

Prayer That Moves God In Touch Ministries

Prayers to Move from Minimum to Maximum offers practical help to those who have an eye on moving from minimum to maximum. It doubles both as a teaching manual and a prayer manual. The thrust of this book is that the lowest can become the highest, the poorest can become the richest, while those who are grappling with failure can become achievers. This book will teach your fingers to war and your hands to fight. Now is the time to pray your way from minimum to maximum.

When you talk to God, do you ever wonder if He really hears? Do your prayers start to feel rote or routine? Do you sometimes feel you don't even know how to pray? Jesus is known for turning situations upside down . . . and He can do the same in your prayer life. Your perspective on prayer and faith may never be the same again when you read artist and designer Kelly O'Dell Stanley's delightfully accessible, innovative new book *Praying Upside Down*. Stanley uses imagery, simple techniques, and artwork to help you see God like never before and move your prayer life away from the preconceived and expected to a new level of intimacy. *Praying Upside Down* offers a fresh chance to learn something new, hear an answer you didn't anticipate, and experience God in a more real, tangible way.

Is Prayer really necessary? Why does it often take so long to get a prayer answered? What about praying for non-Christian friends? What exactly is intercessory prayer? Is everything that happens to me or my family allowed by God? Or, is there something I need to do to make sure we're safe? For students with questions about prayer, *Getting in God's Face* takes them on a journey to find God's answers to the big questions about prayer. Powerful stories and proven strategies for interceding with God will increase their understanding and their faith when they read of how God uses prayer to accomplish His purposes on Earth.

BE PART OF THE MOVEMENT THAT REACHES HEAVEN Before its foundation America first flew the Appeal to Heaven flag. It was the banner George Washington used on his navy ships to signal that their only hope against British rule and religious persecution was an appeal to heaven. The crusade continues today. Sparked in part by a revelation Dutch Sheets received over the course of twelve years, the nation is being called back to prayer for a Third Great Awakening. As a result, pockets of revival are breaking out across the nation. Through in-depth interviews, eye-witness accounts, transcribed speeches, and prophetic visions from noted leaders such as Billy Graham, Reinhard Bonnke, the late Steve Hill, and others, *The Next Great Move of God* serves as a means to not only fan the fires of revival unto this awakening but also equip you to sustain it.

The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value.

What do you do when your whole spiritual life falls apart? It is in these heart-hungry moments—when we feel overwhelmed or alone, struggle with unanswered prayers, aren't sure what to do, or are crying out for God's help—that we are surprisingly poised to pray the most effective kinds of prayers possible. *Extreme Prayer* taps into that longing for connection with God when we need it most by teaching us to pray the kinds of prayers Jesus promised to answer with unlimited power. It's not about how to pray more . . . it's about praying differently, and intentionally tapping into all of Jesus's open-ended promises in a way that achieves maximum Kingdom impact. In *Extreme Prayer*, Greg Pruet searches the Scriptures to discover the kinds of prayers that God has promised to answer, challenging you to access their power and see His immeasurable glory unleashed in your prayer life.

Prayer is how we communicate with God: a personal, spiritual exchange. Whether you pray out loud while kneeling or pray silently in your heart, God hears your prayer. God knows who you are. So when you pray, be yourself. Be sincere. Be Honest. But most importantly, remember that prayer is a conversation. No day can be boring when God is in it, and God is in all our seemingly insignificant moments in life. (see Psalm 37:23). Prayer should be like breathing. Prayer enables us to not simply be victims of this world, but to instead be victors. We can move heaven and earth with our prayers, because prayer moves the hand of God on our behalf. If God answered all your prayers this week, would it just change you, or would it change the world around you? Because our God is a big God, we should concern ourselves with the bigger picture. We serve a God who has said, "Listen! The LORD's arm is not too short to save, nor is his ear too deaf to hear you call." (Isaiah 59:1) Jesus taught saying, "I tell you the truth, if you had faith even as small as a mustard seed, you could say to this mountain, 'Move from here to there,' and it would move. Nothing would be impossible." (Matthew 17:20) We serve a mountain moving God! A God who does impossible things on a regular basis. When is the last time you prayed for something as impossible as moving a mountain? Join this Journey with me and some Powerful ladies as we share our story on how we prayed, why we prayed, and the prayers that we prayed & God moved on our behalf. You have to understand that God answers prayers & it doesn't take years....!It's okay if you haven't prayed in a very long time. God is still longing to hear from you. Here is your moment to Reconnect with God, (like we do in relationships) pray & watch God move..!

