Beginning in the 1950s Elena and Lila grow up in Naples, Italy, mirroring two different aspects of their nation.

From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Contempt is a brilliant and unsettling work by one of the revolutionary masters of modern European literature. All the qualities for which Alberto Moravia is justly famous—his cool clarity of expression, his exacting attention to psychological complexity and social pretension, his still-striking openness about sex—are evident in this story of a failing marriage. *Contempt* (which was to inspire Jean-Luc Godard's no-less-celebrated film) is an unflinching examination of desperation and self-deception in the emotional vacuum of modern consumer society.

Libretto *La Bohème* An Opera in Four Acts Libretto by G. Giacosa and L. Illica English Version by W. Grist and P. Pinkerton Music by Giacomo Puccini *La bohème* is an opera in four acts, composed by Giacomo Puccini to an Italian libretto by Luigi Illica and Giuseppe Giacosa, based on *Scènes de la vie de bohème* by Henri Murger. The world premiere performance of *La bohème* was in Turin on 1 February 1896 at the Teatro Regio, conducted by the young Arturo Toscanini. Since then, *La bohème* has become part of the standard Italian opera repertory and is one of the most frequently performed operas worldwide. In 1946, fifty years after the opera's premiere, Toscanini conducted a performance of it on radio with the NBC Symphony Orchestra. This performance was eventually released on records and on Compact Disc. It is the only recording of a Puccini opera by its original conductor According to its title page, the libretto of *La bohème* is based on Henri Murger's novel, *Scènes de la vie de bohème*, a collection of vignettes portraying young bohemians living in the Latin Quarter of Paris in the 1840s. Although usually called a novel, it has no unified plot. Like the 1849 play by Murger and Théodore Barrière, the opera's libretto focuses on the relationship between Rodolfo and Mimì, ending with her death. Also like the play, the libretto combines two characters from the novel, Mimì and Francine, into a single Mimì character. Early in the composition stage Puccini was in dispute with the composer Leoncavallo, who said that he had offered Puccini a completed libretto and felt that Puccini should defer to him. Puccini responded that he had had no idea of Leoncavallo's interest and that having been working on his own version for some time, he felt that he could not oblige him by discontinuing with the opera. Leoncavallo completed his own version in which Marcello was sung by a tenor and Rodolfo by a baritone. It was unsuccessful and is now rarely performed. Much of the libretto is original. The main plots of acts two and three are the librettists' invention, with only a few passing references to incidents and characters in Murger. Most of acts one and four follow the novel, piecing together episodes from various chapters. The final scenes in acts one and four—the scenes with Rodolfo and Mimì—resemble both the play and the novel. The story of their meeting closely follows chapter 18 of the novel, in which the two lovers living in the garret are not Rodolphe and Mimì at all, but rather Jacques and Francine. The story of Mimì's death in the opera draws from two different chapters in the novel, one relating Francine's death and the other relating Mimì's.

Ambientato durante la seconda guerra mondiale in un paese dell'Europa dell'Est, L'uccello dipinto è la storia di un bambino ebreo e della sua miracolosa ricerca della salvezza. Allo scoppio del conflitto la famiglia lo nasconde in un villaggio di campagna e lo affida alle cure di un'anziana bambinaia, sperando di risparmiargli le violenze dell'esercito invasore; ma dopo la morte della donna inizia per lui un solitario vagabondare nel tentativo di ricongiungersi ai genitori. Tra le atrocità dei soldati tedeschi e quelle dei contadini - che lo credono un ebreo o uno zingaro in possesso di poteri malefici - il bambino scoprirà sulla natura umana molto più di quanto la sua giovane età avrebbe dovuto consentirgli. Fin dalla sua uscita, nel 1965, L'uccello dipinto destò scalpore su entrambi i lati della Cortina di Ferro, divenendo uno dei libri più controversi nell'era della guerra fredda. Cinquant'anni dopo, caduto il velo delle ideologie, questo romanzo insieme autobiografico e universale continua a parlarci, con il coraggio e l'eloquenzadei grandi classici, del problema della libertà individuale e della violenza della società. Con una introduzione dell'autore.

Based on the notorious 1924 Leopold-Loeb murder case. Brilliant attorney Clarence Darrow defended two wealthy Chicago teenagers who thought their superior intellect would enable them to execute the perfect crime. Darrow's history-making and controversial defense against capital punishment saved the boys from a death sentence.

