

Quicksilver

Back home Tori was the girl who had everything a sixteen-year-old could want—popularity, money, beauty. Everything. Including a secret. That secret made her very valuable. Now she's left everything from her old life behind, including her real name and Alison, the only person who truly understood her. She can't lose the secret. But if she wants to have anything resembling a normal life, she has to blend in and hide her unique...talents. Plans change when the enigmatic Sebastian Faraday reappears in Tori's life and delivers bad news: she hasn't escaped. In fact, she's attracted new interest in the form of an obsessed ex-detective now in the employ of a genetics lab. She has only one shot at ditching her past for good and living like the normal human she wishes she could be. Tori must use every ounce of her considerable hacking and engineering skills—and even then, she might need to sacrifice more than she could possibly imagine if she wants to be free. The riveting companion to R.J. Anderson's acclaimed Ultraviolet, which is now available in paperback.

Deep within an old and mysterious forest in an ancient land, Quicksilver is born into the silver dance of the moon. From the moment he takes his first breath, Quicksilver is unconditionally loved by his fairy family. After an elderly wizardess rises from a corner in the room to cradle Quicksilver in her arms, she grants him the gift of invisibility that she says will help him, along with other similar children, to eventually lead their people to realize new possibilities. As Quicksilver sets out on a coming-of-age journey fueled by curiosity, he soon amazes everyone around him with special abilities that frequently cause his family a mixture of mirth, wonder, and worry. While exploring a world filled with magic, mystery, and unusual animals, Quicksilver proudly wears his cloak of invisibility while making new friends, solving mysteries, and experiencing unusual adventures. In this entertaining fantasy tale, a fairy boy and his team of special fairy children with unique abilities, set out on a daring, yet fun filled journey to solve problems and change even the human world

ACTION AND ADVENTURE IN A NEW AGE OF STEAM! Join Ulysses Quicksilver - dandy, adventurer and agent of the crown - as he battles the enemies of the Empire in this collection of rip-roaring steampunk adventures. This action-packed tome brings you three sensational tales... UNNATURAL HISTORY: Queen Victoria is celebrating the 160th year of her reign, but all is not well at the heart of the empire. An eminent professor of evolutionary biology goes missing. A catastrophic Overground rail-crash unleashes the dinosaurs of London Zoo. Is this the work of crazed revolutionaries, or are more sinister forces at

work? For Ulysses the game is afoot! LEVIATHAN RISING: It's all aboard the Neptune, the latest in submersible cruise-liners, for a jolly ocean jaunt. But what starts out as a holiday quickly turns into a voyage of terror for Ulysses and his companions. A brutal murder is committed and then an act of sabotage plunges the Neptune into the abyssal depths. There a deadly secret awaits them, as the Leviathan awakes! HUMAN NATURE: The Whitby Mermaid is stolen from Cruickshank's Cabinet of Curiosities and Ulysses Quicksilver is soon on the case. What does the theft have to do with the mysterious House of Monkeys? And what of the enigmatic criminal known as the Magpie? Ulysses' investigation takes him to Whitby, where something sinister lurks on the moors, carefully choosing its victims!

SWORD AND SORCERY! SOME GUYS HAVE IT ALL... Geoffrey Gallowglass, the Lord High Warlock's second son, has only two passions in life: war and women. As a knight-errant, he roams the Kingdom of Gramarye looking for wrongs to right and women to woo... but no one has held his interest for very long. Until he meets Quicksilver, a fiery warrior woman as beautiful as she is deadly, with a tongue as sharp as her sword. Has Geoffrey finally found his perfect woman? There's only one problem: Quicksilver is the bandit chieftain who has conquered her lord's land and castle, and Geoffrey is the Royal Knight sent to defeat and capture her. Is love hopeless? Or can Geoffrey find some way face her before an altar, not an army?

A Thriller

B041: Quicksilver Deposits in Nevada

In the 1870s, a quicksilver mining boom took hold of Sonoma County, California. Claims were staked, and a rowdy camp took shape in Pine Flat as farmers traded plows for picks and miners answered the siren call of cinnabar. In this compelling account, historian Joe Pelanconi relates the development of the twenty-mile Cinnabar Mining District. Pelanconi shares intriguing stories like those of the Donner Party survivor, Chinese laborers who worked the mines in danger of mercury poisoning and the two brothers who were leading citizens of the district and purported victims of murder. Delve into Sonoma County's heritage and a lost era when eccentrics and dreamers sought shining flasks of riches in the Mayacamas Mountains above today's wine country.

This work traces the history of mercury in popular culture, beginning in the early 18th century when Dr.

Thomas Dover, nicknamed Dr. Quicksilver, began prescribing doses of raw mercury to clear out intestinal blockages and rid the body of syphilis and other diseases. The author details the role of mercury in several medical, industrial, and cultural applications.

Quicksilver begins on a quiet day in contemplation of a lizard deep in the heart of the outback but quickly moves to the Russia of Tolstoy and Gorky, and on to other lands and times, bringing into play universal questions about the essential nature of the human condition. Rothwell's chief subject is always the inland: the mystic Kurangara cult that flourished in the Kimberley; the story of the Western Desert artists, their works and their eventual fate; the tracks across the wilderness of Colonel Warburton and George Grey; the bush dreams and intuitions of D. H. Lawrence and the landscape word-portraits by the great biographer of nature Eric Rolls. In Quicksilver Rothwell masterfully takes us in search of the sacred through place and time, in an enchanting reverie of calm wondering.

