

Predictable Prospecting How To Radically Increase Your B2b Sales Pipeline

"The Sales Boss: The Real Secret to Hiring, Training and Managing a Sales Team, is a comprehensive guide on how to create a winning sales team. In any business, nothing happens until somebody sells something. Nobody pays their mortgages, no kids get sent to college, and no retirements get funded until the salesperson is able to close business and get revenue coming in the door. In a company with a sales manager, the hiring, training and success of the sales people lay directly at the feet of the manager. The importance and significance of this role can well be illustrated by a recent study that shows that 95% of the CEOs in mid-size companies have at some point in their career filled the role of Sales Manager prior to being promoted to run the company. Clearly, this job matters. The hopes and dreams of the entire company depend on the job being done masterfully. The Sales Boss refers to a sales leader operating at peak performance and overseeing a team of people that outperforms the competition. Inside the cover of this book, the reader will begin a journey that will help them take a deep look into the psychology behind getting a team operating at the highest levels. A step-by-step guide to hiring, training, and managing the team follows this introduction and will leave the reader not only with an understanding of what needs to be done but with direct examples of how they can do it"--

We are about to experience the equivalent of a major tectonic shift where the functional plates of sales, marketing, and technology will shear and, in some cases, smash against one another. Functions that were once the domain of salespeople will be transformed, subsumed, or obliterated.

In a world where everyone is completely inundated by phone calls, drop-ins, pop-up ads, and junk mail, how can you and your product begin to make its impression known in the business world? How do you break through to impossible-to-reach executive buyers who are intent on blocking out the noise that confronts them every day? By learning how to combine time-tested sales processes with cutting-edge social media strategies. Combo Prospecting details today's new breed of chief executive buyers, the channels they use, the value narratives that they find appealing, and the mix of methods that will grab their attention. With actionable insights in every chapter, you will learn how to:

- Locate leverage points that matter
- Secure decision-maker meetings
- Build a knockout online brand that distinguishes you from the pack
- Build a constantly growing list of profitable referrals
- And much, much more!

Old-school prospecting tactics are growing increasingly irrelevant in today's tech-savvy online business world. But new-school techniques alone have proven to not be able to provide the answers. The key to your success is to learn how to unleash a killer combination of old and new sales strategies.

The proven system for B2B sales growth from the coauthor of Predictable Revenue, the breakout bestseller hailed as "Silicon Valley's sales bible" (Inc.com) If your organization's success is driven by B2B sales, this powerhouse of a book shows you how to generate new opportunities, build sales consistently, and focus on high revenue accounts with higher probability. It's the most reliable and predictable prospecting system available, developed by the coauthor of the bestselling Predictable Revenue and the author of the international bestseller How to Deliver a TED Talk. Following a proven step-by-step framework, you can turn any B2B organization into a high-performance business development engine. You'll learn how to target and track ideal prospects, optimize contact acquisition, continually improve performance, and achieve revenue goals—quickly, efficiently, and predictably. As a bonus, you'll receive full online access to sample materials, worksheets, blueprints, and more. If you are a business professional tasked with new business development, revenue generation, diversifying marketing lead generation channels, selling into disruptive markets, and justifying marketing ROI, Predictable Prospecting will be an invaluable resource.

Scroll to the top and click "Buy Now" to see positive outcomes sooner rather than later.

A book to help companies find customers and create repeatable sales by developing effective inside sales organizations and development strategies.

Leading Sales Development provides a detailed framework for sales organizations seeking to build and scale high-performance sales development teams. In the book, you will learn the art and science of: - Hiring and developing top talent- Building motivational compensation plans- Crafting the multi-touch, multi-channel sales engagement cadences scientifically proven to drive replies- Defining, managing, and optimizing sales development performance metrics- Creating a sales development organizational structure that is right for your team

Brian Tracy, one of the top professional speakers and sales trainers in the world today, found that his most important breakthrough in selling was the discovery that it is the "Psychology of Selling" that is more important than the techniques and methods of selling. Tracy's classic audio program, The Psychology

of Selling, is the best-selling sales training program in history and is now available in expanded and updated book format for the first time. Salespeople will learn: "the inner game of selling" how to eliminate the fear of rejection how to build unshakeable self-confidence Salespeople, says Tracy, must learn to control their thoughts, feelings, and actions to make themselves more effective.

