

Pratyangira Devi Mantra

Treatise deals with the secret Śakta-Tantric worship.

An account of the architecture, sculpture, paintings and associated festivals of the great Vaisn ava shrine of Jagannatha at Puri in Orissa, on the east coast of India, together with a new analysis of the origin of the icons of the Triad.

Shambhavi also reflects the transition zone when the day is almost at an end and the night has begun to take over. Thus, depicting Shakti as her various swaroopas (forms) transitioning from the benevolent and beautiful one to the ferocious and raw energy on the other. She cannot be co noted as a single identity as she flows like a river between the banks of paradoxes. The one who can acknowledge her variable identities and yet know that she transcends all identity is her qualified recipient and will surf the tides of samsara.This book portrays her in her 111 forms, the baseline principle remaining her nirguna, niraakar swaroopa. As the reader flows through the book, his own conditioning to see her as the form is fractured and he is laid open at her altar...for a similar transcendence and freedom.

BEFORE speaking of the Vedic Deities, it is necessary that something be said concerning the Vedas themselves, the source of our information concerning them. The root of the word is vid, “to know;” hence the term Veda signifies knowledge; and as these books were not written for centuries after they were originally composed, it signifies knowledge that was heard, or orally communicated. The Vedas are not the work of a single person, but, according to popular belief, were communicated to a number of Rishis or saints, who in their turn transmitted them to their disciples. The Seer Vyasa is styled the arranger, or, as we should now say, the editor, of these works. The instruction contained in these writings is said to have been breathed forth by God Himself. Other writers teach that it issued from Him like smoke from fire. Sometimes the Vedas are said to have sprung from the elements. The accounts of their origin, though differing in form, agree in teaching that they were the direct gift of God to man; and hence they are regarded with the greatest veneration. They are the special property of the Brahmans. As early as Manu, the nominal author or compiler of a law book probably not more than two or three centuries later than the Vedas, though some suppose it to have been no earlier than A.D. 500, it was regarded as a grave offence for a single word of these divinely given books to be heard by a man of a lower caste. The Vedas are four in number; of these the Rig-Veda is the oldest, next in order was the Yajur-Veda, then the Sama-Veda, and last of all the Atharva-Veda. Each of these Vedas consists of two main parts: a Sanhita, or collection of mantras or hymns; and a Brahmana, containing ritualistic precept and illustration, which stands in somewhat the same relation to the Sanhita as the Talmud to the Law. In these are found instructions to the priests who conduct the worship of the gods addressed in. the hymns. Attached to each Brahmana is an Upanishad, containing secret or mystical doctrine. These are regarded as of lesser authority than the Mantras and Brahmanas. For whilst they are spoken of as Sruti, i.e. heard, the Upanishads are Smriti, learned. Though based on the older compositions, if there is any discrepancy between them, the teaching of the later ones is rejected. The Sanhita and Brahmana are for the Brahmans generally; the Upanishads for philosophical inquirers. Yet, strange to say, whereas the older portions had, until recent years, been almost entirely neglected, with some parts of the Upanishads there was considerable acquaintance amongst the learned pundits of Benares and other places. In many parts of India not a man could be found able to read and interpret them. Of the Sanhitas, the “Rig-Veda Sanhita—containing one thousand and seventeen hymns—is by far the most important; whilst the Atharva-Veda-Sanhita, though generally held to be the most recent, is perhaps the most interesting. Moreover, these are the only two Vedic hymn-books worthy of being called separate original collections;” the others being almost entirely made up of extracts from the Rig-Veda. Between the time of the composition of the Rig-Veda and that of the Atharva, considerable changes in the religious faith of the people had come about. The childlike trust of the earlier hymns has disappeared, and the deities now seem more cruel, and there is greater need of propitiatory offerings. Probably the old religion of the people whom they had conquered had begun to tell on that of the Aryans.

112 methods of meditation with one card each.

