The Puzzle Baron has done it again, and this time he's giving readers his most complex collection of logic puzzles ever -- Puzzle Baron's Fiendish Logic Puzzles. For each two-page puzzle, a background story and a list of text-based clues are given. Puzzlers then use logic to sift through the clues to arrive at the correct answer. What makes these puzzles different from those in previous books in the series is that each spans two pages and requires at least one of 15 advanced solving methods. This book includes: - 100 devilishly difficult brain-challenging logic puzzles. - Average solution time statistics on each puzzle. - An introduction that shows readers how to get started solving the puzzles. - Complete answer key at the end of the book. - Access to online hints at the Puzzle Baron's website.

More number-based logic puzzles than you can count! The Puzzle Baron swoops in again, this time with a fresh take on everyone's favorite--number logic puzzles. Readers will discover a variety of puzzle types for hours of brain-challenging fun! Mathdoku, Calcudoku, Sudoku, Fillomino, and Numberlink puzzles--there're all here for you--more than 100 of them--just waiting to be solved! Inside, you get: - An introductory page explaining the various puzzles and how they work - Over 100 number-based logic puzzles to solve - Plenty of blank spaces to fill in the answers - An answer key section to check your answers--or peek at when the going gets tough!

Get your brain working with 100 grid-based logic puzzles from the Puzzle Baron! Filled with complex and fun brain teasers that range in difficulty, this book will put your mind into overdrive with hours of brain-challenging fun. Using the given backstory and list of clues, readers use pure logic to deduce the correct answer for each fiendishly tricky puzzle in Puzzle Baron's Logic Puzzles. Bring out your competitive side and check your stats against the average completion time, the record completion time, and the percentage of people who finish the puzzle.