A compilation of the established knowledge in strategic account management While companies and academics expend tremendous effort on mass marketing, they often overlook their immediate customers (which are critical in both senses) and hence the importance of strategic account management (SAM). This handbook is a compilation of papers that present researched knowledge of SAM across the academic community which fills a void in the existing academic literature. Handbook of Strategic Account Management identifies drivers of the SAM approach, key issues and success factors, operational needs and areas still awaiting exploration. Each paper includes an overall referenced summary of the tenets of SAM relevant to the area it reports, and together with the combined list of references, it creates an indispensable resource for academic readers, students, and researchers. Handbook of Strategic Account Management is written by over 40 knowledgeable experts with substantial experience of SAM from teaching, researching, writing and advising companies on why and how it works, spread widely across Europe and the US. It represents the balanced, researched body of knowledge in SAM and will be an invaluable resource to anyone exploring the approach, whether for a student thesis, for original research or for answers on how to approach SAM as a company initiative. "Today's strategic, key and global account management professionals owe thanks to a small community of academic researchers who, over the past three decades have been pioneers in identifying, cataloguing and analyzing the selling and business management practices of an emerging profession we now call strategic account management. This Handbook is an important milestone to mark SAM's still evolving impact on corporate business strategies and its ever-increasing relevance as a proven engine for growth in business-to-business strategic customer relationships." Bernard Quancard, President & CEO of SAMA (US-based Strategic Account Management Association with over 3,000 members worldwide) Yana Atanasova Bjorn Ivens Toni Mikkola Ivan Snehota Audrey Bink Ove Jensen Stefanos Mouzas Kaj Storbacka Per-Olof Brehmer Robert Krapfel Peter Naud? A consultant to some of America's leading corporations shares key insights and ideas on how to supercharge one's business and career, explaining how to create and develop new opportunities for wealth in any business, enterprise, or venture. Reprint. 50,000 first printing.

The first year of developing a new sales territory is a daunting task—especially in dog-eat-dog industries. The traditional advice is to train quickly on product, grab a customer list, start calling for appointments, discover opportunities, and close deals. In fact, almost every sales model out there is based on nothing more than "opportunity" management. But jumping straight to opportunity will have new salespeople—or veterans developing new territories—chasing their tails for the first year or two. As Sales Hunting: How to Develop New Territories and Major Accounts in Half the Time Using Trust as Your Weapon details, there is a significant problem you must overcome when opening up new accounts and territories. No matter what you are selling, your prospect already has a trusted relationship with an incumbent vendor and will continue to buy from that vendor even when you have the better solution. The playing field is not level—and you're on the wrong side. So how can you compete to win? "Trust is the grease that makes business sales effortless," writes sales pro and trainer Dave Monty. Opportunity metrics are important, but trust—and a few sharp insider tactics Monty reveals—is the guidepost that leads to success. His sales model therefore incorporates metrics based on trust along with traditional sales measures. That is the fuel that helps you not just turn virgin territory into a consistent revenue generator, but helps you win over potential accounts that now use competitive products. Sales Hunting helps you start establishing trust before you step foot in a prospect's door, and it shows you the tactics necessary to penetrate new accounts. Once you gain access, trust can be used as systematic way to build long-lasting relationships that pay dividends well beyond that first sale you make. Among other things, this book explains: Why most customers don't want to buy from you . . . yet Why trust-based relationships enable you to open up territories and bag the biggest customers quickly How to qualify and rank customers based on traits How to get in step with the customer's buying cycle How to establish trust-based and traditional sales metrics to guide your efforts With advice based on Monty's twenty years of IT sales and sales management experience—along with principles confirmed by academic research—Sales Hunting is an easy-to-read book that is packed with real-life examples and prescriptions for achieving sales success. It will prove a lifesaver for any salesperson or sales manager developing a new territory or trying to penetrate new accounts. What you'll learn Why traditional sales models do not work for new account acquisition. Why long-term sales success is built on developing a trusted relationship with the customer. The best methods for achieving first meetings. The best solutions to lead with. How to qualify customer and opportunities. Where to best spend your time. How to measure and track your success. Who this book is for Salespeople and sales managers opening new territories or trying to penetrate new accounts. Wrapping Up Summary

ATTENTION! If You're an Entrepreneur Looking for Proven Ways to Attract More Clients, Make More Money, and Eliminate the Competition... Then you must read The Client Acquisition Blueprint. Learn the secrets to predictable and sustainable growth.

