Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

When Joshua King's father dies of a Viagra overdose, he leaves his son a fortune - on condition that Josh writes a bestselling novel. But the last thing Josh wants is a purpose in life; he's far too busy travelling, taking drugs and growing his hair. Now, uncomfortably ensconced in dirty, downtown Delhi, still desperately searching for inspiration, Josh reckons he's on to the Big One. Which is to find, befriend and finally unmask the subcontinent's legendary drug baron, Baba. Add the beautiful and elusive Yasmin to the plot, and Josh finds himself enmeshed in a quest so unbelievable it must surely give

him scope for a novel. But three months later, abandoned, penniless and starving in Mumbai's Caged City, selling heroin to street kids and wanted for questioning after the murder of a Bollywood superstar, Josh is discovering the dangers of fiction. It is all far too real... A unique collection of interviews, reviews and behind the scenes articles selected from the works of Fuad Omar and his writings on the Indian film industry.

What can Amitabh Bachchan's life teach us in our pursuit of excellence? Everything. Amitabh Bachchan is not just a brilliant actor or the 'Superstar of the Millennium'. He is an institution in himself-not just for acting but everything that makes a person successful in his life. Most of his virtues-like professionalism, determination, a never-say-die attitude-are traits which one can follow to achieve the 'Excellence' everyone aspires for. Four National Film Awards, 15 Filmfare Awards and 41 nominations hold testimony to his excellence. How does he sail through different phases of life-the good, the bad and the ugly, which in his case are the best, the worst and the horrid-unruffled? How did he manage an unpredictable film career along with a failed business venture and then rose like a phoenix, never to look back again? All this requires unwavering determination, willpower, patience and a disposition to take it all in one's stride. In this book, educationist and

A remarkable insight into the films and times of India's greatest star-actor In an industry where fashions change every Friday, Amitabh Bachchan has been synonymous with cinematic entertainment for over thirty years. But beyond the labels of 'one-man industry' and 'star of the millennium', a number of issues pertaining to the star, his films and his era remain largely unaddressed. What is it that makes Amitabh Bachchan the star he is? Is it his undeniable genius as an actor, his ability to connect with the masses and the classes

alike, or is it his writers and directors who project him in varied roles? Did his films in his heyday reflect the angst of his time, or did they ferment the spirit of anger and rebellion in the first place? Was he really the rebel as his 'angry young man' image suggests, or was there, behind all the sound and fury, a conformist subtext that called for restoration of the status quo? How relevant is Amitabh Bachchan today? In Amitabh: The Making of a Superstar, Susmita Dasgupta answers these and other questions that lie buried in the trail of glory the star blazed. In a warm and insightful analysis, the author traces the world-view and philosophy that have shaped the films of Amitabh Bachchan—from the angry young man of Zanjeer, the tragic antihero of Deewar and the entertainer of Amar Akbar Anthony to his more conservative turns in Mahabbatein and Kabhi Khushi Kabhie Gham. In the process, she not only chronicles the star's journey from a flop actor to a national icon but also brings to life a period in the history of Indian cinema which altered forever the economics of film-making in the country.

Find the bay of hope . . . Right next to the ocean of grief stands the bay of hope. It's made of billions of sand particles, each one insignificant on its own, but together a force to reckon with. The ocean continues to try to swallow the bay and the golden sand smiles, washed by the glistening tears. As an oncologist, it's difficult to come home and have a normal meal or sleep without being awakened by a wet pillow, unsure if the tears were mine or those of a patient's. I have understood that in this extraordinary universe, I am but a mere speck, as small and inconsequential as the sand particle on the beach. But with the bond that I have built with my patients, I am resolute, as indomitable as any avenger of cancer. These survivors have taught me more than what medicine has. These are not 108 stories. This is the future of our battle against cancer. These are the footsteps these survivors have taken, from tears to smiles. I Am a Survivor exemplifies the cancer survivors of the human race, their journey and their demonstration of flawless endurance. It uncovers stories of several extraordinary cancer survivors who live their lives with the same intensity as others. This book is an attempt to honour what they stand for, and it offers their tale as an example for those walking the same path.

Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in." With inspiration from Mary Shelley's Frankenstein—and perfect for fans of Libba Bray—this breathless conclusion to the Madman's Daughter trilogy explores the things we'll sacrifice to save those we love...even our own humanity. After killing the men who tried to steal her father's research, Juliet and her friends have escaped to a remote estate on the Scottish moors. Owned by the enigmatic Elizabeth von Stein, the mansion is full of mysteries and unexplained oddities: dead bodies in the basement, secret passages, and fortune tellers who seem to know Juliet's secrets. Though it appears to

be a safe haven, Juliet fears new dangers may be present within the manor's walls. Then Juliet uncovers the truth about the manor's long history of scientific experimentation—and her own intended role in it—forcing her to determine where the line falls between right and wrong, life and death, magic and science, and promises and secrets. And she must decide if she'll follow her father's dark footsteps or her mother's tragic ones, or whether she'll make her own.

