'Most likely Questions' generated by Oswaal Editorial Board with 100+ years of teaching experience

A Communicative Grammar of English has long been established as a grammar innovative in approach, reliable in coverage, and clear in its explanations. This fully revised and redesigned third edition provides up-to-date and accessible help to teachers, advanced learners and undergraduate students of English. Part One looks at the way English grammar varies in different types of English, such as 'formal' and 'informal', 'spoken' and 'written'; Part Two focuses on the uses of grammar rather than on grammatical structure and Part Three provides a handy alphabetically arranged guide to English grammar. A new workbook, The Communicative Grammar of English Workbook also accompanies this edition.

This book collates the expertise and experience of leading medical professionals to give foreign medical graduates an understanding of the American health care system. All the fundamental stages in the preparation of a foreign medical graduate for medical training in the US are covered. The book aims to provide essential information and guidance on how to navigate the American health care system. The characteristics of it are described in this concise and easy to read volume to help foreign medical graduates integrate into the American system.

Smart Question Bank (MCQs) for CUETUG for Economics/Business Economics comprises comprehensive sets of questions accompanied by answers, based on the latest syllabus structure set by the National Testing Agency (NTA), and it follows the current NCERTXII syllabus. This book caters to Section- II (Domain specific subjects) of the CUET-UG examination. While Economics is taken by the Arts group, Business Economics is taken by the Commerce group at their +2 level. The book caters to both the streams.

The requirements of a typical candidate have been the major consideration in the compilation of this book. Basic and advanced levels of English are covered in the book, with the conceptual and practical application of appropriate examples and use of cases being discussed in depth. Each chapter deals with different aspects of spoken English, and is laid out in a detailed manner so that you get the full conceptual and practical knowledge. This book will not only serve you as a complete Practical English Grammar and Spoken English Guide and practice book, but also enhance your language skills and help you in pursuing higher education. The book also contains 100+ secret tips that will help you master vocabulary, conversation and speak fluent English easily. It will help you refine your speaking, listening, pronunciation, vocabulary, and grammar skills for more effective communication. This book will help in improving your English grammar skills, vocabulary, conversation and English speaking skills as well as in speaking better and correct English fluently & confidently. After reading of this book - you will feel much more confident and better- equipped at speaking English. By ending of this book- you will become the master/mistress of Spoken English. This book will prove useful as a complete guide and Practical Practice Spoken English Book for those who are preparing for TOEFL, IELTS, GRE, GMAT, PTE, VERSANAT, Jobs Interviews etc.

English for Business Communication

A Practical Guide for Foreign Medical Graduates Who Want to Enter the System

College English and Communication combines business English and business communication into a comprehensive text which applies language arts skills to business communication. This new edition features examples and exercises from contemporary business office settings and includes situations in which students explore the use of technology in the office environment. Also new to this edition is a text called College Communication which contains all the chapters of College English and Communication, minus the chapters on grammar, mechanics, and reading.

This textbook provides a comprehensive introduction for students and professionals who are studying English for business or workplace communication and covers both spoken and written English. Based on up-to-date research in business communication and incorporating an international range of real-world authentic texts, this book deals with the realities of communication in business today. Key features of this book include: use of English in social media that reflects recent trends in business communication; coverage of the concept of communicative competence; analysis of email

communication; introduction to informal English and English for socialisation as well as goodwill messages, such as thank you or appreciation messages, which are a part of everyday interaction in the workplace; examination of persuasive messages and ways to understand such messages; an e-resources website that includes authentic examples of different workplace genres and a reference section covering relevant research studies and weblinks for readers to better understand the topics covered in each chapter. This book goes beyond the traditional coverage of business English to provide a broad and practical textbook for those studying English in a workplace setting.
