*HOW TO WIN THE LOTTERY WITH THE LAW OF ATTRACTION* was written by Law of Attraction lottery winner, teacher and author Eddie Coronado. Based on interviews with actual winners who have used the Law of Attraction to win lottery prizes, this book provides the metaphysical tools and insights that are necessary to win lottery and contest prizes through the creative power of thoughts and feelings. Although this book contains the manifestation techniques of

people who have won money, these metaphysical exercises can be used to attract the perfect mate, a new career, financial success, or anything that you can make a part of your beliefs and feelings. There is no limit to how much money and success you can manifest through the Law of Attraction because this immense spiritual power does not have an opinion about what you should or should not have. You can use the Law of Attraction to manifest ten cents or ten million dollars. The determining factor is belief and expectancy, which can be harnessed by using the

Do you know that there are only a few essential points to know about compose a grid capable of taking you to the Treasure Island! All this is to know these remarkable points and integrate them into a strategy.

This is the beginning of your quest for a jackpot that starts with this guide!

Here is what we will see together.-

Take a few minutes to understand- Do you think you're unlucky in the

lottery?- What do mathematicians

think?- Combinations and probabilities

at Euro Millions- Are we right to play

the lottery?- Choosing the right goal-

Frequency of games and duration of

the plan- Define your game over 4

weeks- How to compose your grids-

The remarkable points- **PLAY PLAN-**

*and maybe get a chance to win! This book is designed to provide valuable insight into how to improve the return on your investment when playing the lottery. While it does not promise that you will win more often, it does show you how to improve the odds of winning larger amounts when your numbers do come up. So, when you do win that million-dollar jackpot, you will be less likely to have to share it with anyone else. Among the intriguing topics covered are the most popular (and the most foolish) combinations of numbers, why it is impossible to improve the*
