*A Down-to-Earth Approach James Henslin shares the excitement of sociology in Essentials of Sociology: A Down-to-Earth Approach, 11/e. With his acclaimed "down-to-earth" approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include: comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching a learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series. Revel from Pearson is a new learning experience designed for the way today's students read, think, and learn. Revel redesigns familiar and respected course content and enriches it for today's students with new dynamic, rich-media interactives and assessments. The result is improved student engagement and improved learning. Revel for Henslin will be available for Fall 2014 classes. #1 Wall Street Journal Bestseller Instant New York Times Bestseller A game-changing approach to marketing, sales, and advertising. Seth Godin has taught and inspired millions of entrepreneurs, marketers, leaders, and fans from all walks of life, via his blog, online courses, lectures, and bestselling books. He is the inventor of countless ideas that have made their way into mainstream business language, from Permission Marketing to Purple Cow to Tribes to The Dip. Now, for the first time, Godin offers the core of his marketing wisdom in one compact, accessible, timeless package. This is Marketing shows you how to do work you're proud of, whether you're a tech startup founder, a small business owner, or part of a large corporation. Great marketers don't use consumers to solve their company's problem; they use marketing to solve other people's problems. Their tactics rely on empathy, connection, and emotional labor instead of attention-stealing ads and spammy email funnels. No matter what your product or service, this book will help you reframe how it's presented to the world, in order to meaningfully connect with people who want it. Seth employs his signature blend of insight, observation, and memorable examples to teach you: \* How to build trust and permission with your target market. \* The art of positioning--deciding not only who it's for, but who it's not for. \* Why the best way to achieve your goals is to help others become who they want to be. \* Why the old approaches to advertising and branding no longer work. \* The surprising role of tension in any decision to buy (or not). \* How marketing is at its core about the stories we tell ourselves about our social status. You can do work that matters for people who care. This book shows you the way. Never HIGHLIGHT a Book Again! Kotler On Marketing

Marketing Insights from A to Z

You Can't Be Seen Until You Learn to See

***The most renowned figure in the world of marketing offers the new rules to the game for marketing professionals and business leaders alike In Marketing Insights from A to Z, Philip Kotler, one of the undisputed fathers of modern marketing, redefines marketing's fundamental concepts from A to Z, highlighting how business has changed and how marketing must change with it. He predicts that over the next decade marketing techniques will require a complete overhaul. Furthermore, the future of marketing is in company-wide marketing initiatives, not in a reliance on a single marketing department. This concise, stimulating book relays fundamental ideas fast for busy executives and marketing professionals. Marketing Insights from A to Z presents the enlightened and well-informed musings of a true master of the art of marketing based on his distinguished forty-year career in the business. Other topics include branding, experiential advertising, customer relationship management, leadership, marketing ethics, positioning, recession marketing, technology, overall strategy, and much more. Philip Kotler (Chicago, IL) is the father of modern marketing and the S. C. Johnson and Son Distinguished Professor of International Marketing at Northwestern University's Kellogg Graduate School of Management, one of the definitive marketing programs in the world. Kotler is the author of twenty books and a consultant to nonprofit organizations and leading corporations such as IBM, General Electric, Bank of America, and AT&T.***

***An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.***
