Includes an interview featuring Dagmara Dominczyk and Adriana Trigiani A vibrant, engaging debut novel that follows the friendship of three women from their youthful days in Poland to their complicated, not-quite-successful adult lives Because of her father's role in the Solidarity movement, Anna and her parents immigrate to the United States in the 1980s as political refugees from Poland. They settle in Brooklyn among immigrants of every stripe, yet Anna never quite feels that she belongs. But then, the summer she turns twelve, she is sent back to Poland to visit her grandmother, and suddenly she experiences the shock of recognition. In her family's hometown of Kielce, Anna develops intense friendships with two local girls—brash and beautiful Justyna and desperately awkward Kamila—and their bond is renewed every summer when Anna returns. The Lullaby of Polish Girls follows these three best friends from their early

teenage years on the lookout for boys in Kielce—a town so rough its citizens are called “the switchblades”—to the loss of innocence that wrecks them, and the stunning murder that reaches across oceans to bring them back together after they’ve grown and long since left home. Dagmara Dominczyk’s assured narrative flashes from the wild summers of the girls’ youth to their years of self-discovery in New York and Europe. Her writing is full of grit and guts, and her descriptions of the emotional experiences of her characters resonate with honesty. The Lullaby of Polish Girls captures the passion and drama of friendship, the immigrant’s yearning to be known, and the exquisite and wistful transformation of young women coming of age. Praise for *The Lullaby of Polish Girls* “A coming-of-age tale of three young Polish women [that is] brimming with teary epiphanies, betrayal and love, as well as the grit of both New York and Kielce. [It’s] Girls with a Polish accent.”—*The New York Times* “The Lullaby of Polish Girls will make you swoon. Dagmara Dominczyk has written a glorious debut novel inspired by her own emigration from Poland to Brooklyn with depth, intensity, humor, and grace.”—Adriana Trigiani “An ennui-stricken actress returns to the old country—and to the friends of her youth—in Dagmara Dominczyk’s *The Lullaby of Polish Girls*, in which solidarity is all about summer evenings under the stars with a vodka bottle and a radio playing ‘Forever Young.’ ”—*Vogue* “Compelling . . . an original portrait of friendship and identity . . . Dominczyk uses a fresh, confident style.”—*People* “In this arresting debut novel, Polish American film and TV actress Dominczyk pays homage to her native city of Kielce while capturing the joys, insecurities, and struggles of three girlfriends coming of age. Spanning thirteen years, Dominczyk’s absorbing story is a triptych of *tsknota* (Polish for a kind of yearning) and a profound desire for acceptance, freedom, and home.”—*Booklist* (starred review) “*The Lullaby of Polish Girls* is sexy and sensitive, with a raw, openhearted center. Dominczyk’s love for her complicated characters is apparent from the first page to the last, and by the novel’s end the reader cares for them just as deeply.”—Emma Straub Look for special features inside. How interwar Poland and its Jewish youth were instrumental in shaping the ideology of right-wing Zionism By the late 1930s, as many as fifty thousand Polish Jews belonged to Betar, a youth movement known for its support of Vladimir Jabotinsky, the founder of right-wing Zionism. Poland was not only home to Jabotinsky’s largest following. The country also served as an inspiration and incubator for the development of right-wing Zionist ideas. *Jabotinsky’s Children* draws on a wealth of rare archival material to uncover how the young people in Betar were instrumental in shaping right-wing Zionist attitudes about

the roles that authoritarianism and military force could play in the quest to build and maintain a Jewish state. Recovering the voices of ordinary Betar members through their letters, diaries, and autobiographies, Jabotinsky's *Children* paints a vivid portrait of young Polish Jews and their turbulent lives on the eve of the Holocaust. Rather than define Jabotinsky as a firebrand fascist or steadfast democrat, the book instead reveals how he deliberately delivered multiple and contradictory messages to his young followers, leaving it to them to interpret him as they saw fit. Tracing Betar's surprising relationship with interwar Poland's authoritarian government, *Jabotinsky's Children* overturns popular misconceptions about Polish-Jewish relations between the two world wars and captures the fervent efforts of Poland's Jewish youth to determine, on their own terms, who they were, where they belonged, and what their future held in store. Shedding critical light on a vital yet neglected chapter in the history of Zionism, *Jabotinsky's Children* provides invaluable perspective on the origins of right-wing Zionist beliefs and their enduring allure in Israel today.

