Desperate for a short-order cook, Cole Dumanski hired a penniless socialite, only to discover she couldn't boil water. Still, the prim and proper Josephine Evans had no trouble raising his body temperature. But while she aimed to give him a few lessons in manners, he longed to tutor her body, little suspecting he had found a safe harbor for his heart. Hailing from the New Orleans School for Etiquette and Social Graces, Josephine stood ill-prepared to sail the Mississippi with a rowdy crew led by a soul-mouthed, uncouth captain. Never had Josephine met a man who could benefit more from her expertise. His broad chest and solid biceps spoke little of refinement and more of blatant masculinity, and the way his touch made her heart race was less than ladylike. But beneath his hard exterior Josephine detected a sensitive, caring man, and before they had reached their port of call she wondered if she had found a prince among sailors. When a prim and proper socialite encounters a ruggedly handsome tugboat captain, she finds that they have more in common than she ever imagined.

Welcome to Nvengaria, a land where magic happens, shape-shifters are real, and fairy tales come true. England 1819 Wallflower Penelope Trask believes nothing will ever happen in her village of Little Marching, Oxfordshire. Handsome princes only sweep in and carry off innocent maidens in the fairy tales she collects, never in real life. Prince Damien of Nvengaria is tired of living inside a fairy tale. His entire life has been ruled by prophecy, magic, and avoiding being assassinated by his mad father and the head of the Council of Dukes. When his father dies, he inherits a kingdom divided, his opposition led by Grand Duke Alexander, who will do anything to keep the monster's son from ruling Nvengaria. To make good his claim to the throne, Damien must fulfill a prophecy that reunites the lines of the original two princes of Nvengaria, best friends who'd carved a kingdom out of wild lands near the Transylvanian mountains. Damien's task—to bring back the Princess of Nvengaria, her line lost centuries ago. The price of disappointing the people, Alexander promises, will be Damien's execution. Damien tracks down the long-lost princess to the village of Little Marching in England, where nothing remotely interesting ever happens. He will have to convince the lovely Penelope that he is no charlatan, and that Damien's life and his kingdom depends on her facing danger with him. Along the way, the prophecy says, they will fall in love. And the prophecy is never wrong ...
