

## Poor Little Rich Girl The Life And Legend Of Barbara Hutton

The first time she is blindfolded and kidnapped, star-athlete and posh boarding school newbie Sadie is terrified. She wakes up in a dark room surrounded by hushed whispers, hooded strangers, and a mysterious voice whispering not-so-sweet nothings in her ear. But once the robes come off, she realizes it's just an elaborate prank designed to induct her into the group that's been pulling the strings at Keating Hall for generations. The circle has it all--incredible connections; fabulous parties; and, of course, an in with the brother society's gorgeous pledges. The instant popularity is enough to make Sadie forget about the unexplained marks on her body, the creepy ceremonial rituals, and the incident that befell one of her teammates the year before. So the next time Sadie is kidnapped, she isn't scared, but she should be. The worst of Keating Hall is yet to come.

When misfortune comes, Mary, daughter of a doctor in rural Arkansas, becomes head of the household and sets aside her romantic dreams.

In front of her followers, Daphne is a hilarious, on-the-rise vlog star. But at school Daphne is the ever-skeptical Annabelle Louis, seventh-grade super geek and perennial new kid. To cope with her mom's upcoming military assignment in Afghanistan and her start at a brand new middle school, Annabelle's parents send her to a therapist. Dr. Varma insists Annabelle try stepping out of her comfort zone, hoping it will give her the confidence to make friends, which she'll definitely need once Mom is gone. Luckily there is one part of the assignment Annabelle DOES enjoy--her vlog, Daphne Doesn't, in which she appears undercover and gives hilarious takes on activities she thinks are a waste of time. She is great at entertaining her online fans, yet her classmates don't know she exists. Can Annabelle keep up the double life forever?

A celebrated writer on contemporary art and queer culture argues that Andy Warhol's films enable us to see differently, and to see a different world. "We didn't think of our movies as underground or commercial or art or porn; they were a little of all of those, but ultimately they were just 'our kind of movie.'" —Andy Warhol Andy Warhol was a remarkably prolific filmmaker, creating more than 100 movies and nearly 500 of the film portraits known as Screen Tests. And yet relatively little has been written about this body of work. Warhol withdrew his films from circulation in the early 1970s and it was only after his death in 1987 that they began to be restored and shown again. With *Our Kind of Movie* Douglas Crimp offers the first single-authored book about the full range of Andy Warhol's films in forty years—and the first since the films were put back into circulation. In six essays, Crimp examines individual films, including *Blow Job*, *Screen Test No. 2*, and Warhol's cinematic masterpiece *The Chelsea Girls* (perhaps the most commercially successful avant-garde film of all time), as well as groups of films related thematically or otherwise—films of seductions in confined places, films with scenarios by Ridiculous Theater playwright Ronald Tavel. Crimp argues that Warhol's films make visible new, queer forms of sociality. Crimp does not view these films as *cinéma vérité* documents of Warhol's milieu, or as camera-abetted voyeurism, but rather as exemplifying Warhol's inventive cinema techniques, his collaborative working methods, and his superstars' unique capabilities. Thus, if Warhol makes visible new social relations, Crimp writes, that visibility is inextricable from his making a new kind of cinema. In *Our Kind of Movie* Crimp shows how Warhol's films allow us to see against the grain—to see differently and to see a different world, a world of difference.

Adapted from her novel, Eleanor Gates' play "Poor Little Rich Girl" opened in New York to rave reviews with The New York Times claiming it "is as nearly a work of genius as our stage often sees." With its pungent criticism of social life, audiences found it one of the few intelligent plays for children and adults alike. Poor little rich Gwendolyn, who's wealthy father has no time for her, and her socialite mother hardly notices her, finds herself missing a real family. When her pitiless nurse over medicates her one night, Gwendolyn sinks into a fever dream of fact escaping into fancy. At the conclusion of its successful New York run, the play toured the country. In 1917 Mary Pickford starred in the first motion picture of the story. Later the property would be bought for a Shirley Temple version.

Twelve-year-old Luke has been a model for as long as he can remember, but all he really wants to do is play hockey and eat pizza with extra cheese.

During World War II, ten-year-old Peggy loses her most prized possession, a biscuit tin of letters from her father, but she gains a new friend.

