

Pretrial Paperback

*Current research on media and the law has generally been atheoretical and contradictory. This volume explains why pretrial publicity is unlikely to affect the outcome of most jury trials, despite many experimental studies claiming to show the influence of publicity. It reviews existing literature on the topic and includes results from the authors' own research in an effort to answer four questions: *Does pretrial publicity bias the outcome of trials? *If it*

Read Book Pretrial Paperback

*has an effect, under what conditions does this effect emerge? *What remedies should courts apply in situations where pretrial publicity may have an effect? *How does pretrial publicity relate to broader questions of justice? Reporting research based on actual trial outcomes rather than on artificial laboratory studies, Free Press vs. Fair Trials examines publicity in the context of the whole judicial system and media system. After a thorough review of research into pretrial publicity, the authors argue that the criminal justice system's remedies are likely to be effective in most cases and*

Read Book Pretrial Paperback

that there are much larger obstacles confronting defendants than publicity. This book presents the first extensive study of the influence of pretrial publicity on actual criminal trials, with results that challenge years of experimental research and call for more sophisticated study of the intersection of media and criminal justice. It is required reading for scholars in media law, media effects, legal communication, criminal justice, and related areas.

The chief translator and only American to speak with all Nazi defendants at Nuremberg shares his personal encounters with evil in

this stirring memoir. At age twenty-two, Richard Sonnenfeldt was appointed the chief interpreter for the American prosecution of Nazi war criminals during the Nuremberg trials. Sonnenfeldt dealt directly with top Nazi leaders like Hermann Goering, von Ribbentrop, Rudolph Hoss, and the editor of the anti-Semitic Der Sturmer, Julius Streicher. As the only American to talk with all the defendants, Sonnenfeldt offers his unique insight into the minds of Nazi leadership, including Hitler, Goebbels, Himmler, and other high-ranking officials. In Witness to Nuremberg, Richard Sonnenfeldt

of the U.S. healthcare and justice systems to offer more positive outcomes for offenders with mental illness. This book takes a multidisciplinary approach, addressing social work, psychology, counseling, and special education, and covers developments such as case-law related to the right to treatment and trauma-informed care. Designed for advanced undergraduates, this text also serves as a training resource for practitioners working with the many affected justice-involved individuals with mental illness, including juveniles, veterans,

and substance abusers.

Kinsey Milhone agrees to take over a case left unsolved by her private eye friend when he died and finds that she has to start from square one and defend her life while she is at it. 300,000 first printing. Major ad/promo. Tour. Lit Guild & Mystery Guild Main. Doubleday Alt.

Advanced Evidence adopts a practical approach to studying evidence rules, focusing on identifying and raising evidentiary issues before and during trial, like trial attorneys do. The text first explains

Read Book Pretrial Paperback

the core rules that dictate what evidence is admissible, emphasizing how the rules' rationales factor into arguments. The text then explores advocacy considerations of whether, when, and how to raise evidentiary issues with the court before trial through motions in limine. The text also describes how to persuasively draft and argue such motions. Finally, the text describes evidentiary objections and explains how to effectively make and respond to objections at trial.

This 396-page book provides specific

The Litigation Manual: Pretrial

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application.

Strengthening Forensic Science in the United States: A Path

Read Book Pretrial Paperback

Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy

makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

Handbook on the Consequences of Sentencing and Punishment Decisions, the third volume in the Routledge ASC Division on Corrections & Sentencing Series, includes contemporary essays on the consequences of punishment during an era of mass incarceration. The Handbook Series offers state-of-the-art volumes on seminal and topical issues that span the fields of sentencing and corrections. In that spirit, the editors gathered contributions that summarize what is known in each topical area and also identify emerging theoretical, empirical, and policy work. The book is grounded in the current knowledge about the specific topics, but also includes new, synthesizing

Read Book Pretrial Paperback

material that reflects the knowledge of the leading minds in the field. Following an editors' introduction, the volume is divided into four sections. First, two contributions situate and contextualize the volume by providing insight into the growth of mass punishment over the past three decades and an overview of the broad consequences of punishment decisions. The overviews are then followed by a section exploring the broader societal impacts of punishment on housing, employment, family relationships, and health and well-being. The third section centers on special populations and examines the unique effects of punishment for juveniles, immigrants, and individuals convicted of sexual or drug-related offenses. The fourth section focuses on institutional implications with contributions on jails, community corrections, and institutional corrections.

outside of the U.S. Each chapter summarizes what is known, identifies the gaps in the research, and discusses the theoretical, empirical, and policy implications of the research findings. This is Volume 6 of the American Society of Criminology's Division on Corrections and Sentencing handbook series. The handbooks provide in-depth coverage of seminal and topical issues around sentencing and correction for scholars, students, practitioners, and policymakers. Criminal Pretrial Advocacy serves as a