Imagine that you could have a steady stream of people who WANT your products and services, calling you, following you on social

media, and messaging you for help - each and every day. Imagine then that you were able to turn these leads into quality clients - that not only valued you, but also demonstrated that respect by compensating you at the rates you truly deserve... in ADVANCE! Well you don't have to imagine any longer - in this new book from the CEO of Just Digital Inc, Hugo Fernandez, you will discover: 1) The 10 keys to an EPIC online presence and the #1 thing you MUST have in your strategy to develop an unshakeable marketing foundation 2) The secret to generating all the leads you could ever want - including the Not-So-Obvious questions you need to answer to attract highly qualified, easy-to-work with potential clients. 3) The top mistakes in marketing that could be costing you tens-if-not-hundreds of thousands of dollars... and the specific steps you must take to make sure every your efforts produce maximum results. 4) An EASY and AUTOMATED way to close more prospects (Even if you HATE selling, this eliminates all stress, fear, and doubt.) 5) Paid and Organic Traffic Mastery: The Fail-Proof Facebook Ads, Google Adwords, and Organic Authority campaigns that nobody is talking about yet (Huge first mover advantage!) 6) How to create irresistible offers, lead magnets, and landing pages to convert website visitors into leads. 7) The Profit Path: How to maximize your ROI and profits! How will you make money and how do you know if what you're doing is actually working? Most business fail here. 8) The missing piece that can get you off the cash flow rollercoaster and allows you to scale your growth. And a whole lot more! A Simple 10 Step Blueprint For An Epic Online Presence + Marketing Strategy This book simplifies the proven strategies and techniques so even those with little to no marketing knowledge and experience can build an online presence that will help them grow their business. Reading this book and following these simple steps might just be what your business needs from you! REVIEWS "There are very few companies that can take a vision, build a foundation and create a brand that gets results. The Just Digital Inc team does just that, and much more. If you're serious about taking your brand awareness, customer experience, and most importantly your RESULTS to a whole new level. I would strongly recommend this book. It will take all the headache out of building your brand and marketing your business, which in my opinion is priceless. In this ever changing economy, it's crucial you differentiate your business and actually stand out." -Peter Voogd, Author of 6 months to 6 figures and Founder of The Gamechangers Academy "As a small business owner, it's difficult to always stay on target with respect to our marketing, sales, and end vision goals. Hugo has helped organize and keep us focussed on priorities so that we maintain efficiency and maximize our efforts. Most importantly, we are now working with clients who want to work with us (as opposed to chasing our clients) and that is priceless. Just Digital helped us not only understand that, but also paved the path for us to get there." -Edward P. CEO of Process Green

Search engines and social media have certainly changed how prospecting pipelines for salespeople are built today, but the vitality of the pipeline itself has not. Even today, the key to success for every salesperson is his pipeline of prospects. Top producers are still prospecting. All. The. Time. However, buyers have evolved, therefore your prospecting needs to as well. In High-Profit Prospecting, sales expert Mark Hunter shatters costly prospecting myths and eliminates confusion about what works today. Merging new strategies with proven practices that unfortunately many have given up (much to their demise), this must-have resource for salespeople in every industry will help you: Find better leads and qualify them quickly Trade cold calling for informed calling Tailor your timing and message Leave a great voicemail and craft a compelling email Use social media effectively Leverage referrals Get past gatekeepers and open new doors And more For the

salesperson, prospecting is still king. Take back control of your pipeline for success!

The process of user-centered innovation: how it can benefit both users and manufacturers and how its emergence will bring changes in business models and in public policy. Innovation is rapidly becoming democratized. Users, aided by improvements in computer and communications technology, increasingly can develop their own new products and services. These innovating users—both individuals and firms—often freely share their innovations with others, creating user-innovation communities and a rich intellectual commons. In *Democratizing Innovation*, Eric von Hippel looks closely at this emerging system of user-centered innovation. He explains why and when users find it profitable to develop new products and services for themselves, and why it often pays users to reveal their innovations freely for the use of all. The trend toward democratized innovation can be seen in software and information products—most notably in the free and open-source software movement—but also in physical products. Von Hippel's many examples of user innovation in action range from surgical equipment to surfboards to software security features. He shows that product and service development is concentrated among "lead users," who are ahead on marketplace trends and whose innovations are often commercially attractive. Von Hippel argues that manufacturers should redesign their innovation processes and that they should systematically seek out innovations developed by users. He points to businesses—the custom semiconductor industry is one example—that have learned to assist user-innovators by providing them with toolkits for developing new products. User innovation has a positive impact on social welfare, and von Hippel proposes that government policies, including R&D subsidies and tax credits, should be realigned to eliminate biases against it. The goal of a democratized user-centered innovation system, says von Hippel, is well worth striving for. An electronic version of this book is available under a Creative Commons license.

