Every 13,000 years on Earth a sacred and secret event takes place that changes everything. Mother Earth's Kundalini energy emerges from its resting place in the planet's core and moves like a snake across the surface of our world. Once at home in ancient Lemuria, it moved to Atlantis, then to the Himalayan mountains of India and Tibet, and with every relocation changed our idea of what spiritual means. And gender. And heart. This time, with much difficulty, the Serpent of Light has moved to the Andes Mountains of Chile and Peru. Multi-dimensional, multi-disciplined, and multi-lived, for the first time in this book, Drunvalo begins to tell his stories of 35 years spent in service to Mother Earth. Follow him around the world as he follows the guidance of Ascended Masters, his two spheres of light, and his own inner growing knowledge. His story is a living string of ceremonies to help heal hearts, align energies, right ancient imbalances, and balance the living Earth's Unity Consciousness Grid-- in short to increase our awareness of the indivisibility of life in the universe. We are all--rocks and people and interdimensional beings--one!

The Essenes, the Kahunas of Hawaii, Pan and the nature kingdom, the angelic kingdom, the Vedas and Upanishads, the Kabbalah, the Yoga sutras of Patanjali, the Egyptian mysteries, and The Keys of Enoch: These profound spiritual teachings, unknown to so many on our planet, are a valuable resource to anyone wishing to move further along

the path to enlightenment and ascension. This book contains a wealth of information on esoteric teachings, from the ancient mystery schools to the recently founded religions. More than a mere retelling of well-known facts, the story begins with what may be the most elusive knowledge of our time—that of the extraterrestrial presence on Earth. This is a revised and expanded edition of Barbara and Gerry Clow's classic 2004 text. This sequel to the bestselling underground classic *The Pleiadian Agenda* outlines their theory of the nine dimensions of human consciousness and how those nine dimensions have become essential to our evolutionary survival. Incorporating the research and insight of the Swedish biologist Carl Calleman, the Clows demonstrate how recent scientific discoveries validate their theories. The existence of the nine dimensions of human consciousness can be proved by science. The most controversial aspect of this book is their exploration of the Mayan prophecies. Counter to much of the prevailing opinion, the fulfillment of the prophecies will not result in the Apocalypse, but will usher in a new and expanded era of human consciousness. They also assert that the beginning of this new era begins not on December 21, 2012—but on October 28, 2011—making the time of the great shift in consciousness just around the corner. Provocative and informative, the Clows have provided an explanation and roadmap for the future. It will be embraced by all who are interested in the evolution of human consciousness.

Dr. Michael Newton is world-famous for his spiritual regression techniques that take hypnotic subjects back to their time in the spirit world. His two best-selling books of client case studies, *Journey of Souls* and *Destiny of Souls*, have left thousands of readers eager to discover their own afterlife adventures, their soul companions and guides, and their purpose in this lifetime. Now, for the first time in print, Dr. Newton reveals his step-by-step methods. This groundbreaking guidebook, designed for both hypnosis professionals and the general public, completes the afterlife trilogy by Dr. Newton.

A revolutionary approach to male sexuality offers the keys to achieving sexual fulfillment □ Teaches how to retain semen for increased vitality and longer lovemaking □ Explains the relationship-strengthening benefits of deep, sustained penetration □ Includes foreplay approaches and position sequences Fulfilling sex nourishes love, increases vitality, and boosts mental health. Unfortunately,

prevailing attitudes about male sexuality and what is good sex work against these innate features by focusing on the excitement of ejaculation as the one and only goal. Using the tantric guidelines they have practiced for more than 25 years, Diana and Michael Richardson show men how to move beyond their preconceptions of sex as a goal-oriented--and often unintentionally stressful--event so they can relax into sex as a meditative union of complementary energies. They explain how retaining semen allows for increased vitality and extended lovemaking sessions and show the relationship-strengthening benefits of deep, sustained penetration. They also explain how to perform soft penetration and how to avoid premature ejaculation. *Tantric Sex for Men* includes tried-and-true foreplay approaches, diagrams of sexual position sequences, ways to increase sexual sensitivity through awareness, and how to have ecstatic experiences through reaching a woman's body on a sexually deeper level. The authors also demonstrate how the sexual organs can be used to heal both men and women physically, emotionally, and spiritually.