The Baroque Cycle #1

Volume One of The Baroque Cycle

THE DARK HEART OF THE EMPIRE - EXPOSED! In his ongoing adventures in the services of Queen and Empire, Ulysses Quicksilver - hero and dandy - begins to uncover the corruption and decay in his beloved Britannia. This worthy tome collects three tales of desperation: **EVOLUTION EXPECTS:** After nearly 160 years as the supreme power on the planet, the British Empire has become stagnant and corrupt. The new Prime Minister, Devlin Valentine, promises change, but some lack the patience for politics. With a dangerous vigilante stalking the streets, a monster on the loose in the East End and rival gangs fighting for control, there may be nothing Ulysses - trapped in the notorious Bedlam Hospital - can do to prevent a catastrophic metamorphosis! **BLOOD ROYAL:** With the city, and the Empire, reeling from the transformations of a month before, a twisted new religion rises from the

devastation. In the meantime, in Europe, the spectre of war rears its ugly head; and rumours hint at monsters, things of myth, on both sides. Ulysses Quicksilver, fighting for peace and for reason – for civilisation itself – follows a path that leads him from the shattered streets of London to the icy wastes at the heart of a secretive, bloody empire. **DARK SIDE:** Searching for his brother Barty, Ulysses heads to the British Lunar colonies. The trail leads him and his faithful butler into the path of unsolved murders, battling robots, shady millionaires and uncanny inventions. Stalled when he ends up on the wrong side of Lunar law and hunted by a mysterious eyepatch-wearing stranger, the dandy adventurer will uncover, in a secret base on the dark side of the moon, truths that will challenge everything he knew about Britannia...

Men at sea in a difficult and unpopular war: this was the fall of 1967 and Vietnam was on the way to becoming an American nightmare. Yet each man had to find his own way to cope with the exhaustion, boredom and ultimately combat with a resourceful and persistent enemy. ENS Patrick Dillan, USN was assigned to USS LARTER (DD 766). Only 26 he was a bit of a rebel on what was supposed to be a 6 month Westpac deployment: dealing with normal evolutions, port calls and combat while he wrestled with his own and his ship mate's emotions.

Hermes--also known as Mercury, Wayfinder, and Prince of Thieves--has many talents. Wearing his famed winged sandals, he does the bidding of his father Zeus, leads the dead down to Hades, and practices his favorite arts of trickery and theft. He also sees the future, travels invisibly, loves jokes, and abhors violence. And he's an entertaining and ideal narrator on a fast-paced journey through ancient Greek mythology--from Medusa's cave to Trojan War battlefields to the mysterious Underworld. Stephanie Spinner brings the famous messenger--and the best-known gods and mortals of mythology--to life with high action and spare, powerful prose.

#1 New York Times bestselling master of suspense Dean Koontz takes a surprising and exhilarating road trip with a man in pursuit of his strange past--mile by frightening mile. Quinn Quicksilver was born a mystery--abandoned at three days old on a desert highway in Arizona. Raised in an orphanage, never knowing his parents, Quinn had a happy if unexceptional life. Until the day of "strange magnetism." It compelled him to drive out to the middle of nowhere. It helped him find a coin worth a lot of money. And it practically saved his life when two government agents showed up in the diner in pursuit of him. Now Quinn is on the run from those agents and who knows what else, fleeing for his life. During a shoot-out at a forlorn dude ranch, he finally meets his destined companions: Bridget Raining, a beauty as gifted in foresight as she is with firearms, and her grandpa Sparky, a romance novelist with an unusual past. Bridget knows what it's like to be Quinn. She's hunted, too. The only way to stay alive is to keep moving. Barreling through the Sonoran Desert, the formidable trio is impelled by that same inexplicable magnetism toward the inevitable. With every deeply disturbing mile, something sinister is in the rearview--an enemy that is more than a match for Quinn. Even as he discovers within himself resources that are every bit as scary.

Quicksilver's World

Geology and Quicksilver Deposits of the Terlingua District, Texas

Quicksilver is the story of Daniel Waterhouse, fearless thinker and conflicted Puritan, pursuing knowledge in the company of the great minds of Baroque-era Europe, in a chaotic world where reason wars with the bloody ambitions of the mighty, and where catastrophe, natural or otherwise, can alter the political landscape overnight. It is a chronicle of the breathtaking exploits of "Half-Cocked" Jack Shaftoe -- London street urchin turned swashbuckling adventurer and legendary King of the Vagabonds -- risking life and limb for glory and love while slowly maddening from the pox. And it is the tale of Eliza, rescued by Jack from a Turkish harem to become spy, courtesan, and pawn of royals in order to reinvent Europe through the newborn power of finance. A gloriously rich, entertaining, and end-of-the-world inventive novel that brings a remarkable age and its momentous events to vivid life, Quicksilver is an extraordinary achievement of the most original and important literary talents of our time. And it's just the beginning ...

Before Terlingua achieved some notoriety as the site of the annual World Championship Chili Cookoff, the ghost town was the center of the mercury mining industry in the United States. Quicksilver tells the story of the company town and its feudal lord, industrialist Howard E. Perry, who built a hilltop mansion overlooking the dry domain. Based on many primary sources, this solid, well-researched and historically sound book tells of profit, power, and loss; of U.S. Army protection from the effects of revolution on the border; of Depression-era maneuverings and labor unrest; and of a region that holds growing fascination for thousands of visitors each year. Color and authenticity come from the author's interviews with such individuals as Robert Cartledge, who for nearly three decades worked as store clerk, purchasing agent, and finally general manager of the Chisos Mining Company in Terlingua.
