Surgeons around the world need a basic knowledge of English to keep up to date with advances in their field. Fluency in surgical English is important for your professional development, enabling you to attend English-speaking patients with confidence, to study (or work) in other hospitals, speak confidently at international meetings, and to write articles for international journals. This book will provide you with the basic tools to handle day-to-day situations without stress and will help you to improve your English, no matter what your level. To our knowledge, this is the first English book written specifically by surgeons for surgeons. We are sure that surgical specialists from all over the "non-English-speaking world" (general surgeons, thoracic surgeons, vascular surgeons, neurosurgeons, gynecologists, plastic surgeons) will enjoy reading it.

Esta pequeña Gramática inglesa, titulada ELEMENTS OF ENGLISH GRAMMAR ha sido concebida para su uso en las clases de enseñanza del Inglés, específicamente pensando en alumnos de 14 a 18 años, de forma que sin demasiadas explicaciones teóricas dispongan de unos cuadros sinópticos tanto de la morfología de los componentes básicos de la gramática inglesa como también de los elementos sintácticos que permitan una rápida comprensión y utilización de ellos a la hora de expresar un pequeño discurso coherente de forma inteligible, sea ello en forma escrita o hablada. Es necesaria, por tanto, su presentación y utilización en clase de forma que puedan entender o consultar luego rápidamente, por su cuenta, las estructuras y funciones que se presentan en esta pequeña obra, y que van redactados en un Inglés simple. Todas las estructuras van acompañadas de un buen número de ejemplos, sin dejar ninguna de las variantes teóricas tratadas sin ejemplificación clara. De especial utilidad son los cuadros dedicados a las Funciones y a la Sintaxis ya que la trabazón de un discurso lingüístico viene determinada por la correcta comprensión de los conjuntos y conjunciones que rigen la adecuada matización de la información comunicativa.

Real Grammar

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

This is a unique book that covers innovative grammar teaching approaches and techniques for a modern generation of EFL/ESL students. It juxtaposes traditional grammar teaching methods with newer ones, and reveals the advantages and disadvantages of each. Moreover, it provides free and controlled grammar activities which offer instructors an ample variety of tasks that facilitate EFL/ESL teachers' work to practice certain grammatical patterns.

A revolutionary approach to overcoming perfectionism! A recent, randomized study—published by Mindfulness Journal—shows that Present Perfect is effective as a standalone intervention. The study found that those who had read the book experienced a statistically significant reduction of self-criticalness, a result that was still maintained at a six weeks follow-up (Wimberley, Mintz, & Suh, Mindfulness, Nov. 2015). While there's no doubt that setting high standards for yourself is a good thing, you've probably already noticed that perfectionism can come at a high price. And when you take steps to try to change, it's easy to be too hard on yourself and fall into the same traps that keep you feeling stressed and disappointed. This book presents a revolutionary approach to overcoming perfectionism—a way to transform your need for precision into self-acceptance, compassion, and love for each perfectly imperfect passing moment in our lives. In Present Perfect, you'll use the Buddhist psychology of mindfulness to learn to accept the present moment in all of its ordinary perfection. This book is filled with over 150 exercises and meditations that you can practice to become more flexible toward yourself and others without losing your love of a job well done. With this compassionate approach, you'll soon be able not only to accept life as it is, but also become more accepting and forgiving of yourself and others.

This is an innovative study of variation of the English present perfect that offers analyses of interestingly diverse data sets of non-native English and addresses some of the hotly debated issues in variationist sociolinguistics, second language acquisition and research on linguistic complexity.

Die englische Grammatik treibt vielen Lernenden den Angstschweiß auf die Stirn. Der richtige Gebrauch der Zeiten, der Unterschied zwischen Adjektiv und Adverb, If-Clauses, die Besonderheiten der indirekten Rede, der richtige Gebrauch von Pronomen, Partizipien, Gerundium und Infinitiven - wenn auch Sie all das erschauern lässt, dann sind Sie hier genau richtig! Dieses Buch hilft Ihnen dabei, das Nervenflattern durch wohlige Schauer zu ersetzen. Jedes Kapitel in diesem Übungsbuch bietet neben einer Zusammenfassung der wichtigsten Grammatikregeln und einfachen Übungen zum Einstieg Ausschnitte aus Schauerromanen (Dracula, Frankenstein, Jane Eyre, Das Bildnis des Dorian Gray, Der Rabe etc.). Jahrelang erprobt für den Einsatz in der STANAG Level 3 Qualifizierung in Englisch an der Theresianischen Militärschule für Offiziere. Nicht ohne Stolz kann die Autorin behaupten, dass die Erfolgsquote ihrer Lernenden bisher satte 100% betrug! English grammar makes many learners break out in a cold sweat. The correct use of tenses, the differences between adjectives and adverbs, if-clauses, the peculiarities of indirect speech, the correct use of pronouns, participles, gerunds, and infinitives - if all this makes you shiver, then you've come to the right place! This book will help you to replace the nervous flutter with pleasant shivers. Each chapter in this exercise book offers a summary of the most important grammar rules and simple exercises to get you started, as well as excerpts from Gothic novels (Dracula, Frankenstein, Jane Eyre, The Picture of Dorian Gray, The Raven, etc.). The material provided here has been used for several years in the English Language Skills Proficiency Training (LSPT) on STANAG Level 3 at the Theresan Military Academy, the world's oldest training facility for officers. Not without pride, the author can claim that the success rate of her students is a whopping 100%!

