Sutch to examine the state of the nation and Britain's post-war identity crisis. It tells the story of Sutch through a cavalcade of comic characters from music hall to Monty Python, panto to Partridge.

From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE’s 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children’s stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! “James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope.” —TIME Magazine

Make believe I love you... Both survivors of the divorce wars, Christy and Martin don't believe in love at first sight and certainly not on a first date. But from the instant they lock eyes, life becomes a sexy, romantic dream come true. That is, until they start playing a strangely intense game of make-believe--a game that's about to go too far. BookShots

LIGHTNING-FAST STORIES BY JAMES PATTERSON Novels you can devour in a few hours Impossible to stop listening All original content from James Patterson

“A loving and breezy set of essays” on today’s most addictive TV shows from “an incisive and hilarious critic” (Slate). Television is not what it once was. Award-winning author and critic Clive James spent decades covering the medium, and witnessed a radical change in content, format, and programming, and in the very manner in which TV is watched. Here he examines this unique cultural revolution, providing a brilliant, eminently entertaining analysis of many of television’s most notable twenty-first-century accomplishments and their not always subtle impact on modern society—including such acclaimed serial dramas as Breaking Bad, The West Wing, Mad Men, and The Sopranos and the comedy 30 Rock. With intelligence and wit, James explores a television landscape expanded by cable and broadband and profoundly altered by the advent of Netflix, Amazon, and other cord-cutting platforms that have helped to usher in a golden age of unabashed binge-watching. “James loves television, he loves the winding stories it tells and that we share them together. Play All is a late love letter to the medium of our lives.”—Sunday Times “Large-brained and largehearted, and written with astonishing energy.”—The New York Times Book Review “Witty and insightful musing on popular and critically acclaimed series of the past two decades.”—Publishers Weekly

This series collects the complete scripts of 100 selected, previously unpublished plays by 19th-century American playwrights. Volume 7 features James A Herne, with "Within an Inch of His Life," "The Minute Men of 1774-1775," "Drifting Apart," and "The Reverend Griffith Davenport." Includes a Bibliography.

James Graham Plays: 2

A Consideration of the Realism in the Plays of James A. Herne

This collection of five award-winning plays by Charles Smith includes Jelly Belly, Free Man of Color, Pudd’nhead Wilson, Knock Me a Kiss, and The Gospel According to James. Powerful, provocative, and entertaining, these plays have been produced by professional theater companies across the country and abroad. Four of the plays are based on historical people and events from W.E.B. Du Bois and Countee Cullen to the Harlem Renaissance. Accurate in the way they capture the political and cultural milieu of their historical settings, and courageous in the way they grapple with difficult questions such as race, education, religion, and social class, these plays jump off the page just as powerfully as they come to life on stage. This first-ever collection from one of the nation’s leading African American playwrights is a journey down the complex road of race and history.

Assigned to shadow detective James Sabine through his action-packed days, plucky beat reporter Holly Colshannon enjoys the success of her new crime byline but incurs the wrath of Sabine, with whom she shares an unexpected attraction. A first novel. Original.

Fans of LeBron James will love this captivating book. They'll learn how James has been a basketball star nearly his whole life. Sports Illustrated featured him on their cover when he was just 17 years old, and he joined the Cleveland Cavaliers right out of high school. James has had a stellar career with the Cleveland Cavaliers and Miami Heat and he helped the Cavaliers finally bring a championship to Cleveland in 2016. James has also become known for his social activism. This book features full-color photographs, a fact sheet, and a timeline of his accomplishments.

James the Raccoon is excited for baseball tryouts, but hes worried he wont be able to play with the other kids. James is blind and must use a special ball to play. With the help of his dad and his coach, James discovers he can play baseball just like all the other kids!

"This book talks smack. This book chews with its open mouth full of the juiciest words, the most indigestible images. This book undoes me. . . . francine j. harris brilliantly ransacks the poet's toolkit, assembling art from buckets of disaster and shreds of hope. Nothing she lays her mind's eye on escapes. You, too, will be captured by her work."—Evie Shockley Lyrically raw and dangerously unapologetic, play dead challenges us to look at our cultivated selves as products of circumstance and attempts to piece together patterns amidst dissociative chaos. harris unearths a ruptured world dictated by violence—a place of deadly what ifs, where survival hangs by a thread. Getting by is carrying bruises and walking around with "half a skull." From "low visibility": I have light in my mouth. I hunger you. You want what comes in drag. a black squirrel in a black tar lane, fresh from exhaust, hot and July's unearthed steam. You want to watch it run over. to study the sog. You want the stink of gristle buried in a muggy weather. I want the faulty mirage. a life of grass. we want the same thing. We want their deaths to break up the sun. francine j. harris is a 2015 NEA Creative Writing Fellow whose first collection, allegiance, was a finalist for the 2013 Kate Tufts Discovery and PEN Open Book Award. Originally from Detroit, she is also Cave Canem fellow who has lived in several cities before returning to Michigan. She received an MFA in Creative Writing from the University of Michigan, and currently teaches writing at Interlochen Center for the Arts.