Read Book Pretrial Paperback

resource for educators, students, and beginning trial attorneys by focusing on what criminal lawyers primarily do—prepare cases and settle them. In order to assist preparation, the text emphasizes strategy and ethics. For educators, this text would be ideal for pretrial advocacy courses. For students, it can serve as an introduction and careful description of the process of trial preparation and settlement. Unlike casebooks, this text offers a clear and practical description of the logistics of trial preparation and

Read Book Pretrial Paperback

tips for case settlement. For practitioners, it provides a foundation, or a basic guide, for introducing new attorneys to the pre-trial procedures they might otherwise be unfamiliar with. By reading and studying Criminal Pretrial Advocacy, advocates will be better prepared for trial and in a better position to prevail. Throughout, we relate the foundations of criminal pretrial advocacy; we discuss filing charges, developing a persuasive case theory, and bail review strategies. You will learn how

Read Book Pretrial Paperback

successful attorneys interview their clients and witnesses. We explain proper discovery procedure and draw on our courtroom experience to identify the methods needed to effectively litigate preliminary and grand jury hearings. A significant portion of the text is devoted to the mechanics of preparing and presenting motions. Criminal Pretrial Advocacy will also provide strategies for arriving at successful case settlements. When you are finished, you will possess the tools to prepare confidently and

Read Book Pretrial Paperback

successfully for criminal trials. Criminal Pretrial Advocacy will be most effective when used in conjunction with our mock trial companion book, Criminal Mock Trials. The companion book presents a comprehensive set of interesting case files with a variety of pretrial and trial issues for students to explore. Together the companion book and this text present a series of criminal practice cases, hypothetical cases, checklists, and notes on ethical considerations. Both texts present stimulating pretrial advocacy and

Read Book Pretrial Paperback

ethical issues to facilitate provocative discourse. Because an advocate's success in criminal law stems from the meticulous planning that takes place during the pretrial stages, attorneys must prepare thoroughly. Criminal Pretrial Advocacy and Criminal Mock Trials will provide you with the tools needed to achieve this goal.

Fundamental Pretrial Advocacy focuses on teaching the skill, law and art of pretrial advocacy through the lens of civil practice. It covers all of the activities associated with representing clients during the pretrial stages of litigation. The relevant rules of Civil Procedure and Professional Conduct come alive when discussed in the context of what practicing attorneys must do during this stage of representing clients. Fully updated with all recent rule changes, the 2nd edition delves deeper into the process, with additional materials covering discovery, interrogatories, and electronically stored information. It is an excellent stand alone course book for pretrial litigation courses, and an excellent secondary source for civil

Read Book Pretrial Paperback

procedure courses. This text teaches the law in the context of representing clients - utilizing the best methods of 21st century legal instruction.

This book explores misdemeanor courts in the United States by focusing on the processing of misdemeanor crimes and the resultant consequences of conviction, such as loss of employment and housing, the imposition of significant fines, and loss of liberty—all amounting to the criminalization of poverty that happens in many U.S. misdemeanor courts. A major concern is the lack of due process employed in lower courts. Although the seminal case of *Gideon v. Wainwright* required the appointment of counsel to individuals too poor to hire counsel in

Read Book Pretrial Paperback

felony cases, it was not until 1967, when the President's Commission on Law Enforcement and Administration of Justice found a crisis in the lower courts, that the Supreme Court extended the right to counsel to some (though not all) prosecutions of misdemeanor offenses. The first step to improving our understanding of the lower courts is a concerted effort by scholars to focus on the processing and outcomes of misdemeanor cases. This collection begins to fill the void by providing a comprehensive review of the scholarly work on the lower courts in the United States. Collecting analysis from key academics engaged in work in this area today, the book reviews the varying specialized lower criminal courts,

Read Book Pretrial Paperback

including specialty courts that have emerged in just the last couple of decades, along with discussions of the history, legal challenges, operation, primary actors (judges, prosecutors, defense counsel, and defendants), and current research on these courts. The book explores the profound consequences misdemeanor processing has for defendants and discusses the future of the lower criminal courts and offers best practices to improve them. The Lower Criminal Courts is essential for scholars and undergraduate and graduate students in criminology, sociology, justice studies, pre-law/legal studies, political science, and social work, and it is also useful as a resource providing legal practitioners with

sites of disparity in punishment decision-making. This collection of essays and reports of original research defines disparity broadly to include the intersection of race/ethnicity, gender, age, citizenship/immigration status, and socioeconomic status, and it examines dimensions such as how pretrial or guilty plea processes shape exposure to punishment, how different types of sentencing decisions and/or policy structures (sentencing guidelines, mandatory minimums, risk assessment tools) might shape and condition disparity, and how post-sentencing decisions involving probation and parole contribute to inequalities. The sixteen contributions pull together what we know and what we don't about punishment decision-making and plow new ground for further advances in the field. The ASC Division on Corrections & Sentencing Handbook Series publishes volumes on topics ranging

Read Book Pretrial Paperback

from violence risk assessment to specialty courts for drug users, veterans, or people with mental illness. Each thematic volume focuses on a single topical issue that intersects with corrections and sentencing research.