Contemporary Selling is the only book on the market that combines full coverage of 21st century personal selling processes with a basic look at sales management practices in a way that students want to learn and instructors want to teach. The overarching theme of the book is enabling salespeople to build relationships successfully and to create value with customers. Johnston and Marshall have created a comprehensive, holistic source of information about the selling function in modern organizations that links the process of selling (what salespeople do) with the process of managing salespeople (what sales managers do). A strong focus on the modern tools of selling, such as customer relationship management (CRM), social media and technology-enabled selling, and sales analytics, means the book continues to set the standard for the most up-to-date and student-friendly selling book on the market today. Pedagogical features include: Mini-cases to help students understand and apply the principles they have learned in the classroom Ethical Dilemma and Global Connection boxes that simulate real-world challenges faced by salespeople and their managers Role Plays that enable students to learn by doing A companion website includes an instructor's manual, PowerPoints, and other tools to provide additional support for students and instructors.

The Sales Acceleration Formula

"Roff-Marsh shows readers how to follow the intrepid executives on three continents who have implemented his ideas over the last 15 years, building ridiculously efficient sales functions - and market-dominating enterprises - as a consequence. Roff-Marsh calls these executives his silent revolutionaries ... Applying the division of labor to sales might not seem controversial, but this innocent-sounding idea decimates the sales management orthodoxy and replaces it with a strange new world where sales is primarily an inside activity, where salespeople earn fixed salaries and focus their attention exclusively on selling conversations, where regional sales offices become redundant, and where marketing and engineering become seamlessly integrated with sales. *The Machine* is a field guide for the executive who's prepared to wrestle sales away from autonomous field-based artisans in favor of a tightly synchronized team of specialists."--From publisher description.

"A game-changing sales model that targets opportunities in every stage of today's long-lead sale *Target Opportunity Selling* reveals best practices based on first-hand interviews with top sales performers throughout the world. Leading sales trainer Nic Read describes what he calls the Sales Expansion Loop, which views the sales process as an infinite loop in which the roles of Marketing, Sales, Management, and Service all serve different coordinated roles in the customer journey. Read shows how to target opportunities at every stage of this continuous sales loop and align the sales process to the customer buying process. He provides practical how-tos for Sales Qualification, competitive strategy, relationship management and closing, as well as how to use the end of every sale as a primer for the next sale. Nicholas A.C. Read is president of the training firm SalesLabs. He is a recent recipient of the Best Sales Trainer category in the International Business Awards, an annual awards show that has been dubbed "the business world's own Oscars" by the *New York Post*"--

The USA Today bestseller by the star sales speaker and author of *The Sales Blog* that reveals how all salespeople can attain huge sales success through strategies backed by extensive research and experience. Anthony Iannarino never set out to become a salesman, let alone a sales manager, speaker, coach, or writer of the most prominent blog about the art and science of great selling. He fell into his profession by accident, as a day job while pursuing rock-and-roll stardom. Once he realized he'd never become the next Mick Jagger, Iannarino turned his focus to a question that's been debated for at least a century: Why are a small number of salespeople in any field hugely successful, while the rest get mediocre results at best? The answer is simple: it's not about the market, the product, or the competition—it's all about the seller. And consequently, any salesperson can sell more and better, all the time. Over twenty-five years, Iannarino has boiled down everything he's learned and tested into one convenient book that explains what all successful sellers, regardless of industry or organization, share: a mind-set of powerful beliefs and a skill-set of key actions, including...

- Self-discipline: How to keep your commitments to yourself and others.
- Accountability: How to own the outcomes you sell.
- Competitiveness: How to embrace competition rather than let it intimidate you.
- Resourcefulness: How to blend your imagination, experience, and knowledge into unique solutions.
- Storytelling: How to create deeper relationships by presenting a story in which the client is the hero and you're their guide.
- Diagnosing: How to look below the surface to figure out someone else's real challenges and needs. Once you learn Iannarino's core strategies, picking up the specific tactics for your product and customers will be that much easier. Whether you sell to big companies, small companies, or individual consumers, this is the book you'll turn to again and again for proven wisdom, strategies, and tips that really work.

Revolutionary ideas on how to use markets to achieve fairness and prosperity for all Many blame today's economic inequality, stagnation, and political instability on the free market. The solution is to rein in the market, right? *Radical Markets* turns this thinking on its head. With a new foreword by Ethereum creator Vitalik Buterin and virtual reality pioneer Jaron Lanier as well as a new afterword by Eric Posner and Glen Weyl, this provocative book reveals bold new ways to organize markets for the good of everyone. It shows how the emancipatory force of genuinely open, free, and competitive markets can reawaken the dormant nineteenth-century spirit of liberal reform and lead to greater equality,

prosperity, and cooperation. Only by radically expanding the scope of markets can we reduce inequality, restore robust economic growth, and resolve political conflicts. But to do that, we must replace our most sacred institutions with truly free and open competition—Radical Markets shows how.