This brand new compilation of hits from the musicals has been specially arranged for Easy Piano. Inside you'll find a baker’s dozen of memorable songs from stage and screen classics. Song List: - Almost Like Being In Love (from Brigadoon) - Because You're Mine (from Because You're Mine) - Can't Help Lovin' Dat Man (from Show Boat) - Chitty Chitty Bang Bang (from Chitty Chitty Bang Bang) - Good Morning Starshine (from Hair) - How D’ya Like Your Eggs In The Morning (from Rich, Young And Pretty) - I'm In The Mood For Love (from Every Night At Eight) - Let's Face The Music And Dance (from Top Hat) - Make 'Em Laugh (from Singin' In The Rain) - On My Own (from Les Misérables) - Over The Rainbow (from The Wizard Of Oz) - 'Til I Hear You Sing (from Love Never Dies) - The Trolley Song (from Meet Me In St Louis)

Originally compiled and published in 1980, this volume contains the plays of James Broaden. Although not many critics of eighteenth-century drama mention Broaden, he loved the theatre and its world, and this love comes across in everything he wrote. This volume contains plays including the songs and chorusses of his first, Ozmynn and Daraxa, from 1793, Fountainville Forest, from 1794, and The Secret Tribunal, from 1795, as well as many others.

An epic exploration of the history and shaping of Scotland from one of the country s most successful playwrights."

The Val James Story

America’s Lost Plays VII: The Early Plays of James A. Herne

Versions of Melodrama in the Novels, Tales, and Plays of Henry James

Hailed as a creative genius (TLS) and a singular American visionary (New York Times), James Purdy may be best known for his remarkable novels, but he is also an astonishing playwright who has written nine full-length and twenty short plays. Purdy is one of the few contemporary American writers capable of writing tragedy-Tennessee Williams called him a uniquely gifted man of the theater. This collection presents four riveting and beautifully crafted works: Brice, The Paradise Circus, Where Quentin Goes, and Ruthanna Elder. Each explores a range of emotional and familial tangles, as fathers betray their sons and squander their inheritances, siblings compete for parental affection, and husbands and wives try to salvage meaning from their broken marriages. The plays are written in Purdy's authentic idiom, which Paul Bowles called the closest [we have] to a classical American colloquial.

A biography of basketball player LeBron James, highlighting his charitable work.

There are at least two kinds of games, states James Carse as he begins this extraordinary book. One could be called finite; the other infinite. Finite games are the familiar contests of everyday life; they are played in order to be won, which is when they end. But infinite games are more mysterious. Their object is not winning, but ensuring the continuation of play. The rules may change, the boundaries may change, even the participants may change as long as the game is never allowed to come to an end. What are infinite games? How do they affect the ways we play our finite games? What are we doing when we play finitely or infinitely? And how can infinite games affect the ways in which we live our lives? Carse explores these questions with stunning elegance, teasing out of his distinctions a universe of observation and insight, noting where and why and how we play, finitely and infinitely. He surveys our world from the finite games of the playing field and playing board to the infinite games found in culture and religion leaving all we think we know illuminated and transformed. Along the way, Carse finds new ways of understanding everything from how an actress portrays a role, to how we engage in sex, from the nature of evil, to the nature of science. Finite games, he shows, may offer wealth and status, power and glory. But infinite games offer something far more subtle and far grander. Carse has written a book rich in insight and aphorism. Already an international literary event, Finite and Infinite Games is certain to be argued about and celebrated for years to come. Reading it is the first step in learning to play the infinite game.