The Films of Andy Warhol

*Liverpool, 1934. Hester Lowe agrees to act as governess to spoilt, self-willed, little Lonnie Hetherington-Smith when they leave India to live*

with Lonnie's elderly aunt in Shaw Street, Liverpool. Hester speedily realises that her new employer dislikes her niece and means to make life uncomfortable for both of them. Things improve a little when they meet the poor, but happy, Bailey family who live in a court off Heyworth Street. Hester likes Dick Bailey very much, but her employer does not permit 'followers', whilst Lonnie and young Ben Bailey are deadly enemies. Then, the regime in Shaw Street changes and Hester is forced to leave the comforts of a middle-class household to make her own way in what is, to her, a strange country... *Poor Little Rich Girl* is sure to please the huge and growing fanbase of one of the most popular saga authors in the country, with more than two million books sold nationwide.

Rachel is on the verge of making her fashion dreams a reality when her financial backing is suddenly pulled out from under her. She quickly discovers that it's thanks to the dealings of her estranged lover, the newly wealthy Alessandro Vallini. Years ago, he was the gardener, and she his master. But now she must become his housekeeper in order to keep her business afloat. Will Alessandro always see her as his poor little rich girl, or will both their lives be quickly and irrevocably altered by this strange new setup?

Martha knows she is adopted, but she's well-loved and popular, at least until her mother gets pregnant and she feels her parents' attention start to shift. Upset and confused, Martha lashes out at and loses her friends. She also makes no secret about her annoyance at being forced to do a school project about sturgeon with Chance, a difficult boy whose foster parents are family friends. To add insult to injury, Martha's birth mother announces that she is getting married and moving away. Now Martha isn't number one in anybody's life. When her mom goes into labor prematurely, Martha realizes that she needs to figure out a way to be a better friend and daughter, and a great sister.

It's 1963, and Jack's family is still reeling from the SIDS death of his baby sister. Adrift in his own life, Jack is convinced that setting a world record will bring his father back to his senses and his mother back to life. But world events, including President Kennedy's assassination, threaten to overshadow any record Jack tries to beat, from sausage eating to face slapping. Nothing works, and Jack is about to give up when a new friend suggests a different approach that involves listening to, not breaking, records.

Has a protest to save a tree gone too far? Callie's mother has chained herself to the neighbor's tree and is living inside the treehouse. She refuses to come down until the neighbor, Mr. Wilson, agrees to leave the tree standing. Soon reporters arrive, followed by an activist group called the Singing Grannies and a gang of bikers—each group adding to the chaos. Callie doesn't want to deal with any of them but she needs to figure out how to get her mother to come down from the tree so that her life can return to normal.

A surprising and revealing look at how today's elite view their own wealth and place in society From TV's "real housewives" to The Wolf of Wall Street, our popular culture portrays the wealthy as materialistic and entitled. But what do we really know about those who live on "easy street"? In this penetrating book, Rachel Sherman draws on rare in-depth interviews that she conducted with fifty affluent New Yorkers—including hedge fund financiers and corporate lawyers, professors and artists, and stay-at-home mothers—to examine their lifestyle choices and their understanding of privilege. Sherman upends images of wealthy people as invested only in accruing and displaying social advantages for themselves and their children. Instead, these liberal elites, who believe in diversity and meritocracy, feel conflicted about their position in a highly unequal society. They wish to be "normal," describing their consumption as reasonable and basic and comparing themselves to those who have more than they do rather than those with less. These New Yorkers also want to see themselves as hard workers who give back and raise children with good values, and they avoid talking about money. Although their experiences differ depending on a range of factors, including whether their wealth was earned or inherited, these elites generally depict themselves as productive and prudent, and therefore morally worthy, while the undeserving rich are lazy, ostentatious, and snobbish. Sherman argues that this ethical distinction between "good" and "bad" wealthy people characterizes American culture more broadly, and that it perpetuates rather than challenges economic inequality. As the distance between rich and poor widens, *Uneasy Street* not only explores the real lives of those at the top but also sheds light on how extreme inequality comes to seem ordinary and acceptable to the rest of us.

In this time of fake and real news, rumors taking on the solidity of facts, this book offers a humorous look at how lies can take on a life of their own. Download the curriculum guide on the Creston Books website to help your reader figure out how to sift through outlandish claims. Critical thinking has never been more essential -- and with this book, more fun!

The Lives of the Million Dollar Babies

Family Saga

An action-packed middle-grade story that explores friendship, bullying, and living with a disability Ian and Warren, better known as Sticks and Ranga, are best friends. They live on the same street, go to the same school and love the same things, like skateboarding and PlayStation. When new kid James arrives in class in his wheelchair, Sticks isn't sure they can be friends. But Sticks quickly discovers they have a lot in common. Cerebral palsy stops James from doing some things but it hasn't dulled his sense of humor—and he's pretty brainy, too. Soon James becomes an inseparable part of the Sticks, Ranga, and James show.

