This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

This sequel to *The Convolutioned Universe - Book One* provides metaphysical information obtained through numerous subjects by hypnotic past-life regression.

Restoring healthy posture from childhood for relief from chronic pain, easy flexibility, and enduring strength and vitality well into old age • Offers 12 physical exercises to become mindful of your posture and discover pain-free alignment of your pelvis, rib cage, shoulders, neck, and back • Provides simple yet detailed instructions on how to sit, stand, walk, bend, get up from a chair, sit to meditate, sleep, and practice yoga with proper alignment • Includes full-color diagrams and posture photographs from around the world Our bones are the framework of support for our bodies, much like the wall studs and beams of a house. Yet the alignment of the skeleton along the vertical axis of gravity is largely overlooked

today, even by fitness experts and yoga teachers. In a culture of cocked hips, sauntering models, and slouching TV watchers, where “chin up, shoulders back, stomach in” is believed to be good posture, we have forgotten what healthy alignment looks and feels like--leading to chronic neck, shoulder, and back pain for millions. Sharing photographs from around the world of “gurus” of natural posture and authentic strength, such as women in their 80s who easily carry heavy loads on their heads and toddlers learning to walk, Kathleen Porter shows what natural skeletal alignment truly looks like. With insights based on the fundamental laws of physics and detailed full-color diagrams, she guides you through an understanding of the body’s naturally pain-free design. She explains that when the body is aligned as nature intended, your weight is supported by your bones rather than your muscles, allowing a blissful release from chronic muscular tension--which you may not even be aware you had. She offers 12 physical exercises to become mindful of your posture and discover healthy alignment of your pelvis, rib cage, shoulders, neck, and your body as a whole. Providing easy-to-follow instructions for mindful alignment during the most ordinary daily activities, even sleeping, as well as a chapter on practicing yoga safely, Porter shows how returning to our forgotten alignment from childhood can offer relief from chronic pain and tension and can provide easy flexibility, enduring strength, and vitality well into old age.

A step-by-step tour through our spiritual home in the Pleiades • Recounts the author's spiritual trials to reach the highest levels of her soul's celestial mansion and her encounters with immortal wisdom teachers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider • Includes lessons to help jettison fear and jealousy so we can continue our ascension to higher consciousness • Offers a prophetic glimpse into the future of life on Earth, how our planet is the key to conscious evolution, and humanity's divine role as Keepers of Earth Inviting each of us to discover our spiritual home in the higher realms, Mary Beben provides a visionary tour of the celestial mansion of her family in the Pleiades, a home she inhabited prior to this incarnation on Earth. She explains how transitioning into materiality causes each of us to forget our starry origins, yet it is still possible to remember our Pleiadian heritage and divine reasons for choosing to manifest on Earth. Beben details her initiatic journey as she rediscovered the beautiful rooms on each floor of her Pleiadian house and learned to ascend to higher consciousness while remaining lovingly rooted in the Earth. She recounts her trials to reach the higher levels of the building and her encounters with immortal wisdomkeepers such as White Buffalo Woman, Taliesin, Mother Mary, and Grandmother Spider. Embedded throughout her story are lessons to help each of us jettison psychological baggage like fear and jealousy so we can continue our ascension and fulfill our Pleiadian birthright. Beben explains how her journey offers a prophetic glimpse into the future of life on Earth as well as the key to opening the heart to the higher realms of existence. She shows how ascension will not mean departing Earth but will place our Earthen reality in perspective and help solve problems that seem insurmountable from this dimension. In rediscovering the celestial origins of our souls, we recognize not only the Earth as the key to conscious evolution but also our role as the Keepers of Earth, the planet celebrated throughout the universe on which each of us is fortunate to have chosen incarnation.

The Pleiades are a mystifying cluster of stars believed by many to be a source of spiritual wisdom. James Carwin serves as a medium who delivers messages from his Pleiadian spirit guide, Deltavash. This compilation of channeled writings features astounding information told

from an extraterrestrial perspective. Learn about the true history of Earth, extraterrestrial races, the nature of good and evil, ascension into the 4th dimension, world predictions and the future of humanity as we approach a window of opportunity leading up to the year 2020 that can forever change our world and affect the entire universe.

