

Psychic Surveys Book Two Rise To Me A Gripping Supernatural Thriller

Adolescenceâ€™beginning with the onset of puberty and ending in the mid-20sâ€™is a critical period of development during which key areas of the brain mature and develop. These changes in brain structure, function, and connectivity mark adolescence as a period of opportunity to discover new vistas, to form relationships with peers and adults, and to explore one’s developing identity. It is also a period of resilience that can ameliorate childhood setbacks and set the stage for a thriving trajectory over the life course. Because adolescents comprise nearly one-fourth of the entire U.S. population, the nation needs policies and practices that will better leverage these developmental opportunities to harness the promise of adolescenceâ€™rather than focusing myopically on containing its risks. This report examines the neurobiological and socio-behavioral science of adolescent development and outlines how this knowledge can be applied, both to promote adolescent well-being, resilience, and development, and to rectify structural barriers and inequalities in opportunity, enabling all adolescents to flourish.

The Weight of the Soul is the eighth in the bestselling Psychic Surveys series, that feature plot twists, compelling characters and a mystery at its dark heart. Perfect for fans of Stephen King, Darcy Coates, CJ Tudor and James Herbert. Life may have moved on to new challenges for Ruby Davis, now being a mother to baby Hendrix, but she’s back at the helm of Psychic Surveys, her spiritual domestic clearance company, and the cases just keep getting stranger. A new client, Carrie-Ann Kendall, has suffered an accident at sea, one that - according to her - she shouldn’t have survived. Visiting a clairvoyant who is apparently terrified by her presence, only confirms this notion. It is now up to Ruby and the team to find out whether she has cheated death. If so, what are the consequences, and for how long? Leon Vasilescu is the clairvoyant, now missing since encountering Carrie-Ann, and whom Psychic Surveys must track down. But in doing so, they will encounter another danger, one that is far more personal to Ruby and her mother Jessica, that could have them facing death too. Set in the Highlands of Scotland, Jessamine is a rich brooding romance with a hint of the paranormal.

Cast from their home country by religious intolerance, the Pilgrims’ harrowing voyage to the New World was filled with hardships. But through it all they persisted, motivated by the promise of a better life in which they could gather and worship God in their own ways. A collection of ragtag ships carried them across the ocean, among them The Mayflower. Crammed into the ship’s hull, 102 people made this most famous pilgrimage. Besieged by illness and Indians and, many of them believed, witches, the Pilgrims eventually flourished, building up colonies and establishing their own rules for the practice of religion. Here is their dramatic story.

Table of Contents Introduction Growing Olives Olive Propagation Popular Varieties Table and Mill Olives Soil Conditions Soil Moisture Pruning Harvesting of the Fruit Olives for Taste Extracting Olive Oil Conclusion Author Bio Publisher Introduction If you have been reading the ancient holy books, you may find references to the groves of Olives and flourishing olive trees. Olives have long been a part of human social tradition, and they have been cultivated in gardens since time immemorial. It was believed that olives could not flourish in lands, which were 35 miles away from the sea, because they needed a special type of climate. But that is not really true, because you can grow an olive tree, in a place, where there is plenty of water, where the winters are mild and in areas with Mediterranean climates. The native olive tree - Olea europaea - is considered to be a Mediterranean plant, because after all the ancient Romans and the Greeks used olive leaves as an important symbol - especially of peace. Holding out an olive branch meant PAX and not war. Even the gods blessed the olive tree, and allowed it to flourish on their land, making it prosperous through the sale of olives! Archaeological surveys in Jordan on sites going back more than 5000 years have found domesticated olives in abundance. So is it a surprise that a garden without an olive tree would be considered to be incomplete even in those ancient days. Apart from using olives in a diet, olive oil was also used since ancient times for cooking purposes. Apart from that, olive oil was used as a healthy massage oil by Romans, Babylonians, Egyptians, and other ancient civilizations in ancient times.

After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic selfdefense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century.

From agriculture to big business, from medicine to politics, The Cigarette Century is the definitive account of how smoking came to be so deeply implicated in our culture, science, policy, and law. No product has been so heavily promoted or has become so deeply entrenched in American consciousness. The Cigarette Century shows in striking detail how one ephemeral (and largely useless) product came to play such a dominant role in so many aspects of our lives—and deaths.