"Barbara Woolworth Hutton (November 14, 1912? May 11, 1979) was an American socialite, heiress and debutante, often dubbed "Poor Little Rich Girl" due to the fact that she was given a lavish and expensive debutante ball during the depression era and due to her troubled life."--Wikipedia.

Pam Sowder needed to bring in extra money for her family but struggled to find a solution that would give her the flexibility that she needed to continue to be an active and present mother. Once she discovered the industry of direct sales, her life changed! No one thought she would succeed, including herself. But, she worked through her doubt and discomfort to create a multimillion-dollar business! Several decades later, Pam has touched hundreds of thousands of people globally. With this book, she shares her wisdom on how you too can go from wanting to earn an extra hundred

dollars monthly to millions. In this book, you will learn how to: Find your why Create your dream day Get rid of your internal bully Change your money mindset Get out of your own way Let go of the cursed how And much, much more Rich Girl Poor Girl shows you that no obstacle is too difficult to overcome and that the game of direct sales can be won by anyone, from anywhere.

Erotic BDSM. When the sexy scoundrel Garrison Tate suggests it's time the prim virgin, Eleanor Rule, got laid, the beautiful heiress's life is suddenly turned on end. Flooded with repressed desire, she gives herself over to the man, only to find herself under the control of a charming but very ruthless sexual dominant. She must dress and act to please him, and faces hard punishment when she fails him. Soon, Ellie can't get enough! The once virtuous young woman seems determined to dive deep into the depraved world of her lewd desires. When Garrison cuts her off, however, she foolishly goes on without him. By then, it may be too late to save her from the downward spiral and the paparazzi who hover like wolves, waiting to pounce on the demise of this wayward heiress.

*This is a story of money, glamour, and scandal (on the highest level); a story of American society and of European royalty; a story of family strife exploding into one of the most dramatic and publicized court battles of the century—the battle for a solemn ten-year-old child, “little Gloria” Vanderbilt, who in 1934 was the object of the epic custody suit between her mother, the beautiful and penniless Vanderbilt widow, and her aunt, the famous Gertrude Vanderbilt Whitney, whose \$78 million could buy her anything she wanted. And what she wanted was “little Gloria.” The leading characters: Gloria Morgan, who was one of the fabled Morgan Twins (invented by society reporter “Cholly” Knickerbocker as the quintessential Café Society beauties) and who, as a shy, stammering eighteen-year-old, living on nothing a year, did what she was raised to do, becoming the wife of . . . Reggie Vanderbilt, at forty-three a worn-out alcoholic who had managed to go through almost \$25 million in fourteen years and who died only two years after his marriage to Gloria, leaving his beautiful young widow nothing but their baby, their baby's untouchable trust fund, and the Vanderbilt name . . . Gloria Morgan's twin, Thelma, who, as Lady Furness, was for years the mistress of the Prince of Wales (until she introduced him to her “best friend” Wallis Simpson) . . . Gertrude Vanderbilt Whitney, Reginald's sister, a formidable Society woman, a sculptor and the founder of the Whitney Museum of American Art, a woman who conformed—on the surface—to everything expected of American royalty and yet lived a hidden second life as a passionate bohemian . . . And the child—little Gloria herself—shunted out of her mother's life, carted around Europe, depending for her existence on her neurotically overprotective nurse, Dodo, who never left her for a single day, and her mad Morgan grandmother, who insisted that her own daughter might murder the child for the Vanderbilt millions. Deserted, “dressed in rags,” neglected, she became an almost mythic incarnation of “the poor little rich girl.” This child, who was to grow up to become a world-famous fashion designer, her name—Gloria Vanderbilt—a household word. We come to understand and care about this child as we observe, close up, the astonishing lives and intrigues surrounding her. We see her at the age of ten brought to the courthouse, rushed through mobs of spectators, reporters, photographers. We follow a courtroom drama of sensation after sensation, the judge ultimately banning both public and press, the final scandalous testimony reaching to the heart of the English royal family. We listen to the parade of witnesses—servants, millionaires, society celebrities, aristocrats, family retainers. We watch the judge himself—a classic Tammany pol—becoming another of the many victims of the case, reviled on all sides. And finally we see little Gloria pushed to choose between her mother and her aunt, making the decision that will affect her whole life—with nobody ever asking her the basic question, “Why are you afraid?” For the first time, the thousands of pages of documents and sealed court testimony have been unearthed and explored. Hundreds of people have been interviewed. And a writer completely knowing about society and the period has used all this material to create a compelling narrative of vitality, resonance, and fascination. Combining her extraordinary abilities as an investigative reporter with the skills and sensitivity of a novelist, Barbara Goldsmith has given us a galvanizing story, a whole world of astonishing emotional and social circumstances, unforgettably revealed.*