What is Tantra? It is joy, passion, and healing. It is trust and kindness. It is power. It is everything that a human being is capable of and more... so much more. Living a tantric life is a life filled with unlimited happiness. It is unfathomable in its greatness. It is a way of intimately connecting with the people around you that will change how you exist in this world.

The Pleiadians call this time the New Dawning, a time for us to renounce our fear-based, three-dimensional illusions and consciously align with the new fourth- and fifth-dimensional energies that are anchoring on our planet. Mind Body Spirit.

This is a must-read. Star Wisdom is a great experience in the discovery of higher consciousness. Read on to learn of the real truths about life and death, God and man, and religion and spirituality. " - Randolph Winters, author of "The Pleiadian Mission" The journey of the human spirit is a wondrous voyage from a primitive state of ignorance, going through innumerable lifetimes in which one grows in wisdom, until at last one merges with all spirits in a state of absolute love and light. On and on, say the Pleiadians, one progresses into greater love and light. This book is for those who want to grow spiritually-to find deep inner happiness and freedom of spirit. Pleiadian Spirituality is for those willing to take complete responsibility for their own lives, for those who have seen through the false promises of religions, cults, and gurus and yet are still seeking greater spiritual development.

A Better Story

The architects of the sexual revolution won over the popular imagination because they knew the power of story. They drew together radical new ideologies, often complex and hard to grasp, and melded them into the simpler structure of narrative. Crucially, they cast narratives that appealed to the moral instincts of ordinary, decent people. This moral vision overwhelmed the church and silenced its faltering apologists. The author argues that if Christians still believe they have good news in the sphere of sexual ethics, then two big tasks lie ahead. Our first priority is to work out what has gone so badly wrong, both in our understanding and application of what the Bible teaches and the way we have presented our case to the non-churched. And then we must offer a better story, one that fires the imagination with such force that people will say, 'I want that to be true.' This book offers a confident, biblically rooted moral vision which needs to be shared with prayer and courage.

The Pleiadians, a collective of multidimensional beings from the Pleiades star system, have been speaking through Barbara Marciniak since 1988. She also presents critical new material on how to deal with the world's increasing

chaos and the accelerated pace of life. Consisting of profound new insights on power, fear, love, desire, health, sexual intimacy, energy, and creativity, this timely text is for those ready and willing to embrace self-empowerment, seek the truth, broaden awareness, and meet the challenges of a world on the brink of major change. Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

Revised and updated edition of the classic astrology text on predicting and navigating life crises • Provides charts for the transits of Saturn, Uranus, and Chiron--now updated through 2050--to predict your personal growth cycles and timing of kundalini rising • Shares tools to cope with the intensity of spiritual emergency and direct the kundalini energy released during planetary passages • Includes a new preface by the author reflecting on 20 years of success stories since the book's initial publication • No astrological chart needed to use this book
In this updated edition of Liquid Light of Sex, renowned astrologer and spiritual

teacher Barbara Hand Clow explores the connection between life crises in your 30s, 40s, and 50s and the key astrological passages of Saturn, Uranus, and Chiron in your birth chart. She explains how kundalini energy--the "liquid light of sex" that lies at the base of the spine--is activated during these planetary transits, rising through the chakras and triggering the process of spiritual emergency, and in many cases, a cascade of health, emotional, and relationship problems as well as extreme anxiety. She shows that by understanding these astrological transits, you can be prepared for turbulent periods and successfully navigate them by creatively channeling the spiritual fire of kundalini. Clow provides astrological charts--now updated through 2050 for those born between 1930 and 2000--detailing the cycles of Saturn, Uranus, and Chiron, so you do not need your birth chart to use this book. She explains how to use the charts to predict the onset and completion of each kundalini activation and corresponding crisis. She shares tools for individuals and therapists to cope with the intensity of spiritual emergency and too much fire energy, unblock the chakras, and integrate the power of kundalini for physical, emotional, and spiritual growth. Reflecting on 20 years of success stories since the book's initial publication, Clow presents a road map for using celestial cycles to navigate positively and productively in times of great life change.