Althusser and Law is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to Althusser and Law argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

The legendary author's essays and interviews explore how fellow writers from Milan Kundera to Edna O'Brien are influenced by time, place, and politics. Writers are often deeply influenced by the time and place in which they live and write. In Shop Talk, Philip Roth, winner of a National Book Award, a Pulitzer Prize, and numerous other literary honors, explores the intimate relationship a writer's experience has with his or her work. In a series of essays, Roth recounts his intellectual encounters with writers, discussing with them the diverse regions from which they hail and pondering the influence of locale, politics, and history on their work. Featuring luminaries such as Milan Kundera discussing Czechoslovakia; Primo Levi talking about Auschwitz; Edna O'Brien reflecting on Ireland; Isaac Bashevis Singer tackling Warsaw; Aharon Appelfeld on Bukovina; and Ivan Klíma on Prague, Roth's conversations touch on the conditions that inspire great art, with artists as attuned to the subtleties of their societies as they are the nuances of words. Also including a portrait of Bernard Malamud, a written exchange with Mary McCarthy about Roth's *The Counterlife*, and the essay "Rereading Saul Bellow," Shop Talk is a "fascinating [glimpse] of some of the deans of postwar literature" (Los Angeles Times Book Review).

Rodin has pronounced Rilke's essay the supreme interpretation of his work. A few years ago the sculptor expressed to the translators the wish that some day the book might be placed before the English-speaking public. The appreciation was published originally as one of a series of Art Monographs under the editorship of the late Richard Muther. To estimate and interpret the work of an artist is to be creatively just to him. For this reason there are fewer critics than there are artists, and criticism with but few exceptions is almost invariably negligible and futile.

In the dramatic monologues that make up *The Fourth Dimension*--especially those based on the grim history of Mycenae and its royal protagonists--the celebrated modern Greek poet Yannis Ritsos presents a timeless poetic paradigm of the condition of Greece, past and present. The volume also contains a group of modern narratives, including the famous, and much-anthologized, "Moonlight Sonata." Ritsos, rightly, regarded *The Fourth Dimension* as his finest achievement. It is now presented to English-speaking readers for the first time in its entirety. From "Philoctetes" All the speeches of great men, about the dead and about heroes. Astonishing, awesome words, pursued us even in our sleep, slipping beneath closed doors, from the banquet hall where glasses and voices sparkled, and the veil of an unseen dancer rippled silently like a diaphanous, whirling wall between life and death. Auguste Rodin

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

In *Singing and Communicating in English*, internationally renowned diction coach Kathryn LaBouff provides singers with an accessible guide to the principles of English diction they need to communicate the text successfully. In addition to standard American and British English, a variety of regional dialects and accents are covered in depth. A companion website features a full range of vowel/consonant drills, poems read aloud by the author and veteran theater and voiceover actor John Keating, as well as an instructor's answer key, and publishers' lists to help the singer locate a vast array of English language works for performance. This is the first unexpurgated English edition of Curzio Malaparte's legendary work *The Skin*. The book begins in 1943, with Allied forces cementing their grip on the devastated city of Naples. The sometime Fascist and ever-resourceful Curzio Malaparte is working with the Americans as a liaison officer. He looks after Colonel Jack Hamilton, "a Christian gentleman . . . an American in the noblest sense of the word," who speaks French and cites the classics and holds his nose as the two men tour the squalid streets of a city in ruins where liberation is only another word for desperation. Veterans of the disbanded Italian army beg for work. A rare specimen from the city's famous aquarium is served up at a ceremonial dinner for high Allied officers. Prostitution is rampant. The smell of death is everywhere. Subtle, cynical, evasive, manipulative, unnerving, always astonishing, Malaparte is a supreme artist of the unreliable, both the product and the prophet of a world gone rotten to the core.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the *Twilight* Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy—he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn.