The Complete Psychic Surveys Companion Novels – Books 1–3 Please note, these are standalone short novels that feed into the bestselling Psychic Surveys series. Book One: Blakemort"That house, that damned house. Will it ever stop haunting me?"After her parents' divorce, five-year old Corinna Greer moves into Blakemort with her mother and brother. Set on the edge of the village of Whitesmith, the only thing attractive about it is the rent. A 'sensitive', Corinna is aware from the start that something is wrong with the house. Very wrong.Christmas is coming but at Blakemort that's not something to get excited about. A house that sits and broods, that calculates and considers, it's then that it lashes out – the attacks endured over five years becoming worse. There are also the spirits, some willing residents, others not. Amongst them a boy, a beautiful, spiteful boy...Who are they? What do they want? And is Corinna right when she suspects it's not just the dead the house traps but the living too?Book Two: ThirteenWhat happened all those years ago, in the dark?In 1977, Minch Point Lighthouse on Skye's most westerly tip was suddenly abandoned by the keeper and his family – no reason ever found. In the decade that followed, it became a haunt for teenagers on the hunt for thrills. Playing Thirteen Ghost Stories, they'd light thirteen candles, blowing one out after every story told until only the darkness remained. In 1987, following her success working on a case with Sussex Police, twenty-five year old psychic, Ness Patterson, is asked to investigate recent happenings at the lighthouse. Local teen, Ally Dunn, has suffered a breakdown following time spent there and is refusing to speak to anyone. Arriving at her destination on a stormy night, Ness gets a terrifying insight into what the girl experienced. The case growing ever more sinister, Ness realises: some games should never be played. Book Three: RosamundCould you find your way through Hell?Ruby Davis runs Psychic Surveys, a high street company specialising in domestic spiritual clearance. A disturbing in-depth exposé of the antidemocratic practices of despotic governments now sweeping the world. One day they’ll be like us. That was once the West’s complacent and self-regarding assumption about countries emerging from poverty, imperial rule, or communism. But many have hardened into something very different from liberal democracy: what the eminent political thinker John Keane describes as a new form of despotism. And one day, he warns, we may be more like them. Drawing on extensive travels, interviews, and a lifetime of thinking about democracy and its enemies, Keane shows how governments from Russia and China through Central Asia to the Middle East and Europe have mastered a formidable combination of political tools that threaten the established ideals and practices of power-sharing democracy. They mobilize the rhetoric of democracy and win public support for workable forms of government based on patronage, dark money, steady economic growth, sophisticated media controls, strangled judiciaries, dragnet surveillance, and selective violence against their opponents. Casting doubt on such fashionable terms as dictatorship, autocracy, fascism, and authoritarianism, Keane makes a case for retrieving and refurbishing the old term “despotism” to make sense of how these regimes function and endure. He shows how they cooperate regionally and globally and draw strength from each other’s resources while breeding global anxieties and threatening the values and institutions of democracy. Like Montesquieu in the eighteenth century, Keane stresses the willing complicity of comfortable citizens in all these trends. And, like Montesquieu, he worries that the practices of despotism are closer to home than we care to admit.

Il fantasma di Poveglia

A Psychic Surveys Companion Novella

The multi-genre #1 Amazon Bestseller! "If you've ever watched Ghost Whisperer and enjoyed it, then you will love this series."~ Paranormal Romance Guild "Good morning, Psychic Surveys. How can I help?" The latest in a long line of psychically-gifted females, Ruby Davis can see through the veil that separates this world and the next, helping grounded souls to move towards the light - or 'home' as Ruby calls it. Not just a job for Ruby, it's a crusade and one she wants to bring to the High Street. Psychic Surveys is born. Based in Lewes, East Sussex, Ruby and her team of freelance psychics have been kept busy of late. Specialising in domestic cases, their solid reputation is spreading - it's not just the dead that can rest in peace but the living too. All is threatened when Ruby receives a call from the irate new owner of Highdown Hall. Film star Cynthia Hart is still in residence, despite having died in 1958. Winter deepens and so does the mystery surrounding Cynthia. She insists the devil is blocking her path to the light long after Psychic Surveys have 'disproved' it. Investigating her apparently unblemished background, Ruby is pulled further and further into Cynthia's world and the darkness that now inhabits it. For the first time in her career, Ruby's deepest beliefs are challenged. Does evil truly exist? And if so, is it the most relentless force of all?

The author presents his perspectives and personal experiences on mentalism and how it can be used to tap into the mind's hidden powers.

