Praxis Core tests measure skills in reading, writing and mathematics. Universities may use the Core tests to evaluate individuals for entry into teacher education programs, and many states also require Core scores as part of their licensing process. This guide, with access to 12 practice tests, is designed for those studying for the Core Academic Skills for Educators: Reading (5712), Core Academic Skills for Educators: Writing (5722), and Core Academic Skills for Educators: Mathematics (5732).

Pass the Praxis® 5622 Principles of Learning and Teaching Exam The NavaED Praxis® 5622 Principles of Learning and Teaching (PLT) Grades K-6 study guide is fully aligned to the skills and content categories assessed on the exam. The study guide has over 200 practice test questions with detailed answer explanations that cover everything tested on the Praxis® 5622 exam. The study guide includes: Detailed content sections for all 5 content categories, so you understand everything covered on the exam. 10 practice test questions after each content category, so you can practice the specific skills for each type of test question you'll see on the test.

Detailed answer explanations for every test question in the study guide, so you know exactly why you answered correctly or incorrectly. Multiple scenarios and explanations similar to the ones you will see on the exam, so you are prepared for complex questions on test day. Test tips and strategies specific to the Praxis® 5622, so you can think like a test maker and not a test taker. A list of "good words" to look for in the answer choices, so you can identify the correct answers and eliminate incorrect answers quickly. Four quizzes, eight constructed response questions, and one full practice test all with detailed explanations, so you can evaluate your progress. The 5 content categories covered in this book are: Students as Learners Instructional Process Assessments Professional Development, Leadership, and Community Analysis of Instructional Scenarios Imagine a study guide actually designed for teachers!