Real Grammar takes a fresh approach to English grammar. Real Grammar gives you freedom to communicate effectively in English with clarity and confidence.Traditional grammar books tell you what people say.Real Grammar explains why we say it.Learning why will allow you to truly understand English. You will discover the core concepts of English and gain a deeper understanding of how English works. Once you understand the simple connected core concepts of English, you can use them in a variety of situations to express a wide range of ideas. Real Grammar explores English grammar in a logical way, connecting what you learn with what you already know.Real Grammar features:- Simple explanations- Clear diagrams- Real life examples- Meaningful practiceReal Grammar as a teaching resource:As teachers, we want our students to use what they learn in class when they communicate in English. Knowing grammatical structures is one thing, but being able to use them in a natural way can prove challenging. The key is to get the student to understand why.This is done by:- Presenting grammar concepts clearly.- Comparing the new grammar concept to similar grammar concepts the student is already aware of. This helps the students understand the similarities and differences, developing their ability to apply grammar in a way that communicates their thoughts clearly.- Expanding into uses in other situations. We present other contexts that a part of speech is used in, guiding the student to reason, come to their own conclusions, and discover why.Real Grammar includes explanations and practice activities that can be taught as grammar lessons or can be easily integrated into other English classes.www.realgrammar.com

It is a well-known fact that the area of the present perfect has always been a hotly contested ground, but recent corpus analyses have shown that grammatical variation in this realm in English is far more pervasive than previously assumed. This book-length treatment dedicated to corpus-based work on the present perfect. It offers fresh theoretical insights resting on a solid empirical footing and investigates central aspects of language contact and change, grammaticalization, typology. It sheds light on this morphosyntactic area from different angles, as it comprises both diachronic and synchronic viewpoints. Contributions explore variation in the expression of perfect meaning and the multifunctionality of perfect forms in non-native varieties, thus going beyond the traditional British/American English paradigm, while a second focus lies on cross-variety comparisons. Bringing together the knowledge of leading experts in the field, this book represents the state-of-the-art research on the present perfect and will be of interest for those working in the fields of language variation and change, corpus linguistics, sociolinguistics, and typology.

This accessible book aims to help social workers write clearly, accurately and objectively in all contexts, so that they can communicate effectively with multiple audiences. The book gives social workers practical guidance and advice on how to write unambiguously, efficiently and analytically, demonstrating how important writing skills are to the professional identity of social workers. Topics covered include:

- Techniques for planning and organising your writing
- A refresher on grammar rules to enable you to write with clarity
- Viewing critical writing as part of the process of decision making and thinking
- Guidance on using professional anti-oppressive language and vocabulary appropriate to different audiences
- Advice on all communication types, including emails, letters, case notes, reports, funding applications, text messages and social media
- Information on the legal frameworks you need to be aware of when recording events, conversations and recommendations

Each chapter contains exercises and examples of good analytical writing, to help writers to develop their own competence. Case studies drawn from real scenarios relate the skills being discussed directly to practice. This book is an indispensable manual for all social work students, newly qualified social workers and experienced professionals who want a practical guide to improving their writing. Communication, including writing skills, is an essential aspect of effective social work practice. Taking a practical and reflective approach, this text covers the foundations of professional writing in social work. Writing matters, and this text serves as a useful resource to engage in and master effective writing skills for social work students all the way to seasoned social work practitioners. Barbra Teater, Professor of Social Work, College of Staten Island, City University of New York, USA This book forms part of the Social Work Skills in Practice series. The series focuses on key social work skills required for working with children and adult service users, families and carers. The books offer both theoretical and evidence-informed knowledge, alongside the application of skills relevant for day-to-day social work practice. They are an invaluable resource for pre-qualifying students, newly-qualified social workers, academics teaching and researching in the field, as well as social work practitioners, including practice educators, pursuing continuous professional development. Louise Frith is a Student Learning Advisor at the University of Kent, UK, specialising in writing skills and writing for academic purposes.