How Prayer Really Works

Prayers To Move From Minimum To Maximum

Why Some Prayers Work, Why Some Don't, and How You and God Can Change Things for Good How would it feel to enter into prayer with confidence and assurance—certain that God heard you and that your prayers would make a difference? It would likely feel amazing and unfamiliar. That's because often our prayers seem to be met with silence or don't appear to change anything. Either response can lead to disappointment or even despair in the face of our ongoing battles and unmet longings—especially when we don't know if we're doing something wrong or if some prayers just don't work. New York Times bestselling author John Eldredge confronts these issues directly in *Moving Mountains* by offering a

hopeful approach to prayer that is effective, relational, and rarely experienced by most Christians. In a world filled with danger, adventure, and wonder, we have at our disposal prayers that can transform the events and issues that matter most to us and to God. *Moving Mountains* shows you how to experience the power of daily prayer, learn the major types of prayers—including those of intervention, consecration, warfare, and healing—and to discover the intimacy of the cry of the heart prayer, listening prayer, and praying Scripture. Things can be different, and you personally have a role to play with God in bringing about that change through prayer. It may sound too good to be true, but this is your invitation to engage in the kind of prayers that can move God's heart as well as the mountains before you.

Andrew Wommack uncovers the traditions and misconceptions in prayer that often bring more suffering than good! In finding out how Jesus taught us to pray, we can bring joy back into our relationship with God. Many people, who truly love God with all of their heart, find it difficult to pray as they have been taught. And their once-vibrant relationship with the Lord had become stifled, mechanical, and lifeless. What they don't understand is that prayer is an opportunity to have communion with God—fellowship with the Father. Of course it includes requests because we need help from our Father every day, but it also includes a connection and friendship with God. Readers may find it amazing that God would talk with them just as a friend, but His greatest desire is for His children to know Him in much the same, intimate way as He knows them. After 30 years of ministry, Andrew Wommack has discovered some important things about prayer including what prayer is and what it is not. Readers will uncover the traditions and misconceptions in prayer and discover true and meaningful communion with God through Jesus' example of prayer. More importantly, they'll come to know a new, profound joy and fulfillment in their relationship with God, receiving the answers they need. The subject of prayer has been touched on many times through classic and current authors, but Andrew Wommack brings a fresh approach to prayer by defuncting the common traditions that make prayer laborious and lifeless. In much the same style as Tommy Tenny's *The God Chasers* and Jim Cymbala's *Fresh Wind, Fresh Fire*, readers will be thrilled to find a God who desires to talk with them anytime, whenever they are open and willing. Readers will learn to develop vibrant, open communication with the Father all throughout their day.

Be inspired to pray boldly, pray powerfully, pray with passion, and trade ineffective prayers and lukewarm faith for raw, daring prayers that will transform your daily life. Do you ever wonder if God answers your prayers? Do you wish you could see the evidence that prayer changes lives? Do you long for more than playing it safe in your faith? Join New York Times bestselling author Craig Groeschel as he helps you discover the power of authentically communicating with God, breaking out of the restrictive spiritual safety bubble, and expanding your ideas about what's possible with God. The Bible tells us that prayer has the power to move God's heart, but some prayers move him more than others. He wants more for us than a tepid faith and half-hearted routines at the dinner table. God called you to a life of courage, not comfort. In *Dangerous Prayers*, Groeschel will show you how to pray the prayers that search your soul, break your habits, and send you out to pursue the calling God has for you. But be warned: If you're fine with settling for what's easy, or if you're okay with staying on the sidelines, this book isn't for you. You'll be challenged. You'll be tested. You'll be moved to take a long, hard look at your heart. But you'll be inspired, too. *Dangerous Prayers* will give you the encouragement and tools you need to: Transform the patterns around your daily prayer life Truly embrace and believe in the power of intentional prayer Start to pray daring, faith-filled, God-honoring, life-changing, world-transforming prayers You'll discover the secret to overcoming fears of loss, rejection, failure, and the unknown, and you'll welcome the blessings God has for you on the other side. But best of all, you'll gain the courage it takes to pray dangerous prayers.

