

Princess Academy Palace Of Stone Itlifeore

Harriet Hamsterbone is not your average princess. For one thing, she's a hamster. For another, she prefers sword-fighting and fractions to sighing and fainting. So when Harriet finds out that she was cursed at birth to fall into a deep sleep at the age of twelve, she doesn't exactly react the way her parents were expecting. After all, no good curse goes to waste, and so until the age of twelve, Harriet realizes she's . . . invincible! Of

courses, there is still that whole curse thing, but she'll worry about that later.

Rapunzel escapes her tower-prison all on her own, only to discover a world beyond what she'd ever known before.

Determined to rescue her real mother and to seek revenge on her kidnapper would-be mother, Rapunzel and her very long braids team up with Jack (of Beanstalk fame) and together they perform daring deeds and rescues all over the western landscape, eventually winning the justice they so well deserve.

"A girl from the forest enlists

An enchanting underground world hides sinister secrets in this YA fantasy from award-winning author Frances Hardinge. In the underground city of Caverna, the world's most skilled craftspeople

toil in the darkness to create delicacies beyond compare—wines that remove memories, cheeses that make you hallucinate, and perfumes that convince you to trust the wearer, even as he slits your throat. On the surface, the people of Caverna seem ordinary, except for one thing: their faces are as blank as untouched snow. Expressions must be learned, and only the famous Facesmiths can teach a person to express (or fake) joy, despair, or fear—at a steep price. Into this dark and distrustful world comes Neverfell, a girl with no memory of her past and a face so terrifying to those around her that she must wear a mask at all times. Neverfell's expressions are

as varied and dynamic as those of the most skilled Facesmiths, except hers are entirely genuine. And that makes her very dangerous indeed . . .

Princess Margaret aroused passion and indignation in equal measures. To her friends, she was witty and regal. To her enemies, she was rude and demanding. In her 1950's heyday, she was seen as one of the most glamorous and desirable women in the world. By the time of her death, she had come to personify disappointment. One friend said he had never known an