"Salting is a simple concept: get hired at a non-union company, do the job you were hired to do, and, with the help of organizers on the outside, unionize your coworkers from the inside. James Walsh spent almost three years as a 'salt' in two casinos in South Florida, working as a buffet server and a bartender. Neither his employers at the casinos nor the union knew about Walsh's intentions to write about his experience. Now he reveals little-known truths about how unions fight to organize workers in the service industries, the vigorous corporate opposition [that can be] against them, and how workers are caught in the battle"--

James and John

Rules? What rules? Plucky beat reporter Holly Colshannon has a flair for the dramatic, a nose for trouble, and the remarkable ability to smile through any indignity—though her latest assignment is about to test her mettle. Newly “promoted” to crime reporter for the Bristol Gazette, she must shadow the unsmiling (though undeniably delicious) Detective James Sabine through his action-packed days, and then capture all the danger and thrills of a cop’s life in a daily column for the rag. Well, on the bright side, she gets her own byline. On the down side, delectable James is hardly overjoyed to have her around. But soon her columns are a hit with readers who can’t get enough of her personal adventures riding shotgun with the sexy crime stopper. Who ever expected law and order to be so romantic? Certainly Holly’s rugby-playing boyfriend and James’s super-gorgeous fiancée are enough to keep any sparks of electricity in check? In the end, though, love always evens the score. . . .

This collection brings together four of Graham's most successful and entertaining plays, each representing a relationship with a theatre with which he has worked and introduced by the author. One of the plays, Sons of York, has never before been published, but earned James Graham a nomination for the Empty Space Mark Marvin Award. A History of Falling Things is a gentle love story about a young man and woman forced to confront their fears of the outside world and discover what really matters to their lives. Tory Boyz is a fast-paced, political comedy about prejudice and ambition in Westminster, looking at homosexuality in the British Conservative party, both today and in the past. As Ben, self-employed, skint and emotionally vulnerable, begins to stitch together the patchwork quilt that was the Tax Year 2009/2010, he relives a year that was both hilarious and tragic, all mixed up in one shoe box of receipts. The Man is an affectionate and funny portrait of an individual's year-long experience, pieced together from receipts, shopping and commercial transactions. The Whisky Taster is a contemporary, subtle and witty exploration of feeling and perception in the modern world of advertising, and about seeing things too clearly in a city that never stands still. Sons of York Described as 'undoubtedly one of the best new plays of the year' (British Theatre Guide), Sons of York depicts three generations of the same family moving in together in Hull as the Winter of Discontent of 1978 builds up.

In this unvarnished account of toiling under one of popular music's most notorious bosses, Damon Wood details his six years spent playing guitar for James Brown's Soul Generals.In a memoir certain to fascinate Mr. Dynamite's millions of fans, as well as musicians and industry insiders, Wood recalls how a chance encounter with James Brown led him to embrace soul and funk music under the tutelage of its greatest progenitor. Numerous interviews with bandmates provide multiple perspectives on James Brown's complex character, his leadership of his band, the nature of soul and funk, and insights and sometimes harsh lessons learned along the way.This is a sideman's story of the gritty reality of working close to the spotlight but rarely in it. Damon Wood describes life on the road - often on James Brown's infamous tour bus - with one guitar, a change of clothes, and two dozen comrades-in-arms as they brought the funk to clubs, theaters, and the biggest music festivals on earth. Working for James Brown could be fear-inducing, inspiring, exhilarating, and exasperating - all in the space of a single performance.

Playing with Videogames documents the richly productive, playful and social cultures of videogaming that support, surround and sustain this most important of digital media forms and yet which remain largely invisible within existing studies. James Newman details the rich array of activities that surround game-playing, charting the vibrant and productive practices of the vast number of videogame players and the extensive 'shadow' economy of walkthroughs, FAQs, art, narratives, online discussion boards and fan games, as well as the cultures of cheating, copying and piracy that have emerged. Playing with Videogames offers the reader a comprehensive understanding of the meanings of videogames and videogaming within the contemporary media environment.

The James Plays

Do It!

The Plays of James Boaden

The first black American in the NHL tells his story Val James became the first African American player in the NHL when he took to the ice with the Buffalo Sabres in 1982, and in 1987 he became the first black player of any nationality to skate for the Toronto Maple Leafs. Born in central Florida, James grew up on Long Island and received his first pair of skates for his 13th birthday. At 16, James left home to play in Canada, where he was the only black person in junior and, often, in the whole town. While popular for his tough play and winning personality, the teenager faced racist taunts at opposing arenas, and the prejudice continued at all levels of the game. In his two NHL stints, James defined himself as a smart team player and opponent, known for his pugilistic skills. Black Ice is the untold story of a trail-blazing athlete who endured and overcame discrimination to realize his dreams and become an inspiration for future generations.

Now you can master Bach’s most beautiful prelude—even if you’ve never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you’ll be able to perform Bach’s Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: “If listening to music is soothing for the soul, then playing music is achieving enlightenment.” Before you know it, not only will you have learned how to play one of Bach’s most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never thought possible. Bravo! Includes four instructional videos supported by select e-reader devices.

