

After saving the Calgary Stampede from a potential terror attack in Glycerine, Detectives Lane and Li find themselves on the hunt yet again, this time following a pair of gruesome killers whose perfectly composed crime scenes match those of an inmate put away by Calgary Police years earlier. As more people come into the line of fire, Lane must team up with some unlikely new allies in order to crack the case. Meanwhile, with the birth of a new nephew, the happily chaotic Lane household must deal with the taciturn detective's estranged, fundamentalist family and their efforts to interfere in raising the child.

*Collected classic writings on, about, and from the formative years of the Italian-American experience, featuring fiction, nonfiction, poetry, and drama. To appreciate the life of the Italian immigrant enclave from the great heart of the Italian migration to its settlement in America requires that one come to know how these immigrants saw their communities as colonies of the mother country. Edited with extraordinary skill, Italoamericana: The Literature of the Great Migration, 1880-1943 brings to an English-speaking audience a definitive collection of classic writings on, about, and from the formative years of the Italian-American experience. Originally published in Italian, this landmark collection of translated writings establishes a rich, diverse, and mature sense of Italian-American life by allowing readers to see American society through the eyes of Italian-speaking immigrants. Filled with the voices from the first generation of Italian-American life, the book presents a unique treasury of long-inaccessible writing that embodies a literary canon for Italian-American culture—poetry, drama, journalism, political advocacy, history, memoir, biography, and story—the greater part of which has never before been translated. Italoamericana introduces a new generation of readers to the “Black Hand” and the organized crime of the 1920s, the incredible “pulp” novels by Bernardino Ciambelli, Paolo Pallavicini, Italo Stanco, Corrado Altavilla, the exhilarating “macchiette” by Eduardo Migliaccio (Farfariello) and Tony Ferrazzano, the comedies by Giovanni De Rosalia, Riccardo Cordiferro’s dramas and poems, the poetry of Fanny Vanzi-Mussini and Eduardo Migliaccio. Edited by a leading journalist and scholar, Italoamericana presents an important but little-known, largely inaccessible Italian-language literary heritage that defined the Italian-American experience. Organized into five sections—“Annals of the Great Exodus,” “Colonial Chronicles,” “On Stage (and Off-Stage),” “Anarchists, Socialist, Fascists, Anti-Fascists,” and “Apocalyptic Integrated / Integrated Apocalyptic Intellectuals” —the volume distinguishes a literary, cultural, and intellectual history that engages the reader in all sorts of archaeological and genealogical work. “An addition to the great tradition of Italian-American literature and culture, this anthology of fiction, poetry, plays memoir and articles features the writing of Italians in America, writing from the “Little Italys” of the period, in their mother tongue, and fills a huge gap in the canon. A sophisticated, critical look at the writings of Italian immigrants to America across all genres, includes social and political commentary, a long labor of love for American editor Robert Viscusi . . . . A massive work of extraordinary power, that while scholarly and comprehensive, will have wide appeal.” —Publishers Weekly*

*The Composer and His Works*

This guide to AS level music includes: ideas on how to integrate skills in understanding music with work in performing/composing; questions that students can use to check their understanding; summaries of the full specifications; and coverage of all the set works prescribed for the areas of study.

In the second edition of the definitive account of Igor Stravinsky's life and work, arranged in two separate sections, Eric Walter White revised the whole book, completing the biographical section by taking it up to Stravinsky's death in 1971. To the list of works, the author added some early pieces that have recently come to light, as well as the late compositions, including the Requiem Canticles and The Owl and the Pussycat. Four more of Stravinsky's own writings appear in the Appendices, and there are several important additions to the bibliography.