When a nobleman is split in two, his separate halves pursue different adventures in a fantastically macabre tale by the author of *Invisible Cities*. It is the seventeenth century, and the Viscount Medardo of Terralba must go into battle against the Turks. But the inexperienced warrior is soon bisected lengthwise by a cannonball. Through a miracle of stitching, one half of him survives, returning to his feudal estate to lead a lavishly evil life. But soon his other, virtuous half appears—also very much alive. When the two halves become rivals for the love of the same woman, there's no telling the lengths each will go to in order to win. Now available in an independent volume for the first time, this deliciously bizarre novella of is Calvino at his most devious and winning. Per quasi tre anni Gulbahar Haitiwaji è stata privata della libertà e ha subito violenza dalla polizia, centinaia di ore di interrogatori, fame, freddo, torture, sterilizzazione forzata e dodici ore al giorno di propaganda cinese, costretta in un drammatico programma di repressione e distruzione della minoranza musulmana degli uiguri. Nata nello Xinjiang, nella Cina occidentale, Haitiwaji viveva in Francia da dieci anni quando, una mattina del novembre 2016, è stata richiamata in Cina con il pretesto di chiudere alcune pratiche amministrative. Accusata di celare posizioni indipendentiste e attività terroristiche dietro il suo esilio in Francia, è sparita nelle viscere del terrificante sistema dei campi di concentramento ideati dal Partito comunista cinese per annientare il suo popolo. Più di un milione di uiguri sono stati deportati nei «campi di rieducazione» sulla base di infondate accuse di «terrorismo, infiltrazione e separatismo». Gli Xinjiang Papers, rivelati dal «New York Times» nel novembre 2019, denunciano e provano una repressione basata sulla detenzione di massa, la più devastante dall'era di Mao. Salvata grazie alle disperate trattative della figlia e all'ostinazione del ministero degli Affari esteri francese, Haitiwaji è la prima sopravvissuta ai campi cinesi a testimoniare. La pubblicazione di questo libro comporta un terribile rischio che lei e la sua famiglia hanno deciso di assumersi perché la sua voce essenziale raggiunga l'Occidente e ne scuota l'indifferenza. The 120 Days of Sodom is Sade's masterpiece. A still unsurpassed catalogue of sexual aberrations and the first systematic exploration of the psychopathology of sex, it was written during Sade's imprisonment and then lost after the storming of the Bastille in 1789. Later rediscovered, the manuscript remained unpublished until 1936 and is now introduced by Simone de Beauvoir's landmark essay, 'Must We Burn Sade?' Or, Passages in the Life of an Italian

This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels

published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.

It is difficult to write well even in one language. Yet a rich body of translingual literature -- by authors who write in more than one language or in a language other than their primary one -- exists. The Translingual Imagination is a pioneering study of the phenomenon, which is as ancient as the use of Arabic, Latin, Mandarin, Persian, and Sanskrit as *linguae francae*. Colonialism, war, mobility, and the aesthetics of alienation have combined to create a modern translingual canon. Opening with an overview of this vast subject, Steven G. Kellman then looks at the differences between ambilinguals -- those who write authoritatively in more than one language -- and monolingual translinguals -- those who write in only one language but not their native one. Kellman offers compelling analyses of the translingual situations of African and Jewish authors and of achievements by authors as varied as Mary Antin, Samuel Beckett, Louis Begley, J. M. Coetzee, Joseph Conrad, Eva Hoffman, Vladimir Nabokov, and John Sayles. While separate studies of individual translingual authors have long been available, this is the first in-depth study of the general phenomenon of translingual literature.

Non importa che siate liberi professionisti, manager o dipendenti, ci è che conta è la consapevolezza che il mondo del lavoro è totalmente cambiato. La diffusione degli smartphone e dei device tecnologici impone una riconsiderazione del tempo: possiamo continuare a pensare secondo orari di lavoro fissi, ma ormai sempre più spesso sono gli strumenti a dettarci task, compiti e orari. Con un conseguente aumento dello stress. Il mondo del lavoro di oggi non è peggiore di quello di ieri, è solo un mondo diverso, con abitudini diverse. Oggi è possibile, per esempio, lavorare in mobilità con la stessa efficienza con la quale si lavora da una postazione fissa. A volte anche meglio. Ci è che conta è la capacità di organizzare il tempo e il lavoro con una metodologia efficace e una conoscenza accurata dei migliori tool disponibili. Essere always on è una criticità che va affrontata e dominata, non subita. Mobile working vi insegnerà a conoscere tutti gli strumenti ideali per lavorare mobile, ma è importantissimo che siate voi, alla fine, a scegliere il terreno sul quale giocare.