Effective Prayers

When I was a small child, my grandfather made whole family pray. I remember that some of the family members used to get tired of praying everyday. They would run away from the main farm house and hide. However, that would not stop granddad Maxin Mwanyenya Mutambanengwe. It was like some fire had been put on him. He would pick up his walking stick and go round all the outer buildings as though he was hunting for a thief. Why did he do that everyday? He would come back with all the boys who were hiding from him. Only then would the prayers start. He never got tired of this activity. Even if only one of the boys was not there he would stop and go and look for him. Now I know he was actually fighting with the devil. I am sure he used to chase the devil away from all his grandchildren. We had the bible but in those days he is the one who read the bible for us. He loved singing therefore we had a praise and worship session and then read from the word of God. Then he would pray and dismiss everyone. Now that I know, I hope Prayers that Moved Mountains Still Move Mountains will be of assistance to those families that wish to have prayers on a daily basis. Just as reference to how these people prayed and how their prayers were answered. Prayers that Moved Mountains Still Move Mountains is a selection of powerful prayers. Men of God prayed and these prayers were answered in most miraculous ways. God will answer you just as he answered those powerful men and women. He has answered my minor and major prayers. Jesus offered prayers and petitions with loud cries and tears.

God Needs You Authority in Prayer will show you how to take hold of God's promises and pray with the authority He wants you to have. You can reign in life and be the overcomer God intends you to be, taking charge of your personal world and changing the world around you. Don't allow sin, Satan, or the circumstances of life to weigh you down. • Beginning with your private world--your thoughts, body, actions, and ultimately your God-ordained destiny--you can take charge. Authority is yours for the taking. • Then, because God established and so honors the principle of authority, He will back you as you walk in the government He has delegated to you for your extended world--your home, family, business, and possessions. • Finally, God's plan is for you to partner with Him on the earth in broader realms of influence and authority--your universal world. Jesus, the sovereign King over the earth, wants to rule institutions, cultures, societies, and governments through you and your prayers. Are you ready to use your God-given authority to further His kingdom?

In Luke 11:1, the disciples asked Jesus, "Teach us to pray!" Most of us want to know more about how prayer works. While we are used to offering up prayers, we wonder if we are praying in the most effective way or if we are approaching the throne of God in the "right" way. We ask ourselves: How do I listen for God? How do I pray for healing? How do I pray when I am under spiritual attack? How do I pray to break through strongholds of habitual sin? How do I pray for protection? How do I pray for my lost friends and family? In this eight-session video Bible study (DVD/digital video sold separately), bestselling author John Eldredge shows how we labor under the misconception that prayer is asking God to intervene instead of partnering with him to get things done. This faulty assumption leads to untold confusion and grief when we ask of God but can't sense He hears us—or even cares. Rather, Jesus says, "I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven" (Matthew 16:19). When we operate from this position, we approach prayer with far greater confidence. We understand we have a role in making change happen and are not victims of circumstance—that we are sons and daughters of God bestowed with tremendous authority. Sessions include: There Is a Way Things Work The Cry of the Heart The Prayer of Intervention The Prayer of Consecration Listening Prayer Warfare Prayer Healing Prayer Holding the Heart in Unanswered Prayer Designed for use with the Moving Mountains Video Study (sold separately). Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