The Alchemy of Nine Dimensions

Twin Flames and the Event: Workbook

The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amolah Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

This is the fifth and final book written by Amolah Quan Yin. She had completed the initial version of this text just before her death in June of 2013. This is a book that is for everyone who has ever been inspired by Amolah's writings. And it is a book for everyone who appreciates a deep spiritual message ringing

with clarity and strength. This book is for all of us searching how to live our everyday lives in alignment with divine love and truth. The early chapters here establish a foundation of spiritual practices that can be used by everyone to improve their lives. The later chapters speak to the core of what holds us back from becoming our true selves and finding our path to Oneness. When it comes to helping us transform our lives, there is no voice that speaks with more clarity and impact than Amarah's. Drop all new age stereotypes; this is a prophet with the sword of truth.

'How can I expand and deepen my spiritual life? I need new openings to free myself from what is stuck in my life, and I need a vision of where my spiritual life is heading.' This is a favorable time for fresh insights and new perspectives-a time to revitalize your spirituality for the transformational world that you live in today. At the heart of Breaking Bubbles are stories about the healings of people who have found a way to break through the persistent obstacles in their lives and to enter into a different relationship with their identity and their spiritual life. This book inspires the kind of insights and

experiences that will take you to a place of greater clarity and optimism on your spiritual path. Awakening Oneness is the single most profound insight that you can ever come to—the thing that can most profoundly transform your sense of yourself and the world around you. You are Oneness, but it is as if your consciousness were held within a bubble, and this bubble keeps you focused in a pattern of separateness that has become the limited reality you experience. The limiting effect of being within bubbles hides their very existence and holds you in separation from Oneness. Breaking your bubbles illuminates the landscape ahead of you in a new way, making visible the potential paths you have not yet imagined. By breaking your limiting bubbles, you discover yourself in a place of freedom from what used to be your compulsions and your fears—and ultimately you experience your awakening in the New Earth and Unity consciousness.

How do contemporary teenagers experience and understand religious, spiritual, gender and sexual diversity? How are their experiences mediated by where they go to school, their faith and their geographic location? Are their outlooks materialist,

religious, spiritual, or do they have hybrid identities?
Freedoms, Faiths and Futures: Teenage Australians on Religion,
Sexuality and Diversity offers powerful insight into how
teenagers make sense of the world around them. Drawing on rich
data from a major national study, this book creates new ways of
understanding the complexity of young people's lives and how
school education covering diversity best addresses their world.
This book argues that school education focused on worldviews is
founded on ways of thinking about young people that do not
reflect the complexities of Generation Z's everyday experiences
of diversity and their interactions with each other. It argues
that certain kinds of education in schools can play a
significant role in developing religious literacy, tolerance and
positive attitudes to diversity.

According to the Bible, Eve was the first to heed Satan's advice to eat the forbidden fruit and thus responsible for all of humanity's subsequent miseries. The notion of woman as the Devil's accomplice is prominent throughout Christian history and has been used to legitimize the subordination of wives and daughters. In the nineteenth century, rebellious females performed counter-readings of this misogynist tradition. Lucifer was reconceptualized as a feminist liberator of womankind, and Eve became a heroine. In these reimaginings, Satan is an ally in the struggle against a tyrannical patriarchy supported by God the Father and his male priests. Per Faxneld shows how this Satanic feminism was expressed in a wide variety of nineteenth-century literary texts, autobiographies, pamphlets, newspaper articles, paintings, sculptures, and even artifacts of consumer culture like jewelry. He details how colorful figures like the suffragette Elizabeth Cady Stanton, gender-bending Theosophist H. P. Blavatsky, author Aino Kallas, actress Sarah Bernhardt, anti-clerical witch enthusiast Matilda Joslyn Gage, decadent marchioness Luisa Casati, and the Luciferian lesbian poetess Renée Vivien embraced these reimaginings. By exploring the connections between esotericism, literature, art and the political realm, Satanic Feminism sheds new light on neglected aspects of the intellectual history of feminism, Satanism, and revisionary mythmaking.