*This can't be good! Suddenly Suze's mom wants back into her life, and her teacher wants her to “try harder”?! As if middle school wasn't hard enough, Suze Tamaki's life gets turned upside down when her mother reappears after a ten-year absence. Once Suze gets over her shock, she thinks it might be cool to get to know her mom. But her older sister Tracie is determined not to let her back into their lives. At school things aren't much better. One of her teachers decides the way to cure Suze's lack of motivation is to move her into Honors English – a development Suze finds both inspiring and distressing. When she's paired with straight-A student Amanda on an English assignment, she finds herself caring about people's expectations like she's never done before.*

*A portrait of Barbara Hutton, who was one of the world's wealthiest women, details her glamorous and decadent lifestyle, bouts with alcoholism and anorexia, love affairs, seven marriages, dissipation of her fortune, and death, based on her personal journal.*

*Three former high school friends who enjoy power and wealth in their respective positions as a Los Angeles attorney, a senator's mistress, and a celebrity madame find their destinies intertwining with another friend from their teens in the aftermath of a devastating murder.*

LITTLE GLORIA

The Poor Little Rich Girl - Scholar's Choice Edition

Uneasy Street

An Emily Story

### **Bluish**

Arlo thinks his mother is crazy for taking a job in a small town, far away from his old home and his good friends. And to make matters worse, the students at his new school are crazy-hockey crazy. Arlo has never laced up a pair of skates in his life, and he's not about to start. To avoid making a complete fool of himself in front of his classmates, Arlo joins a group of misfits called the Dumpster Dudes, who set him a series of wild initiation tests that unleash mayhem on the school. Broken windows in the classrooms, angry ants in the hallways, bicycles in the library and monsters in the air ducts—can East Bend Elementary survive Arlo? And will Arlo survive East Bend?

All of the kids at school stay away from “Bluish,” but when Dreenie and Tuli learn to see beyond her differences, they discover a true friend Ten-year-old Natalie is different from the other kids at her New York City magnet school: She is often absent, wears a knit cap, and uses a wheelchair. Her classmates have nicknamed her “Bluish” because her pale skin is tinted blue from chemotherapy. Dreenie is fascinated by and a bit frightened of Bluish—she watches her from afar and writes about her in her journal. As the school year progresses, Dreenie and her friend Tuli learn to see beyond Bluish’s differences and discover a fiercely independent, spirited girl who isn’t so different from them after all. But it’s not easy being friends with someone who’s sick, and Dreenie doesn’t always know how to act. Hamilton delivers a lesson of compassion and demonstrates the power of friendship to overcome even the most trying of situations.

Emily wants to rescue a wild mustang, but settles for helping muck out stalls at a nearby ranch. She earns a reputation as a horse whisperer after calming Midnight, a mustang that others cannot control. But even Emily can’t help when Midnight gets loose during a tornado. Or can she?

Brazilian immigrant Renata is teased at school because her mother is a cleaning woman, and her worst tormentor, Karen, steps up her campaign after Renata is chosen to play Maria in her school's production of "The Sound of Music."