"The Complete Works of Zacharias Tane Fomum on Prayer (Volume 3)" contains the following books: 1) Life-Changing Thoughts on Prayer (Volume 2) 2) The Ministry of Supplication 3) Moving God Through Prayer 4) Waiting on the Lord in Prayer 5) Prayer Crusades (Volume 1) The life-changing thoughts on prayer contained in this volume are like the pings that get the believer to detect the will and leading of God in various domains of prayer. Each one of the thoughts is an entire topic to be pursued, explored, and developed to the fullest. As you go through these thoughts, you are travelling with the author along his journey around the world, doing God's work of ministry, while in the midst of prayer. Supplication is handled from the glaring example of Hannah who, having been barren for a long while, desperately asked God for a baby, as her prized treasure to be given back to Him. In supplication, the supplicant is so desperate that he will not rest and will not receive 'No' from God for an answer. This goes on till the point of breakthrough. Those who make requests while keeping other options open are not supplicating. With supplication, there is one request, no options and no plan 'B'. The reader will also learn how to move God through prayer. There is no way anyone can move God through prayer if he does not know the perfect will of the Lord about what he is praying for. It is those who know God's will and pray that will back to Him that moves Him through to answer and to do things in response to prayer. God is not obliged to answer prayer that is not in tandem with His will. The dynamics of waiting on the Lord in prayer are not the tools of a rapacious world that wants instantaneous answers to prayer. One may have to abide in ceaseless prayer before the Lord about an issue for a year, ten years, or more, and not give up until the day the Lord answers or gives assurance that He will surely answer. This volume ends with the author's practical life of prayer crusades, praying with his people. Prayer crusades range from 8 hours, 10 hours or more of personal or group prayer daily for periods ranging from 21 days to 40 days and beyond. In this final part of the volume, the reader finds himself in the prayer crusades, praying with the author and his people.

Renowned Bible Teacher, Chinedum Azuh explores the power of prayer and he provides us with the template for receiving answers from heaven. Prayer That Moves God brings over 26 years of the author's personal experience to the pages of this book, but most importantly, he looks to the Bible to unveil how to get results through prayer. Chinedum Azuh offers practical methods that will transform your prayer life beginning today. It's time to move the hands of God over the affairs of your life!

Prayer that moves God, this I know will generate a thousand and one reactions. It is not to say that God will move literally, but that He will act and intervene in your given situation. When you pray a prayer of faith, God is committed to act. Paul and Silas prayed and praised God and the bible records that there was an earthquake, which caused the prison doors to be opened. This was God in action. When you pray and your heart is full of doubt, it will not move God. Good understanding of prayer makes the answer easy. God is not far from you. You are the one that is far from Him. Sometimes people want to pray but do not know what to pray about. This book has been put together to help you pray result oriented prayers. Prayer is asking for Divine help. Therefore, if you see someone that does not pray, it means he does not need help. Anyone can pray. The logic here is if you can talk, then you can pray because prayer is talking to God. Prayer is a major instrument used by God to change events. When you pray expect things to happen. According to Matthew 18:18 you are responsible for whatever happens around you, because whatever you allow is allowed and whatever you disallowed in Heaven. Praying according to the will of God, which is the word of God, is what moves Him to act on your behalf. When you pray His word, He answers you speedily. In this book 21 prayer subjects are treated with well thought out prayer points that guarantees instant response. Some of the subjects treated are: Divine protection, Overcoming impossible situation, Families, Restoration, Business, Favour, Fruitfulness etc. Everything has the right to remain the same until the prayer button is applied. The Bible is full of people that changed events and situations by prayer. You will join the list.