*One of the "Best Books of 2020" by NPR's Book Concierge **Your Favorite Movies, Re-Watched** New York Times opinion writer and bestselling author Lindy West was once the in-house movie critic for Seattle's alternative newsweekly *The Stranger*, where she covered film with brutal honesty and giddy irreverence. In *Shit, Actually*, Lindy returns to those roots, re-examining beloved and iconic movies from the past 40 years with an eye toward the big questions of our time: Is *Twilight* the horniest movie in history? Why do the zebras in *The Lion King* trust Mufasa-WHO IS A LION-to look out for their best interests? Why did anyone bother making any more movies after *The Fugitive* achieved perfection? And, my god, why don't any of the women in *Love, Actually* ever fucking talk?!?! From *Forrest Gump*, *Honey I Shrunk the Kids*, and *Bad Boys II*, to *Face/Off*, *Top Gun*, and *The Notebook*, Lindy combines her razor-sharp wit and trademark humor with a genuine adoration for nostalgic trash to shed new critical light on some of our defining cultural touchstones-the stories we've long been telling ourselves about who we are. At once outrageously funny and piercingly incisive, *Shit, Actually* reminds us to*

The British circus industry dates back over two centuries and for many years wild animals were an integral part of the circus experience. In modern times the plight of animals has become a concern and today the view of the public as well as bodies such as the RSPCA is that travelling circuses are no place for wild animals, and the Government proposes primary legislation as set out in the draft Bill in this document. This legislation will end the use of wild animals in travelling circuses in this country and help ensure the nation's international reputation as a leading protector of animals continues into a new global era. As the process of introducing primary legislation is necessarily a long one the Government has already introduced the Welfare of Wild Animals in Travelling Circuses (England) Regulations 2012 which came into force on 20 January 2013. These Regulations will protect wild animals which stay in circuses in the short term. Two circuses so far have been licensed. However when it comes into force the ban in this draft Bill will supersede the Regulations.

A Story Is a Promise offers a new model for understanding one of the most difficult of all arts: writing dramatic, engaging stories.

First among the ancient classics, the I Ching or Book of Changes is one of the world's most influential books, comparable to the Bible, the Koran, and the Upanishads. The I Ching's purpose is universal: to provide good counsel to its users in making decisions during times of change. Since its origins about 3,000 years ago, it has become a compendium of wisdom used by people of many cultures and eras. This groundbreaking new translation by Dr. Margaret Pearson is based on the text created during the first centuries of the Zhou Dynasty, study of documents showing how it was used in the dynasty, and on current archaeological research findings. Her translation removes centuries of encrusted inaccuracies to better reveal the I Ching's core truths for today's readers. Whether you are interested in trying this millennia-tested method of making wise choices or in understanding the world view of the early Chinese, this edition is essential reading.

FRONT COVER Top: Louis "Lepke" Buchalter, gangster, responsible, as head of "Murder Inc.," for up to 700 contract killings. Highest-ranking mobster ever to die in the electric chair. Crude; lacks refinement. Bottom: Russian-Jewish "gangster capitalists" Vladimir Gusinsky (left) and Boris Berezovsky (right) drink to the "free market" (an economic fad) after scooping up trillions of dollars worth of natural resources for pennies on the dollar in crooked "privatization" schemes with copious assistance from Chechen gunmen and assassins, destroying the economy of the country, reducing over a hundred million people to abject poverty, with a crash in the birth rate, mass homelessness, hundreds of thousands of suicides, murders, "disappearances" and premature deaths through malnutrition and alcohol poisoning. Much better.

