The Puerto Rican Movement

Puerto Rico

Puerto Ricans maintain a vibrant identity that bridges two very different places--the island of Puerto Rico and the U.S. mainland. Whether they live on the island, in the States, or divide time between the two, most imagine Puerto Rico as a separate nation and view themselves primarily as Puerto Rican. At the same time, Puerto

Ricans have been U.S. citizens since 1917, and Puerto Rico has been a U.S. commonwealth since 1952. Jorge Duany uses previously untapped primary sources to bring new insights to questions of Puerto Rican identity, nationalism, and migration. Drawing a distinction between political and cultural nationalism, Duany argues that the Puerto Rican "nation" must be understood as a new kind of translocal entity with deep cultural continuities. He documents a strong sharing of culture between island

and mainland, with diasporic communities tightly linked to island life by a steady circular migration. Duany explores the Puerto Rican sense of nationhood by looking at cultural representations produced by Puerto Ricans and considering how others--American anthropologists, photographers, and museum curators, for example--have represented the nation. His sources of information include ethnographic fieldwork, archival research, interviews, surveys,

greatest of all Puerto Rican stars, Roberto Clemente. For many "imports," the league has been a stepping stone to major league stardom. In its early years, many of the league's stars came from the Negro Leagues: Satchel Paige, Josh Gibson, Buck Leonard, Monte Irvin and Roy Campanella were just a few of the African American stars who graced the Puerto Rican diamonds in the 1940s and early 1950s. The Santurce outfield of 1954 featured one of the finest outfields in baseball history: Clemente, Willie Mays, and Puerto Rican star Bob Thurman. Through the mid-1980s, many major league

Insight Guide Puerto Rico

Little attention has been paid to the Latino movements of the 1960s and 1970s in the literature of social movements. This volume is the first significant look at the organizations that emerged in the late 1960s to promote Puerto Rican independence and the radical transformation of U.S. society. The Puerto Rican movement was a response to U.S. colonialism on the

island and to the poverty and discrimination faced by most Puerto Ricans on the mainland. This anthology looks at the organizations that emerged to combat these two problems in such places as Boston, Chicago, Hartford, New York, and Philadelphia. Almost all the contributors worked with the organizations they describe. Interviews with such key figures as Elizam Escobar, Piri Thomas, and Luis Fuentes, as well as accounts by people active in the gay/lesbian, African American, and white Left movements, create a vivid picture of why and how people became radicalized and how their ideals intersected with their group's own dynamics.