The Ultimate Guide to Opening Sales Conversations and Filling the Pipeline by Leveraging Social Selling, Telephone, Email, Text, and Cold Calling

The Real Secret to what Matters Most in Business

Ditch the failed sales tactics, fill your pipeline, and crush your number Fanatical Prospecting gives salespeople, sales leaders, entrepreneurs, and executives a practical, eye-opening guide that clearly explains the why and how behind the most important activity in sales and business development—prospecting. The brutal fact is the number one reason for failure in sales is an empty pipe and the root cause of an empty pipeline is the failure to consistently prospect. By ignoring the muscle of prospecting, many otherwise competent salespeople and sales organizations consistently underperform. Step by step, Jeb Blount outlines his innovative approach to prospecting that works for real people, in the real world, with real prospects. Learn how to keep the pipeline full of qualified opportunities and avoid debilitating sales slumps by leveraging a balanced prospecting methodology across multiple prospecting channels. This book reveals the secrets, techniques, and tips of top earners. You'll learn: Why the 30-Day Rule is critical for keeping the pipeline full Why understanding the Law of Replacement is the key to avoiding sales slumps How to leverage the Law of Familiarity to reduce prospecting friction and avoid rejection The 5 C's of Social Selling and how to use them to get prospects to call you How to use the simple 5 Step Telephone Framework to get more appointments fast How to double call backs with a powerful voice mail technique How to leverage the powerful 4 Step Email Prospecting Framework to create emails that compel prospects to respond How to get text working for you with the 7 Step Text Message Prospecting Framework And there is so much more! Fanatical Prospecting is filled with the high-powered strategies, techniques, and tools you need to fill your pipeline with high quality opportunities. In the most comprehensive book ever written about sales prospecting, Jeb Blount reveals the real secret to improving sales productivity and growing your income fast. You'll gain the power to blow through resistance and objections, gain more appointments, start more sales conversations, and close more sales. Break free from the fear and frustration that is holding you and your team back from effective and consistent prospecting. It's time to get off the feast or famine sales roller-coaster for good!

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.

Put into practice today's winning strategy for achieving success in high-end sales! The SPIN Selling Fieldbook is your guide to the method that has revolutionized big-ticket sales in the United States and globally. It's the method being used by one-half of all Fortune 500 companies to train their sales forces, and here's the interactive, hands-on field book that provides the practical tools you need to put this revolutionary method into action immediately. The SPIN Selling Fieldbook includes: Individual diagnostic exercises Illustrative case studies from leading companies Practical planning suggestions Provocative questionnaires Practice sessions to prepare you for dealing with challenging selling situations Written by the pioneering author of the original bestseller, SPIN Selling, this book is aimed at making implementation easy for companies that have not yet established SPIN techniques. It will also enable companies that are already using the method to reinforce SPIN methods in the field and in coaching sessions.

If you are a salesperson who is looking for a proven method to multiply your sales prospecting results, you have just found the Motherload. Inside, you'll discover; Why prospecting the way you were taught is a colossal waste of time. How to cold call comfortably, without fearing rejection or suffering call reluctance. The one vital factor in getting referrals that nobody is taught, that will triple the number of referrals you get. The one secret to referral prospecting

that will almost guarantee that referrals will buy from you. How to get people to want to ask you about your business, in a way that is completely natural and comfortable. A proven method, not taught anywhere else, to find the 6 % that will almost certainly buy from you...and the system to see an endless supply of these highly likely prospects. Written by a salesman who practices what he preaches. Every method is field tested and proven. Complete with every script, answers to every objection, and every resource you need to send your sales prospecting results through the roof. About The Author... Claude Whitacre has been selling for nearly 40 years. He has broken company sales records, been a speaker at industry conventions and trade shows, and still makes sales to test ideas and teach what works. He is regularly asked to speak for business owner groups on advertising and selling. Claude speaks to groups of business owners and salespeople... and nobody else.

This book is completely repackaged and updated, with new scripts for e-mail, voicemail, and more. It contains motivational introductions, warm-up exercises, memory joggers, and even stage directions, with instructions on use and delivery. It is arranged by selling activity, including: prospecting; controlling the sale; handling objections; moving the sale forward; closing; and getting referrals. It is particularly useful for cold-call selling since scripts can make the process less intimidating and easier to practice.

Offers strategies and advice on retaining pricing power for business-to-business salespeople who have to negotiate with procurement departments.

Shows why networking is the most effective marketing tool today, and explains how you can build a successful networking lifestyle.