Following the widely celebrated Collected Poems, this second volume in the series of James Merrill’s works brings us Merrill as novelist and playwright. Just as in his poems we come upon prose pieces, dramatic dialogue, and even a short play in verse, in his novels and plays we find the rhythms of his poetry reflected and given new form. Merrill’s first novel, The Seraglio, is a daring roman à clef derived in large part from his early life as the cosmopolitan son of Charles Merrill, one of America’s most famous twentieth-century financiers. Written in a highly refined prose that owes something to Henry James, the book is a compelling portrait of the luxury and treachery swirling around the Southampton beach house of an irrepressible family patriarch, with his many mistresses and ex-mistresses in attendance, told from the point of view of his lively but troubled son. At the other end of the narrative spectrum we find The (Diblos) Notebook, an experimental novel in which a young American’s adventures on a Greek island are deconstructed and assembled into a tentative fiction before our eyes. Merrill’s plays, including the one-act comedy of manners The Bait and the Chekhovian The Immortal Husband—a reinvention of the myth of Tithonus, who was granted eternal life but not eternal youth—are also fresh turns on his characteristic themes: home and travel, reality and artifice, simplicity and complication. And, for the first time in print, here is Merrill’s short play The Birthday, a fledgling effort written in 1947 and a fascinating window onto the concern with spiritual communication and the otherwordly that would later blossom into his great epic, The Changing Light at Sandover.

Showcasing one of professional basketball's best players, this book spotlights the life and career of hardcourt superstar LeBron James. More than just a biography, it relates James' story while also establishing his prominent place in NBA history. By examining his skills and statistics in a variety of categories and comparing him to other NBA legends—including Magic Johnson, Bill Russell, Kareem Abdul-Jabbar, Michael Jordan, and more—the guide makes a strong case for James as basketball's greatest. Along the way, his best and most memorable moments are revisited, from his days as a high school stand-out in Akron, to his first stint with the Cavaliers, to "The Decision" to join the Miami Heat, and the show-stopping performance in the 2016 Finals to bring an NBA title back to Cleveland. LeBron James vs. The NBA is certain to stir up lively debate and is a must-have for Cavs fans and basketball buffs alike.

The Case for the NBA's Greatest Player

People love their communities and want them to become safer, healthier, more prosperous places. But the standard approach to public meetings somehow makes everyone miserable. Conversations that should be inspiring can become shouting matches. So what would it look like to facilitate truly meaningful discussions? What if they could be fun? For twenty years, James Roj have been using art, creative expression, and storytelling to shake up the classic community meeting. In Dream Play Build, they share their insights into building common ground and inviting active participation among diverse groups. Their approach, "Place It!," draws on three methods: the interactive model-building workshop, the pop-up, and site exploration using our senses. I and fun, this book celebrates the value of engaging with the dreams we have for our communities.

James Robinson Planché was one of the most prolific and successful of nineteenth-century playwrights. In a career spanning fifty years he wrote over one hundred and eighty pieces of all types, from pantomime and farce to melodrama and opera, for production at a wide range of London theatres. This book offers a representative selection of his most popular plays. It includes The Vampire; or The Bride of the Isles (1820), which represents the first treatment of the vampire theme on the English stage; one farce - The Garrick Fever (1839); three 'fairy' extravaganzas - Beauty and the Beast (1841), Fortunio and his Seven Gifted Servants (1843), and The Discreet Princess; or, The Three Glass Distaffs (1855); one 'classical' extravaganza - The Golden I in Colchis and Medea in Corinth (1845); and one revue of events in contemporary London - The Camp at the Olympic (1853). The volume includes a lengthy introduction which sets the plays in the theatrical context of their time, a chronological record of Planché's life, a complete list of his plays, and a bibliography.

Excerpt from Four Plays: James and John Miles Dixon Mary's Wedding a Sort Way With Authors It is half-past nine of an evening and the scene is the parlour of a little house in a gaunt row of houses in a street in a London suburb. By the fireplace at the back james and john betts are playing backgammon, the board on a little table between them. They are both grey. James has clean-shaven. John wears glasses. Both wear morning coats and both have carpet slippers. James smokes, john does not. John has a glass of whisky on the mantelpiece within r'each james is teetotal. They are absorbed in their game and pay no attention to their mother, a stout old lady who is sitting in her chair reading a novel, sleeping, and knitting. Her chair is by another litt the solitary lamp of the room is placed so as to cast its light on her book. She is directly in front of the fire so that her back is towards the audience. John is sitting with his back towards her. The room is ugly and mid-victorian. Its door is to the right. Its window to the left. In the window is a stand of miserable-looking ferns and an india-rubber plant. About the Publisher Forgotten B hundreds of thousands of rare and classic books.