A ground-breaking modern manual on an ancient art, Real Alchemy draws on both modern scientific technology and ancient methods. A laboratory scientist and chemist, Robert Allen Bartlett provides an overview of the history of alchemy, as well as an exploration of the theories behind the practice. Clean, clear, simple, and easy to read, Real Alchemy provides excellent directions regarding the production of plant products and transitions the reader-student into the basics of mineral work—what some consider the true domain of alchemy. New students to practical laboratory alchemy will enjoy reading Real Alchemy and hopefully find the encouragement needed to undertake their own alchemical journey. Bartlett also explains what the ancients really meant when they used the term "Philosopher's Stone" and describes several very real and practical methods for its achievement. Is the fabled Philosopher's Stone an elixir of long life or is it a method of transforming lead into gold? Judge for yourself.

It seems to us that some people are getting to know the Galactic Federation of Light. Therefore, we decided writing some books about it. This one is the first. May it serve you. You personally!

How do you manage to stay afloat and keep your faith in a changing world? How about getting advice from those who have a wider perspective because they are from a different planet and see much more than we do? Psychic and author Elsabe Smit received these messages of assurance and explanation from the Pleiades and is finally sharing them with those who are ready to listen and act.

Compiled from more than four hundred hours of channeling by Barbara Marciniak, Bringers of the Dawn imparts to us the wisdom of the Pleiadians, a group of enlightened beings who have come to Earth to help us discover how to reach a new stage of evolution. Master storytellers and humorists, they advise us to become media free, to work in teams, and to eliminate the words "should" and "try" from our vocabularies. We learn how to go beyond fear, how the original human was a magnificent being with twelve strands of DNA and twelve chakra centers, and who our "gods" are. Startling, intense, intelligent, and controversial, these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our collective conscious--and unconscious. By remembering that we are Family of Light, that we share an ancient ancestry with the universe around us, we become "bringers of the dawn," consciously creating a new reality, a new Earth.

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.

The Pleiadians are moving into a new era. Through the opening of a new multidimensional timeframe, a pure light frequency has activated the sacred timing of an important aspect of their commitment to us as a human race. This is what the Pleiadians refer to as fulfilling the Promise that was set in place lifetimes ago. Now is the time for them to reveal to us as a human race the sacred aspects of who we are and what we need to do to become fully realized and fulfill our role on our Earth plane. The energy of this Promise holds the key to our further awakening and the unfolding of our self-realization process on a multidimensional level. This Promise activates the revelations of understanding and knowledge to be given to all those who are seekers of Truth--information that will help us to understand this transition and the role we need to play to fully open ourselves to our magnificence. A series of blessed revelations align you to a deeper natural aspect of your own humanness and spirituality. The Pleiadian Promise also includes six channeled audio files that give you a direct experience with the Pleiadians through multidimensional levels of light initiations.

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amorah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

A Pleiadian View of the New Reality

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While "our world goes belly-up in these most absurd of times," they offer us "tools for survival." During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: "You shall change, you will change, you must change, because this is the season of change."

Sylvia Browne, in her own inimitable style, again defies convention in this uniquely informative compilation of diligently researched facts and personal accounts about the premise of a female divinity - namely, the Mother God (also known as the feminine principle). Spanning time, from the earliest beginnings of humankind when "Goddess worship" was at its peak, to the current era with its myriad beliefs and religions, Sylvia takes us on a journey of discovery, where she discusses the suppression of the "Mother Goddess" by the male-dominated politics of modern-day religious dogma. Using a combination of historical data and poignant and heartwarming stories that reveal the power and miracles attributed to the Mother God, Sylvia leads us from the question of "Does She exist?" to the logical, fact-based conclusion

that She does ... and then shows us how to call on Her to help us in our everyday lives.

- Shares data and meta-analysis from a large volume of extremely sophisticated experiments that provide proof for the existence of psi phenomena
- Explores evidence of past lives, intuitive knowing, and other spiritual phenomena
- Reveals the author's own inexplicable experiences as well as her conversations with scientific colleagues, high-level experts, and government officials

Fully indoctrinated into the cult of science, neuroscientist Mona Sobhani, Ph.D., aggressively defended the dogma of scientific beliefs--until a series of life-altering events caused her to reconsider spirituality and psi concepts and launched her into a two-year investigation into the ineffable mysteries of our world. Sharing the extensive research she discovered on past lives, karma, and the complex interactions of mind and matter, the author details her transformation from diehard materialist to open-minded spiritual seeker. She reveals her conversations about spirituality and anomalous occurrences with scientific colleagues as well as high-level experts and government officials who shared data on extremely sophisticated experiments that provided proof for the existence of psi phenomena. She discovered that psi research has been conducted on a grand scale for more than a century--by hundreds of scientists with hundreds of thousands of participants--and that there exists substantial evidence for the reality of psi. She examines meta-analysis of these experiments, such as that of the Ganzfeld tests, which showed odds against chance of 12 billion to 1--throwing our current scientific materialist paradigm into question. Providing a deep dive into the literature of psychology, quantum physics, neuroscience, philosophy, and esoteric texts, Sobhani also explores the relationship between psi phenomena, the transcendence of space and time, and spirituality. Culminating with the author's serious reckoning with one of the foundational principles of neuroscience--scientific materialism--this illuminating book shows that the mysteries of human experience go far beyond what the present scientific paradigm can comprehend.

