8 starred reviews · Goodreads Choice Awards Best of the Best · William C. Morris Award Winner · National Book Award Longlist · Printz Honor Book · Coretta Scott King Honor Book · #1 New York Times Bestseller! "Absolutely riveting!" –Jason Reynolds "Stunning." –John Green "This story is necessary. This story is important." –Kirkus (starred review) "Heartbreakingly topical." –Publishers Weekly (starred review) "A marvel of verisimilitude." –Booklist (starred review) "A powerful, in-your-face novel." –Horn Book (starred review) Sixteen-year-old Starr Carter moves between two worlds: the poor neighborhood where she lives and the fancy suburban prep school she attends. The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil’s name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven’s story in Concrete Rose, Angie Thomas’s powerful prequel to The Hate U Give.

Police Oral Board Interview is the ultimate guide for securing a top score on the law enforcement hiring list. This book was written for 2015 and beyond and guarantees to be the most up to date resource of its kind! Unlike other oral board books that contain only a dozen or two sample questions, Police Oral Board Interview has over 100 of the most commonly asked police oral board interview questions and the very best answers to each question. Not only does Police Oral Board Interview give you great answers, it also gives you the rationale and reasoning for each answer so that you can easily formulate great answers to any question thrown at you. Besides offering over 100 oral board questions and answers, this comprehensive guide is filled with tips, tricks and secrets that are guaranteed to win over your oral board and make you the obvious choice for any law enforcement position you apply for.

Despite the obvious importance of eyewitness information in criminal investigation, police receive surprisingly little instruction on how to conduct an effective interview with a cooperative eyewitness. More than half of police departments have no formal training whatsoever for newly appointed investigators. Most texts in police science either completely omit the issue of effective interviewing techniques or provide only superficial coverage. This manual provides guiding principles to effective interviewing, with specific techniques to be used and others to be avoided. There are principles of memory retrieval so that the reader will understand why to employ specific techniques -- for example, when to use open-ended versus direct short-answer questions, effective use of pauses, asking follow-up questions, cues to name and number recall, etc. There is the strategy of interview sequential structure -- that is, what to probe for at the beginning, middle, and end of the interview. Also included are practical exercises and real-world experiences. The book will also be helpful for attorneys in conducting investigative interviews.

Written by two experts who have conducted more than 15,000 interviews and interrogations from theft to homicide, this book covers the entire sequence of events that occur during the interview and interrogation process. The authors present their method in a cookbook fashion, allowing the flexibility to select a number of different paths to interrogating a suspect.

The 9/11 Commission Report

Communication in Forensic Contexts provides in-depth coverage of the complex area of communication in forensic situations. Drawing on expertise from forensic psychology, linguistics and law enforcement worldwide, the text bridges the gap between these fields in a definitive guide to best practice. Offers best practice for understanding and improving communication in forensic contexts, including interviewing of victims, witnesses and suspects, discourse in courtrooms, and discourse via interpreters Bridges the knowledge gaps between forensic psychology, forensic linguistics and law enforcement, with chapters written by teams bringing together expertise from each field Published in collaboration with the International Investigative Interviewing Research Group, dedicated to furthering evidence-based practice and practice-based research amongst researchers and practitioners International, cross-disciplinary team includes contributors from North America, Europe and Asia Pacific, and from psychology, linguistics and forensic practice

Forensic linguistics, or the study of language and the law, is a growing field of scholarly and public interest with an established research presence. The Discourse of Police Interviews aims to further the discussion by analyzing how police interviews are constructed and used to investigate and prosecute crimes. The first book to focus exclusively on the discourses of police interviewing, The Discourse of Police Interviews examines leading debates, approaches, and topics in contemporary police interview research. Among other topics, the book explores the sociolegal, psychological, and discursive framework of popular police interview techniques employed in the United States and the United Kingdom, such as PEACE and Reid, and the discursive practices of institutional representatives like police officers and interpreters that can influence the construction and quality of linguistic evidence. Together, the contributions situate the police interview as part of a complex, and multistage, criminal justice process. The book will be of interest to both scholars and practitioners in a variety of fields, such as linguistic anthropology, interpreting studies, criminology, law, and sociology.