THIS book is an attempt, now made for the first time, to explain to an English knowing reader an undoubtedly difficult subject. I am therefore forcibly reminded of the saying, "Veda fears the man of little knowledge, since injury may be received from him" . It is natural, given this difficulty and the mystery which surrounds the subject, that strangers to India should have failed to understand Mantra. They need not, however, have then (as some have done) jumped to the conclusion that it was "meaningless superstition." This is the familiar argument of the lower mind which says "what I cannot understand can have no sense at all." Mantra is, it is true, meaningless to those who do not know its meaning. But there are others who do, and to them it is not "superstition." It is because some English educated Indians are as uninstructed in the matter as that rather common type of Western to whose mental outlook and opinions they mould their own, that it was possible to find a distinguished member of this class describing Mantra as "meaningless jabber."

Living Mantra is an anthropology of mantra-experience among Hindu-tantric practitioners. In ancient Indian doctrine and legends, mantras perceived by rishis (seers) invoke deities and have transformative powers. Adopting a methodology that combines scholarship and practice, Mani Rao discovers a continuing tradition of visionaries (rishis/seers) and revelations in south India’s Andhra-Telangana. Both deeply researched and replete with fascinating narratives, the book reformulates the poetics of mantra-practice as it probes practical questions. Can one know if a vision is real or imagined? Is vision visual? Are deity-visions mediated by culture? If mantras are effective, what is the role of devotion? Are mantras language? Living Mantra interrogates not only theoretical questions, but also those a practitioner would ask: how does one choose a deity, for example, or what might bind one to a guru? Rao breaks fresh ground in redirecting attention to the moments that precede systematization and canon-formation, showing how authoritative sources are formed.

Verse work, with English commentary and translation on Hindu tantric incantations and associated rituals.

Is it really possible to simplify your life? The answer is a resounding "yes," if you know the necessary steps to unclutter your life and lifestyle. Get the inside scoop from professional organizer Marcia Ramsland and begin to solve your life management issues like a pro. With fast-paced, step-by-step instructions, Marcia walks you through refreshing new ways to manage your daily schedule, your life at home and at work, and special seasons of your life such as parenting, the holidays, and transitions. Simplify Your Life reveals do-able tips and practical systems using Marcia’s trademark "PuSH" Sequence?an acronym for Project, you (the key component), System, Habit?which not only gets you organized but help you stay that way. Tips include how to: Create the illusion of a clean home in just minutes each day Predict a pending time crunch . . . and sail through it Dissolve any paper pile by answering three key questions Power through projects you never get around to Learn how to put things back together when everything falls apart Offering practical solutions designed to change your life immediately, this simplified style of living gives you and your loved ones more time to do the things you really enjoy?starting today.

Holy Divine Mother in Ferocious Form

The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual, japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the novice on the double - edged razor path? What is the responsibility of a Guru to a disciple? These and other relevant questions are raised and answered in a satisfying manner. How to realize your full potential through daily practice Step into your super consciousness to realize your dreams and goals! Found in the Rigveda, Gayatri mantra is one of the most important and powerful Vedic mantras even today. Since ages, seers and householders have used its sublime energy to realize their material and spiritual dreams. Also known as Vedmata or Savitri, correct invocation of goddess Gayatri has remarkable effects on your emotional and psychical wellbeing. Following on from his bestseller, The Ancient Science of Mantras, Om Swami brings to you a simplified method of unleashing the power of the Gayatri mantra. Razorsharp intuition or penetrating wisdom, working the law of attraction or gaining immense willpower, absorption and practice of Gayatri bestows it all. Full of firsthand experiences, reallife stories and insightful passages, The Hidden Power of Gayatri Mantra offers you the most authentic and yet practical method of invoking the mantra. Om Swami is a mystic living in the Himalayan foothills. He has a Bachelor’s degree in business and an MBA from Sydney, Australia. Prior to his renunciation of this world, he founded and successfully ran a multimilliondollar software company. He is the bestselling author of A Fistful of Wisdom, The Ancient Science of Mantras, A Million Thoughts, Kundalini: An Untold Story, A Fistful of Love and If Truth Be Told: A Monk’s Memoir.