Focusing on John Milton's Paradise Lost , this book investigates the meta-phorical identification of nature with a court of law – an old and persistent trope, haunted by ancient aporias, at the intersection of jurisprudence, phi-losophy and literature. In an enormous variety of texts, from the Greek beginnings of Western literature onward, nature has been described as a courtroom in which an all- encompassing trial takes place and a universal verdict is executed. The first, introductory part of this study sketches an overview of the metaphor's development in European history, from antiquity to the seventeenth century. In its second,

Read Book Pretrial Paperback

more extensive part, the book concentrates on Milton's epic Paradise Lost in which the problem of the natural law court finds one of its most fascinating and detailed articulations. Using conceptual tools provided by Hannah Arendt, Walter Benjamin, Hans Blumenberg, Gilles Deleuze, William Empson and Alfred North Whitehead, the study demonstrates that the conflicts in Milton's epic revolve around the tension between a universal legal procedure inherent in nature and the positive legal decrees of the deity. The divine rule is found to consolidate itself by Nature's supplementary shadow government; their inconsistencies are not flaws, but rather fundamental rhetorical assets, supporting a law that is inherently "double-formed". In Milton's world, human beings are thus confronted with a twofold law that entraps them in its endlessly proliferating double binds,

Read Book Pretrial Paperback

whether they obey or not. The analysis of this strange juridical structure can open up new perspectives on Milton's epic, as well as on the way legal discourse tends to entangle norms with facts and thus to embed itself in human life. This original and intriguing book will appeal not only to those engaged in the study of Milton, but also to anyone interested in the relationship between law, history, literature and philosophy.

Pretrial Advocacy: Planning, Analysis, and Strategy, Fifth Edition provides an excellent conceptual and practical foundation for pretrial litigation for both teachers and students. In 1963, West Germany was gripped by a dramatic trial of former guards who had worked at the Nazi death camp Auschwitz. It was the largest and most public trial to take place in the country and attracted international attention. Using the pretrial files and

Read Book Pretrial Paperback

extensive trial audiotapes, Rebecca Wittmann offers a fascinating reinterpretation of Germany's first major attempt to confront its past. Evoking the courtroom atmosphere, Wittmann vividly recounts the testimony of survivors, former SS officers, and defendants--a cross-section of the camp population. Attorney General Fritz Bauer made an extraordinary effort to put the entire Auschwitz complex on trial, but constrained by West German murder laws, the prosecution had to resort to standards for illegal behavior that echoed the laws of the Third Reich. This provided a legitimacy to the Nazi state. Only those who exceeded direct orders were convicted of murder. This shocking ruling was reflected in the press coverage, which focused on only the most sadistic and brutal crimes, allowing the real atrocity at Auschwitz--mass murder in the gas chambers--to be relegated to the background.

Read Book Pretrial Paperback

The Auschwitz trial had a paradoxical result. Although the prosecution succeeded in exposing SS crimes at the camp for the first time, the public absorbed a distorted representation of the criminality of the camp system. The Auschwitz trial ensured that rather than coming to terms with their Nazi past, Germans managed to delay a true reckoning with the horror of the Holocaust.

Beyond Justice

Incarceration Without Conviction addresses an understudied fairness flaw in the criminal justice system. On any given day, approximately 500,000 Americans are in pretrial detention in the US, held in local jails not because they are considered a flight or public safety risk, but because they are poor and cannot afford bail or a bail bond. Over the course of a year, millions of Americans cycle through local jails, most there for anywhere from a few days to a few weeks.

Read Book Pretrial Paperback

These individuals are disproportionately Black and poor. This book draws on extensive legal data to highlight the ways in which pretrial detention drives guilty pleas and thus fuels mass incarceration--and the disproportionate impact on Black Americans. It shows the myriad harms that being detained wreaks on people's lives and well-being, regardless of whether or not those who are detained are ever convicted. Rabinowitz argues that pretrial detention undermines the presumption of innocence in the American

Read Book Pretrial Paperback

criminal justice system and, in so doing, erodes the very meaning of innocence. If I have been charitable in my judgments of my fellow man; if I have tried to help him as best I could; if I have done my utmost to truly understand him, I know why I have taken this course - I could not help it. I could have had no comfort or peace of mind if I had acted any other way. I have been interested in the study of man, and the motives that move and control his life.