Police interviews with suspects and witnesses provide some of the most significant evidence in criminal investigations. Frequently challenging, they require special training and skills. This interaction process is further complicated when the suspect or witness does not speak the same language as the interviewer. A professional reference that can b

Introduction to Criminal Investigation

The contents of this book are designed specifically for law enforcement officers, front-line supervisors, and managers who have reached the point in their careers where they are ready to advance their rank. The focus of this information is on the police promotional oral interview. In a majority of police agencies across the country the oral interview is both the most critical part of the promotion process and the most difficult. An officer’s performance during the oral interview is paramount because the process is highly competitive. Officers must “out-score” others also vying for promotion. This is difficult in that candidates may be competing against dozens or even hundreds of other police personnel many of whom may have greater education or more experience. The goal of this book is to provide professional law enforcement officers with a highly effective and valuable preparatory edge. This “edge” translates into real-world techniques, easy-to-apply skills, and a wealth of information on how to be distinctive and perform in an exceptional manner during the oral interview. The police officer, deputy, supervisor, or manager who utilizes the content of this unique book correctly can stand out among the other candidates, be more competitive, achieve preparatory confidence, and up their performance toward higher interview scores.

Police Oral Boards is a comprehensive guide devoted solely to helping police officer candidates pass the oral board interview phase of law enforcement testing. The guide is loaded with dozens of the most commonly asked police oral board questions as well as great answers that are sure to win over your oral board panel. This is a priceless resource for law enforcement applicants as it gives the aspiring police officer an inside look at the oral board process and exactly what it takes to outshine the competition. Written by a veteran police officer, Police Oral Boards shows you exactly what it takes to score high on the oral board interview and get the job!

How To Pass The Police Officer Interviews contains sample questions and answers for the police officer assessment centre and final interviews. It is an, short sharp version that covers the latest core competencies of Working with Others, Professionalism, Public Service, Serving the Public, Openness to Change and Decision Making. This guide does not contain pages and pages of sample interview questions and answers. Instead it concentrates on advice on the scoring criteria and also useful insider tips from recruitment experts and ex police officers. It is ideal for anyone who is attending either the National Police Recruit Assessment Centre, Telephone or Final interviews.

The Cognitive Interview

This book showcases innovative research about the multi-functional and dynamic interrelatedness of questioning and answering practices in institution- and culture-specific interactions ranging from under-explored to extensively researched ones: South-Korean talk shows, Japanese interviews, Chinese news interviews, police-civilian interactions in the USA, Italian interviews and courtroom examinations, Japanese parliamentary debates and Prime Minister’s Questions in the UK Parliament. Challenging the view that questions are asked with the purpose of seeking information and eliciting answers, these studies open up new research avenues through insightful investigations and critical scrutiny that problematize the question-answer paradigm, through which meanings are conveyed, negotiated and/or contested, and through which relationships are established, maintained and/or challenged. Significant findings show that questioning and answering strategies are shaped by the specific norms and constraints of particular communities of practice, while at the same time they are shaping the very same communities of practice. This book will appeal to interdisciplinary scholars and practitioners across the linguistic, media, political, legal and social sciences. A Wall Street Journal Bestseller Accelerate your job search, stand out, and land your next great opportunity In Get Hired Now!, ZipRecruiter founder and CEO Ian Siegel tells you exactly how to find a new job fast. From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when · coworkers push their work on you—then take credit for it · you accidentally trash-talk someone in an email then hit “reply all” · you’re being micromanaged—or not being managed at all · you catch a colleague in a lie · your boss seems unhappy with your work · your cubemate’s loud speakerphone is making you homicidal · you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Invisible No More

"A new edition with a final chapter written forty years after the explosion."

Scott has had hundreds of interviews over the years in the public and private sector and knows precisely what to expect and how to secure an interview.This advice, awareness and knowledge will:*Tell you what the core competencies are (Job Knowledge, Respect for Diversity, Service Delivery, Problem Solving, Communication and Personal Effectiveness)*How you can prepare your answers based on your own personal experiences around a breakdown of the core and behavioural competencies*Popular questions and answers based on my own personal experience *What to expect at the interview stage and how you will be assessed by Police Scotland*Be remembered as the candidate of choice who was better prepared and had something different to offer

“A passionate, incisive critique of the many ways in which women and girls of color are systematically erased or marginalized in discussions of police violence.” —Michelle Alexander, author of The New Jim Crow Invisible No More is a timely examination of how Black women, Indigenous women, and women of color experience racial profiling, police brutality, and immigration enforcement. By placing the individual stories of Sandra Bland, Rekia Boyd, Dajerria Becton, Monica Jones, and Mya Hall in the broader context of the twin epidemics of police violence and mass incarceration, Andrea Ritchie documents the evolution of movements centered around women’s experiences of policing. Featuring a powerful forward by activist Angela Davis, Invisible No More is an essential exposé on police violence against WOC that demands a radical rethinking of our visions of safety—and the means we devote to achieving it.