A Shiva lingam is an aniconic representation of Lord Shiva. Hindus worship Lord Shiva mostly in the form of a Shiva lingam, but its meaning has been one of the most debated topics. There are mainly two groups; one believes it is a sexual organ and others believe it is not. They both give many different arguments in the support of their perspective. With the advent of science and technology, one more group has emerged which strongly believes that there is some sort of science behind the concept of Shiva Lingam. But what are the reasons behind this confusion? 1. There are some stories in the Hindu scriptures that depict it as a sexual organ while some stories say it is a column of fire. 2. Many different meanings of the words linga and yoni. 3. Ancient pillar/phallus worship. 4. Different practices of different Hindu sects. 5. The shape of a Shiva lingam. In February 2010, the encyclopedia Britannica removed a sentence about Shiva lingam from its article.“In temples and private shrines, Shiva is ... worshipped in the form of the lingam, or phallus, often embedded in the yoni, the symbol of the female sexual organ.”It is believed that it did so because of the pressure of Netizens, but I doubt that a website like Britannica would do so unless there is some valid reason behind it. When we talk about religion, the scriptures are of utmost importance. Therefore, in this book, I have sought refuge mainly in scriptures to determine what exactly a Shiva Lingam is, but I have also considered other things like archaeological evidence, logic, history, science, etc. I am sure that this book would not only answer what a Shiva lingam really is but also you would learn many new things about Hinduism.

TANTRIK SIDDHIYAN

Mantra, Deity, and Visionary Experience Today

Unveiled in this book are the secrets of the occult sciences of Yantra, Mantra and Tantra to help the reader achieve worldly success and spiritual enlightenment. Detailed instructions are given for the preparation and application of Yantras for specific purposes: to win favours, defeat for selecting and using Mantras to attain miraculous powers, and fulfilment of one's desires, are explained in detail. In the Tantra section of the book, methods of treatment of diseases by herbs are given. Information is provided about Tantric articles and where to obtain them.

This extraordinary text for undergraduate urban students is a reflection of Mark Hutter's academic interests in urban sociology and his life-long passion for experiencing city life. His deep academic roots in the Chicago School of Sociology help inform and appreciate the variety of urban structures and processes and their effect on the everyday lives of people living in cities. This text, however, extends the Chicago School perspective by combining its traditions with a social psychological perspective derived from symbolic interaction and also with a macro-level examination of social organization, social change, stratification and power in the urban context, informed by political economy. This entirely new, 3rd Edition has a global outlook on city life, and a visual presentation unmatched among books in this genre.

The first book to cover Krishna's entire life, from his childhood pranks to his final powerful acts in the Mahabharata war • Draws from the Bhagavad Purana, the Bhagavad Gita, the Mahabharata, and India's sacred oral tradition • Shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings • Provides a valuable meditative tool that allows the lessons of these stories to illuminate from within Krishna, one of the most beloved characters of the Hindu pantheon, has been portrayed in many lights: a god-child, a prankster, a model lover, a divine hero, an exemplary ruler, and the Supreme Being. In The Complete Life of Krishna, Vanamali, a leading Krishna expert from a long line of prominent Krishna devotees, provides the first book in English or Sanskrit to cover the complete range of the avatar's life. Drawing from the Bhagavad Purana, the Bhagavad Gita, the Mahabharata, and India's sacred oral tradition, Vanamali shares stories from Krishna's birth in a dungeon and early days as a merry trickster in Vrindavana, through his time as divine ruler at Dwaraka, to his final powerful acts as the hero Arjuna's charioteer and guru in the Kurukshetra war. She explains how Krishna became a mahayogi, the greatest of all yogis, and attained complete mastery over himself and nature. By integrating the hero-child with the mahayogi, the playful lover with the divine ruler, Vanamali shows how the stories of Krishna's life are expressed with such simplicity and humor that they enable anyone--man, woman, or child--to see the wisdom of his teachings. This complete biography of the man who was also a god provides a valuable meditative tool allowing Krishna's lessons to illuminate from within.