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

*From SHANI STRUTHERS, author of the #1 bestselling, THE HAUNTING OF HIGHDOWN HALL. "Her writing is fantastic, her prose tight and realistic with enough description of surroundings and characters to completely submerge the reader into the world she has created." – Carol Oates, author Rise To Me, the second instalment in the popular PSYCHIC SURVEYS series. "This isn't a ghost we're dealing with. If only it were that simple..." Eighteen years ago, when psychic Ruby Davis was a child, her mother - also a psychic - suffered a nervous breakdown. Ruby was never told why. "It won't help you to know," the only answer ever given. Fast forward to the present and Ruby is earning a living from her gift, running a high street consultancy - Psychic Surveys - specialising in domestic spiritual clearance. Boasting a strong track record, business is booming. Dealing with spirits has become routine but there is more to the paranormal than even Ruby can imagine. Someone - something - stalks her, terrifying but also strangely familiar. Hiding in the shadows, it is fast becoming bolder and the only way to fight it is for the past to be revealed - no matter what the danger. When you can see the light, you can see the darkness too. And sometimes the darkness can see you. ~~~ The Psychic Surveys series: Psychic Surveys Prequel: Eve - A Christmas Ghost Story Psychic Surveys Book One: The Haunting of Highdown Hall Psychic Surveys Book Two: Rise to Me Psychic Surveys Book Three: 44 Gilmore Street * Only EVE is a standalone story. Psychic Surveys Book Three

The Lonely American

A Psychic Surveys Companion Novel (Book Three)

The human race was expanding through the galaxy . . . and so, they knew, were the Aliens. When two expanding empires meet . . . war is inevitable. Or is it . . . ?

"It has a magical feel and is a book that you may find yourself staying up late to finish." ~ Arkgirl, Vine Voice A haunting read from SHANI STRUTHERS, author of the Amazon #1 bestselling, THE HAUNTING OF HIGHDOWN HALL. "The dead of night, Jess, I wish they'd leave me alone." Jessamin Wade's husband is dead - a death she feels wholly responsible for. As a way of coping with her grief, she keeps him 'alive' in her imagination - talking to him everyday, laughing with him, remembering the good times they had together. She thinks she will 'hear' him better if she goes somewhere quieter, away from the hustle and bustle of her hometown, Brighton. Her destination is Glenek in the Highlands of Scotland, a region her grandfather hailed from and the subject of a much-loved painting from her childhood. Arriving in the village late at night, it is a bleak and forbidding place. However, the house she is renting - Skye Croft - is warm and welcoming. Quickly she meets the locals. Her landlord, Fionnlagh Maccallin, is an ex-army man with obvious and not so obvious injuries. Maggie, who runs the village shop, is also an enigma, startling her with her strange 'insights'. But it is Stan she instantly connects with. Maccallin's grandfather and a frail, old man, he is grief-stricken from the recent loss of his beloved Beth. All four are caught in the past. All four are unable to let go. Their lives entwining in mysterious ways, can they help each other to move on or will they always belong to the ghosts that haunt them? From the author of the bestselling PSYCHIC SURVEYS series. ~~~ The Psychic Surveys series: Psychic Surveys Prequel: Eve - A Christmas Ghost Story Psychic Surveys Book One: The Haunting of Highdown Hall Psychic Surveys Book Two: Rise to Me Psychic Surveys Book Three: 44 Gilmore Street Psychic Surveys Book Four: Old Cross Cottage COMING SOON Psychic Surveys Companion Novellas: Eve: A Christmas Ghost Story Blakemort * Only EVE and BLAKEMORT are standalone stories. The main PSYCHIC SURVEYS books are all follow-ups!*

From the bestselling author of the bestselling Psychic Surveys and This Haunted World series, comes a Christmas ghost story to chill your bones! A renovation. In the countryside. Just over an hour's train ride from London. An ideal family home. Sold unseen. At auction. Married couple, Al and Liz Greenaway, love London, but when they discover an impressive country property for sale, in need of some TLC, for the same price as their London flat, they decide to go for it. For them, life is all about reinventing themselves, keeping things fresh, and this house marks an exciting new chapter. In the week running up to Christmas, it is Liz who finds herself at Carfax House, alone. Al's held up with work. No matter, there's plenty to occupy her before he arrives, getting it ready for the festive season. A fine house. Once. Solitary, romantic, isolated, and quiet. So quiet that, for the first time in years, Liz can hear her own thoughts as long buried memories emerge. And there's an echo in them, a whisper... For someone else in the house, memories are emerging too.