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

This is a must-read. Star Wisdom is a great experience in the discovery of higher consciousness. Read on to learn of the real truths about life and death, God and man, and religion and spirituality. " - Randolph Winters, author of "The Pleiadian Mission" The journey of the human spirit is a wondrous voyage from a primitive state of ignorance, going through innumerable lifetimes in which one grows in wisdom, until at last one merges with all spirits in a state of absolute love and light. On and on, say the Pleiadians, one progresses into greater love and light. This book is for those who want to grow spiritually-to find deep inner happiness and freedom of spirit. Pleiadian Spirituality is for those willing to take complete responsibility for their own lives, for those who have seen through the false promises of religions, cults, and gurus and yet are still seeking greater spiritual development.

A comprehensive manual for using crystals, gems, and stones to address physical, emotional, and spiritual health conditions • Includes an extensive Materia Medica detailing the healing and spiritual properties of 200 crystals and stones based on Classical Chinese Medicine • Explores the role played by the color of each stone, its Yin and Yang qualities, crystalline structure, chemical composition, and topical and internal applications • Explains how to make stone and crystal elixirs, wear stones as healing jewelry, use them in massage and energy work, and cleanse and recharge them • Based on the oral teachings of Dr. Jeffrey C. Yuen, a Taoist priest from the ancient lineage of the Jade Purity School (88th generation) masters In addition to herbalism and acupuncture, Chinese Medicine has a rich tradition of using stones as medicine, passed from generation to generation for thousands of years. In this comprehensive guide and extensive Materia Medica, Leslie J. Franks presents the Stone Medicine teachings of Dr. Jeffrey C. Yuen, an 88th generation Taoist priest from the ancient lineage of the Jade Purity School, which dates to the Han dynasty, 206 BCE. Detailing the therapeutic properties of 200 gems, stones, minerals, and crystals, Franks begins with an extensive look at 15 different forms

of quartz, followed by chapters on transformative stones, protective stones, nourishing stones, source energy stones, and alchemical stones. She explains the physical, emotional, and spiritual conditions each stone can treat and how their color, form, hardness, and energetic qualities affect us according to Chinese Medicine. She discusses how to make stone and crystal elixirs for internal and topical use, how to charge quartz with the healing properties of other stones, how to cleanse and recharge a stone after use, and how to combine stones to create healing formulas for individual conditions. She explains different techniques of wearing stones as healing jewelry and how to use them in massage and energy work. She examines the chemistry and sacred geometry of crystal structure, revealing how the minerals contained in the stones affect our physiology by supporting our Jing (Essence); by nourishing Qi (energy), blood, and fluids; and by clearing Wind, Cold, Damp, and Heat conditions that can lead to disease. Including a thorough primer on Traditional Chinese Medicine and backed by modern scientific research, this book explains how stones access our deepest layers, vibrating ever so slowly, to initiate deep lasting change.

Loyalty to Your Soul establishes *Spiritual Psychology* as a paradigm-altering frontier. It initiates a radical shift at the core of contemporary psychological thought by unveiling a technology for using everyday life experiences as rungs on the ladder of spiritual evolution. This book is uniquely suited for anyone seeking to discover and cross the bridge that spans the waters between life referenced in material reality and life lived within the context of spiritual reality. *Loyalty to Your Soul* shows you how to first gain access to, and then gradually learn to live from, that sacred place inherent within everyone referred to by the authors as the *Authentic Self*—a place where emotional suffering ceases and profound peace and love are present. While many people have written about such an inner state, Ron and Mary Hulnick show you how to travel there . . .and what to anticipate once you arrive. The radical technology they introduce empowers readers to transform challenging or negative human experiences into direct experiences of the Soul. "This second major title channeled by Christine Day is a spiritual but practical roadmap that will show you how to navigate through these challenging, changing times, to understand the roles presaged by our conscious choice"--
