This book edited by Biblical scholar Stephen Merrill attempts to harmonize these disparate writings into one continuous document. The history contained in the Books of Kings and the Books of Chronicles is rearranged into a single chronological order. Beginning with the deaths of the prophet Samuel and King David, the narrative presents the rise and fall of the twin kingdoms of Israel and Judah. Throughout the

this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

Christians sometimes approach the Old Testament with a mixture of awe and bewilderment, knowing that it contains pearls of wisdom, but unsure how to dive for them ... especially when it comes to the Prophets. In The Message of the Prophets, author J. Daniel Hays offers a scholarly, yet readable and student-friendly survey of the Old Testament prophetic

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

literature that presents the message of each prophet in its historical and its biblical context and then tracks that message through the New Testament to challenge readers with what it means for them today. Hays focuses on synthesizing the message of the prophets, which enables students to grasp the major contours of the prophetic books clearly and concisely. Hundreds of colorful pictures help to illustrate the historical and cultural background of the prophets. After identifying what the message meant for ancient Israel, Hays helps the readers to move toward theological

The Old Testament is a formidable book, a historic journey moving from creation, through the time of Noah and the flood to Abraham and his descendants, Moses and the children of Israel, high priests, judges, kings, and the spoken words of God through the prophets. In my studies of the books of the Old Testament, I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations. I wrote this book to summarize the main points, from Genesis to Malachi, and to provide the historical elements such as dates to tie the story to historical

Testament Servants Of God
Beyond The Pulpit

settings and events. I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings. Most of the books of the Old Testament are prophetic. There were approximately eight hundred prophecies in the Old Testament; and a large portion, approximately six hundred, have been fulfilled. There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled. My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God, who we are to Him, why we are here, and to discover His wonderful pathway leading to eternal life. I

Beyond The Pulpit

want to reach those who are led to the Word of God and, upon opening up a Bible and reading a few pages, become discouraged by its vastness and disconnect of such long-ago times. The Old Testament truly has a long but remarkable timeline of history, and I have endeavored to tie its writings accordingly, in a brief walk through these inspired books of the Word of God.

Will we ever know what the mighty prophets of God truly sounded like to his people? The answer, of course, is no, but esteemed author James Vasquez tells their stories in classical poetry, presenting their messages in a clear and memorable tone. There is strength in well-

It is easy to think of Christian ministry as an exercise of our gifts or even finding fulfillment for ourselves. In God's Prophet, God's Servant, John Goldingay examines the portrait of a prophet's ministry found in Jeremiah and the portrait of a servant's ministry in Isaiah 40-55, showing us that in both cases, God calls us to a deeper and more demanding view of ministry.

Writing in a conversational rather than a scholarly tone, Paul Redditt assumes little or no prior knowledge

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

of the Old Testament as he presents and introduces the Major and Minor Prophets in the canonical order of the English Bible. The chapters of Redditt's Introduction to the Prophets discuss the place of each book in the canon; the literary setting of each book; their structure, integrity, and authorship; the main genre(s) in each; special features of each book; basic emphases of each book; and problems -- theological, literary, or historical -- raised by a study of the book. Among other things, Redditt demonstrates that the prophets were both "foretellers" and "forthtellers," and he argues that the Old Testament prophets developed the concept of monotheism. Each chapter ends with questions for further reflection. Concluding the volume are a helpful glossary and several

challenges with faith.

The writings of the prophets make up over a quarter of the Old Testament. But perhaps no other portion of the Old Testament is more misunderstood by readers today. For some, prophecy conjures up knotted enigmas, opaque oracles and terrifying visions of the future. For others it raises expectations of a plotted-out future to be reconstructed from disparate texts. And yet the prophets have imprinted the language of faith and imagination with some of its most sublime visions of the future - nations streaming to Zion, a lion lying

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

with a lamb, and endlessly fruiting trees on the banks of a flowing river. We might view the prophets as stage directors for Israel's unfolding drama of redemption. Drawing inspiration from past acts in that drama and invoking fresh words from its divine author, these prophets speak a language of sinewed poetry, their words and images arresting the ear and detonating in the mind. For when Yahweh roars from Zion and thunders from Jerusalem, the pastures of the shepherds dry up, the crest of Carmel withers, and the prophetic word buffets those selling the

need for a pair of sandals. The Dictionary of the Old Testament: Prophets is the only reference book of its kind. Not only does it focus exclusively on the prophetic books; it also plumbs their imagery of mountains and wilderness, flora and fauna, temple and Zion. It maps and guides us through topics such as covenant and law, exile and deliverance, forgiveness and repentance, and the Day of the Lord. Here the nature of prophecy is searched out in its social, historical, literary and psychological dimensions as well as its synchronic spread of textual links and associations.

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

And the formation of the prophetic books into their canonical collection, including the Book of the Twelve, is explored and weighed for its significance. Then too, contemporary approaches such as canonical criticism, conversation analysis, editorial/redaction criticism, feminist interpretation, literary approaches and rhetorical criticism are summed up and assayed. Even the afterlife of these great texts is explored in articles on the history of interpretation as well as on their impact in the New Testament.

The Threshing Floor takes a

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

look at current events through the lens of Bible prophecy. The Bible instructs us many times to watch and be ready for the Lord's return. In this book I attempt to identify the signs that we are to watch for, as well as the ways we are to prepare ourselves for the Lord's return. In addition, I look at how we are to act and react towards a government system that is stripping Christian believers of their freedoms to worship and obey God in sharing the gospel of Christ. I interpret prophecy primarily through three methods. First, I look at past precedents for how ancient prophecies have been

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

fulfilled. The literal fulfillment of prophecies pointing to Christ's first coming indicate there will be a literal fulfillment of end time prophecies. In this book I link Old Testament prophecies with New Testament prophecies in a logical way so that they are relevant and understandable today. Secondly, I interpret prophecy by looking at the big picture of history from God's view point. The Bible reveals the witnesses of God from the beginning of time to the establishment of His eternal kingdom. I identify the different groups through history and the process which God uses in

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

choosing His servants. God follows a three step process where He identifies His servants, prepares them to serve, and finally commissions His servant to go out into the world. Through this process, God always gives His servants promises with conditions attached. In this book, I identify the promises and the conditions of God along with when they will be fulfilled in God's time frame. The third way that I interpret prophecy is by understanding the main message behind the imagery in the writings of the prophets. Future events depicted through imagery always reveal the

Read Free Prophets Old Testament Servants Of God Beyond The Pulpit

fulfillment of the past promises to the servants of God. When we don't understand what the imagery of a passage of scripture is revealing, we must search for the past promises in the word of God. By using this three step process, we can understand what the message of Bible prophecy is for us today as we near the fulfillment of many of the promises of God. As God's servant witnesses, I invite you to open your Bible and your mind as we journey through the maze of Biblical prophecies and discover how they relate to us in these turbulent times.