Kryisia

Few people are aware that in the aftermath of German and Soviet invasions and division of Poland, more than 1.5 million people were deported from their homes in Eastern Poland to remote parts of Russia. Half of them died in labor camps and prisons or simply vanished, some were drafted into the Russian army, and a small number returned to Poland after the war. Those who made it out of Russia alive were lucky—and nine-year-old Krystyna Mihulka was among them. In this childhood memoir, Mihulka tells of her family's deportation, under cover of darkness and at gunpoint, and their life as prisoners on a Soviet communal farm in Kazakhstan, where they endured starvation and illness and witnessed death for more than two years. This untold history is revealed through the eyes of a young girl struggling to survive and to understand the increasingly harsh world in which she finds

herself.

Enchanting, wicked and often very funny, Poland's folk tales are one of the great treasures of Central Europe. Crowned by the story of The Mermaid of Warsaw, the eight colourful tales in this collection include Skarbnik's Second Breakfast, set deep in the Wieliczka salt mines, The Turnip-Counter from Karkonosze and The Copper Coin of Wineta, alongside stories from, Poznan and the Polish lakes. Paul Hess's stylish illustrations make this a collection to delight children everywhere.

The story -- never told before -- of how Polish nuns in World War II saved hundreds of Jewish lives in German-occupied Poland. Forty-nine convents and orphanages were involved in protecting the children and the most authoritative estimates indicate 1200 Jewish young people survived the war in these shelters.

The Lullaby of Polish Girls

Did the Children Cry?

Polish Kids Book

Six-year-old Anna Pellowski's older siblings, Jacob, Franciszek, Barney, Mary and Pauline are exposed to English at school, but only Polish is spoken at home. The younger children—Anna, Julian, Anton barely know a word of their new country's language, but then neither do many of their neighbors. When the family goes to town to celebrate the 100th birthday of the United States, the speaker gives his speech in a mix of German, Polish, Bohemian and Norwegian! Some years before, in the mid 1800's, Anna's mother, father and brother Baby Jacob had come from Poland to live in a tiny sod house in Western Wisconsin and establish the very first farm in the entire Latsch Valley. Now the growing family lives in a real house, with neighbors on every side, and the world for quietly curious Anna is filled with fascinating possibilities—as well as lots of hard work. Sometimes she dreams of going back to the Poland she is always hearing about, but increasingly she realizes that life in Latsch Valley, with its rich cultural rhythm of work, play and religious faith, holds everything she could possibly want.

A child king introduces reforms to give children the same rights as adults.

A Saga of Polish War Children

This rhyming adventure tells the story of Mr Miniscule, a teeny tiny explorer with a BIG dream who sets off on the vast ocean in search of a big blue whale, only to find a big blue island. Or could he be wrong? Mr Miniscule and the Whale is a timeless children's classic known and treasured by three generations of Poles, now one of Australia's largest foreign communities. About the Authors Julian Tuwim (1894-1953) was one of Poland's leading poets. He won fame not just for his adult verse but also for his rhymes for children, many of which are classics known to every Polish child. He also wrote satirical verse and loved word games, inventing palindromes (whole sentences that read the same forwards and backwards), lipograms (whole paragraphs that leave out a particular letter), and tautograms (sentences where every word starts with the same letter). Nobody knows if he ever set out to sea to see a whale. Bohdan Butenko (born 1931) is one of Poland's top illustrators, whose drawings appear in more than 200 children's books. He is also famous for his animated cartoons - especially featuring Gucio the clumsy hippo and Cezar the sensible dog - as well as for his stage sets and television design. He has won many prizes, among them the 2012 Order of the Smile - a special medal awarded by children to adults who are particularly kind to them.

