A compilation of articles read in the Quaid-i-Azam International Seminar, held in December 1989.

“Every Pakistani from the youngest child to your eldest scholar should read this wonderful book Quotes from the Quaid with pride and joy. Each page contains at least one inspiring thought culled from the life’s work of your great leader, illuminating Quaid-e-Azam’s humane brilliance and the wisdom of his remarkable mind”, writes Professor Stanley Wolpert in his foreword to the book. The decision by the Ji

Sayings of Quaid-i-Azam Mohammad Ali Jinnah

The book covers the earliest days of Pakistan's existence and depicts a triumphant and determined yet frazzled Jinnah assuming the reins of the state he had founded. It describes all the major problems that Pakistan faced at its birth and shows how the infant nation reacted to those problems.

Quaid-i-Azam Mohammad Ali Jinnah emerged as the charismatic leader of the Muslims in British India during the cataclysmic decade of 1937-47. The Muslims faced a distressful situation as India advanced towards freedom. Jinnah came to their rescue, showed them a way out of the difficulties in a separate homeland of
Pakistan, and led them in their strenuous struggle for freedom and independence. This charismatic struggle is the subject of the book.

Quaid-i-Azam Muhammad Ali Jinnah

This is a first-hand account of the last days of the founder of Pakistan, the Quaid-i-Azam Mohammad Ali Jinnah written by Lt.-Col. Ilahi Bakhsh, a doctor of medicine, who was attending to Mohammad Ali Jinnah during his last illness. The narrative includes the author's conversations with M.A. Jinnah, together with an account of the author's diagnosis and treatment.

That Quaid-i-Azam Mohammad Ali Jinnah won Pakistan against impossible odds, is well known, but the real reasons for Jinnah's successes are not widely recognized. The suspicion lingers that his policies were communal and negative and that Pakistan was a mistake. The reason for this is that the critics of Pakistan have written more voluminously and powerfully than its defenders. This book convincingly shows that it was Mahatma Gandhi who first introduced religion into politics. This ultimately drove the Hindus and the Muslims irreconcilably apart and eventually convinced even Jinnah - who had won the accolade of being the Ambassador of Hindu-Muslim Unity - that his dream of a united India was nothing but a mirage.

Based on the concept of charisma formulated by Max Weber and developed by recent writers, this second revised edition concentrates on 'personality-related' and 'situational' factors that led to the emergence of Quaid-i-Azam Mohammad Ali Jinnah as the charismatic leader of Muslim India and sustained and strengthened him in that role to help create the separate state of Pakistan. While a few authors have dubbed Jinnah as a charismatic leader, hardly any one has defined or discussed the concept of charisma methodically or employed it systematically to analyse his charisma and charismatic leadership. In this sense, the present study is distinct and makes an original and unique contribution to the scholarly literature on Jinnah's political leadership. Dr Roger D. Long, a distinguished American historian on South Asia, thus acknowledged: 'Dr Hayat's analysis of Jinnah as a charismatic figure fills an important lacuna in the field'. Hence, this study will help interested, informed readers to see Jinnah in a new, fuller, and refreshing light. They will see a new Jinnah: The Charismatic Leader!