Queen of the Toilet Bowl

### The Anxieties of Affluence

An Intimate Portrait of Barbara Hutton

A Play of Fact and Fancy, in Three Acts

When Sandro Zapote finds out his little sister needs heart surgery, he is determined to help his parents raise the money they’ll need to help her get better. Sandro’s dad is in the states illegally and must work two jobs to support the family. For one, he picks up roadkill for the department of streets and sanitation and gets paid by the carcass. For the other, he collects scrap metal to recycle for cash. Sandro helps his dad with some of the scrap metal heavy lifting, and one headboard, a weight bench, some gutters, and a few car parts later, Sandro has a brilliant idea: can collecting. Save the environment. Save his family. Maybe even save some spending money for the fabulous, fast new bike he’s been coveting. Well-meaning and with funny inner monologue, Sandro is the kind of person you can’t help but cheer for. He’s a boy who loves drawing, soccer, and his little sister. And whether he’s fishing a fuzzy, dust-coated turtle out from under his sister’s bed or organizing a school-wide can drive all by himself, Sandro is a smart, self-aware hero, who makes just a few mistakes along the way. Canned and Crushed, by first-time author Bibi, gives Sandro a funny, relatable, readable voice, while being fresh and original. It’s a story that will open its readers’ eyes, dealing with issues of illegal immigration, unemployment, racism and religious persecution, bullying, and more—carefully and with a light and often humorous touch. This is a cross between The Absolutely True Diary of a Part-Time Indian and Diary of a Wimpy Kid, and it’s a book no kid will want to miss. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The adventures of Gwendolyn, the emotionally underprivileged child of New York society parents in a world where metaphors such as "she's a snake in the grass" literally come true.

The Poor Little Rich GirlA Play of Fact and Fancy, in Three ActsPoor Little Rich GirlThe Life and Legend of Barbara HuttonLyle Stuart

At twenty-one Barbara Woolworth Hutton inherited a personal fortune worth nearly one billion dollars today--yet she died with only \$3,500 in the bank. Here is the riveting story from the \$12 million miniseries starring Farrah Fawcett.

Record Breaker

How to Become the Rich Girl You Were Always Meant to Be

The Poor Little Rich Girl

Big Doc's Girl

Heiresses

*Poppet Montague-Jones is 15, 87th in line to the British throne and soon to inherit a whopping trust fund. Unlike her sister Kitten - legendary wild child and society columnist in London Alive (see Diary of a Chav), Poppet is a troubled and ill-fitting teenager who is at an impressionable age, and doesn't quite know how to launch herself into the world. Poppet spends much of her time daydreaming and getting bossed about by her flamboyant school friends, Vixen Blaze Brocklehurst and Striker Earhart. Between them, the girls get up to all sorts of high jinks a la St Trinians at school and in their stinkingly rich 'hood', not giving much thought to their future. They're rich, so who cares! Poppet's Mum Saskia has her future in hand anyway: a career in fashion and marriage to nice, loaded, Felix Hayes Burlington across the road. Thing is, Poppet is not entirely sure it's what she really wants. Isn't there more to life than charity lunches and yoga? Is Poppet destined for a life of designer grunge and decadence without lifting a finger to earn her own living, or is she brave enough to break out of the mould?*

*New York Times bestselling author Laura Thompson returns with Heiresses, a fascinating look at the lives of heiresses throughout history and the often tragic truth beneath the gilded surface. Heiresses: surely they are among the luckiest women on earth. Are they not to be envied, with their private jets and Chanel wardrobes and endless funds? Yet all too often those gilded lives have been beset with trauma and despair. Before the 20th century a wife's inheritance was the property of her husband, making her vulnerable to kidnap, forced marriages, even confinement in an asylum. And in modern times, heiresses fell victim to fortune-hunters who squandered their millions. Heiresses tells the stories of these million dollar babies: Mary Davies, who inherited London's most valuable real estate, and was bartered from the age of twelve; Consuelo Vanderbilt, the original American "Dollar Heiress", forced into a loveless marriage; Barbara Hutton, the Woolworth heiress who married seven times and died almost penniless; and Patty Hearst, heiress to a newspaper fortune who was arrested for terrorism. However, there are also stories of independence and achievement: Angela Burdett-Coutts, who became one of the greatest philanthropists of Victorian England; Nancy Cunard, who lived off her mother's fortune and became a pioneer of the civil rights movement; and Daisy Fellowes, elegant linchpin of interwar high society and noted fashion editor. Heiresses is about the lives of the rich, who—as F. Scott Fitzgerald said—are 'different'. But it is also a bigger story about how all women fought their way to equality, and sometimes even found autonomy and fulfillment.*

*Here is the third title in the Top-Secret Diary of Celie Valentine series--now in paperback! Once again, Celie turns to her top-secret diary when she faces big changes in her life. Ten-year-old Celie is dealing with a lot. On top of adjusting to her new school with harder homework, Celie has friendship troubles and issues at home when her forgetful Granny and a home nurse move into their apartment. When misunderstandings lead to a falling out between Celie's older sister Jo and her boyfriend, Celie is determined to make it right. Unfortunately, her choices lead to a dangerous situation. Once more Celie turns to her diary, filling the pages with heartfelt and often humorous entries, notes, drawings, and pages from her top-secret spy notebook.*