"We all have to face our demons at some point." Psychic Surveys - specialists in domestic spiritual clearance - have never been busier. Although exhausted, Ruby is pleased. Her track record as well as her down-to-earth, no-nonsense approach inspires faith in the haunted, who willingly call on her high street consultancy when the supernatural takes hold. But that's all about to change. Two cases prove trying: 44 Gilmore Street, home to a particularly violent spirit, and the reincarnation case of Elisha Grey. When Gilmore Street attracts press attention, matters quickly deteriorate. Dubbed the 'New Enfield', the 'Ghost of Gilmore Street' inflames public imagination, but as Ruby and the team fall repeatedly to evict the entity, faith in them wavers. Dealing with negative press, the strangeness surrounding Elisha, and a spirit that's becoming increasingly territorial, Ruby's at breaking point. So much is pushing her towards the abyss, not least her own past. It seems some demons just won't let go... Shani Struthers is the author of AMAZON INTERNATIONAL BESTSELLER: Psychic Surveys Book One: The Haunting of Highdown Hall and Psychic Surveys Book Two: Rise to Me. There is also a prequel to the series: Eve: A Christmas Ghost Story. All are available on Amazon.

The New Despotism
A truly haunting supernatural thriller! From the author of the popular Psychic Surveys series, comes a series of STANDALONE novels, set in and around THE WORLD'S MOST HAUNTED PLACES. In Book One discover Venice, 'the world's most haunted city' and Poveglia, in the Venetian Lagoon, 'the world's most haunted island'. In Book Two, travel to Pennsylvania for a stay at The Egress Hotel. In Book Three, visit London's most haunted cemetery, Highgate. In Book Four, discover Rohaise! Two women, centuries apart, united by one thing: obsession. Kenna Jackson is stressed. London is sucking the life out of her and there's no way to escape the rat race. Or is there? When an opportunity presents itself out of the blue, she decides to take it. After all, it's change she craves. Drumlin Castle has stood for ten centuries and no doubt will stand for ten more. Set in the heart of the Aberdeenshire countryside, it's witnessed the best of life...and the worst. Not much is known of Rohaise, who once lived there, only that she was a fiery redhead, the mistress of the Laird, and that she lost her life defending both him and the castle. As Kenna settles into her new role as Drumlin's manager, she becomes more and more intrigued with Rohaise, determined to flesh out this mysterious figure from a bygone age. The past, though, as she's about to learn, can be hell. Proxy wars represent a perennial strand in the history of conflict. The appeal of ‘warfare on the cheap’ has proved an irresistible strategic allure for nations through the centuries. However, proxy wars remain a missing link in contemporary war and security studies. In this timely book Andrew Mumford sheds new light on the dynamics and lineage of proxy warfare from the Cold War to the War on Terror, whilst developing a cogent conceptual framework to explain their appeal. Tracing the political and strategic development of proxy wars throughout the last century, they emerge as a dominant characteristic of contemporary conflict. The book ably shows how proxy interventions often prolong existing conflicts given the perpetuity of arms, money and sometimes proxy fighters sponsored by third party donors. Furthermore, it emphasizes why, given the direction of the War on Terror, the rise of China as a global power, and the prominence now achieved by non-state actors in the ‘Arab Spring’, the phenomenon of proxy warfare is increasingly relevant to understandings of contemporary security. Proxy Warfare is an indispensable guide for students and scholars interested in the evolution and potential future direction of war and conflict in the modern world.

A supernatural thriller, *Old Cross Cottage* is the fourth book in the bestselling *Psychic Surveys* series.

This book comes directly from the heart and spirit. The two go hand-in-hand. Inside the cover holds poems of evil, heartbreak, death, love and light. Each poem is unique in its own way. Get ready for a journey through some of life's hidden secrets.

From SHANI STRUTHERS, the bestselling author of the first in the series, *THE HAUNTING OF HIGHDOWN HALL*. "This isn't a ghost we're dealing with. If only it were that simple..." "Eighteen years ago, when psychic Ruby Davis was a child, her mother - also a psychic - suffered a nervous breakdown. Ruby was never told why. "It won't help you to know," the only answer ever given. Fast forward to the present and Ruby is earning a living from her gift, running a high street consultancy - Psychic Surveys - specialising in domestic spiritual clearance.Boasting a strong track record, business is booming. Dealing with spirits has become routine but there is more to the paranormal than even Ruby can imagine. Someone - something - stalks her, terrifying but also strangely familiar. Hiding in the shadows, it is fast becoming bolder and the only way to fight it is for the past to be revealed - no matter what the danger. When you can see the light, you can see the darkness too.And sometimes the darkness can see you.

