Randy Alcorn, best-selling author of The Treasure Principle, makes a clear, compelling case for an underemphasized scriptural principle: that believers will receive differing rewards in heaven depending on their actions and choices here on earth. Taken mainly from excerpts of Money, Possessions, and Eternity, The Law of Rewards shows how our faith determines our eternal destination but our behavior determines our eternal rewards. The Law of Rewards is published in association with Generous Giving, Inc., a ministry of The Maclellan Foundation, which offers practical tools and events designed to transform hearts and minds for revolutionary generosity.

Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Far from discouraging his followers from pursuing treasure, Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us, but we can send it on ahead! The revolutionary concept of The Treasure Principle has transformed how millions view giving. This Revised and Updated edition features a new chapter plus a bonus section addressing frequently asked questions about how to live generously in everyday life. Experience for yourself how the joy of giving can make your life richer, starting today. In a language kids can understand, Randy Alcorn explores Biblical answers to the questions kids often have about heaven. As in the adult title, *Heaven*, he addresses the difference between the present Heaven, where we go when we die, and the New Earth, where we will live forever with Jesus after he returns. Intended for kids age 8-12, *Heaven for Kids* is sure to be an excellent resource for families, especially those in which the parents have read the adult title and wish to pass on that same level of understanding to their children. The book features ten chapters of questions, and answers based on scripture and written in a style relevant to today's kids. The book also has a summary of the Gospel for those who want to be sure they are going to Heaven someday. Randy encourages kids to live “in Light of Heaven.” Who wants to settle for fleeting treasures on earth . . . when God offers everlasting treasures in heaven? It's time to rethink our perspectives on money and possessions. In this thoroughly researched classic, Randy Alcorn shows us how to view these things accurately as God's provision for our good, the good of others, and his glory. Alcorn presents a biblical and comprehensive view of money and possessions, including the following: Why is money so important to God? Is prosperity theology right or wrong? How can we be liberated from materialism? What should we do about debt? How much does God want us to give? How can we best help the poor and reach the lost? What about gambling? Investing? Insurance? Saving? Retirement? Inheritance? How can we leave our children a true heritage? How can we use money in ways that God rewards? This practical and refreshing theology of money contains topical and Scripture indexes, a study guide, and five helpful appendices. Jillian is picture-perfect on the outside, but terrified of getting hurt on the inside. Brittany is a tough girl who trusts almost no one. Ian is a successful athlete who dabbles in the occult. And Rob is a former gang-banger who struggles with guilt, pain, and a newfound faith in God. These four college students will face the ultimate battle between good and evil in a single year. As spiritual warfare rages around them, a dramatic demonic correspondence takes place. Readers can eavesdrop on the enemy, and learn to stave off their own defeat, by reading *The Ishbane Conspiracy*.

Christians are supposed to be happy. In fact, we are supposed to radiate joy, peace, and contentment that is so unmistakable and so attractive that others are naturally drawn to us because they want what we have. And yet, in today's culture, the vast majority of Christians are perceived as angry, judgmental people who don't seem to derive any joy from life whatsoever. So why aren't we happy? Unfortunately, many Christians are taught early on that God doesn't want us to be happy (he wants us to be holy). In fact, many Christians are laboring under the false notion that God himself is not happy. But nothing could be further from the truth! God does want us to be happy. The Bible is filled with verses that prove that ours is a

happy, joy-filled God who not only loves celebrations but also desperately wants his children to be happy. Why else would He go to the lengths He did to ensure our eternal happiness in His presence? We know that we will experience unimaginable joy and happiness in Heaven, but that doesn't mean we can't also experience joy and happiness here on earth. In *Happiness*, noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy, He commands it. The most definitive study on the subject of happiness to date, this book is a paradigm-shifting wake-up call for the church and Christians everywhere.

If God is sovereign, how can I be free to choose? But if God is not sovereign, how can he be God? Is it possible to reconcile God's sovereignty with human choice? This is one of the most perplexing theological questions. It's also one of the most personal. In *Hand in Hand*, Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes. Instead of making a one-sided argument from select verses, Alcorn examines the question in light of all Scripture. By exploring what the whole Bible says about divine sovereignty and human choice, *Hand in Hand* helps us... · Carefully and honestly examine the different views on this issue · Gain a deeper understanding of God · Appreciate God's design in providing us the freedom of meaningful choice · See the value in better understanding what we cannot fully understand · Learn how to communicate about the issue in clear and compassionate ways · More fully experience the unity Christ intends for his Church A careful guide through Scripture, *Hand in Hand* shows us why God's sovereignty and meaningful human choice work together in a beautiful way. Includes small-group discussion questions.

The astonishing, Job-like story of how an existence filled with loss, suffering, questioning, and anger became a life filled with shocking and incomprehensible peace and joy. Vaneetha Risner contracted polio as an infant, was misdiagnosed, and lived with widespread paralysis. She lived in and out of the hospital for ten years and, after each stay, would return to a life filled with bullying. When she became a Christian, though, she thought things would get easier, and they did: carefree college days, a dream job in Boston, and an MBA from Stanford where she met and married a classmate. But life unraveled. Again. She had four miscarriages. Her son died because of a doctor's mistake. And Vaneetha was diagnosed with post-polio syndrome, meaning she would likely become a quadriplegic. And then her husband betrayed her and moved out, leaving her to raise two adolescent daughters alone. This was not the abundant life she thought God had promised her. But, as Vaneetha discovered, everything she experienced was designed to draw her closer to Christ as she discovered "that intimacy with God in suffering can be breathtakingly beautiful."

What will Heaven be like? Randy Alcorn presents a thoroughly biblical answer, based on years of careful study. His conclusions will surprise readers and stretch their thinking about this important subject.

Bestselling author Randy Alcorn uncovers the revolutionary key to spiritual transformation: joyful giving! Jesus' life-changing formula guarantees not only kingdom impact, but immediate

pleasure and eternal rewards.

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both."