A celebration of the extraordinary life of Ezra Jack Keats, creator of The Snowy Day. The story of The Snowy Day begins more than one hundred years ago, when Ezra Jack Keats was born in Brooklyn, N.Y. The family were struggling Polish immigrants, and despite Keats's obvious talent, his father worried that Ezra's dream of being an artist was an unrealistic one. But Ezra was determined. By high school he was winning prizes and scholarships. Later, jobs followed with the WPA and Marvel comics. But it was many years before Keats's greatest dream was realized and he had the opportunity to write and illustrate his own book. For more than two decades, Ezra had kept pinned to his wall a series of photographs of an adorable African American child. In Keats's hands, the boy morphed into Peter, a boy in a red snowsuit, out enjoying the pristine snow; the book became The Snowy Day, winner of the Caldecott Medal, the first mainstream book to feature an African American child. It was also the first of many books featuring Peter and the children of his neighborhood. Andrea Davis Pinkney's lyrical narrative tells the inspiring story of a boy who pursued a dream, and who, in turn, inspired generations of other dreamers.

A Novel

Kaytek the Wizard

An unprecedented aspect of Nazi genocide in World War II was the cold and deliberate decision not to spare the children. Jewish children, first driven into the ghettos, were marked for total destruction as part of the "Final Solution" once it was put into effect, in 1942. Gentile children were starved, killed, or Germanized in order to reduce the Polish nation to a small complement of semi-literate slaves tending the Herrenvolk in their thousand-year Reich. This record also includes accounts of how they fought back by working for the underground, smuggling food into the ghettos, attending secret classes to continue their forbidden education. Included are stories of villains like Mengele who selected children for execution during Jewish religious holidays; Rudolph Hoess, Auschwitz's commandant who admitted his own discomfort when he witnessed the gassing of prisoners with the excuse: "I was a soldier and an officer"; a heroic Dr. Janusz Korczak who was in charge of an orphanage in the ghetto, but refused to leave his orphans, and at the head of a contingent of 192 children and 8 staff members, erect, his eyes looking into the distance, held the hands of two children as he led them to the railroad platform where trains took them to certain death. Based on vast research in the United States, Great Britain, and Poland, many interviews, theses and other papers, documents and official histories, memoirs, autobiographies, articles, periodicals and newspapers, *Did the Children Cry?* stands as a monument to millions of children who were bombed, wounded, deported, raped, starved, maimed, subjected to "medical" experimentation, and killed in German-occupied Poland.

Colin the Crab, the most skillful builder on the eastern riverbank, never hesitates to help his friends. Now Colin is busy with his own new project—a garden pavilion for his home. But after a week of hard work, the pavilion of his dreams is still unfinished. Even worse, a boisterous fish family has taken over the construction site. The exhausted Colin buries himself under a blanket and refuses to open his curtains.

Puzzled, Colin's friends call an emergency meeting—it's time for them to take action!

A little mouse has lost something, but can only speak Polish. Can you help? Laugh as you learn 50 Polish words with fun, heartwarming children's story withwith captivating illustrations by the award winning Peter Baynton and text by Mark Pallis, writer on the Daytime Emmy winning Tv series, *The tales of Peter Rabbit*.