Stay ahead of the sales evolution with a more efficient approach to everything Hacking Sales helps you transform your sales process using the next generation of tools, tactics and strategies. Author Max Altschuler has dedicated his business to helping companies build modern, efficient, high tech sales processes that generate more revenue while using fewer resources. In this book, he shows you the most effective changes you can make, starting today, to evolve your sales and continually raise the bar. You'll walk through the entire sales process from start to finish, learning critical hacks every step of the way. Find and capture your lowest-hanging fruit at the top of the funnel, build massive lead lists using ICP and TAM, utilize multiple prospecting strategies, perfect your follow-ups, nurture leads, outsource where advantageous, and much more. Build, refine, and enhance your pipeline over time, close deals faster, and use the right tools for the job—this book is your roadmap to fast and efficient revenue growth. Without a reliable process, you're disjointed, disorganized, and ultimately, underperforming. Whether you're building a sales process from scratch or looking to become your company's rock star, this book shows you how to make it happen. Identify your Ideal Customer and your Total Addressable Market Build massive lead lists and properly target your campaigns Learn effective hacks for messaging and social media outreach Overcome customer objections before they happen The economy is evolving, the customer is evolving, and sales itself is evolving. Forty percent of the Fortune 500 from the year 2000 were absent from the Fortune 500 in the year 2015, precisely because they failed to evolve. Today's sales environment is very much a "keep up or get left behind" paradigm, but you need to do better to excel. Hacking Sales shows you how to get ahead of everyone else with focused effort and the most effective approach to modern sales.

Using Data, Technology, and Inbound Selling to go from \$0 to \$100 Million

American business is dysfunctional. Companies of all sizes follow the mistaken belief that their products and services are best sold through mega-customers with pervasive market reach, such as Amazon and Walmart. Far too many business leaders fail to realize—until it is too late—that the relentless pursuit of volume at all cost is not the key to long-term profits and success. The Customer Trap: How to Avoid the Biggest Mistake in Business is Thomas and Wilkinson's sequel to The Distribution Trap: Keeping Your Innovations from Becoming Commodities, which won the Berry-American Marketing Association Prize for the best marketing book of 2010. The Distribution Trap contended that cracking the big-box channel is not necessarily the Holy Grail that many marketers assume it is. The Customer Trap takes this thesis to the next level by arguing that all companies, regardless of the industry there are in, should maintain control over their sales and distribution channels. Volume forgone by avoiding the mass market is more than offset by higher margins and stronger brand equity. The Customer Trap shows that giving power to a customer who violates "the ten percent rule" sets a company up for ruin. Yet, when presented with the opportunity to push more sales through large customers, most decision-makers jump at the chance. As a result, marketing has come to resemble a relentless quest for efficiency and scale. Demands from mega-customers in the form of discounts, deals, and incentives erode the integrity of the brand and what it originally stood for. Lower margins become the norm and cost-saving compromises on quality take over. In time, the brand suffers and, in some cases, fails outright. Stark examples from Oreck Vacuum Cleaners, Rubbermaid, Goodyear, Levi's, and others illustrate the perils of falling into the "customer trap." This book demonstrates in vivid detail how to thrive by controlling your sales and distribution. The authors show how many firms, such as STIHL Inc., etailz, Apple, Red Ant Pants, and Columbia Paints & Coatings, have prospered by avoiding the "customer trap"—and how your company can have similar success.

The proven system for rapid B2B sales growth from the coauthor of Predictable Revenue, the breakout bestseller hailed as a "sales bible" (Inc.) If your organization's success is driven by B2B sales, you need to be an expert prospector to successfully target, qualify, and close business opportunities. This game-changing guide provides the immediately implementable strategies you need to build a solid, sustainable pipeline — whether you're a sales or marketing executive, team leader, or sales representative. Based on the acclaimed business model that made Predictable Revenue a runaway bestseller, this powerful approach to B2B prospecting will help you to:

- Identify the prospects with the greatest potential
- Clearly articulate your company's competitive position
- Implement account-based sales development using ideal account profiles
- Refine your lead targeting strategy with an ideal prospect profile
- Start a conversation with people you don't know
- Land meetings through targeted campaigns
- Craft personalized e-mail and phone messaging to address each potential buyer's awareness, needs, and challenges.
- Define, manage, and optimize sales development performance metrics
- Generate predictable revenue

You'll learn how to target and track ideal prospects, optimize contact acquisition, continually improve performance, and achieve your revenue goals—quickly, efficiently, and predictably. The book includes easy-to-use charts and e-mail

templates, and features full online access to sample materials, worksheets, and blueprints to add to your prospecting tool kit. Following this proven step-by-step framework, you can turn any B2B organization into a high-performance business development engine, diversify marketing lead generation channels, justify marketing ROI, sell into disruptive markets—and generate more revenue than ever. That's the power of Predictable Prospecting.