Principles for Powerful Prayer

Faith to Move Your Mountains

The Power of Simple, Confident Prayer to Unleash the Supernatural

What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Prayer International? Fern Nichols is a passionate believer in the power of prayer. She knows that a regular habit of prayer can change things--can bring home wayward children, heal broken marriages, and provide answers to desperate situations. Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face. But most important, Fern knows that through prayer we can experience, firsthand, an ever-increasing intimacy with God. In Moms In Prayer, Fern Nichols reveals how she teaches women to pray in a way that changes their lives and the lives of those they love. She teaches the principles and practices that will not only revolutionize the way people think about prayer, but the way they do pray, leading them into a deeper intimacy with Jesus, who is always interceding on our behalf. Sparkling with real-life stories of God at work in the lives of praying moms, Fern introduces us to the four prayers that are the foundation of the Moms In Prayer approach to prayer: Praise--Praying according to the attributes of God, Confession--Breaking strongholds, Thanksgiving--Expressing a grateful heart, Intercession--Standing in the gap with Jesus. What transforms these well-known elements of prayer into such a powerful force in Moms In Prayer

International? Fern Nichols introduces a way of praying that energizes, creates an appetite for intimacy with God, overcomes spiritual paralysis, eliminates fear, unveils the heart and character of God, and transforms the pray-er's life and perspective. She teaches how to pray effectively with others, how to prepare for the spiritual battles that swirl when prayer is on the move, how to persist in prayer in the face of hopelessness and despair, and how to use Scripture for effective prayer. God hears

"And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:" -1 John 5:14 You may have heard that praying with God's word (the Bible) is powerful! You may even have heard how God's word, when mixed with faith, produces great results. That is the truth...but where do you start? What, and how, do you pray? With Scripture Works! learn to effectively use God's word in your prayer time. Be confident he hears you when you pray; and that your prayers are answered. Scripture Works! is a practical book grouped into different life situations. When you pray the word of God in faith, God moves on your behalf! The secret to powerful prayer is found in the fifteenth chapter of the gospel of John when Jesus says -If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you.- The secret is in the abiding. As we spend time with our Maker in prayer and in His Word our minds are transformed and our desires change. As we grow in Christ we begin to act differently and ask differently. Mother Teresa said -I used to believe that prayer changes things, but now I know that prayer changes us and we change things.- Powerful prayer changes us. Powerful prayer moves us to action. But powerful prayer must also move God to do what only He can do - to move in the hearts of people, to intervene in worldly events, and to do the impossible. The catch is - He already wants to move in people's hearts, intervene in worldly events, and do the impossible; but he is waiting for us to pray and ask! He has given us the desire to ask and is waiting on our prayer. Powerful prayer moves us and moves God. This collection contains what the Bible says about prayer - one principle or verse at a time. May they help you to pray, move you to action, and move God in a powerful way.

The Daniel Prayer

THOSE who pray know that prayer gets answered by God. In the ecological culture of prayer and its sublime gestational realm, spiritual phenomena metamorphose into tangible physical realities as a well-sculpted script in its gamut of performance delivery. Divinity rules in the affairs of men on this side of the divide depending on how well-guided prayer pundits are. This book, 'PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES,' sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God's desire. Prayers channeled through the holy vessels of God are honored by God. Hence, Psalms 66:18 says, "If I regard iniquity in my heart, the Lord will not hear me." There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others' welfare to turn things around and sustain

positive changes. It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness. Intercessory prayer moves mountains, removes barriers, breaks yokes or chains, lifts burdens, rolls away sorrows, gives victory in every battle of life, provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio-economic and political landscapes. In the same breath, through prayers of supplication, we receive assurance, protection, authority and dominion. It reveals our dependence on God, takes us to the realm of the supernatural and moves God to act on our behalves. In these last days, believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22:21-30. Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham, Moses, Elijah and a host of others. They were all successful in their time. If only we too would consecrate and commit ourselves to the ministry of intercession and supplication, we will succeed and make enviable marks in our churches, homes, environment and nations. More importantly, we must believe in the power of intercession in order to activate it, operate in it, practice it and seek God on behalf of others. Premised on the foregoing, our prayers must be fervent, effectual and importunate if we would to get things done and have results. We ourselves must be sold-out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing. With our spirit given up to God in intercession, there is hope for our Churches, nations and ministries. Ultimately, our rewards shall be great from the Good Lord Who does not owe anyone. Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.