The Second World War presents the backdrop for this riveting account of displacement, migration and resettlement. Once the Soviet forces marched into Poland, thousands of Polish citizens were deported to slave-labour camps in the USSR. As news of their inhuman condition and ordeal spread, Jam Saheb Digvijaysinghji of Nawanagar, a Princely State in British India, opened the doors of his state and welcomed the orphaned Polish children. *The Second Homeland* chronicles the passage and sojourn of these young refugees. Readers will get an authentic account of their tribulations through the first-person narrative of a young Polish orphan's hair-raising journey to India and his experiences during the stay. The book includes a historical perspective culled out from archival documents in India, the UK and Poland. This is a unique mix of a diary, oral history and historical viewpoint placed adjacent to a compilation of archival personal photographs. The book beautifully

It's time for bed, but Alice doesn't want to go to sleep just yet. By going through her bedtime routine, Mom calms her daughter down by reminding her of all the wonderful things they did together that evening. Written in a soft and soothing manner, this book shows the warm and loving relationship between Alice and her mom, while preparing young readers for a good night's sleep.

English Polish Bilingual children's book. Perfect for kids studying English or Polish as their second language. This is a touching story of friendship between a dog and a little boy. When one of them needs help they are always there for each other. This is what true friendship means.

The Mermaid of Warsaw

New Zealand's First Refugees

A Polish Girl's Stolen Childhood During World War II

Sparkle Boy

The Story of Ezra Jack Keats and the Creation of The Snowy Day

A Poem for Peter

Stolen Childhood is the story of what happened to some 380,000 Polish children who, with their families, were rounded up by Stalin's orders in 1939 and deported into Asiatic Russia. Lucjan Krolikowski, a young seminarian also deported there, shared and witnessed the suffering of his fellow Poles. Freed by an "amnesty," he joined the Polish Army, and when it moved to the Middle East, Lucjan resumed his theology studies, pronounced his vows, and became a chaplain to a Polish military hospital in Egypt. Reassigned to refugee camps in East Africa, Fr. Lucjan and the wandering Polish children met again in 1947 — a meeting that began a long and loving relationship. In 1949 when the Warsaw Communists claimed guardianship of the Polish orphans in Africa and demanded their repatriation, Fr. Lucjan was forced into a world of international intrigue. Called by the Communists "a kidnapper on an international scale," to his orphans, he was the good shepherd who led them to Canada, where he helped his charges overcome the theft of their childhood and become secure adults in a new world. Stolen Childhood is the book of memories he wrote for them, and a cautionary history for people of good will.

Young Casey loves sparkly things, just like his older sister, who does not approve until an encounter with teasing bullies helps her learn to accept and respect Casey for who he is.

A real fish tale! When "the big one" gets away, Amy figures the day is ruined. Or is it? Set on Canada's west coast, A Morning to Polish and Keep is a story of adventure, family interaction and the lasting comfort of memory. Recommended reading ages: 4-10

Polish Children's Book

For decades, the world's governments have struggled to move from talk to action on climate. Many now hope that growing public concern will lead to greater policy ambition, but the most widely promoted strategy to address the climate crisis – the use of market-based programs – hasn't been working and isn't ready to scale. Danny Cullenward and David Victor show how the politics of creating and maintaining market-based policies render them ineffective nearly everywhere they have been applied. Reforms can help around the margins, but markets' problems are structural and won't disappear with increasing demand for climate solutions. Facing that reality requires relying more heavily on smart regulation and industrial policy – government-led strategies – to catalyze the transformation that markets promise, but rarely deliver.

These Polish folk tales have a delightfully mischievous character all their own. To create his sparkling collection, Richard Monte has gathered some of Poland's favourite stories from all over the country.

Ferdinand likes to sit quietly and smell the flowers, but one day he gets stung by a bee and his snorting and stomping convince everyone that he is the fiercest of bulls.

What's that bird with the giant clump of feathers on its head? It's a Polish chicken! Beginning readers will learn all about these strange yet wonderful creatures in this delightful title. They will also learn basic information about Polish chickens, including what they eat and the story behind their wacky feathers. Each 24-page book features controlled text with age-appropriate vocabulary and simple sentence construction. The lively text, colorful design, and eye-catching photos are sure to capture the interest of emergent readers.
