New from Dogwise Publishing. Dog parks are great - just not for every dog, every time. Taking your dog to a dog park is a great way to exercise and socialize your canine companion. Dog parks offer fresh air, open space, and freedom - a chance for your dog to be a dog. But not all dogs enjoy the experience and not all dog parks are safe for your dog.Learn Practical skills: Evaluate your dog's temperament to decide if he's dog park ready.What design features a well-planned dog park should have.Teach your dog four simple behaviors to make him dog park safe.How to read canine body language to avoid problems.Dog park etiquette for both dogs and humans

If you're looking for a dog that has striking good looks and a fantastic personality in a small size, the Pomsky is the dog for you! The Pomsky is an adorable crossbreed with tons of energy and affection for their owners. The cross between a Siberian Husky and a Pomeranian, this dog is a lot of fun to have around. These dogs are a fairly recent crossbreed, so it can be hard to find information about this unique dog-that's where this guide comes in handy! By the time you finish this book, you'll know the basics for raising a Pomsky of your own! There's more to this crossbreed than just a tiny, fluffy body and a striking visage-these dogs have great personalities and love companionship. This dog will want to spend all of their time with you, and you'll never want to leave them alone. They are the perfect dog for someone looking for a new best friend. However, dog ownership takes a lot of work, and the perfect Pomsky owner is someone who is ready to take on the challenge of training a sensitive dog, while being available for all of the love and attention your dog needs. This guide will walk you through the in's and out's of owning this phenomenal new cross-breed. Whether you're someone playing with the idea of getting a Pomsky, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your Pomsky. This book will answer all your questions such as: Is a Pomsky the right dog for me? I brought my Pomsky home. What now? How can I best train my Pomsky? What are some common mistakes should I avoid? Topics covered in the book include: What is a Pomsky? Breed History Choosing a Puppy Making your house Pomsky Proof! The First Few Days with your Pomsky Puppy The First few Weeks with your Pomsky Puppy Housetraining Making Friends - a Social Pomsky Being a Puppy Parent Living with other dogs Training your Pomsky Puppy Basic Commands Traveling with Your Pomsky Nutrition Grooming your Pomsky Puppy Basic Health Care Advanced Pomsky Health Your Aging Pomsky If you've never owned a Pomsky, or you're trying to be the best owner you can be, this book will guide you through every life stage. First, you'll learn a little about the crossbreed and learn how to choose the best breeder and the best puppy. Then, you'll find solutions for all of the issues puppy owners face. In later chapters, you'll learn how to potty train your dog, housetrain your dog, and obedience train your Pomsky. Finally, you'll learn everything you need to know about keeping your dog happy and healthy. Later chapters will cover nutrition, exercise, grooming, and veterinary care. By the end, you'll feel confident in your ability to be an excellent Pomsky parent!

A Complete Guide for the New Owner: Training, Feeding, and Loving Your New Pomsky Dog (Second Edition)

A practical guide to providing home-based mental health services, Providing Home Care for Older Adults teaches readers how to handle the unique aspects of home-based care and apply and adapt evidence-based assessment and treatment within the home-based setting. Featuring contributions from experienced, board-certified home care psychologists, social workers, and psychiatrists, the book explains the multifaceted role of a home-based provider, offers concrete and practical considerations for working within the home, and highlights adaptations to specific evidence-based methods used in treating homebound older adults. Also covered are special topics related to hoarding, safety, capacity evaluations, caregivers, case management, and use of technology. Each chapter includes engaging case examples with practical tips that illustrate what it is like to work in this new and exciting frontier. Psychologists, counselors, and other mental health practitioners in home settings will be able to use this guide to provide effective home-based care to older adults.

Clicker training for dogs is becoming more popular with both dog trainers and pet dog owners. But sometimes the science behind this very effective training method gets in the way of what the owner really wants to do—to teach their dogs lots of fun and useful behaviors. Authors Cheryl Smith and Mandy Book have a written step-by-step training manual to help you apply clicker training to a wide range of basic and fun dog behaviors no matter what your experience level. The focus is on getting results to get you and your dog clicking!

The Blue-Ribbon source for showing your dog. Showing your dog can be great fun! You know your dog has what it takes to be a champion, but how do you get started? Inside is everything you need to know about the rewarding world of the dog show circuit. This easy-to-read guide will help you discover whether the show ring is the right place for you and your dog, learn the basics of training, and develop the skills for successful showing. In the end, both you and your dog will be ready to succeed in the show ring! "A comprehensive how-to manual that encompasses every level of experience." —Corky Vroom, president, Professional Handlers' Association "Masterfully written, offering insight and tips for both aspiring and experienced dog show enthusiasts. By far the most complete book on the market." —Susand Bulanda, senior conformation judge, UKC "Demystifies the sport of dogs without erasing the wondrous mystique of the art, and mentors the novice through the world of dog shows." —Lilian S. Barber, exhibitor, breeder, and AKC judge "If you've ever wondered about dog shows, shown a dog, or wanted to try it, this book is tailor-made for you." —Daniene Arden, author, The Irresponsible Toy Dog

