Discover the white-hot fantasy romance that broke all the rules, where a fierce woman with powerful hidden magic goes toe-to-toe with the alpha warlord who abducted her...only to steal her heart. KINGDOMS WILL RISE AND FALL FOR HER... Cat Fisa isn't who she pretends to be. She's perfectly content living disguised as a soothsayer in a traveling circus, avoiding the destiny the Gods—and her dangerous family—have saddled her with. As far as she's concerned, the magic humming within her blood can live and die with her. She won't be a pawn in anyone's game. But then she locks eyes with an ambitious warlord from the magic-deprived south and her illusion of safety is shattered forever. Griffin knows Cat is the Kingmaker—the woman who divines truth through lies—and he wants her to be a powerful weapon for his newly conquered realm. Kidnapping her off the street is simple enough, but keeping the fierce beauty by his side is infuriatingly tough. Cat fights him at every turn, showing a ferocity of spirit that burns hot...and leaves him desperate for more. But can he ever hope to prove to his once-captive that he wants her there by his side as his equal, his companion...and maybe someday, his Queen? Get ready to burn: This romantic fantasy reads like the fiercest fairytale and includes a protective alpha warlord, enemies who become so much more, high

action, humor, heat, and a dangerous world where mythical creatures hide. Readers will want to return to this fantasy world again and again in its sequels A Breath of Fire and Heart on Fire.

Uncover a riveting story of palace intrigue set in a sumptuous Asian-inspired fantasy world in the breakout YA novel that Publisher's Weekly calls "elegant and adrenaline-soaked." In this richly developed fantasy, Lei is a member of the Paper caste, the lowest and most persecuted class of people in Ikhara. She lives in a remote village with her father, where the decade-old trauma of watching her mother snatched by royal guards for an unknown fate still haunts her. Now, the guards are back and this time it's Lei they're after -- the girl with the golden eyes whose rumored beauty has piqued the king's interest. Over weeks of training in the opulent

but oppressive palace, Lei and eight other girls learns the skills and charm that befit a king's consort. There, she does the unthinkable: she falls in love. Her forbidden romance becomes enmeshed with an explosive plot that threatens her world's entire way of life. Lei, still the wide-eyed country girl at heart, must decide how far she's willing to go for justice and revenge.

A homebody's worst nightmare! Three years into her life as a shut-in, vampire Terakomari Gandesblood (Komari for short), awakens to find she's been appointed as a Commander in the Mulnite Imperial Army! The thing is, her new unit consists solely of belligerent ruffians who revolt against their superiors at the slightest hint of weakness. Although Komari hails from a line of vampires as powerful as they are prestigious, her refusal to drink blood has made her the picture of mediocrity—scrawny, un-coordinated, and inept at magic. With the odds stacked against her, will the help of her trusty (and slightly infatuated) maid Vill be enough for this recluse to blunder her way to success? Or will Komari rue the day she ever left the safety of her room?

The Island Princess

Made Into an Opera, as it is Performed at the Theatre Royal

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their

Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery

High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.