The best and most comprehensive book on the most important and best-loved Chinese goddess. Walk down the streets of Chinatown in any American or western European city and look around. She is there. Walk through the downtown streets, look in a shop window. She is there. Go to any city in China and open your eyes. She is there, too. Kuan Yin is the most ubiquitous Chinese deity—and the most loved. She is the living expression of compassion whose gentle face and elegant figure form the center of devotion in most Chinese homes and workplaces. Until relatively recently, she was barely known in the West, and few studies had been made of her. Originally published as *Kuan Yin* by Harper Collins in 1995 (and republished as *The Kuan Yin Chronicles* by Hampton Roads in 2009), this seminal work explores the origins and evolution of the goddess in ancient China, early Buddhism, Taoism, and

shamanism. Religious scholar Martin Palmer and Chinese divination expert Man-Ho Kwok discuss the Kuan Yin myths and stories, and Jay Ramsay provides fresh translations of 100 Kuan Yin poems that function both as literature and divination tools. "A compelling story that reads like a detective mystery . . . and shows the contemporary reassertion of the Goddess in the hearts and minds of men and women."
—Riane Eisler, author of *The Chalice and the Blade*. Previously published as *The Kuan Yin Chronicles*.

Redefining Airmanship offers the first concrete model of the abstract ideal of "airmanship," and gives the reader step-by-step guidance for self-appraisal and improvement in the areas of flight proficiency, teamwork, and good judgment in crisis situations. The author, Major Tony Kern, draws on his extensive flight and crew-training experience in the U.S. Air Force, but his model is invaluable for all pilots, whether military, recreational, or commercial. "Kern's work is a breakthrough, and a benchmark." --John J. Nance, author of *Blind Trust*

insight, practical advice, and a powerful call to social and political action. Based on ancient Chinese wisdom such as Lao Tzu's Tao Te Ching, Mad Monk Manifesto demonstrates how effecting change on a grand scale begins with getting to know our own consciousness. As ripples move away from a stone dropped into a pond, Yun Rou begins with our personal lives, discussing diet, exercise, meditation, and mind/body practice. Then it expands to our public environment, describing what we can do to improve our community, government, and the world. In addition, Monk Yun Rou encourages everyone to engage in the nature that surrounds them, showing how environmentalism can take place in daily life. Winner of the Gold Nautilus Book Award

Since the late 1980s, Hal Hartley has challenged standards of realist narrative cinema with daring narrative constructions, character development, and the creation of an unconventional visual world. In this pioneering critical overview of his work and its

cultural-historical context, Mark L. Berrettini discusses seven of Hartley's feature films, including *The Unbelievable Truth*, *Trust*, *Simple Men*, *Amateur*, *Henry Fool*, *Fay Grim*, and *The Book of Life*. Drawing on journalism, theories of representation, narrative and genre, and cinema history, Berrettini discusses the absurdist-comedic representation of serious themes in Hartley's films: impossible love, coincidence and human relations, extreme isolation, and the restrictions posed by gender norms. He looks at the films' consistently absurd tone and notes how these themes reappear within framing narratives that shift from the seemingly mundane in Hartley's earliest works to the vibrantly creative and fantastic in his later films. Employing close analysis and theories related to cinematic narrative and to realism, the book's critical appraisal of Hartley's films considers aspects of American independent cinema and postwar European cinema, antirealism, and minimalism. The volume concludes with a pair of in-depth interviews with the director from two distinct points in his career.

Foreword by Mahesh Bhatt 'A remarkable story'-Tina Ambani Growing up on the fringes of our capital city, Gulshan Grover moved to Mumbai to pursue a career in acting in the 1970s. At a time when most wannabe actors held out for the lead, he made a conscious choice to opt for villainous roles. He went on to portray many memorable characters, with a career-defining role in the 1989 blockbuster, *Ram Lakhan*, that established him firmly as the 'Bad Man' of Bollywood. Many a mainstream potboiler of the era rode to success on his trademark one-liners and grotesque get-ups that have become part of

Bollywood folklore. He subsequently moved on to the international arena, among the first actors from Mumbai to do so, in the process becoming one of India's more recognizable faces in international cinema. In this autobiography, Grover tells his story—the films, the journey, the psychological and personal toll of sustaining the 'bad man' image, the competition among Bollywood's villains, the move to playing more rounded characters, and the challenge of doing international films without relocating to another country or opting out of mainstream Hindi cinema.

Since its release on September 1, 2006, *Lage Raho Munna Bhai* has been watched by millions, broken box-office records, won unprecedented praise from the masses and critics alike, and most importantly, forced a nation of one billion people and the world's largest democracy to revisit their much misunderstood icon, Mahatma Gandhi. Following the release of the film, there has been a four hundred percent increase in the sale of literature about Gandhi. Schools and universities have introduced courses on Gandhigiri - a phrase from the film that has become a part of India's collective consciousness. Websites, fan clubs, discussion forums, and citizen groups have sprung across the nation to discuss the film's unique ideas. The *Washington Post* called the film, "A phenomenon that made Gandhi a pop icon." Amazingly, the movie that has inspired such an astonishing response is an unassuming comedy.