Two Silicon Valley insiders reveal the emerging Sales 2.0 trend and how companies can profit from it Sales 2.0 explores the emerging Sales 2.0 phenomenon, how it is characterized, why it is imperative for a company's long-term success, and how anyone can get started with this new approach to generating revenue. Driven by an explosion of online products and changing customer buying preferences, Sales 2.0 is the marriage of Web 2.0 technologies with innovative sales processes. The book shows readers how to redeploy their sales teams for greater bottom-line results and reveals all the differences between Sales 2.0 and traditional selling. Through real world case studies, readers will learn how industry leaders achieved phenomenal results and a competitive advantage. Applicable to sales teams in any industry, Sales 2.0 presents the future of sales today.

The most effective sales strategies for tough economic times Today's selling environment is tough, and only getting tougher. The old tactics are no longer working, and the current economy is only making selling more difficult. You need sales tactics and strategies that work now and fast . . . even when no one wants to buy-and tactics and strategies that will work even better when they do want to buy. How to Sell When Nobody's Buying is a practical, effective guide to selling even in the toughest of times. This book is packed with new information about creating sales opportunities. Most sales strategies taught today are based on outdated information from ten, twenty, even thirty years ago and they simply don't work today. You'll find the tools and information you need to gain confidence, create powerful alliances, profitable social networks, and drive your profits to unprecedented highs. Whether you sell business-to-business or direct to the consumer, whether you sell real estate or retail, this is the sales guide for you. Features effective, simple strategies for selling in tough economic times Offers free or low-cost prospecting tools that bring in customers by the herd Includes case studies from top salespeople that reveal new ways to bring in customers From sales guru Dave Lakhani, author of Persuasion, Subliminal Persuasion, and The Power of an Hour These days, you need all the help you can get to sell effectively. If you want to increase your sales and drive your business forward-no matter what the economy or your industry does-learn How to Sell When Nobody's Buying.

The Art and Science of Building Exceptional Teams

Use data, technology, and inbound selling to build a remarkable team and accelerate sales The Sales Acceleration Formula provides a scalable, predictable approach to growing revenue and building a winning sales team. Everyone wants to build the next \$100 million business and author Mark Roberge has actually done it using a unique methodology that he shares with his readers. As an MIT alum with an engineering background, Roberge challenged the conventional methods of scaling sales utilizing the metrics-driven, process-oriented lens through which he was trained to see the world. In this book, he reveals his formulas for success. Readers will learn how to apply data, technology, and inbound selling to every aspect of accelerating sales, including hiring, training, managing, and generating demand. As SVP of Worldwide Sales and Services for software company HubSpot, Mark led hundreds of his employees to the acquisition and retention of the company's first 10,000 customers across more than 60 countries. This book outlines his approach and provides an action plan for others to replicate his success, including the following key elements: Hire the same successful salesperson every time – The Sales Hiring Formula Train every salesperson in the same manner – The Sales Training Formula Hold salespeople accountable to the same sales process – The Sales Management Formula Provide salespeople with the same quality and quantity of leads every month – The Demand Generation Formula Leverage technology to enable better buying for customers and faster selling for salespeople Business owners, sales executives, and investors are all looking to turn their brilliant ideas into the next \$100 million revenue business. Often, the biggest challenge they face is the task of scaling sales. They crave a blueprint for success, but fail to find it because sales has traditionally been referred to as an art form, rather than a science. You can't major in sales in college. Many people question whether sales can even be taught. Executives and entrepreneurs are often left feeling helpless and hopeless. The Sales Acceleration Formula completely alters this paradigm. In today's digital world, in which every action is logged and masses of data sit at our fingertips, building a sales team no longer needs to be an art form. There is a process. Sales can be predictable. A formula does exist.