Girls of Paper and Fire meets A Song of Wraiths and Ruin in June CL Tan's stunning debut, where ferocious action, shadowy intrigue, rich magic, and a captivating slow-burn romance collide. In an empire on the brink of war . . . Ahn is no one, with no past and no family. Altan is a lost heir, his future stolen away as a child. When they meet, Altan sees in Ahn a path to reclaiming the throne. Ahn sees a way to finally unlock her past and understand her lethal magical abilities. But they may have to pay a far deadlier price than either could have imagined. A stunning homage to the Xianxia novel with dangerous magic, fast-paced action, and a delightful romance, *Jade Fire Gold* isn't one to miss! "An addictive story that is impossible to put down." —Swati Teerdhala, author of *The Tiger at Midnight* series "Adventure at its finest. A beautifully rendered story that honors the great wuxia epics." —Joan He, author of *Descendant of the Crane and The Ones We're Meant to Find* "An epic adventure!" —Elizabeth Lim, New York Times bestselling author of *Spin the Dawn* and *So This Is Love* "Epic in every sense of the word, beautiful as it is sweeping." —Roseanne A. Brown, New York Times bestselling author of *A Song of Wraiths and Ruin*

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

Dumped by her hotshot boyfriend and boss, Layla Lewis quits her job and heads to Treccaste in North Cornwall to house-sit for a friend-of-a-friend. Treccaste isn't new to her; it's a place where she holidayed regularly with her now-estranged mother. It's also the home of Hannah McKenzie, her childhood friend. Hannah has tempted her with a place to live and a job in the local pub. Needing time to nurse her battered heart and escape her "real life" for a year, Layla accepts. Hannah is a talented artist as well as a barmaid. She lives in the village center with her boyfriend Jim, a singer in a local band. They are happy together, or as happy as they can be, considering. Hannah loves Jim, but there is someone she loves more and it's pushing them to breaking point. Meanwhile, back in Brighton, Layla's fiery yet loyal friend Penny seeks revenge on her behalf, sending a forged email that could damage her ex's business prospects. Penny wonders if she has gone too far but is soon preoccupied with her own problems: the sizzle has fizzled in her marriage, and she feels neglected. After getting frisky with Dylan one night, she confesses all to her husband-and he's been like ice ever since. Over the course of a year, there is laughter and heartache as all three endeavor to reign in their tumultuous love lives-discovering you can run all you like, but if it's love you're up against, true love, good things can only happen when you stand your ground.

The second book in the popular Psychic Surveys series gets much darker! Ruby Davis, owner of the high street business, Psychic Surveys, must face the demons from her past if she is to ever have a future.

In today's world, it is more acceptable to be depressed than to be lonely-yet loneliness appears to be the inevitable byproduct of our frenetic contemporary lifestyle. According to the 2004 General Social Survey, one out of four Americans talked to no one about something of importance to them during the last six months. Another remarkable fact emerged from the 2000 U.S. Census: more people are living alone today than at any point in the country's history—fully 25 percent of households consist of one person only. In this crucial look at one of America's few remaining taboo subjects—loneliness—Drs. Jacqueline Olds and Richard S. Schwartz set out to understand the cultural imperatives, psychological dynamics, and physical mechanisms underlying social isolation. In The Lonely American, cutting-edge research on the physiological and cognitive effects of social exclusion and emerging work in the neurobiology of attachment uncover startling, sobering ripple effects of loneliness in areas as varied as physical health, children's emotional problems, substance abuse, and even global warming. Surprising new studies tell a grim truth about social isolation: being disconnected diminishes happiness, health, and longevity; increases aggression; and correlates with increasing rates of violent crime. Loneliness doesn't apply simply to single people, either—today's busy parents "cocoon" themselves by devoting most of their non-work hours to children, leaving little time for friends, and other forms of social contact, and unhealthily relying on the marriage to fulfill all social needs. As a core population of socially isolated individuals and families continues to balloon in size, it is more important than ever to understand the effects of a culture that idealizes busyness and self-reliance. It's time to bring loneliness—a very real and little-discussed social epidemic with frightening consequences-out into the open, and find a way to navigate the tension between freedom and connection in our lives.