Based on her popular workshops in Canada and Europe, Welcome to the Fifth Dimension is

author Diane LeBlanc's guide to helping readers recognize and integrate their multiple dimensions. Through examples, exercises, and channeled teachings, she shows us how to regain our co-creative power and live each day and moment in a state of grace. The key, says LeBlanc, is Quintessence, a self-coaching program that revitalizes the five most important dimensions of human existence in order to feel better, recover from disease, and be fully happy. The book breaks Quintessence into groups of five: the five energy fields that surround the body, the individual's five main ÒSoul families, Ó the five dimensions of the human brain, and others. The book assesses and draws on many contemporary schools of thought, as seen in books like The Law of Attraction, The Power of Now, and The Celestine Prophecy. It also provides original teachings channeled from the powerful entity LeBlanc describes as the "Mother Earth Consciousness," personified as Bianca Gaia who is LeBlanc's alter ego. Packed with charts, diagrams, and illustrations, this compelling book encourages readers to radically enhance their health and happiness by opening their minds to this new way of thinking.

A text supplemented by more than a hundred illustrations of letters, art, and sculpture covers such topics as the four divine names and the five modalities of being, the light of infinity, and the significance of each of the 22 letters of the Hebrew alphabet, in addition to exploring the vital influence of the Kabbalah on art, literature, music, architecture, psychoanalysis, and health.

FOREWORD This book was born of clear vision. You may use it as a window through which to view a new perspective of the past and an expanded vista of your current opportunity. In these

pages, you will meet the Pleiadian Emissaries of Light, remarkable beings who will assist you to express your Christ Presence-the joyful, wise, healthy, spontaneous, loving, immortal individual you are-and they will guide you through an experience of Pleiadian Lightwork. It is an opportunity to awaken. My experience of The Pleiadian Workbook: Awakening Your Divine Ka began on a golden spring day on the western slopes of Mt. Shasta. I had gone to "the place where ladybugs come to dance," as I call the small medicine wheel I helped build near my home. On dry days, hundreds of ladybugs emerge from the cushion of pine needles on the forest floor as I beat my drum; their flight fills the air with hard orange bodies. They walk about my arms and legs eagerly greeting me, and cover a small cedar tree. I often go to this place for pipe ceremonies with a friend to pray for the unfolding Divine Plan on Earth; I also pray that I may know the most appropriate steps to take each moment to assist the unfolding plan. Here with the dancing ladybugs, the delicious scent of warm pine, and the music of clear rushing water playfully slapping stoic gray boulders, I "saw" that my friend Amora would write her first book and that I would assist the birthing by editing her first-draft manuscript and helping prepare her materials for submission to a publisher. Several days later I broached the subject with Amora. Silence. More silence. I could see the faint flush of pink rising in her face, embarrassment at contemplating something "so grand." A nervous laugh. "We'll see," she stated in that I'm-changing-the-subject-now tone of voice. Within weeks, confirmation came from other unexpected sources. The project was conceived. By the time Amora began to write and I began to edit, I was working with the Pleiadian Emissaries of Light every day,

especially during sleep, with the intention of transmuting anything-beliefs, thoughtforms, genetic encoding, karmic imprints, behavioral patterns-that in anyway hindered my full expression and embodiment of my Christ Presence. With the assistance of these Pleiadians, I carefully scrutinized my own life and body to determine what patterns I carried; then I applied the techniques of Pleiadian Lightwork to make the needed transformation. I noticed that I was beginning to "read between the lines," so to speak. I seemed to have access to new information and knowing that was not "in print" in the book which I could immediately apply to my life. Much of this new knowing was very practical and basic information for my physical well-being...(fragment) Shahan Jon Mt. Shasta, California

How to awaken the Ureaus--the serpent power of spiritual transcendence within each of us--and connect to the superconscious of the universe • Reveals the biochemistry of how the body's melanin provides the template for the subtle energy body or light body • Shows how embracing the dark light consciousness of the awakened Ureaus opens a portal to the sacred darkness of the superconscious • Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureaus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called "Ureaus" in ancient Egyptian texts and "Kundalini" in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and

civilizations, this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul travel. By embracing the dark light of the shining serpent within, we overcome our collective fear of the vast living darkness without. By embracing the dark, we transcend reality to the dimension of light. With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While “our world goes belly-up in these most absurd of times,” they offer us “tools for survival.” During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: “You shall change, you will change, you must change, because this is the season of change.”