« This is a must read for every B2B entrepreneur, SaaS creator or consultant and business school student. It's the kind of book you don't read once, you go back to it on a regular basis. » - Carmen Gereca, CEO & Co-founder, UsabilityChefs Lean B2B helps entrepreneurs and innovators quickly find traction in the enterprise. Packed with more than 20 case studies and used by thousands around the world, Lean B2B consolidates the best thinking around Business- to-Business (B2B) customer development to help entrepreneurs and innovators focus on the right things each step of the way, leaving as little as possible to luck. The book helps: • Assess the market potential of opportunities to find the right opportunity for your team • Find early adopters, quickly establish credibility and convince business stakeholders to work with you • Find and prioritize business problems in corporations and identify the stakeholders with the power to influence a purchase decision • Create a minimum viable product and a compelling offer, validate a solution and evaluate whether your team has found product-market fit • Identify and avoid common challenges faced by entrepreneurs and learn ninja techniques to speed up product-market validation « The book will pay itself off in the first couple of pages! » - Ben Sardella, Co-Founder, Datanyze 86% of Readers Rated it 5-Stars « Treat this book like a map to show you where you are and a compass to show you the direction. I wish I could have read it 2 or 3 years ago. » - Jonathan Gebauer, Founder, exploreB2B « Lean B2B is filled with rock-solid advice for technology entrepreneurs who want a rapid-growth trajectory. Read it to increase your certainty and your success rate. » - Jill Konrath, Author of AGILE SELLING and Selling to Big Companies « Probably the most slept on book in the Lean startup market right now.... There is no sugarcoating here. Garbugli tells you exactly what needs to happen and how to make it happen... literally holds your hand and spells it out. I was really impressed with the overall depth and advice presented. » - AJ, B2B Entrepreneur « The book I read of which I have learned the most. » - Etienne Thouin, Founder and CTO, SQLNext Software « This book is essential reading for would-be entrepreneurs who face the daunting task of entering B2B markets. » - Paul Gillin, Co-Author, Social Marketing to the Business Customer Break your revenue records with Silicon Valley 's "growth bible" "This book makes very clear how to get to hyper-growth and the work needed to actually get there" Why are you struggling to grow your business when everyone else seems to be crushing their

goals? If you needed to triple revenue within the next three years, would you know exactly how to do it? Doubling the size of your business, tripling it, even growing ten times larger isn't about magic. It's not about privileges, luck, or working harder. There's a template that the world's fastest growing companies follow to achieve and sustain much, much faster growth. From Impossible to Inevitable details the hypergrowth playbook of companies like Hubspot, Salesforce.com (the fastest growing multibillion dollar software company), and EchoSign—aka Adobe Document Services (which catapulted from \$0 to \$144 million in seven years). Whether you have a \$1 billion or a \$100,000 business, you can use the same insights as these notable companies to learn what it really takes to break your own revenue records. Pinpoint why you aren't growing faster Understand what it takes to get to hypergrowth Nail a niche (the #1 missing growth ingredient) What every revenue leader needs to know about building a scalable sales team There's no time like the present to surpass plateaus and get off of the up-and-down revenue rollercoaster. Find out how now!

The ultimate guide to relationships, influence and persuasion in 21st century business. What is most important to your success as a sales or business professional? Is it education, experience, product knowledge, job title, territory, or business dress? Is it your company's reputation, product, price, marketing collateral, delivery lead times, in stock ratios, service guarantees, management strength, or warehouse location? Is it testimonials, the latest Forbes write up, or brand awareness? Is it the investment in the latest CRM software, business 2.0 tools, or social media strategy? You could hire a fancy consulting firm, make the list longer, add some bullet points, put it into a PowerPoint presentation, and go through the whole dog and pony show. But at the end of the day there will be only one conclusion... None of the above! You see, the most important competitive edge for today's business professionals cannot be found on this list, your resume, or in any of your company's marketing brochures. If you want to know the real secret to what matters most in business, just look in the mirror. That's right, it's YOU. Do these other things matter? Of course they do, but when all things are equal (and in the competitive world we live in today, things almost always are) People Buy You. Your ability to build lasting business relationships that allow you to close more deals, retain clients, increase your income, and advance your career to rise the top of your company or industry, depends on your skills for getting other people to like you, trust you, and BUY YOU. This break-through book pushes past the typical focus on mechanics and stale processes found in so many of today's sales and business books, and goes right to the heart of what matters most in 21st century business. Offering a straight forward, actionable formula for creating instant connections with prospects and customers, People Buy You will enable you to achieve a whole new level of success in your sales and business career. You'll discover: Three relationship myths that are holding you back Five levers that open the door to stronger relationships that quickly increase sales, improve retention, increase profits and advance your career The real secret to making instant emotional connections that eliminate objections and move buyers to reveal their real problems and needs How to anchor your business relationships and create loyal customers who will never leave you for a competitor How to build your personal brand to improve your professional presence and stand-out in the market place People Buy You is the new standard in the art of influence and persuasion. Few books have tackled the subject of interpersonal relationships in the business world in such a practical and down-to-earth manner, breaking what many perceive as a complex and frustrating process into easy, actionable steps that anyone can follow.