C'è della follia in tutti noi ... 2015 Con un passato travagliato alle spalle, una coppia sposata, Rob e Louise visitano Venezia per la prima volta insieme, in cerca di un weekend rilassante. Non è solo una destinazione romantica, è anche la ‘città più infestata del mondo’ e presto Louise si ritrova nel mirino di un’entità che non riesce a comprendere, una ‘donna velata’ che la perseguita. 1938 Dopo aver sposato il giovane medico veneziano, Enrico Sanuto, Charlotte si trasferisce dall’Inghilterra a Venezia, piena di speranze per il futuro. La sua casa non è però in città, ma a Poveglia, nella laguna veneziana, dove viene messa a lavorare in un manicomio, occupandosi di coloro che la società respinge. Quando il vero orrore di ciò che la circonda si rivela, la speranza diventa polvere. Dai labirintici vicoli di Venezia ai tortuosi corridoi di Poveglia, i loro destini si intrecciano. La vendetta sta aspettando...

From the author of the bestselling Psychic Surveys series comes a Christmas ghost novella to chill your bones! Just what defines a haunting? On a strange island, amongst strangers, a strange tale unfolds... Beth Williams leads a lonely existence, going to work, then returning to her flat to watch TV, eat and sleep - the same routine on repeat, day after day. It's a loneliness she nurtures, finds comfort in even, except at Christmas, a time of dread. Then comes an invite, an offer from an old friend, to join him for 'The Damned Season' at his house on an island off the coast of Anglesey, for Christmas with a difference. Intrigued as well as desperate, Beth accepts, arriving there a few days before Christmas Eve. She's not the only one invited, however, there are four others, all strangers to each other, all crossing murky, choppy waters to meet their host, a much changed man that seems not only surprised to see them, but dismayed, and weary too. Who is nothing but a husk. With the boatman gone and the mist's closing in, Beth finds herself in a solitary house of ever-changing rooms and never-ending corridors, of people disappearing and then reappearing, of feasts and famine. And then there are the doors, constantly multiplying, and locked...aren't they? The Damned Season. It's coming. Reach for the Dead Book One

The Promise of Adolescence

Fall in love with a brand-new set of books from the author of the bestselling *Psychic Surveys* and *This Haunted World* series. *Reach for the Dead 2* due out Winter 2020.There is a doll... There is a legend...When museum curator Annie Hawkins walks into a diner in Idaho Falls, seeking the help of twenty-two-year-old Shady Groves with an old broken doll named Mandy, life takes a dramatic turn for both of them. Psychometry is the ability to sense or read the history of an object just by touching it, and Annie has heard Shady has this psychic ability.Mandy may look harmless, but Annie believes she's possessed and, after handling her, Shady can only agree. She feels tainted by the doll that now invades her thoughts and dreams, terrifying her. There's only one solution: to understand the doll, her history, what has possessed her, and why. Knowledge is power, Annie tells Shady. It's protection.The pair set off on a road trip-along with Shady's old high school friend Ray-one that will take them from Idaho into the depths of Canada, desperate to trace Mandy's past, to find out something, anything, about the demonic doll that accompanies them in the trunk of the car.The truth, when it comes, is far deadlier than any of them could have realized...

Before the myth, there was the truth. On a road trip to Baker City and the mountains of Oregon, Shady Groves, Ray Bartlett and their friends are looking forward to a few days' vacation. On the way, they make an unscheduled motel stop where Shady encounters Missy Davenport, the proprietor, an old photograph of Missy too, and her family, horror attached to it. Arriving in Baker City, they stay at the Grand Willmott before heading into the wilderness, another photograph down a gloomy corridor there, this time of ten men in animal masks, armed with pitchforks, so at odds with the hotel's luxury surroundings. Two photographs in less than 24-hours, both of which unsettle her. But is that the only connection? Piece by piece, Shady will find there's more to the photographs than she could ever imagine. And that creatures of myth and legend, hybrids, could be responsible for a spate of missing people, including Brandii Hadley, the most recent person from Baker City and the local area to disappear without trace. A snowstorm, a highway, a lonely hotel... When Caroline Daynes gets stuck in a snowstorm in Williamsfield, PA, an enforced stay at The Egress hotel leaves her changed forever.

Designing and Conducting Health Surveys is written for students, teachers, researchers, and anyone who conducts health surveys. This third edition of the standard reference in the field draws heavily on the most recent methodological research on survey design and the rich storehouse of insights and implications provided by cognitive research on question and questionnaire design in particular. This important resource presents a total survey error framework that is a useful compass for charting the dangerous waters between systematic and random errors that inevitably accompany the survey design enterprise. In addition, three new studies based on national, international, and state and local surveys—the UNICEF Multiple Indicator Cluster Surveys, California Health Interview Survey, and National Dental Malpractice Survey—are detailed that illustrate the range of design alternatives available at each stage of developing a survey and provide a sound basis for choosing among them.
