Choose Happiness! is a treatise on Practical Perspectivism, a way of seeing the world, and a practice of living in it, elaborated by Jeffrey Zahn, MD., a recognized happy person, practicing anesthesiologist, family guy, and all around connoisseur of the simpler things in life. Easy to understand and put into effect, Choose Happiness! describes the Ten Precepts of Practical Perspectivism and explains how to put them to use in your everyday life as a means to eke more happiness out of each day.

QuickBooks Pro 2014 streamlined instructional guide for Independent Contractors and other freelance professionals. Contains only the basics for those who only need the basics. Includes tips on Budgeting and organizing paperwork. Learn how to bill customers, pay vendors, manage banking information and how to set up QuickBooks Pro 2014.

There are times when what a youngster does or says is absolutely baffling to mom or dad. How can 15-year-old Sarah spend hours prepping her hair and not give one second to cleaning her room? Likewise, what's wrong with 10-year-old Mark who knows he shouldn't bully his little brother but does so anyway?

Certainly parents want answers, and no one is surprised when a parent falls back on interrogating a child or teen with repeated "Why?" or "What were you thinking?" questions. Unfortunately, searching for the reasons children behave as they do by asking the ubiquitous "Why?" is ultimately unsuccessful and, frankly, irrelevant. "I don't know," "Because," or "I wasn't thinking," is the usual child response, resulting in frustrated parents and youngsters who feel embarrassed, stupid or annoyed. Drs. Charles C. Larson and John B. Dockstader, each with more than thirty years of experience working with parents and youngsters, advise parents to step back from situations such as those described and offer, instead, techniques for evaluating and solving family problems without needing to know "Why?". The authors counsel parents how to determine if a problem exists, who owns the problem and who is best equipped to solve it. Numerous real-life examples are presented to illustrate the problem-solving process and solutions. In Parenting Without Guilt, parents learn not only to solve family problems, but also why the challenges parents and youngsters face today are more demanding than ever before. In addition, parents are guided through each stage of child development, from birth to young adulthood, with attention to typical problems any parent may anticipate. Resources that parents can use to help them resolve family discords are discussed, to include working with educators, clergy, pediatricians, private practitioners and others. With compassion, humor and wisdom gained through practical experience, Drs. Larson and Dockstader offer information and advice that provides any parent with the skills to raise successful children without guilt, anxiety or distress.

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

When a suspicious gas leak blows up his favorite doughnut shop, a retired American expat bumbles into a mystery in Mexico. He follows money flowing down from the States, cocoa beans going north, and finds some tasty foodie hangouts to help him start his days on the prowl. OAXACA CHOCOLATE is a cross-border mystery, a travel guide, an expat's struggle with multinational takeovers in a corrupt state, a scammer's lament, and a taste of the comida and mezcal in Mexico's most beautiful colonial city located high in its scenic, southern mountains. the perfect book for a Mexico visit to meet its gracious people and to explore warm-sun living with a helping of crime on the side. Kirkus Reviews chose OAXACA CHOCOLATE to be featured as one of Kirkus' Indie Books of the Month. "The city of Oaxaca, lively, dark and under threat, plays a starring role in this satisfying mystery." -- Kirkus Reviews "Kerns' second Santo Gordo mystery is even tastier than the first. It's a cup that runs over with Oaxaca's unique local color--I don't know anyone who captures the sights, sounds, smells and tastes of Oaxaca more vividly or insightfully than Kerns. Santo Gordo, gourmand, local hero and reluctant detective, is a shrewd observer of this exotic locale and its cast of characters." Robert Adler, co-author of the best-selling Oaxaca guidebook, Viva Oaxaca. Don't forget the other Santo Gordo mysteries--Santo Gordo: a Killing in Oaxaca and Restaurante Oaxaca. Explains how to use QuickBooks for small business accounting, covering such topics as configuring sales tax, tracking outstanding loans, and year-end books closing.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. From sage steppe to mountain forest to the waters of the Pacific Ocean, Oregon's diverse habitats host an equally rich diversity of bird life. BIRDING OREGON guides you to more than 250 of the best birding sites, telling you where to go, when to go, and what you will see when you get there. Whether you are a casual bird watcher or a hard-core lister, this guide will help you make the most of your travels through Oregon. To be included in the book, all of the sites had to meet three criteria. 1. The site must be on public land, or on land accessible to the birding public. Trespassing is not OK, even for birders. 2. The site must be accessible in a normal passenger car. Nothing spoils a birding trip faster than a punctured oil pan or a broken axle. 3. The site must provide consistently good birding, year after year. Good birds can show up anywhere on occasion. But if your time is limited, you want to visit sites that offer the best birding on a regular basis. In addition to the site guides, BIRDING OREGON includes a checklist of 543 species of birds and their seasonal abundance. The Resources section lists contact information for federal and state agencies, conservation and birding organizations, birding trails, and guide services.

Guitar Scales in Context Guitar Scales in Context goes further than every other scale dictionary available: it provides you with backing tracks and licks for every one of the essential 18 scales and modes that it covers. With over 50 backing tracks included, each scale is analysed, discussed and shown in the five most commonly used patterns. Each scale shape is given with a corresponding chord, triad and arpeggio pattern to help you build and memorise the scale, both physically and aurally. Each scale has an extensive information page giving examples of its use and a description of its unique character. Finally, so you can experience how each scale sounds and feels, three live-recorded example licks are given so you can instantly put the scales into musical context. Guitar Scales in Context is essential reading and practical application for anyone wanting to develop their fretboard skills, music theory and aural awareness. Scales Covered Include: The Major Scale The Dorian Mode The Phrygian Mode The Lydian Mode The Mixolydian Mode The Aeolian Mode The Locrian Mode The Minor Pentatonic (Blues) Scale The Major Pentatonic (Blues) Scale The Melodic Minor Mode The Lydian Dominant Mode The Altered Scale The Harmonic Minor Scale The Phrygian Dominant Mode The Mixolydian Bebop Scale The Dorian Bebop Scale The Half Whole Diminished Scale The Whole Tone Scale Scroll up to buy Guitar Scales in Context now.