Having Fun, Staying Safe

Pure-bred Dogs, American Kennel Gazette

Trump, China, and American Revival

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

The Beta Fish or Siamese Fighting Fish hails from the Mekong basin and has featured in fish tanks and bowls for centuries despite its reputation for aggression. Today there is a wide range of colours and tail and fin shapes to delight the aquarist, and these fish are also bred very successfully in captivity, including by hobbyists. This book will introduce you to these fish by looking at the different types, discussing their appearance and biology, typical Beta Fish behaviour, their feeding requirements, and what makes these elegant fish both fascinating and unique. It will also tell you what you need to know in order to decide whether or not this is the pet for you and, if it is, where to buy one, how to select your Beta Fish, what you need to buy before you bring it home, and how to take proper care of it. The hobbyist must know what these fish need with regards to their environment. All the necessary equipment and water and other parameters are examined as the quality of the water and the general environment has a crucial bearing on the health and happiness of Beta or Siamese fighting fish. Like all fish, the Beta is unfortunately susceptible to a number of different types of bacterial, parasitic and fungal infections and infestations. Anyone who is serious about having a fish and a tank needs to know what to look for and how to deal with common fish ailments. This book also contains helpful information on their mating behaviour, spawning and on caring for the hatchlings or fry for those who are interested in breeding Bettas. Other areas of discussion are how to prevent fights between fish and which other species are compatible so you don't have to deal with aggression and the injuries and stress which inevitably follow fights or bullying. Covered in this book: - The basics - Choosing the right fish - Social behaviour - Buying - Equipment needed - Setting up the aquarium - Water & other parameters - Daily care - Feeding - Health - Breeding - Prices and costs and much more

*An Indie Next List Pick and a Top Ten Rainbow Book for Young Readers! Jules Machias explores identity, gender fluidity, and the power of friendship and acceptance in this dual-narrative story about two kids who join forces to save a dog . . . but wind up saving each other. Ash is no stranger to feeling like an outcast. For someone who cycles through genders, it’s a daily struggle to feel in control of how people perceive you. Some days Ash is undoubtedly girl, but other times, 100 percent guy. Daniel lacks control too—of his emotions. He’s been told he’s overly sensitive more times than he can count. He can’t help the way he is, and he sure wishes someone would accept him for it. So when Daniel’s big heart leads him to rescue a dog that’s about to be euthanized, he’s relieved to find Ash willing to help. The two bond over their four-legged secret. When they start catching feelings for each other, however, things go from cute to complicated. Daniel thinks Ash is all girl . . . what happens when he finds out there’s more to Ash’s story? With so much on the line—truth, identity, acceptance, and the life of an adorable pup named Chewbarka—will Ash and Daniel forever feel at war with themselves because they don’t fit into the world’s binaries? Or will their friendship help them embrace the beauty of living in between?

Chugs. Ultimate Chug Book. Complete Manual for Care, Costs, Feeding, Grooming, Health and Training Your Chug Dog.

The Ultimate Chiweenie Dog Manual will answer all the questions you may have when considering sharing your home with this cute and cuddly intelligent mixed breed. Learn everything there is to know, including little known facts and secrets, and how to care for every aspect of the Chiweenie's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not the Chiweenie is the breed for you. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together.

The world needs a strong America, and America needs an economic revival after the Coronavirus season of shutdowns. Can the playbook that resulted in the greatest job market in history put Americans back to work? From the first moments of his presidency, Donald J. Trump put US economic revival at the top of his agenda. Cutting red tape and slashing business tax rates made companies eager to locate in America again. A surge in corporate investment led to record numbers of US job openings. But there was also another force at work at the start of the Trump era, and it's impossible to provide a fair accounting of Trump's governance without noting the unique obstacles he's faced. The President's critics styled themselves "The Resistance," as if they were confronting a tyrant at the head of an invading army rather than their duly elected President. Much of the media establishment regularly—and wrongly—accused him of betraying the country. Most disturbing was the resistance movement inside government, formed even before the 2016 election, which unleashed unprecedented surveillance against Donald Trump. The political and media warfare has never ended. Just as an impeachment case collapsed in the Senate earlier this year, the world was beginning to realize how large a threat the Chinese communist government had become—and what it had been hiding in Wuhan. The destruction caused by the coronavirus is the latest and greatest test for the Trump prosperity agenda. Once again the health and wealth of the world depend on US leadership and economic revival. This is the story of the man US voters chose to lead in 2016 and will soon consider to lead again.

The Ultimate Pomapoo Dog Manual has the answers you may need when researching this eager to learn, energetic, small breed that is a loving and loyal companion. One of the responsibilities of every dog or cat owner is that of coat care. There are many and varied coat types and there is a vast difference between the time it takes to groom a Doberman and an Old English Sheepdog, a Siamese and a Persian cat. This book provides much needed guidance for groomers, breeders and owners. It will be invaluable for those taking the City and Guilds 775 Grooming exam and animal care students of all levels. Step by step grooming/clipping techniques are described for the more popular breeds of dog and cat and in each case the technique is illustrated with photographic sequences. The book also includes allied subjects such as skin care, commonly found skin parasites and basic first aid and handling.
